UMW Alum Graduates from Law Enforcement Academy

Montana Western alumnus Connor Langel recently graduated from the Montana Law Enforcement Academy as part of becoming a game warden for the Montana Fish, Wildlife and Parks Department (FWP).

"Montana Western and the Experience One program gave me the education and skill sets to achieve my childhood dream of becoming a game warden in Montana," Langel said. "With much of our classroom time spent in the outdoors, I was well prepared for a career in managing Montana's fish and wildlife."

Langel grew up in Helena, Mont., where he spent a great deal of his time in the outdoors hunting and fishing. From a young age he knew he wanted to become a game warden with the FWP.

"I've wanted to be a game warden as long as I can remember," Langel said. "I feel it's an extremely important job educating the public and preserving the great aspects of Montana, including its unique natural resources, the animals and the land," Langel said.

Langel decided to attend Montana Western because of its environmental science degree, Experience One and its football team. He had a successful football career for five seasons and was regularly featured on the dean's list during his time at UMW.

"Going to Montana Western was an incredible and unique experience because of the X1 program," Langel said. "The class format allowed me to have valuable field experiences and work along side a lot of environmental agencies. The focused classroom setting gave me the opportunity to practice real-world skills, develop my resume and strengthen my public speaking ability."

Langel was able to enroll in a game warden trainee program with the local FWP while he was still a student at Montana Western. After graduating from the program, the FWP hired him on full time as a sworn peace officer and game warden.

Within his first year as a warden he must graduate the Montana Law Enforcement Academy and complete three months of field experience in Columbus, Missoula and Sydney, Mont. After his training he will be stationed in Costrip, Mont.

"I will be meeting new people and helping in anyway I can, educating the public about Montana's valuable natural resources, and working outdoors everyday in beautiful country," Langel said. "I'm looking forward to a long and successful career with the FWP, which wouldn't have been possible without Montana Western."

Langel received a Bachelor of Science degree in environmental interpretation in December 2015 and he participated in commencement ceremonies in May 2016.

Street and Alley Committee Meeting

By: MJ

Committee members present: McIsaac and Garry.

Street Signs: Discussion held on replacement of street signs. ½ of the signs will be replace this year and ½ will be done next year. There will be a resolution drafted for the project.

Carpita Parking Lot: The parking lot on Mt. St.; across from Womack Printing was discussed. Engineer presented a plan for 50 parking spaces, a planter, fence, drainage, and parking for trucks and trailers. The completion of the project will be done in phases. In the first phases the fence along railroad will be done. Mayor Klakken informed the committee the money for completing the fence is available but he was not sure where the rest of money needed to complete project would come from. Committeeman Garry made motion to recommend to the council to continue the project within the parameters of engineers plan. (Carried).

Nevada St & E. Orr St's: To discontinue these streets was tabled for more information.

Swenson Way: Three (3) Cottonwoods have been taken out and 3 remain to be removed. Discussion on hiring a company to take down the remaining trees that are very tall and close to powerlines. The city would clean up the debris. Nothing has been done with the shrubs. The removal of shrubs may be done this summer. No action was taken. (Tabled)

Hollywood and Vine St: Engineer presented a plan to make this area saver for the public by using yellow lines along with low curbing to direct traffic. Garry moved to recommend to council to proceed with development plan for the area.

Railroad St from Culvert to Helena St: Discussion was that this section of street needs millings. Richard Miller stated that he did not have any millings available at

this time. (Tabled)

Sidewalk from Railroad to Mt. St: This sidewalk would be on the north side of Reeder Street along Depot Park. The committee tabled for more information on the cost of the project and that there is no funding available. (Tabled)

Chip Seal: Discussion on chip sealing Glendale from Atlantic to Montana St. Richard Miller said he did not have cost figures for this project nor was there any money allotted for project. Garry moved to continue to get cost figures.

