SHERIFF'S OFFICE

Franklin D. Kluesner, II, Sheriff
David B. Chase Undersheriff

04/14/2015

Press Release

The Beaverhead County Sheriff's Office in partnership with the Drug Enforcement Administration will be hosting a Drug Take-Back event. Local residents can bring their unwanted or unneeded prescription drugs to the Sheriff's Office Lobby on Saturday April 30th, 2016 for safe disposal. The Beaverhead County Sheriff's Office has a monitored collection box available at this location yearlong, but is glad to participate in this campaign sponsored by the DEA. (The DEA cannot accept liquids or needles or sharps, only pills or patches.) The service is free and anonymous, no questions asked.

Last September, Americans turned in 350 tons (over 702,000 pounds) of prescription drugs at more than 5,000 sites operated by the DEA and more than 3,800 of its state and local law enforcement partners. Overall, in its 10 previous Take Back events, DEA and its partners have taken in over 5.5 million pounds—more than 2,750 tons—of pills.

This initiative addresses a vital public safety and public health issue. Medicines that languish in home cabinets are highly susceptible to diversion, misuse, and abuse. Rates of prescription drug abuse in the U.S. are alarmingly high, as are the number of accidental poisonings and overdoses due to these drugs. Studies show that a majority of abused prescription drugs are obtained from family and friends, including from the home medicine cabinet. In addition, Americans are now advised that their usual methods for disposing of unused medicines—flushing them down the toilet or throwing them in the trash—both pose potential safety and health hazards.

For more information about the disposal of prescription drugs or about the April 30 Take Back Day event, go to the [DEA Diversion website](http://DEA.Diversion.website).

Hunger in Our Nation

Written by Tessa Sawyer

Our world is by no means perfect, a fact that becomes obvious when one turns on the news. However, Americans are always willing to help and when a crisis occurs; aid is given without a second thought. Our world-view does not always take into account the suffering within our own borders.

Hunger is changing our country. Thousands of children, even in our own neighborhoods, aren't getting enough to eat and this is changing how they grow and learn. Hunger has a tight grip on our nation, creating wounds invisible to the untrained eye.

The numbers are shocking and almost unbelievable.

Hunger by the Numbers

Childhood Hunger Statistics for the United States:

16,000,000 kids struggle with hunger

1 in 5 kids do not get the nutrition/food they require everyday

For Montana:

49,300 kids struggle with hunger

For Beaverhead County:

Approximately 320 kids struggle with hunger

Events are planned this week at BCHS, including dress up days, an assembly and a food drive. Community members can bring donations of food items or money to the BCHS office.

"Y" NEWS AND UPDATES

Programs

Stop by the "Y" TODAY and get your family signed up for our fall group exercise programs and aquatic activities. Crank It Up (T,TH,F - 6:00am), Biker Blast (M,W, - 6:00am), Gentle Yoga (T,TH - 7:30am), Enhanced Fitness (M,T,TH, - 9:00am), Body Blaze (M,W, - 5:30pm), For More Biker Blast and Yoga, (call for details).

After School Series Adventures

The After School Series provides participants with in-depth programming while allowing parents more flexibility. Children will engage in healthy activities, crafts, sports, music, and much more. Children ride bus #9 to the "Y", have a snack, and then take part in the activities offered for that week. You may sign up for a week or a month, it's up to you. Camp ends at 5:30 each day and is offered the entire school year. Register for an entire month and save. Call the "Y" for more details!

Next in the After School Series, (Apr. 18th-Apr. 21st), "Fun With Flowers". Children will be decorating pots for indoor plants, as well as starting some flowers for transplanting in the great outdoors.

Healthy Kids Day

Join us in getting kids up and moving with their families on this fun walk/run/bike plus save on summer programs and swim lessons. First 50 participants will receive a free gift on Saturday April 16th from 9:00am-noon.

Schools Out Day

There is no school Friday, April 22 and the Y has you covered. We will run an all day camp for children in K-5th grade with lots of fun activities, games, and swimming.

Summer Swim Lessons

The first session of swim lessons will begin on June 6, 2016. Sessions normally fill up quickly so register your child early. More details will follow in the coming weeks.

