DUI Accountability Court Sees Participants Advance to Phase II

On February 25, 2016, two participants in the inaugural class of the Beaverhead County DUI Accountability Court were advanced to Phase II of the program. On April 21, 2016 one participant advanced to Phase II. Informal congratulatory conversation followed the advancement ceremonies where cookies were shared by all.

Advancement to Phase II comes at the end of more than twelve weeks in the DUI Accountability Court program and successful completion of individual and group chemical dependency sessions, homework assignments, random PBT testing, and continuous alcohol monitoring. In Phase II, participants will focus their treatment to address personal goals and objectives with a focus on maintaining gainful employment, job training, or a formal academic program. Alcohol monitoring continues. In total, there are four phases which participants must successfully complete in order to graduate from the DUI Accountability Court.

Potential new participants are being evaluated for admission to the program. All DUI Accountability Court sessions are open to the public and held in the Beaverhead County Courthouse District Court at 3:30 p.m. on Thursdays. Anyone interested in learning more about the DUI Accountability Court assisting with its program or being participants in the program is encouraged to contact Diane Kaatz, Acting DUI Accountability Court Coordinator at 683-3745.

The Southwest Montana Arts Council presents The Quiet American

For its final Showcase Series event for the 2015-16 season on Friday, May 8, at 7 p.m. at the Beaverhead County High School Auditorium.

The Quiet American is husband and wife duo, Aaron and Nicole Keim. A home-grown modern folk revival, their music incorporates traditional ballads, banjo breakdowns, raggy choruses, gospel duets and other dusty Americana gems, all delivered on a wide variety of acoustic instruments. Gathered around a single microphone, Aaron and Nicole present a concert experience that pays tribute to old time folk music traditions yet strives to connect to a modern audience. Dusty back porch or shining concert hall, The Quiet American reminds you why home made, hand crafted, American folk music will never fade away.

Tickets are \$12 for adults, \$5 for 5-18 year olds and free for those under 5 as well as for UMW students with a current ID. BCHS band and vocal students can also attend for free.

The Quiet American is sponsored by Dr. Douglas Creger, Beaverhead Brewing Company, The Good Life and Dillon Tribune. For more information, contact 683-6208 or visit SMAC's website at SMACarts.org.

NEW SESSION of STRONG PEOPLE

The Strong People program is a research based fitness program. The program will help participants look and feel better while increasing strength, bone density, and balance. Since 2010, when the program began locally as Strong Women™, participants have reported improvement in all of these areas. It is a good program for people of all ages and activity levels. One current participant is 101 years young!

Participants use ankle weights and dumbbells (all provided) in exercises done slowly, beginning with minimal weight and increasing the weight very gradually as the exercise repetitions seem easily completed.

The program is not for profit and leaders volunteer their time. A minimal fee of \$20 per month is charged so equipment can be purchased and rent paid to the Elks Lodge.

New participants are encouraged to try the program free for the two weeks prior to the beginning of each new session. However, new participants are also welcome to join at any time during a session and will not be charged unless they choose to continue with the program after two sessions.

Currently the program is being run two days per week (Monday and Thursday) in sessions eight to 12 weeks long, after which participants have the opportunity to continue a maintenance session (no fee charged) until the next session begins. A new session begins Monday, May 2, 2016, from 10:00 until 11:15 at the Dillon Elks Lodge, 27 E. Center St. All former and new participants (including men) are encouraged to attend. Wear comfortable clothing and closed toe shoes.

For further information contact Jeannette Pittman at 660-2777 or Lois Volkening at 925-3774.

Montana Western women's basketball adds two junior college transfers

Montana Western women's basketball coach Lindsay Woolley is excited to announce the signing of two junior college transfers, Josie Sewell and Jill Jacobs to an NAIA Letter of Intent. Sewell and Jacobs will join the Bulldog basketball program in the fall of 2016.