Vine St: Discussion to widen Vine St. between Kentucky and Thomsen. There was a ditch abandoned along Vine St. that would make property available for the widening of the street. This street becomes quit congested when the high school is having any kind of sporting event or other activities that requires parking space. Garry moved to proceed with the project that includes identifying all private property borders.

Jefferson and Bannack St. Closure: Discussion was held. McIsaac would rather see a temporary closure to test the waters prior to a permanently closure. Motion was made to refer to the council.

Prayers for Military Peace Keepers

There will be a service honoring military personnel who have provided a peaceful nation for all of us. They may be active or veterans, at home or abroad. The service will be held at 12 noon on the first Wednesday of every month at St James Episcopal Church (203 E. Glendale, Dillon, MT). All are welcome; families, friends, military personnel and anyone who would like to thank and pray for all of the Armed Forces of the United States. The next service will be held on June 1, 2016 at 12 noon. Any questions, call 683-2735. Please join us.

HELP KEEP THE STORE OPEN

Have you stopped by the Animal Shelter Thrift Store in downtown Dillon lately only to find it closed. We apologize for that. We are having trouble finding volunteers to help keep the store open. Our goal is to have it open Tuesday - Saturday 10-4. If you can help for even 3 hours a day, that would be great. Right now we need someone for all day on Tuesday (or 2 to share the day) and someone for a 10 - 12:30 shift on Friday. Please contact Judy Carlson at 660-0683 if you can help. Thanks.

Letter to the Editor

Why I'm Voting for Dale Stewart and Brooke Erb

Let's face it. The Republican Party sucks. I used to consider myself part of the GOP. Who wouldn't want to be a part of the group behind freeing the slaves, women's right to vote, Civil Rights, freedom and prosperity?

Unfortunately, those days are gone. In an effort to become just like the other guys, Republicans from the national, state, and local level have decided to go along to get along. Compromise has become more important than principles. In the past eight years every liberal, progressive idea has made it through congress and the senate. Oh, the elections come around and we are assured that these 'champions' will fight for the little guy. Instead, big government, big business and lobbyists keep getting everything that they want.

On the local level, we have republicans who try to tell us that being 'moderate' is some kind of virtue. It is not virtuous when you discard your loyalty and run to the opposition on all the big issues. 90% of votes with the republicans, are you kidding me? Selling out the party platform is more like it. Those 10% of votes are what is harming this country, state, county and the people who live here.

Look at their record. Republicans are the reason these issues are passing. Quit sending the same type candidates and expecting a different result. We don't need any more, so called, moderate republicans, anywhere? They've done enough.

I know Dale Stewart. He has principles. He has Integrity and will fight for the little guy and for the future generations.

I know Brooke Erb. She truly cares about the world her kids and grandkids will be growing up in. She understands the importance of property rights and shows up prepared for debates, too.

These are the people that should be supported.

Letter to the Editor

To Whom It May Concern:

I am writing in support of Brooke Erb for House District 72. Brooke has campaigned in an open, hard working fashion that is an example of the kind of representative she would be. She is informed and has been doing the hard work to become the candidate that distinguishes herself. She has the background to represent a wide constituency. We are not a single issue district and our representative should reflect that. She has an employment history including experience in the health care industry, the University system as well as being involved in a family business.

Brooke has a breadth and depth of interests in issues that create distinguishing qualifications for the Montana Legislature that would serve our area well. She is a nuanced candidate, clear about where she stands on issues, but ready to listen.

No politician creates jobs; they can only support laws and legislation affecting the men and women in our state that do. Brooke understands our economy has grown beyond one based primarily in agriculture to an economy that is more complex and diverse.

Brooke has remained stalwart in her refusal to go on the attack, or stray from the core of the campaign, which is owning your positions and realizing no one can be all things to all people and not asserting she can be.

I know firsthand the effort Brooke Erb has devoted to covering the large geographical area of our district to allow the voters to get to know her. She has a sincere interest in doing the job and a long view about how legislation will impact future generations. That hard working, smart woman will take that work ethic and commitment to Helena.