Enhanced Fitness

The YMCA is now offering a proven community-based program. The program is nationally recognized by the Centers for Disease Control and Prevention and US Department of Health and Human Services. Class is geared toward older adults, and those with a chronic condition, such as arthritis. Join us today and get moving!

Strong Family Campaign

The purpose of this campaign is to generate funds to support programs, activities, scholarships and services for all members of our community regardless of age or ability to pay. Thanks to everyone who donated in 2015!

The Southwestern Montana Family YMCA is a non-profit, tax-exempt organization; therefore your donation may qualify as a tax-deductible in-kind donation.

Letter to the Editor

Barrett Hospital & Healthcare is an important anchor to our community. The mail ballot election is upon us for two seats on its Board of Trustees. I would encourage all voters - including those who supported me in the last Board of Trustees election - to now support the candidacy of Heidi Gleason with your vote. She will bring a fresh perspective to the Board along with a lifetime of training and experience in healthcare and passionate commitment to patients. Your vote for Heidi Gleason would give us all a new Face and a new Voice on our hospital board. Vote for Heidi!

VAN'S IGA-DILLON

MONTANA WESTERN TO HONOR EDUCATORS AT "NIGHT OF STARS"

The University of Montana Western education department and the university's alumni office will present the fifth annual "Night of Stars," Saturday, April 23, 2016.

The event is scheduled for 6 p.m. in the Beier Auditorium on the Montana Western campus.

The "Night of Stars" festivities will include the Education Hall of Fame induction of four exemplary alumni and will feature a presentation of the lifetime achievement award and recognition of six exceptional teacher candidates.

"It is an honor to recognize our outstanding education students and alumni at our annual Night of Stars event," said UMW Foundation and Alumni Director Roxanne Engellant.

In addition to recognizing our outstanding educators, the event will acknowledge 30 years of Rural Fridays on the Montana Western campus. The Rural Friday program is a partnership between the rural schools in Beaverhead County and the University of Montana Western education department.

A social and silent auction will immediately follow the ceremony in the Lewis and Clark room of Mathews Hall.

The 2016 Hall of Fame inductees include Barby Judge, Jim Lodge, Darlene Ruble and Jack Hutchison. Outstanding Teacher Candidates to be honored are Alyssa Endo, Daniel McGuire, Deanna Woodhouse, Michelle Head, Mitchell Thompson and Monica Schwemin.

The 2016 Lifetime Achievement award will be presented to John Kuglin. Kuglin earned his Bachelor of Science in education from Western Montana College (now the University of Montana Western) in 1972. He received his Master of Education in 1995.

He was hired for his first job just three years after entering Montana Western as a freshman. Upon completing student teaching, he was hired for a position created by a late enrollment increase in Hamilton, Mont. Twenty student teachers from the University of Montana also applied for the position but it was Kuglin who was hired. That was the beginning of a 22-year career that saw him teach, coach and help the Missoula area schools into the computer age.

He left the classroom in 1993 to become the first technology coordinator for the Missoula School District. From there, Kuglin was the first director of TCI's J.S. Sparkman Educational Technology Center. He became the first director of technology for the Mid-Continent research for education and learning. Kuglin then joined the space age as he was the director for NASA's EOS Education Project. He is now a senior education consultant for Kuglin Consulting. Kuglin has won many awards for his work in education including being recognized as a USA Today Power Teacher and in 2003 received the Montana Western Distinguished Alumni Award.

Barby Judge graduated from Montana Western in 1980 with a bachelor of science in elementary education. She received her master's in teaching from Grand Canyon University in 2001.

While at Montana Western, Judge worked as an admissions counselor and was active in Spurs. She was inducted into the Montana Western chapter of Kappa Delta Pi and graduated cum laude. After graduation, Judge began her teaching career in East Helena, Mont. as a second grade teacher. She later moved to Lewistown, Idaho and Missoula, Mont. before settling in Dillon in 1993.

She has taught in the Dillon School District for over 20 years. She is active in the Beaverhead County United Way, P.E.O., Alpha Delta Kappa and is a Montana Education Association Supervisor of UMW education student teachers.

Judge has been named "Who's Who Among America's Teachers", Disney Teacher of the Year Nominee and Milken Family Foundation National Educator in 1998. She graduated in the top one percent of her master's class and received student body recognition for her efforts. Judge and her husband Dick are the parents of Brian, Shannon and Taryn.

