Thank You!

The Dillon Lions Club wishes to Thank Everyone who participated in our live lobsters from Maine event. We would especially like to thank the Vigilante Electric Co-op for donating the use of their facility to cook and distribute the lobsters. Your participation provides us with the funds to obtain the updated screening machines that we use in the schools in Beaverhead County.

We are passionate about our vision screening program. Experts say that roughly 80 percent of what a child learns in school is information that is presented visually. It was also noted that children typically do not complain of vision difficulties. For these reasons, we screen students in Beaverhead County in the fall and refer them to a professional if necessary. This past year we screened over 650 students in all of Beaverhead County and 176 MT Youth Challenge Cadets for vision problems. Our club members have volunteered almost 40 hours and traveled many miles to do this. We may also assist the family in purchasing eye glasses if assistance is needed.

All funds raised from the general public are used for charitable purposes, and administrative costs are kept strictly separate and paid for by club members.

Log Hauling Begins Near Philipsburg

The Pintler Ranger District is advising travelers in the Upper Willow Creek area that log removal from the "Scotchman Decks Salvage" project will begin northwest of Philipsburg.

Through September 2016, travelers to this area are advised to drive cautiously because of log truck traffic and machinery on Forest Service road #88 (Upper Willow road) and Forest Service road #5156 (Miners Gulch road). There will be log trucks entering County Route 348 from Upper Willow road.

For additional information contact the Pintler Ranger District in Philipsburg at (406) 859-3211.

Letter to the Editor

Please support the Beaverhead County Search and Rescue organization in the upcoming election. Beaverhead Search and Rescue is asking for your vote for Resolution 2016-04. This resolution is a proposal for a 2 mill increase on taxable evaluation. This will result in an impact of $2.70 per $100,000. Beaverhead Search and Rescue is a professional organization of volunteers answering the call 24/7 throughout the year to assist the Beaverhead Sheriff. Ground searches and rescue operations require the best talent, the highest levels of training, quality communication and proper tools. These funds would be used for training, equipment, logistics and operations. We are asking for your continued assistance in the June 7 election.

Pima Veterinary Technician Program in Dillon, MT

We are thrilled to have our first cohort of Veterinary Assistant students out at externships in Affiliated Clinics across Montana (and Idaho). So far feedback about the students' performance has been very good. We will have 10 students returning June 20th, to start the Veterinary Technician Program. We also have a new cohort of 18-20 students starting at the same time, in the Veterinary Assistant portion.

We are currently looking for a part-time Career Prep Instructor, by the way. This is instruction in basic Gen Ed courses. The student/instructor ratio will be one to ten by June, for quality education and hands on instruction. We have two prospects for our next hire of a Certified Veterinary Technician Instructor.

The Pima Veterinary Teaching Hospital will be done June 1st. The facility will be open to the Beaverhead County Animal Shelter animals only. We hope to have continuing education events in the Hospital for Montana Veterinarians with invited lecturing veterinary specialists, Lunch and Learn events for vets and practicing veterinary technicians and High School Veterinary Science events during the summer time.

The stream of new lab equipment, a new portable x-ray machine, digital dental x-ray, dental equipment and everything for the treatment room and surgical suite makes it seem like Christmas time opening all the boxes. We also have purchased a cattle chute that is being installed at a local ranch for ranch cows so that the students have resources to practice on large animal restraint and vaccination.

We plan to have an Open House the middle of June after the facilities

are done and the landscaping is in. We hope that the Dillon community will come and see what we are all about. Our students are year round and will be supporting the Dillon economy.

I have included our Mission Statement for the Dillon Campus at UM Western:

"It is the mission of the Veterinary Assisting and Technician Programs of Pima Medical Institute, Dillon, Montana Campus, to provide excellence in veterinary nursing education for our community and their pets and livestock. We will accomplish this by utilizing a comprehensive and balanced mixture of classroom lecture with appropriate laboratory and clinical experience to provide the student with the best education possible. Throughout all our efforts, we must remember that our primary goal is the health and well-being of our pets and livestock and the proper education and support of their owners and our clients."

If you have any questions, please contact me: Jan Winderl, DVM/ Program Director, jwinderl@pmi.edu or Trisha Stone, CVT/Clinical Director, tstone@pmi.edu

BEAVERS SOFTBALL FINISHES

Tuesday night the Lady Beavers saw their hopes for a state tournament birth disappear with a heartbreaking loss to Corvallis. With a state tournament seed on the line, the Blue Devils were able to steal the win and punch their ticket to state.

The Lady Beavs were ahead 15-10 going into the bottom of the 6th when all the wheels fell off. A couple of crucial errors led to base hits which led to 6 runs for the Devils. In the end, the Beavs couldn't answer back and lost 16-15. I am still sort of in shock. Lauren Miotke pitched a heck of a game with 6 strikeouts, 0 walks and allowing only 3 earned runs on 8 hits. Erica Rude did a great job behind the plate. Unfortunately we had 12 defensive errors which was the difference and we gave the game to Corvallis.

Coaches Schurg said "I saw this happen before earlier this season. We lead the Stevi Yellowjackets 8-0 and ended up losing that one 9-8. We seem to have a tough time finishing in conference games, while in non-conference games we play flawlessly in the field from the 1st inning to the last."

Miotke led her team offensively going 2 for 4 with 2 RBI's. Shaylee Ericksen went 2 for 5 with a double and 2 RBI's. Shelby Hall had a clutch hit as pinch hitter knocking in 2 runs in the top of the 6th.

Blacktail Trailhead Temporarily Closed

Blacktail Trailhead located at the end of Majestic View Road will be closed starting May 18, 2016 for road reconstruction. The road is owned and maintained by the Homestake Meadows Homeowners Association and provides access to trails in Thompson Park. The Homeowners Association has contracted the work with large equipment that will make it impassable for public access to the trailhead.

Trail users should plan on accessing trails from Sagebrush Flats, Lower Eagles Nest Trailhead or Lion's Den off Montana Highway 2. One mile of the Blacktail Ridge trail will be closed from the junction of Blacktail Canyon to Blacktail Trailhead. The road work is expected to take approximately 10 days depending on weather conditions.

For more information contact the Butte Ranger District at (406) 494-2147, or the Butte-Silver Bow Parks and Recreation Department at 497-6535.

Letter to the Editor

My fellow patriots please join me in celebrating Armed Forces Day this Saturday, May 21st. This includes all who have served and those of us who love our country. We need to unify and bring back our military from the brink of extinction.

While Obama's political ruse won him re-election, it will take a lot more American blood and treasure to contain the threat he created for the next administration — particularly given Obama's nuke deal with Iran. The current generation of young Patriots in uniform, and the generation to come, will have a heavy burden to bear in fulfillment of their solemn oaths "to Support and Defend" our Constitution.

And they will have to do a lot more with a lot less, given that our current military force levels have sunk below pre-pre-WWI levels
