There is a visitation scheduled for Thursday, April 14th at Brundage Funeral Home from 6 - 8 PM with funeral services the following day at 2 PM at the funeral home. Gaines Richard McCracken

Gaines Richard McCracken of Polaris, MT passed away on April 10, 2016 at the age 86 at his home. He was born on April the 12th 1930 in Dillon, MT to Thomas and Phyllis McCracken. There is a guest book online at www.brundagefuneralhome.com. A full notice will follow.

Anna Gail (Janes) Henderson

Anna Gail (Janes) Henderson, of Dillon, Montana, peacefully passed away on April 10, 2016. Born February 15, 1931, to Edward Vincent and Blanche Marion (Tracy) Janes, in Iona, Idaho where she grew up and attended the Iona public school. She was a lifelong member of the Church of Jesus Christ of Latter-day Saints.

On February 17, 1947, she married the love of her life, Bert Francis Henderson. They settled in Idaho Falls for a short time before moving in 1953 to Lima, Montana. They bought their first new home in 1962 and moved their family of seven children to that home in Dillon, where she resided until her passing. Bert preceded her in death on July 24, 2008.

Anna's first job in Dillon was as a nurse's aide at the Barrett Hospital caring for the needs of others. She also worked several years at the D I Hardware store before deciding to pursue owning her own business. In 1987, her life-long dream came true when Anna opened "Anna's Oven".

Coming from a large family, she was taught at an early age the cooking and baking skills in helping her Mother prepare meals for the family. She learned to measure with either a handful or a pinch of the various ingredients. Throughout her years, she continued using this same method of cooking and baking in preparing meals for her own family. She always knew the amount she held in her hand was just the right amount. It was perfect every time. No matter what she prepared for her family, the end results were always a delight and wonderful.

Anna used these same techniques at Anna's Oven, which was always filled with customers, many from out of state,

who could not pass up her renowned cinnamon rolls, sticky buns, fresh baked breads, or lunch specials, many would be repeat customers. She always had a warm welcoming smile that reflected a welcome home feeling to whoever she greeted. Her talents also included making beautiful birthday and wedding cakes, catering for special events and the popular western bands who performed during the Labor Day Celebration in Dillon. She took pride, alongside her family members, to honor military members from Beaverhead County serving in the Gulf War, (Desert Storm/Desert Shield), sending them care packages from her support group, Love From A Distance.

With the onset of failing health, it was time to say good-bye to Anna's Oven and put it in the pages of history. Shortly after retiring, she compiled her recipes into Anna's Oven Cookbook, all of which sold out. A special excerpt from her cookbook reads: "For over 12 years Anna's Oven was a labor of Love, a heaping tablespoon of happiness that helped me make a super batch of new friends. Though Anna's Oven was a dream realized, cooking for my family has always been my greatest joy. In fact, my seven wonderful children are responsible for this recipe book. They were the truest judges of my cooking and recipes... never shy about voicing their opinions on my kitchen creations. To them I dedicate this book". She always loved sharing her passion about baking and lending advice. Her wisdom will be greatly missed. Love was her greatest gift. Many knew her, but more loved her.

Till we meet again, rest peacefully in your heavenly home with Bert, in the loving arms our Lord.

She is survived by her seven children, Roberta (Marvin-deceased) Barker of Dillon, MT, Marsha (Ed) Taylor of Cedar Hill, TX, Bruce (Joyce) Henderson of East Helena, MT, Mike (Joy) Henderson of Palmdale, CA, Doug (Cathee) Henderson of Seattle, WA, Peggy (Mahmoud) Talib of Mesquite, Texas, Tracy Henderson of San Tan Valley, Arizona, fifteen grandchildren, eighteen great-grandchildren and a great-great granddaughter, a sister, Wilma (Clyde) Rust, Portland OR, numerous nieces and nephews.

Preceding her in death were her parents Edward Vincent

The Stigmas of Hunger

Written by Tessa Sawyer

When visualizing a person suffering from hunger, would your neighbor or your friend, someone in your community, come to mind? Most of us immediately picture a victim of hunger that has a distended belly from malnutrition or is painfully thin. In America, that is not the case. Chances are you saw someone today who is suffering from food insecurity. In the United States, hunger is practically invisible.

For many people who suffer from food insecurity, asking for help is an issue of pride. Asking for help will cause the loss of a person's dignity. Using food stamps and other government programs is viewed by some as failure; failure to provide for their families and failure to earn enough money.

