William Fredrick Johnson

Almost everyone knows someone named Bill Johnson, but not everyone knew William Fredrick Johnson who was somewhat of a legend among those who knew and loved him for a variety of reasons.

Our Bill Johnson was born on October 23, 1936 to Frank and Lena (Fairbanks) Johnson in Mahomen, MN, joining six older siblings. At age 12, Bill was orphaned and left to his own devices, making it to school only "quite by accident". As the age of 18, Bill hitchhiked

to Montana to work on a ranch in Lambert and was soon joined by his wife, Joan Humbert. Together the couple had four children; Kathy, Peggy, Carole and Billy. They spent several years in Glasgow where Bill was employed as a sheet metal worker. In 1964, the family moved to Dillon. Bill worked many years in the sheet metal industry before becoming an independent Lennox dealer. In addition Bill played music and had an outfitting business, both of which he was passionate about. In spite of a lack of education in his formative years, Bill did obtain a Bachelor's Degree in Industrial Arts from Western Montana College in Dillon.

In 1978, Bill united with Cheryl Birdsill Haggard and her daughter Cindy. Together Bill and Cheryl entertained many with music from "The Cowboy and the Lady". The duo was very compatible and enjoyed anything that involved animals and being outside. Always ready for action, there was never a dull moment when Bill was around. He loved the outdoors, hunting, fishing, and going to his cabin at Bloody Dick. He loved team-driving with his mule Bernard (who had never been cussed at as he was acquired from a pastor in Missouri). Bill was an avid reader, quick-witted and always ready to bestow his knowledge on his children and grandchildren. His great love of music, cowboy ways, and sense of humor are carried on in various family members in sometimes surprising and unpredictable ways. Bill was an enrolled member of the White Earth Indian Reservation as a Chippewa and was proud of his Native American heritage. He enjoyed traveling to Minnesota on a regular basis to re-connect with family and friends of yesteryear. One could never expect that he would behave himself on those trips, and he typically had no schedule.

Pass your Stash!!!!

The No ! Ladies Quilt Shop is going to hold another Pass your Stash fabric sale this year!! Last years was a huge success. What is Pass your Stash??? Well it is a fund raiser for the Beaverhead County Animal Shelter. We are asking for fabric donations that you might have at home. Fabric that is just sitting in the corner not being used or that you might not want. We also are accepting crafting and sewing supplies (yarn, thread, batting, buttons, etc.) Please only stuff that you would be willing to spend money on or think that someone else would want to spend money on. We will collect donations at the quilt shop and then will hold the fabric sale on April 23, Saturday. All proceeds will go to the Beaverhead County Animal Shelter. If you have any questions at all just call the quilt store. 406-683-5884.

A great big Thank You to everyone who purchased a raffle ticket and/or donated to support the 5 Beaverhead County High School Softball players who have been asked to play on a Montana Softball Team that will tour and play in Italy this summer. Library's Nonfiction Reading Group to meet

The Dillon Public Library's Nonfiction Reading Group will meet on Tuesday, April 12, 2016 at 7:00 p.m. in the Library's basement programming room to discuss Irving Stone's book *Men to Match My Mountains* – the Opening of the Far West, 1840 - 1900. The reading group is open to the public, and copies of the book are available for checkout at the Library.

In *Men to Match My Mountains* Irving Stone, America's most acclaimed author of biographical and historical fiction, has turned his magnificent talent to telling America's most colorful and exciting story of the opening of the Far West. This book is a true historical masterpiece and an unforgettable pageant of giants – men like John Sutter, whose dream of paradise was shattered by the California Gold Rush; Brigham Young and the Mormons who tamed the dessert with Bible texts; and the silver kings and the miners who developed Nevada's Comstock Lode and settled the Rockies. America called for greatness – and got it from the men whose stories are revealed in this book. There is nothing else in history to match the stories of these men who braved a wilderness to bring a new nation to the shores of the Pacific. (Google Books) Please join us for a stimulating conversation. Individuals do not have to belong to the reading group in order to attend any single discussion. You can attend the group even if you have not read the book, but we do try to keep the discussion focused on the contents of the book.

There are four additional titles lined up for the next monthly discussions (May - August) and copies of the items are available for checkout. Stop by the Library to find out more about the group and the titles scheduled for discussion. We invite everyone to consider joining this group. It is free and open to the public. See you at the Library!
