Ann Congdon

Ann Congdon, wife of Walter E. Congdon, passed away in Missoula.

Born July 12, 1954, in Butler, Pennsylvania, to Charles and Mary Ellen Schenck Fleming, she grew up enjoying the outdoors in Pennsylvania; earned her teaching degree from West Virginia University, 1976, and counseling degree from Slippery Rock University, 1982.

Ann hoped to make a difference in the world through work as a teacher and school counselor.

She taught on Cheyenne River Reservation in South Dakota and the Navajo Reservation in New Mexico.

A student of history, she helped compile "South Dakota's Ziebach County" (1982). Her first job was in a one-room schoolhouse.

In Missoula, she taught at Potomac, Hellgate Elementary and Woodman schools.

In those earlier years, Ann was actively involved with state counseling associations, and youth programs including YMCA, AFS, EYH, Sunday school and Girl Scouts. She loved taking students new places, giving them new experiences.

She married Wally Congdon in 1991, and in 1996, they moved their young family to a ranch in Beaverhead County, where, with her eye for color, she enjoyed the scenery and learned to sort cattle.

For the past six years, she taught at Lima schools.

Ann is survived by her husband Wally and daughter Ona (Missoula); son Sam (Bozeman); and her parents, brother Douglas (Judy) Fleming, sister Martha (Brian Noah) Fleming, and niece Callie Fleming, of Butler County, Pennsylvania.

A memorial service will be held at Brundage Funeral Home in Dillon this summer.

Interment will be at a later date in Pennsylvania.

Thompson Park Opened

Thompson Park opened May 1 for the summer and fall. The 3,500-acre park, managed by the Forest Service and City-County of Butte-Silver Bow, is open daily from 8 a.m. to 9 p.m. through Labor Day and then through October from 8 a.m. to 6 p.m.

The Park has four day-use picnic areas: Nine Mile, Sagebrush Flats, Lower Eagles Nest and Lions Den. Eagles Nest trailhead and Blacktail trailhead provide access to more than 25 miles of non-motorized trails. These trails offer hikers, mountain bikers, and horseback riders' connections to the Continental Divide National Scenic Trail and the Milwaukee Railroad. Herman Gulch Trail provides a connection into the Highland Mountains area and other motorized trails.

Thompson Park also has a disc golf course in which members of the Mining City Disc Golf Club have been making improvements. The course is the only authorized disc golf course in the park and surrounding National Forest. Visitors are reminded that shooting is prohibited within the park boundary, and fires are only allowed in the developed site fire grills. For more information or to obtain a park brochure contact the Butte Ranger District at (406) 494-2147, or the Butte-Silver Bow Parks and Recreation Department at (406) 497-6535.

Attorney General Fox Calls on Secretary Jewell to Visit Colstrip, See Impacts of Anti-Coal Rules

"The regulations Interior Secretary Jewell is implementing have dire consequences for Montana's economy," said Montana Attorney General Tim Fox. "I strongly encourage her to visit with those who will be most impacted by her anti-coal policies."

"Although we've been able to temporarily stay the so-called 'Clean Power Plan,' there are many other federal regulations that are part of the war on coal that need to be addressed. Federal coal leasing contributes approximately $50 million per biennium to the state coffers, and Jewell's moratorium on federal coal leasing will leave Montana with not only fewer jobs, but a large budget hole to fill. She needs to realize that the rules she is pushing don't just hurt the coal industry, but the communities and tribal nations that depend on good-paying coal jobs and revenue. Her actions have real world consequences, and she needs to face them."

Letter to the Editor

Obama and the Democrats…

Why are we allowing this to happen?

Our military strength is lower than it was before WWll. Could we defend our country if the need arises?

George Washington in his first state of the union address;

"To be prepared for war is one of the most effective means of preserving peace. "

Submitted by Chuck Dishno
