Duane Allen Denny, 73

Duane Allen Denny, 73, of New Braunfels passed away on February 9, 2016 in the hospital.

Duane was born to Ernest E. and Erma Mae (Bourassa) Denny on September 1, 1942 in Butte, Montana.

He is survived by his wife Nancy of 10 years and was the father of two children Ronna and John, six stepchildren Alana, Mark, Blake, Jason, Vance and Brett. He had eighteen grandchildren and two great grandchildren. Duane is also survived by his brother Bruce Denny and Sister Edie Bum. Duane had a love of country and served for six and a half years in the Air Force. He retired with over forty years as an educator. He loved Fly fishing and the Outdoors and was a huge Green Bay Packers Fan. He loved the Lord with strong Christian beliefs.

Services will be held on Saturday May, 28 2016 at the First Baptist Church on Idaho Street at 1:00 pm. As well as a gathering at the Elks Lodge at 2:00 pm. Memorial donations can be made to Barrett Hospital Home and Health and Hospice.

Double Standards or Politically Correct

By MJ

It is time once again for the primary election. Mail out ballots have been delivered. Do you know who you are voting for and why you would like to see your candidate elected?

Question: Are you voting for your friend, a candidate your friend told you to vote for, a candidate someone wrote an editorial that expressed their personal views only, a person that has a name you recognize or a person with the most signs? Are you voting against a person because you don't like their husband or wife...? Do you know if the candidate you support believes and supports the issues important to you? **Example:** Do you know for sure if your candidate is a true democrat or a true republican? Have you spoke with the person you are supporting to verify their position on issues important to you?

2016 appears to be a year where people are fed up with political correctness and double standards. It is a year people want to hear facts and not fabricated promises. Don't choose your candidate on someone's word, whether they are male or female, on an editorial you read... Read the information distributed by candidates, listen to their advertisements and make sure what they are saying is not fluff. Call the candidates and ask the hard questions. Then and only then will you be prepared to mark your X in the box that supports your beliefs.

summer travel period earned this grim moniker by traditionally being a period marked by the highest number of roadway fatalities in the State. In an effort to combat this trend, extra patrols from the Montana Highway Patrol will be on the road with an increased focus on seat belt use in the weeks leading up to Memorial Day. Local officers and deputies are joining the Montana Highway Patrol and law enforcement agencies nationwide to draw attention to seat belt use during the annual Click It or Ticket campaign.

"We always say, wearing your seatbelt is free life insurance," said Colonel Tom Butler of the Montana Highway Patrol. "Pulling dead bodies from wreckage and witnessing firsthand the destruction wrought on the human body in a car crash, changes you," he said. "We cannot overstate the importance of wearing a seatbelt. We will write seat belt tickets every day of the week if you are in a crash or stopped for another violation and not buckled up, because seat belts save lives."

As of May 16th there have been 61 crash fatalities this year. This is a 45% increase in fatalities from the same time last year when there were 42 deaths. An estimated 33 of these fatalities involved no seatbelt use. In 2015, 70% of the 172 fatalities in automobiles were unbuckled.

The months of May through August are when the highest number of traffic fatalities occurs in Montana. Crashes in that four-month period have averaged 43 percent of all fatal crashes for the year, based on totals from 2005 through 2015.

Extra traffic safety patrols are funded by the Montana Department of Transportation. This and other enforcement and education campaigns are combined under Vision Zero, the shared vision for zero deaths and zero serious injuries on Montana roadways. For more information on these programs and initiatives, please contact Charity Watt, Montana Department of Transportation 406-444-3439, cwatt@mt.gov

Making Their Community A Better Place

by Gavin Garrison

The Glen Pioneers 4-H Club has been consistently helping the Glen community for many years, but presently the focus has been sprucing up their community.

The roadside clean up in the Glen area has been a project completed for many years. This year, from a special request from the town, the members also cleaned up the local dump.

A new community bulletin board is the newest improvement to the town. When the local Glen post office was closed last year, the citizens no longer had a place to post community events and information. Senior member Tanner Rhea and his dad Bob graciously designed and built the new bulletin board. The members installed the board next to the recently built mail boxes.

The club members were inspired by Earth Day to plant a tree in the community. Cathy Cain, a local resident and owner of Southwest Montana Native Landscapes generously donated a young cottonwood tree. The members are excited to watch the tree grow and develop through its lifetime. This tree was planted next to the community bulletin board.

