To the editor...Paul Revere's Ride.

On Monday I posted that April 18th 1775 was the date Paul Revere made his historical ride. Now for a little more trivia... Paul Revere fathered 16 children, 8 by his first wife and 8 by his second. That gives new meaning to Henry Wadsworth Longfellow's poem, "The midnight ride of Paul Revere".

Annual Spaghetti Dinner Fund raiser
 We have gift baskets from some businesses, gift certificates from some, a brand new large jewelry case, handmade quilts, a pretty "cat" themed vase ring, local pottery items, a "surprise" item made from horseshoes, and much more. There is always a great variety at both the silent and live auctions.

This is all happening at the annual Spaghetti Dinner Fund raiser for the Beaverhead Animal Shelter in Dillon on Saturday April 30 at the Elk's in downtown Dillon. Dinner will be served from 5:00 to 8:00 pm. There will be a 50/50 Draw. The Silent Auction will be between 5:00 pm and 6:30 pm. The Live Auction will begin at 7:00 pm.

Shelter volunteers have been out contacting local businesses for donations to make this a really fun event. If you have a new or gently used item and/or antique item of any kind that you would like to donate, please call the Shelter at 406-683-8119. We have a place to store these items and can even come to your place and pick them up.

Please help us, help these wonderful cats and dogs, by having the funds to keep up with daily bills, food, and veterinary care.

Thank you so much for your donations and continued financial assistance.

Montana Conversations: A living history performance by Neal Lewing - "Meagher of the Sword - Montana's First Governor Thomas Francis Meagher"

With the support of Humanities Montana, Dillon Public Library is sponsoring a living history performance, "Meagher of the Sword: Montana's First Governor: Thomas Francis Meagher." Neal Lewing - singer/songwriter, playwright, poet, storyteller, author and historian - from Polson, Montana will present a story in folklore, music and the words of Thomas Francis Meagher, the man who is commemorated in the statue that graces the Montana State Capitol's front lawn. Meagher lived a colorful life of adventure, from humble beginnings in Ireland to Montana's first territorial governor. The recent publication of Timothy Egan's book, *The Immortal Irishman*, has piqued interest in the life of Meagher as one of Montana's most prominent historical figures. Meagher's bigger than life story magically unfolds in Lewing's presentation. Please join us for this program which will take place on Saturday, April 30th beginning at 4:00 pm in the Old Depot Theater.

After the living history presentation, Neal Lewing will appear at the Beaverhead Brewing Company to showcase his talent as a singer/songwriter. Beaverhead Brewing and The Bookstore are sponsoring this informal concert which will take place on Saturday, April 30th from 6-8 pm at the Beaverhead Brewing Company. Join us for good music and to carry on the Montana Conversation regarding the life of Thomas Francis Meagher. Beaverhead Brewing has generously offered to donate some of the proceeds of this concert to benefit the Dillon Public Library.

Bulldog basketball lands junior college transfer

Montana Western men's basketball coach Steve Keller is excited to announce the signing of Brian Neal to an NAIA Letter of Intent.

Neal, a 6-foot-2 combo guard has played the last two seasons at Olympic College in Bremerton, Wash. where he will leave as the all-time leading scorer in Rangers basketball history. Olympic College is a junior college that competes in the Northwest Athletic Conference (NWAC). During his two-year junior college career Neal amassed 1,033 points.

A First Team all-league performer in the NWAC his sophomore season, the third-leading scorer in the league, Neal averaged 24 points, four assists, four rebounds and two steals per game. He shot the ball at a high rate of success, shooting 49 percent from the field, 43 percent from behind the three-point line and 78 percent from the free throw line. Neal was in the top-15 in the NWAC for points per game, assists per game, steals per game and three-point field goals made.

His outstanding performances followed a phenomenal freshman season in which Neal averaged 19 points, four rebounds, two assists and two steals per game while shooting 49 percent from the floor, 46 percent from downtown and 83 percent from the charity stripe.

