Robert Ross Iverson

Robert Ross Iverson passed away on May 5, 2016 at the age of 63 in Sidney, Montana.

Rob was born in Butte, MT on January 30, 1953 to Kenneth and Elizabeth "Swede" Iverson and joined two brothers, Jim and Paul.

Rob spent his younger years in Missoula where he and his brothers, Paul and Jim, spent their time playing baseball, football, basketball and working on, driving and sometimes wrecking various go-carts and motorcycles.

His mother passed away when he was 12. His father then married Viola Sweeney and they moved to Lima to ranch. Rob was a reluctant country boy until he started working for his dad and became a competent ranch hand. He attended Lima High School where he excelled in basketball. After attending Western Montana College for a time, he went to work for the Beaverhead County Road Department. In 1980, Rob married Betty Tash and they had two children, Anna and Jake. They later divorced. In the early 90's he realized his dream and started his own business, Iverson Construction, and did what he did best, operating heavy equipment. He spent many summers fighting fires around the state with his water truck. The last few years were spent working at the Bakkan oil fields. He was happiest when he was working and was very good at what he did.

When he was a boy, he helped his family build a cabin on Flathead Lake and he enjoyed spending family time there every summer. Rob loved to hunt and getting ready for hunting camp was a big production every year. He was very proud of his children and loved watching them participate in their various school activities, especially Jake's football and basketball games.

Rob is survived by his children Anna (Mark) Buckner of Helena and Jake Iverson of Billings, brothers Paul (Diane) Iverson of Polson and Jim Iverson of Missoula, step-mother, Viola Iverson of Dillon, step-sisters Sandy (Ross) Hansen of Dell and Nancy Glover of Brooklyn, NY, and numerous cousins, nieces and nephews. He was preceded in death by his mother Elizabeth, father Kenneth and cousin Tom Bramlette. Services will be held on Friday, May 13, 2016 at 5:30 at Brundage Funeral Home in Dillon.

In lieu of flowers memorials can be made to the organization of the donor's choice.

Erdene S. Peck
 Erdene S. Peck died May 1, 2016 at her home at Big Sky Senior Living in Butte, MT. Her family was with her. Erdene was born in Geneva, Illinois on September 23, 1920 the daughter of Julius and Esther Sackrison. The family moved to Indianapolis for a time, but when her father died they returned to the area and Erdene lived in Geneva with her uncle and aunt, Mr. and Mrs. Ira Johnson. She met her husband-to-be, George, when they were students at Geneva High School. After high school, Erdene attended the National College of Education and then taught kindergarten in Geneva. Erdene and George S. Peck, Sr. were married in 1942. George served in the Navy during World War II and after the war they lived first in Geneva and then moved to the Peck family farm west of Geneva. They had three children, George Jr., Anne, and John, all of whom grew up on the farm and attended Geneva schools.

In the 1970's when George and Erdene moved to Montana, they worked with the Geneva Park District to preserve the farm and it is now Peck Farm Park. In Montana, they settled on Trapper Creek Ranch in Melrose which their son John and grand-son JM continue to operate. George and Erdene had 66 wonderful years together before his death in 2008. Erdene loved to walk in the countryside and she took much pleasure observing the seasons change, especially the flowers. Her family was her life and passion and she is survived by her sister, her three children, five grandchildren, and one great-grandchild.

We all love and miss her.

BE AWARE OF NEW BRIDGE RESTRICTIONS

With the opening day for Wildlife Management Areas coming this Sunday, May 15, Montana Fish, Wildlife and Parks is alerting potential users to temporary restrictions on two bridges along a US Forest service road accessing the Gravelly-Blacktail WMA.

The two bridges, located on the East Fork Blacktail Creek Road southeast of Dillon, have been inspected and found to be structurally deficient. Therefore, travel on the bridges will be restricted to the center 8 feet of the bridge. Further, timber curbs are being installed to prevent the passing of vehicles wider than 8 feet. Those in vehicles wider than 8 feet or pulling trailers wider than 8 feet should not attempt to access the Gravelly-Blacktail via the East Fork Blacktail Creek Road. They will need to use an alternate route.

The bridges are located at mile 0.1 and mile 5.5. The East Fork Blacktail Creek Road also accesses the BLM's East Fork Blacktail Campground, and the East Fork Blacktail Trailhead.

Given the popularity of shed antler hunting, Gravelly-Blacktail is a popular place on May 15 and beyond.

ROTARY SPEAKER

Letter to the Editor

REPUBLICAN CONUNDRUM

As Will Rogers famously said, "I'm not a member of an organized political part., I'm a Democrat!" Words truly spoken. I know. I've been a life-long member of the "Party." The party of free thinkers, best described by that other old saying, "Organizing Democrats is a kin to herding cats."

So with that in mind, it will be interesting to see how Beaverhead County Republican candidates deal with their "Trump Conundrum." Will they sheepishly fall in line, mindlessly lockstep over the cliff or will they just grin and bear it and hope voters are not paying attention.

This writer suspects they will follow their GOP overlords, after all this is the party that believed it was hunky-dory for Sarah Palin to be one heartbeat away from becoming president of the United States of America.

This summer candidates will have to address the big issues. As I see it, the major political issue facing the state, nation and planet is Rapid Climate Change. Global climate change TRUMPS all other human concerns. Voters should be asking all candidates if they believe rapid climate change is human caused. If they answer "No," demand an explanation, making sure they cite scientific observations.

Montana voters can make a difference. We the people can use the ballot initiative process to combat climate change. Ballot initiative 1-180 requires investor-owned utilities in Montana to supply more electricity from renewable energy sources. Sign the petition. Let the people vote, yes or no. If a majority of voters vote for this initiative in November, it will become law, in effect, taking it out of the hands of politicians. That's the way democracy is supposed to work.

MIKE MOSOLF, Thomas Paine Society

Letter to the Editor

I am writing in support of Brooke Erb's candidacy for House District 72. As an active Republican, supporting Brooke is an obvious decision for me to make. I've seen how hard Brooke is already working for Beaverhead County. Brooke attends and provides her feedback and service at regular Beaverhead County Republican Central Committee meetings, and in the rare occasion that she misses a meeting, she is serving in some other capacity—including her service on the Montana Environmental Quality Council. Her dedication to conservative values, agriculture, public lands and the Republican Central Committee is unquestionable.

In a time when honesty and integrity are vanishing from the political arena, Brooke provides a stark contrast and firm foundation on which District 72 can trust. I know that Brooke will do what she has promised when she goes to Helena. Brooke will work with fellow conservatives and honest Democrats to do the right thing, but has the wisdom and discernment to know when alliances are not in the best interest of Beaverhead County or the State of Montana. That couldn't be more important in the Montana State Legislature at this time.

We need representatives who do what they promise and truly represent the principles and party platforms they espouse in their campaigns. That's why I am supporting Brooke Erb for House District 72, and if you agree with Republican principles and conservative governance, I'd encourage you to join me in supporting Brooke when you cast your vote by mail or on June 7th.