A 5-foot-11 post from Glenrock High School in Glenrock, Wyo., Josie Sewell has played two years of basketball at Casper College. While at Casper, Sewell averaged 4.3 points and three rebounds per game and shot 59 percent from the floor this past season. She had a season-high 11 points in a win over Lamar. As a prep-star, Sewell was a three-time all-conference selection and an all-state performer her senior year. She was also a four-time all-conference volleyball player. Sewell is the daughter of Susan Christopher and Rob Sewell and will major in Biology with a pre-medicine focus.

Woolley stated, "Josie is a tough, smart and team oriented player who will give us some strength and size on the interior. She comes from an outstanding JC program and played for a Coach who I have a tremendous amount of respect for and he had a ton of great things to say about Josie. Josie is a player who does all the little things that help a team win games."

A 5-9 shooting guard, Jillian Jacobs will transfer to Montana Western from Wenatchee Valley College in Wenatchee, Wash. where she averaged 7.7 points, 2.7 rebounds and 2 assists per game in 23 minutes of action. Jacobs scored in double-figures 10 times in her sophomore season, including scoring 15 points four times. Jacobs is from Camano Island, Wash. and graduated from Stanwood High School. She was a 2015-16 all-league honorable mention performer and was on the Wenatchee Valley Dean's List this year. She is the daughter of Eric and Wanda Jacobs and will major in

Business Communications.

"Jill is a bigger guard who is an outstanding shooter from the perimeter," stated Woolley, "her team had a great year last year so Jill knows what it takes win games." Woolley finished, "we think she is a player who will be able to step in right away and knock-down shots."

PROCLAMATION

WHEREAS, in 1872, J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees; and

WHEREAS, this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska; and

WHEREAS, Arbor Day is now observed throughout the nation and the world; and

WHEREAS, trees can reduce the erosion of our precious topsoil by wind and water, cut heating and cooling costs, moderate the temperature, clean the air, produce life-giving oxygen, and provide habitat for wildlife; and

WHEREAS, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires, and countless other wood products; and

WHEREAS, trees in our city increase property values, enhance the economic vitality of business areas, and beautify our community.

NOW THEREFORE, I, Michael L. Klakken, Mayor of the City of Dillon, in the State of Montana, do hereby proclaim April 29, 2016 as local

Arbor Day

in Dillon, Montana and I urge all citizens to celebrate Arbor Day and to plant trees in acceptable locations to beautify the City of Dillon. Also, come to Depot Park at 12:00 PM on April 29 to celebrate with the City of Dillon Tree Board as they plant several trees.

TRAIL COALITION ON THE MOVE

The Beaverhead Trail Coalition will host "Pint Night" at Beaverhead
Brewing Company from 5-8 pm on April 29th.

Designed as a fund raiser to help gain and maintain trails and other
programs in and around Dillon, the gathering hosts an evening of music
by Bill Dwyer and Dave Walker, a silent auction and fun and fellowship
with others who love outdoor activity.

The Beaverhead Trails Coalition was established in 2008 with
the mission of promoting the creation and use of walking, biking and
hiking trails in and around Dillon. The coalition helps fund the Walking
School Bus, improve sidewalks and crosswalks, provide a bike recycling
program and establish new trails in the local area.

The coalition's most ambitious project involves establishing the
Dillon Town Overlook Trail system above the "W" in the foothills west
of town. The group purchased 475 acres to protect public access in 2015
and hopes to purchase additional land to expand trails toward the "B" in
the near future.

Brows Speak Louder Than Words... What are yours saying?

Microblading also known as "3d feathering", "eyebrow embroidery", is a relatively new method that is a semi-permanent tattoo using hair like strokes to create a very beautiful natural looking eyebrow for anyone looking to clean up their sparse or sporadic eyebrows! It is a two step process and last 1-3 years. Pamper yourself or your sweetheart! After all they say that the eyes are the window to the soul... and your eyebrows are the expression of that soul!