The thoughts of the American public can sometimes ring with a negativity that promotes silence among sufferers. Many of us hear the term "food stamps" and assume that people are cheating "the system". People receiving these benefits are viewed often as "lazy". This negativity has caused many people to keep silent and not to get the help they need.

Together, let's change the stigmas surrounding hunger.

Events are planned this week at BCHS, including dress up days, an assembly and a food drive. Community members can bring donations of food items or money to the BCHS office.

NEW SESSION of STRONG PEOPLE WILL START ON May 2, 2016 FREE TRIAL APRIL 18-29

In January, 2016, the Dillon Strong Women™ Program became STRONG PEOPLE and welcomed men as well as women into the program. STRONG PEOPLE uses the same exercises that the Dillon Strong Women™ Program used.

The Strong People program is a research based fitness program. The program will help participants look and feel better while increasing strength, bone density, and balance. Since 2010, when the program began locally as Strong Women™, participants have reported improvement in all of these areas. It is a good program for people of all ages and activity levels. One current participant is 101 years young!

Participants use ankle weights and dumbbells (all provided) in exercises done slowly, beginning with minimal weight and increasing the weight very gradually as the exercise repetitions seem easily completed.

The program is not for profit and leaders volunteer their time. A minimal fee of \$20 per month is charged so equipment can be purchased and rent paid to the Elks Lodge. New participants are encouraged to try the program free for the two weeks prior to the beginning of the new session (April 18-29). If they choose to continue the program, the fees will be charged at the beginning of the May/June session.

Currently the program is being run two days per week (Monday and Thursday) in sessions eight to 12 weeks long, after which participants have the opportunity to continue a maintenance session (no fee charged) until the next session begins. A new session begins Monday, May 2, 2016, from 10:00 until 11:15 at the Dillon Elks Lodge, 27 E. Center St. All former and new participants (including men) are encouraged to attend the free sessions April 18, 21, 25, and 28. Wear comfortable clothing and closed toe shoes.

For further information contact Jeannette Pittman at 660-2777 or Lois Volkening at 925-3774.

Beaverhead County Search and Rescue News Release

Submitted by Mel Rice, Public Relations Officer

The Beaverhead Search and Rescue held its monthly meeting on Wednesday, April 6. During the meeting four different callouts that occurred in the last month were critiqued.

- The first was a rescue in the Sweetwater drainage. Two adults and two infants were out for an afternoon joy ride when they became stuck in a large snow bank. Knowing an approximate location from text messages and phone calls, multiple S&R teams were dispatched to the area. After the teams had searched several roads, the individuals were located and transported to safety.
- The second response took place in the Grasshopper Valley. A downhill skier had skied out of bounds on the backside of Maverick Mtn. and had broken his leg. Search and Rescue was dispatched to assist the ski patrol in getting the individual off the mountain and out to the Blue Creek Trail Head.
- The third incident was another rescue. Fishermen had launched their boat on the Red Rock end of Clark Canyon. After a short time of fishing the motor gave out and the boat and occupants were blown to the north up against the ice still covering the reservoir. Several members and ex-member, Larry Laknar, took his boat to the south end of Clark Canyon and retrieved the stranded fishermen.
- The last page was for a lost individual in the Lake View area of the Centennial Valley. Before members of the S&R unit could be deployed, the individual was located by friends. All parties were in good condition when found/located.

Several other items were also discussed during the meeting.

- "Kids Day On The Big Hole" is an event the unit has participated in for several years. The date for this event is May 7th. Alan Holt, event chairman, and several other members will present a mini version of the "Hug a Tree" program to all the participants.
- The Search and Rescue's north repeater is not working. We will have to hire a technician to go to that site and make repairs.
- The County Search and Rescue United Way application was accepted. Money was allocated for two purchases. The first was for a desk top plotter for the command post while managing searches in the field. The second allotment is for an equipment trailer for hauling additional 4 wheelers, snowmobiles, etc. to the field for operations.
- On April 30 we will honor our spouses for all they put up with during the year, especially the anytime day or night callouts/pages. During the evening the Member of the Year and the Rookie of the Year will be announced and honored.
- April 20 is the Search and Rescue's night to cook for the Elk's Stag Night. Come and enjoy steak, scones, baked spuds, veggie and salad.

Coming up May 1 is the unit's annual Auction. This event is one of the primary fund raisers of the year. Anyone wishing to donate items to our cause can contact any S&R member for a pick-up or call our building at 683-6667 and leave a message as to what you have and a phone number where you can be reached. The unit will try to do most of the pick-ups on Wednesday evenings after the dinner hour. And remember, one man's junk is another man's treasure.