Brian is a Mount Tahoma High School graduate and is a native of Tacoma, Wash., while at Mount Tahoma, Neal was named First Team all-city, First Team All-Narrows League and averaged 17 points, five assists and four rebounds per game in his senior campaign.

"I chose Montana Western because of the great things I have heard about the school, team and coach from past graduates," stated Neal.

"We are very excited that Brian Neal has decided to join our Bulldog program," stated Keller, "Brian comes highly recommended by our two-time First Team All-American Brandon Brown."

Keller finished, "Brian is a scorer that can shoot the three and get to the line where he shoots at a high clip. We feel like Western is the perfect fit for Brian's offensive skills, we look forward to him having a successful two years at Montana Western and in the Frontier Conference."

"I look at the school as being a challenge and a great asset to my future," said Neal, "I have built a great relationship with Coach Keller and I feel confident that I will have a great future under his leadership."

Brian plans to major in Business and is the son of Brian Neal, Sr. and Nikkita Black.

Attorney General's Office Warns of Sophisticated E-mail Scam Targeting Montana Businesses

Scammers are targeting businesses nationwide, including many in Montana, with a sophisticated "spear phishing" email scam that has compromised the personal information of thousands of Montanans.

"Spear phishing" is a more focused form of "phishing," or posing as a legitimate source to gain access to sensitive personal identification and financial information. "Spear phishing" emails are sent to specifically targeted recipients and are designed to look like they were sent from someone the recipient knows and interacts with – possibly a business owner, a supervisor, a colleague, or a department manager. The email's subject line and content are likely to be specific to the target recipient's business responsibilities or interests.

"This 'spear phishing' scam is especially despicable because it takes advantage of the trust that colleagues build between each other," said Attorney General Tim Fox. "These scammers often research their intended target by exploring the target recipient's LinkedIn and other social media accounts to build a convincing email, so it can be easy to fall victim to those emails. Educating Montana businesses about the existence of these scams is the best defense we have."

The Montana Office of Consumer Protection has received dozens of notices about the following specific "spear phishing" scam:

A person impersonating a company executive sends a scam email to a staff member. The email requests a list of employees' W-2 information, such as employees' names, addresses, social security numbers, and wage information. In reality, when the staff member responds to the scam email with the W-2 information, the scammer steals the personal information and uses it to commit identity theft. The scammer may even file fake tax returns to steal an individual's tax refund money.

If you, or someone you know, receives an unusual email requesting such information, do not respond immediately. Instead, contact the company executive by phone or in

Letter to the Editor LaVon D. Brillhart

You've heard the cry, "we don't want any socialism in this country!! But hold on to your hat. We already have over 75 programs in the United States that are Socialism. Socialism is just a system in which taxpayers money is distributed for the benefit of the population. And that is what we do!

All of our paid elected government officials are part of the Socialist Program.

The U.S. military, military benefits, veteran benefits, military health care. These are a Socialism program.

Social Security, Medicare, disability insurance, food stamps, welfare, corporate bailouts, teachers, police officers, public housing, pell grants, all part of a Socialism program.

Senators and Representatives receive a health care program that is Socialism. But many of these members of Congress do not wish good health care insurance for other than themselves.

The C.I.A., the FBI, Department of Justice, Department of Education, Department of Agriculture. All Socialism programs.

The highways, roads, bridges, built and maintained by a Socialism program. Farm and ranch subsidies, all A Socialism Program.

So next time someone tells you they don't want Socialism in the United States tell them we have Socialism now. If we get rid of Socialism in this country not much would be left.

You hear people say, "Obama is a Socialist.", All of these programs were put in place many years before President Obama took office.

So it seems that Socialism is part of America now. It seems that Socialism is working for America. It seems that the U.S. cannot survive without Socialism. So why are you so scared? Socialism has been here for a long time.

LaVon D. Brillhart
