GOVERNOR BULLOCK FEATURED AT MONTANA CENTER FOR HORSEMANSHIP GROUNDBREAKING

Montana Gov. Steve Bullock will help celebrate the expansion of the Montana Center for Horsemanship (MCH) Wednesday, May 4 at 3 p.m.

The groundbreaking ceremony at the Dillon, Mont. facility will feature remarks by Gov. Bullock followed by a ceremonial groundbreaking and tours of the center which includes a new 300x200 indoor arena.

"We are excited to launch this next phase," MCH board member and La Cense Montana founder William Kriegel said. "The $2 million arena will enable us to grow our partnership with Montana Western and develop the center into a destination conference and research facility, attracting visitors and students from throughout the country."

The University of Montana Western's partnership with the MCH allows them to offer the nation's only four-year natural horsemanship degree with options in management, psychology, science and the newly added instruction.

"This partnership creates unique opportunities for students and economic growth for the community," Chancellor Beth Weatherby. "Expansion of the Montana Center for Horsemanship will allow us to meet the growing demand for the natural horsemanship program and to offer our new natural horsemanship instruction option, which directly responds to the needs of the equine industry."

The expansion will provide a state-of-the-art facility for the Dillon community and region.

The not-for-profit MCH is the first and only educational equine center in the United States to focus exclusively on natural horsemanship. Natural horsemanship is a philosophy that's based on understanding horse behavior, and bridging the gap between natural and conventional training.

Montana Western's natural horsemanship program provides students with an education in equine theory and science, combined with the practical skills of natural horsemanship. Skills taught are based on the principles of equine behavior, along with horse training methods of experts in natural horsemanship and similar disciplines.

Montana Western is the only public four-year institution offering block scheduling where students take a single class at a time, three hours each day, then move on to the next. This innovative program is called Experience One.

For more information and an artist's rendering of the expansion visit montanacenterforhorsemanship.org/expansion.

STAG NIGHT

The Dillon Elks Lodge Stag Night is Wednesday, April 20th and will be hosted by Beaverhead Search and Rescue. The meal is a steak dinner with all the trimmings. Cocktails at 6:00 pm and Dinner at 7:00. Welcome all Elks and guests.

Regular Council Meeting

Wednesday, April 20, 2016
at 7:00 p.m.

Annual Spaghetti Dinner Fund raiser

We have gift baskets from some businesses, gift certificates from some, a brand new large jewelry case, handmade quilts, a pretty "cat" themed vase ring, local pottery items, a "surprise" item made from horseshoes, and much more. There is always a great variety at both the silent and live auctions.

This is all happening at the annual Spaghetti Dinner Fund raiser for the Beaverhead Animal Shelter in Dillon on Saturday April 30 at the Elk's in downtown Dillon.

Dinner will be served from 5:00 to 8:00 pm. There will be a 50/50 Draw. The Silent Auction will be between 5:00 pm and 6:30 pm. The Live Auction will begin at 7:00 pm.

Shelter volunteers have been out contacting local businesses for donations to make this a really fun event. If you have a new or gently used item and/or antique item of any kind that you would like to donate, please call the Shelter at 406-683-8119. We have a place to store these items and can even come to your place and pick them up.

Please help us, help these wonderful cats and dogs, by having the funds to keep up with daily bills, food, and veterinary care.

Thank you so much for your donations and continued financial assistance.

Zoning 4/5/2016

By: MJ

Meeting called to order by chairman McIsaac with Mr. Nye, Graham, Schwandt and Mooney present.

#2297 Cornell; home construction (Denied) -- #2320 Cornell (septic system & well). Mr. Cornell's has option to pay $300 and take his request to the Variance committee.

#2311 Hinojosa, addition (Tabled) at the request of Mr. Hinojosa

#2314 & #2316 Barry Briggs; boundary adjustments (Denied) Mr. Brigg's next option is to pay $300 to have his case heard in front of Variance committee.