Jim Lodge attended Montana Western from 1966 to 1970. He obtained his bachelor's degree in secondary education with a double major in math and counseling. He was a three sport athlete at Montana Western and was inducted into the Bulldog Athletic Hall of Fame in 1984 for his performance on the football field. In addition to football, Lodge played baseball and basketball at Montana Western.

He began his teaching and coaching career in Glasgow, Mont. in 1970. Lodge moved to Missoula, Mont. in 1973 and spent the next 39 years teaching math at Hellgate High School and at Big Sky High School. Lodge retired in 2012 after spending more than 40 years teaching and coaching.

Lodge was a counselor at Montana Boys State from 1966 to 1980 and was the Director of Montana Boys State from 1980 to 1998. He was named the Western Montana College (now the University of Montana Western) Distinguished Alumni in 1997 and spent 25 years in the Montana Officials Association for Basketball.

Lodge met his wife Vicky at Montana Western. She is also a graduate of UMW. Additionally, Jim's father, Bun (B.W.) Lodge, and daughter Kari are graduates of Montana Western.

Darlene Ruble graduated from Montana Western in 1983 with a degree in secondary education with majors in general science and mathematics. In addition to her degree from UMW, she received a Bachelor of Arts in microbiology and botany from Ohio Wesleyan. Ruble received a Master of Science in technology education in 1997 from Montana State University.

After graduation, Ruble began her teaching career at Wolf Point High School teaching math, geometry and basic computer programming for one year. She then moved to Eureka, Mont. and Lincoln County High School where she continues to teach physics, chemistry, physical science, earth science, integrated science and several levels of algebra.

Ruble is a two-time recipient of the Presidential Award for Science Teaching. In 1989, she was the state winner and in 2009 she was the national winner. Ruble and her husband Kevin are the parents of Blake and Hannah.

Jack Hutchison received his Bachelor of Science in secondary education from Montana Western in 1968 and his master's in education from UMW in 1975. He devoted his entire teaching career of 45 years to Lima High School.

Hutchison's daily schedule involved teaching seven different classes, ranging from drama to the history of the Vietnam conflict. In addition to his teaching responsibilities, Hutchison served as a sponsor for the high school academic olympics team, judge for the county spelling bee, and the school district computer technology point person.

Outside of the classroom, Hutchison has a combined 84 years coaching eight-man and six-man football (34 years), boys basketball (seven years), girls basketball (11 years), and boys and girls track (32 years). Hutchison retired in 2013 but still remains an active participant as head coach of the girls basketball team.

In addition to the Night of Stars, several other alumni activities are planned around the weekend.

For the full slate of activities, please contact the alumni office at 406-683-7306.

Brows Speak Louder Than Words... What are yours saying?

Microblading also known as "3d feathering", "eyebrow embroidery", is a relatively new method that is a semi-permanent tattoo using hair like strokes to create a very beautiful natural looking eyebrow for anyone looking to clean up their sparse or sporadic eyebrows! It is a two step process and last 1-3 years. Pamper yourself or your sweetheart! After all they say that the eyes are the window to the soul... and your eyebrows are the expression of that soul!

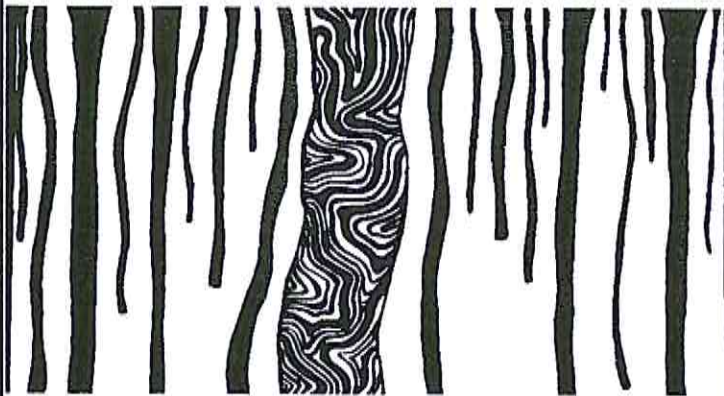

Now serving Dillon! Call to save your spot today!
