Parkview Students Shine at State Tournament

Students from Parkview Elementary and Dillon Middle School captured second place in the Montana Creativity Quest State Tournament held in Dillon on April 2, 2016. The tournament is part of the Destination Imagination program designed to teach creative problem solving strategies, teamwork and lifelong skills.

During a Destination Imagination competition, a combination of Central Challenge scores, Instant Challenge scores and Team Choice Element points determine the winners. The team with the highest total score will earn the right to compete at the annual Global Finals Celebration held in Knoxville, Tennessee.

One of Dillon's two teams, "Catching Fire", competed in the Fine Arts Challenge by developing and staging a mystery story with three possible conclusions. One of the endings is chosen at random during the performance and team members adapt to conclude the presentation. The "Catching Fire" team consisted of three 4th graders: Audrey Zeren, Olivia Kailey, and Olivette Copple, and two team managers from UM Western, Rebeka Turman and Katie Skauge. Two other students from the middle school were able to attend only the first meeting, but Destination Imagination rules moved the team of 4th graders up to compete at the older middle school level. Frenchtown School's team, "Great Minds Think Alike", placed first in the Fine Arts Challenge.

Dillon's other team, "The Lama Tamers", competed in the Musical Mashup challenge. In this challenge the team had to design and build a structure that both supported weight and was able to play music. They also had to tell a story with at least one musical character and integrate the weight placement on their musical structure which held up several hundred pounds without breaking. Luke Sherwood, Carter Anciaux, Michael Hutchinson, J.D. Pickens and Joel Harvey represented Dillon Middle School well in this event. Team managers for The Lama Tamers, both from UM Western, were Dan McGuire and Ross Melvin. "Team T.A.C.O.", from St. Regis, took the first place title in the Musical Mashup category.

All team projects and presentations, including structures, set design, storyline, scripts, and costuming, are conceived and directed by the students with no interference from non-team members, including team managers. Students from nine Montana schools ranging from elementary to high school levels participated in this year's tournament. Thanks to Dillon School District #10 and Dillon Middle School for hosting the State Tournament this year.

STATE CONVENTION & WINS AWARD**

The 29th annual Montana Meat Processors Association (MMPA) Convention and Trade Show was held April 21st --24th in Jordan, MT. The 3½ day event included a pre-convention meat curing and tumbling workshop, several educational seminars, State Inspection meetings, a two day vendor trade show and a Cured Meat Championship contest. Approximately 25 processing plants from across the state of Montana were represented.

Attending the Convention from the area was Ted & Bonnye Rutenbur from Silo Meats, Dillon. Silo Meats won one award during the Cured Meat Contest: Champion: Fresh Bulk Sausage

In the tough competition, there were 227 entries in 17 different categories from meat processing plants throughout the state. The products were judged by a team of experienced meat science professors from the University of Idaho, Montana State University/Bozeman and others with similar backgrounds and qualifications.

Ted Rutenbur was elected as the 2017 Convention Chairman during the business meeting session.

The Montana Meat Processors Association is a non-profit trade organization representing and supporting the meat processing industry across the state of Montana. The organization holds its annual convention the last weekend in April in a different location throughout Montana. This gives different area inspected meat plants a better opportunity to attend and participate. The 2017 convention is scheduled for April 20th - 23rd in Butte.

Search and Rescue News

Submitted By Mel Rice- Public Relations Officer

On May 4th the Beaverhead Search and Rescue held its monthly meeting under the direction of commander Tommy Goins. It was reported that a good member turnout cooked for the Elks Club stag night and served dinner to a slightly smaller group than normal. There were no callouts this past month, making it the first month of the year that the unit did not have to respond to anything.

The unit's annual auction fundraiser was held on Sunday May 1st. The number of bidders was down from last year but overall the auction did very well. A hardy thanks to all who participated in this year's event and to those who donated items to the cause. A special thanks to Val Prophet and Dave Marsh for their outstanding auctioneering talents and support of the Search and Rescue.

This month is busy for the S&R with a number of upcoming activities. On May 7th several members, under the direction of Chairman Allen Holt, will participate in "Kids Day On The Big Hole". They will discuss procedures that should be followed if any of them were to become lost or disoriented while enjoying the great outdoors. It is a short version of "Hug A Tree". A few members will take the cook shack to Melrose on May 10th to participate in the "Special Olympics Torch Run". They will cook and serve a hamburger to those at the event. Three S&R members will be on "What's On Your Mind" on May 12th at the KDBM radio station to promote passage of Resolution 2016-04. It has to do with the Beaverhead Search and Rescue asking the public to approve two mills for operation of the unit. The evening of May 14th has been set aside to show appreciation to spouses for putting up with everything the unit does. That evening we also honor the recipients of "The Member of the Year, and Rookie of the Year" awards.

There are several training opportunities coming up. On May 24 & 26 members will be given the opportunity to renew their First Aid and CPR/AED certifications. Members of the Beaverhead Search and Rescue are required to maintain current certificates. June 3, 4, 5 will bring three county S&R units together for three days of intensive training on complex extended search management. The counties coming together are Beaverhead, Madison, and Jefferson. The training will delve into management tactics and strategies such as those Beaverhead County was involved with on the Rob Carter search last fall. On July

30 and 31, the Beaverhead S&R will conduct their own weekend campout training. Training officer, Dr. Mike Clarke, will have multiple scenarios set up in realistic fashion. Members attending will rotate through each of the different situations throughout the two day training. Qualified members and local professionals will critique each group's performance. A certified instructor from the National Association of Search and Rescue will be here Aug 23, 24, 25, 26 to provide training. The training, MLPI (Managing the Lost Person Incident), is an intense 4 eight hour days. It covers every phase of running a search; including strategies, probabilities, statistics, containment, and many more tactics used to find a lost individual. Upon completion of the course, students will be certified as Search Managers. The cost to bring in this instructor is \$2800.00 plus expenses.

Anyone interested in joining a professional and invaluable organization, attend the next meeting. It will be held June 1, 2016, starting at 7:00 pm at the Search and Rescue building north of town on HWY 41 N.
