Beaverhead County Community Health Assessment

Three years ago, Beaverhead County Public Health asked the community's stakeholders help in working on a community health assessment (CHA). Public Health is seeking your participation and input again as it is time to look at the CHA and see what we accomplished, what we need to accomplish, and what additional goals/objectives we want to add. In 2009, the Montana Legislature passed House Bill 173, which encourages every Montana local public health agency to complete a health needs assessment and prepare a community health improvement plan. The final report of the community health improvement plan (CHIP) was completed in November of 2012 and sent out to interested stakeholders. We have made great strides in accomplishing some of the goals and are ready to move forward. This is a COMMUNITY assessment and therefore requires your involvement to make this a truly useful tool for everyone.

A CHA and CHIP are processes of assessing public health needs, the purpose of which are to inform public health policy and priorities into the future and set a course for improving the health of Beaverhead County citizens. We are keenly aware that there are public health concerns that are not being adequately addressed. Assuring a healthy Beaverhead County is a shared responsibility. Improving overall public health will rely on collaborations and partnerships among a variety of stakeholders.

We cordially invite you to attend a Community Health REASSESSMENT meeting at the Barrett Hospital Board Room on Tuesday, June 7th from 12:30 to 3:30. We will reexamine and evaluate the CHA goals, objectives, and strategies; celebrate our accomplishments; and look at opportunities to improve health outcomes. Members of the public are encouraged to attend, as well as representatives from agencies, organizations, healthcare providers and local governments.

Your input is vital to this process. Public Health looks forward to your participation. Please call Sue Hansen with any questions at 406-683-3179 or 4771.

National Cancer Survivors Day

National Cancer Survivors Day® will be celebrated Sunday, June 5, 2016 at the Dillon Elks from 1:00-3:00. It is a day for everyone, whether you're a cancer survivor, a family member, friend, or medical professional. This day for more than 14.5 million cancer survivors and more than 32 million cancer survivors worldwide is a day to celebrate milestones, and recognize those who have supported them along the way.

Cancer survivors, caregivers and supporters in Southwest Montana will gather to celebrate life and raise awareness of the issues of cancer survivorship. National Cancer Survivors Day® is an annual worldwide Celebration of Life that is held on the first Sunday in June. It is the one day each year that people around the world come together to recognize the cancer survivors in their community, to raise awareness of the challenges these survivors face, and most importantly, to celebrate life.

National Cancer Survivor Day® is a celebration for those who have survived, an inspiration for those recently diagnosed, a gathering of support for families, and an outreach to the community and, most importantly, to celebrate life. This year's celebration will include birthday cake, music by 'Fully Cooked' snacks, socializing and information about the 2016 Dillon Relay for Life.

For additional information or if a survivor is in need of a ride please contact or Russ Schwandt @ 498-1753 or Judy Westfall @ 660-0387

The boys side had Todd Nordahl and Kyson Wilson still alive in doubles after winning straight sets in a tough 3 set match. Brad Rakich was the only boy on the singles side of things for state.

He won a thriller in the first round and then dropped the next match to fall into consolation play. The next tough 3 set match had both boys cramping badly which hampered play and Brad finally won.

It was a great year for BCBS tennis.

Letter to the Editor

Ranchers & country folk - would you like someone representing you from a working agriculture back ground in Helena or a person who has rode a desk all of his life.

I have known Brooke for many years, serving on volunteer organizations. She has displayed the best judgement and welfare of Beaverhead County for the folks who live here. Brooke is always willing to step up and take the lead not matter what is asked of her.

This is the kind of representative we will need in Helena in the years to come to keep our wishes from Beaverhead County alive in the State Legislature.

Free Lunches for Children 0-18

Your Dillon Schools will again be providing an exciting opportunity
for children this summer. We will be distributing FREE lunches and
breakfasts to all children, 18 and under. These "pre-made meals" will
be distributed at the YMCA on Swenson Drive from 11:30-12:30 every
day, Monday through Friday beginning Monday, June 6th at no cost to
any child, age 18 and under, who shows up to receive one. Children may
choose to sit on the grass at the Y and eat or they can take their lunch
with them and go home, it's up to them.

Again, there is NO COST for this program. All anyone has to do to
get a meal is show up. That being said, we need your help. If you plan
to send your child(ren) for meals each day, please notify the school as
soon as possible of your intent so that we have an accurate count. We
want to be sure that every child that needs a meal, gets one.

Please call me at 406-683-4311 if you have any questions and thank
you for your help in our making sure that NO child goes hungry this
summer.