#2315 Wassell. Fence & Shed – Tabled at request of Mr. Wassell until he can attend meeting

#2313 Cypher, addition (Tabled) for more information.

QUESTION: Is the zoning document damaging the growth opportunities for Dillon? You can drive around Dillon and see many projects being completed by property owners yet they have not applied to the city for a permit. *Should this be a red flag warning and indicated to the committee that maybe further in-depth analyzation is needed of the zoning document?*

COP OUT OR NOT: I hear committee members say it is not their fault ***they denied a person the right to add a room onto their home****, because of setback rules and the committee has to follow the document.* When the house was built the setback rules were complied with. This doesn't seem right, there must be a way to add on a room for an improved living environment. *Is it time the city approaches these problems with* ***new ideas*** *and with additional comprehensive research?*

NEWS ALERT: The zoning committee is the committee that creates, adds and deletes information from the zoning document then recommends the changes to the council for approval. *The committee has made recent changes to the document that in my opinion has put hardships on people via more regulations.* **Question**: Would the severe rules and regulations have anything to do with people not wanting to build within the city limits. What is the benefit to want to live in Dillon? If you want to make improvements, additions to your home, build fences, landscape, build a new home and etc. be prepared for a long drawn out process and also 12± outsiders and a 275± zoning document dictating how you proceed.

MONTANA WESTERN HOSTS 10TH ANNUAL RESEARCH SYMPOSIUM

The 10th Annual University of Montana Western research symposium is scheduled for Friday and Saturday, April 15 and 16.

The symposium is presented by the UMW biology club and Associated Students of the University of Montana Western.

Professor of Biology Mike Morrow said the biology club received 30 abstracts this year and the symposium will feature 8 talks and 22 posters.

"We have an exciting lineup for our 10th research symposium detailing a diverse cross section of undergraduate research," Morrow said.

This year's student research will represent the University of Montana Western departments of biology; environmental sciences; English; mathematics; history, philosophy and social sciences; and health and human performance.

Student presentations will include a variety of topics, including internship experience at Idaho Equine Hospital, the story of Hugh Glass and its reflection of American society's culture, internship experience as a physician assistant at Kootenai Health, Pascal's triangle in difference tables and more.

Christina Orrù, Ph.D. of Rocky Mountain Laboratories in Hamilton, Mont. will deliver the keynote lecture on Friday, April 15 from 6 to 7 p.m.

Orrù's address is titled "Development of a Diagnostic Test for Human Prion Disease."

Her talk will discuss the nature of the prion pathogen and the recent progress made within the field for the development of an intra vitam diagnostic test for prion diseases.

Orrù received her master's degree in microbiology in 2004 from the University of Cagliari in Italy. In 2007 she received her Ph.D. in experimental development of antiviral drugs also from the University of Cagliari.

From 2007 to 2012 Dr Orrù was a post-doctoral fellow at Rocky Mountain Laboratories, National Institutes of Health.

The research symposium begins at 4 p.m. on Friday, April 26. Appetizers will be provided from 5 to 6 p.m. and there is a reception immediately following the keynote speaker.

The symposium will continue on Saturday, April 16 with a breakfast at 10 am, followed by presentations & a lunch at 11 am.

The event is scheduled in the Swysgood Technology Center (STC) Great Room on the UMW campus and is free and open to the public.

BETSY PAHUT, DISTRICT ADMINISTRATOR OF THE KEY LEADER PROGRAM, TO SPEAK TO DILLON KIWANIS

Betsy Pahut, District Administrator of the Key Leader program, will be the featured speaker at the Wednesday, Apr. 20 meeting of the Dillon Kiwanis.

Pahut will give a presentation on the Kiwanis Key Leader program. The program is a weekend experiential leadership program for high school students. Key Leader participants have opportunities to learn leadership skills that will help them to change their schools, communities and world for the better.

The Kiwanis meets the first three Wednesdays of each month at 12 p.m. at the Beaverhead Brewery, 218 South Montana Street in downtown Dillon. Visitors are welcome. Our speaker gifts are provided by Sportswear and Design.