Sincerely,

Mary Ann Nicholas

Letter to the Editor

I am writing in support of Resolution 2016-04 which is a proposal for a 2 mill increase on taxable evaluation for the Beaverhead Search and Rescue.

The Beaverhead Search and Rescue is a valuable asset to our community. The money (a mere $2.70/$100,000.00) that will be generated through this resolution will help to finance the equipment and educational tools needed to provide their services.

Please support them in this upcoming election. I don't know about you but, I take great comfort in knowing that every time we head for the hills, and if something should happen, they are there to make every effort to rescue us.

This group of VOLUNTEERS is seriously committed to their cause and we need them. I could rattle off statics, specific situations, and the countless hours of volunteer time they provide, but I don't feel that is necessary because one really doesn't have to look very hard to realize their value.

The service they provide is both expensive and time consuming. So, let's show our appreciation for the services that the Beaverhead Search and Rescue provides by supporting Resolution 2016-94.

Letter to the Editor

That special day is nearing! I can't wait! No, not Christmas, not my birthday. The special day is the June Primary election.

I told my friend that I don't give a damn about the primary. But he told me the dam is not part of the election and I should not say bad things about the dam. I guess that is water over the dam or is it water under the bridge? Ok, so I will vote.

The question is do I vote for the person or the party? A difficult question. I didn't even know they were going to have a party. I am not sure I will be invited to the party. I hope so!

I listened to all the candidates, what they plan to do, they say all the things that are wrong with this country and it is the fault of the other party. I wasn't invited to that other party either. What went wrong? No cake, no ice cream?

Then I was told I needed to vote because every vote counts. But they never tell you what it counts for. They tell me it is my duty to vote and make America better again. What does better again mean? Better than what? I need to know before I vote.

I still don't know, should I vote for the party or the person? I was told I should vote for a Conservative. But I need to know what a conservative will conserve. I was told to vote for a Liberal. But I need to know what they will liberate. I was told to vote for a tea party candidate. This sounded like a strange brew!

I was then told to vote yes on issue no and to vote no on issue yes. For Pete's sake I'm so confused. Now I need to vote for Pete. But I was told Pete is not running because of term limits. I don't know which term they are talking about. Maybe he didn't write a term paper so he can't run. Maybe he should just walk and not run.

I just can't wait for the June Primary. I can't wait for the party. I bought a new shirt for the party. But I lost my shirt when I paid my taxes. Last time the candidates promised me less taxes. Their less was my loss. The shirt was ugly anyway!

IN THE BUSINESS OF SAVING LIVES

The Beaverhead County Search and Rescue is asking for your support of Resolution Number 2016-04. It is becoming very difficult to stay abreast of training opportunities and new technologies due to rising cost. Please continue to support us in our professional calling to assist all the people in need within the boundaries of Beaverhead County.

ABOUT BEAVERHEAD SEARCH AND RESCUE

- Began early 1970's under Sheriff Buzzy Davis–15 members.
- Membership quotas continued to change; finally capped at 60 in late 1990's.
- Average 12+ call outs a year—Last year S&R had 22+ call outs.
- All members are volunteers.
- Members use their own vehicles/equipment with only mileage reimbursed.
- Must be able to provide a safe environment for all members when sent to the field.
- Must provide quality communication for individuals in the field.
- Must provide proper and quality training in order for members to perform professionally and skillfully in their call to assist when needed.
- Provide many services for other community organizations.
- Will continue to raise money through fundraisers, grants, donations, etc….

ABOUT RESOLUTION 2016-04

- Beaverhead Search and Rescue is requesting 2 Mils.
- Results in fiscal impact of $2.70 per $100,000 taxable evaluation.
- A non Search and Rescue Committee will provide oversite, approval, and disbursements of the 2 Mils moneys.
- Funds to be used for: Training, Equipment, Logistics, And Operations

WE SINCERELY ASK FOR CONTINUED SUPPORT OF YOUR BEAVERHEAD SEARCH AND RESCUE WITH A YES VOTE ON RESOLUTION NUMBER 2016-04