The Glen Pioneer members would like to thank the following people who have been so generous and kind; Patti Gillis, Bryan and Pat Scott, Bob and Tanner Rhea, Rich Nelson, and Cathy Cain.

Glen Pioneer members include Hunter Barnes, Logan Barnes, Tanner Rhea, Adrianna Pittman, Kylee Pittman, Kaden Pittman, Madi Ruegsegger, Cord Hahnkamp, Gavin Garrison, Scarlett Garrison, Kayden Nelson, Kash Kempf, Bridger Kempf, Brice Allison, Kenny Morrison, Ray Morrison, Parker Smith

Letter to the Editor

Concerned About Debbie Barrett's Influence

Debbie Barrett is a strong supporter of Brooke Erb for Representative of House District # 72 and appointed Brooke to the Legislative Environmental Quality Council.

Debbie Barrett has been one of the worst state legislators and senators for wildlife, hunters, anglers and recreationalists.

Debbie sponsored House Bill 42 that mandates Fish, Wildlife and Parks to kill elk, deer and antelope until the populations are down to or below population objectives. This law is the reason elk have been over harvested on public lands and private lands open to hunting, and the reason why elk have been pushed onto private lands that are closed to public hunting.

Debbie strongly opposes the Montana Stream Access Law. In an editorial she stated that the Montana Supreme Court got it all wrong by ruling in favor of the stream access law and over turning the James Kennedy challenge to stream access.

She also supports transferring our federal public lands to the state, were they could be sold off to private ownership.

As a hunter, angler and recreationalist, I am concerned that Debbie Barrett will have a strong influence on Brooke Erb if elected to House District # 72. Brooke, in a session of the Environmental Quality Council, concerning game damage hunts and elk shoulder seasons, stated that land owners dread big game season and shared stories about two hunters that abused her property. There are far more hunters who do respect private property and appreciate permission to hunt.

Search and Rescue News

Submitted by Mel Rice: Public Relations Officer

Recently, the Beaverhead Search and Rescue held its annual appreciation dinner. It was the best turnout the unit has had in quite some time. There were in excess of 60 individuals in attendance. The dinner is to show appreciation to spouses of members for all they put up with during the year. With call outs coming in at any time of the day or night, they put up with a lot of rude interruptions of their beauty sleep. Thanks for being so understanding and generous with your time, as well as that of your spouse.

The other order of business during this event is the announcement of the unit's Rookie of the Year and the unit's Member of the Year. This year the recipients of these prestigious awards are Cody Schnee, and Larry Skiles respectively. Congratulations on your awards and thank you very much for your dedication and commitment to the Beaverhead Search and Rescue...

Applicants Sought for National Forest Resource Advisory Committee

Candidates are needed for membership on the Southwest Montana and Tri County Resource Advisory Committees.

Resource Advisory Committees (RACs) were established to review and recommend projects to be carried out using Title II funding under the Secure Rural Schools and Community Self-Determination Act (Public Law 112-141). Projects are funded that protect, restore, and enhance fish and wildlife habitat; improve the maintenance of existing Forest Service infrastructure; protect and enhance ecosystems on the national forests; and restore and improve land health and water quality. Past projects include maintenance of Forest Service roads, trails and infrastructure; replacement of county bridges; control of noxious and exotic weeds; and reestablishment of native species.

"It is critical that we find qualified members to serve on the RAC. Without a full committee, funds that have been committed by the Counties to complete this important work cannot be utilized for potential projects. "I'm seeking candidates that will represent a wide array of interests to help each RAC reach full membership" said Forest Supervisor Melany Glossa.

Citizens are urged to consider applying to participate on the one or both of the Resource Advisory Committee's. This is a great way to learn more about management of public lands and help to allocate Title II funds to worthy projects that will improve natural resources on our public lands.

The committee has or will have vacancies for members to represent

Thank You

A huge thank you to everyone who helped make the Meet and Greet Fundraiser for Miss Rodeo Montana/ Miss Dillon Jaycee Rodeo a resounding success. As always, this community has shown its amazing ability to come together, pitch in and get things done!

To each and every person, business, and organization who took time to donate products, desserts, artwork, and crafts to the event we truly appreciate your commitment and effort. To those who made time to attend the event during an already busy weekend, we sincerely appreciate your time and support. All of you made a significant dent in financing Lindsay's 2016 Campaign for Miss Rodeo America, raising more than \$6,000!

Thank you all again for your kindness and good wishes!
