Virginia I. Faller Foster,

Virginia I. Faller Foster age 88, said her loving goodbyes surrounded by her family on May 29th 2016 at Brendan House, Kalispell, MT.

Virginia was the youngest child of five girls born to Joseph and Anna Marie Shields Faller on Feb. 22 1928 in their family home at 700 E Glendale, Dillon, MT. She was educated in Dillon Schools and spent two years at Montana State Normal College as an art student.

Her early working years were spent working for the Cottom family on the 7L Ranch and as her father's office assistant at the Dillon Credit Bureau.

United in marriage to Rodney Churchill Foster II in Dillon, the love of her life on 11/11/1950. She began her first year of married life as a navy wife living in Norfolk West, Virginia. Upon Rod's Naval discharge, Rod attended the Montana School of Mines and Virginia and Rod settled in Butte, MT with the first child born the same day as the start of college for Rod. By the time of graduation, the young couple now was a family of 5. Rod accepted a position with Ingersoll Rand and while training out of the area, Virginia stayed in Dillon long enough to welcome their 4th child. With a car of four children the family settled in Salt Lake City where their 5th child was born. With a promotion in 1960 the family of seven moved to Spokane, Washington, until Rod's employment changed. As always the consummate stay at home mother, her husband and children lacked nothing. She taught us by her exemplary example of compassion, kindness, humility, gentleness, and patience. And in 1963 Virginia faithfully moved with her family to Wallace, Idaho, where Rod was employed as the manager of Coeur d'Alene Hardware and Foundry until 1972 when he became co-founder of F & H Mine Supply. After Rod's untimely death five months later, in May of 1972 she re-entered the work force. She found employment as the office manager for Gardner-Denver. When Gardner-Denver closed their business in Wallace, Virginia returned to Dillon and provided companionship and care to her mother until her mother's death in 1998.

Virginia lived in Dillon until 2014 when pain, hip surgery and mobility limitations forced her to leave the beloved Glendale home where she was born. After multiple moves, she settled into life at Brendan House, in Kalispell, Montana, close to her son Rod.

Virginia is survived by her children, Rodney C Foster III (Karen), Jennifer Fausett-Foster (Lovon), Joseph W. Foster (Janic Morales), Andrea Foster Kveder; grandchildren Christy Riggs, Brian Voltolini, Rodney Foster IV, Karen Russell, Derik Fausett, Janelle Skaw, Andrew Foster, Katy Foster, Melissa Kveder, Emily Kveder, Daryl Kveder, Grant Kveder

Letter to the Editor

Republican Primary Election

Republican voters in House District 72 need to pay attention June 7 in the voting booth. A Democrat has filed on the Republican ticket as your Representative. Because of this you know three things about this candidate-- he is not honest, he has no values, and no conscience; sure sounds like a Democrat. Study your lesson before you vote. The Democrats know who they are voting for.

Advisory Committees to Meet June 24 & 28

The Southwest Montana Resource Advisory Committee (RAC) and the Tri County RAC will meet on June 24 and June 28, 2016 respectively to review proposals for funding under the Title II Secure Rural Schools Act. Southwest Montana RAC includes lands within Beaverhead, Madison and Silver Bow Counties. Tri County RAC includes lands within Granite, Powell and Deer Lodge Counties.

The RACs are federally sanctioned groups which represent a cross section of county communities, industries, schools, environmentalists, and local government. They serve as a mechanism for local community collaboration with federal land managers in recommending projects on federal lands or that will benefit resources on federal land. Title II funds are used to implement projects that improve the maintenance of existing infrastructure, meet stewardship objectives that enhance forest ecosystems, and restore and improve land health and water quality.

According to RAC Coordinator Breck Hudson, "each RAC committee will have more than \$200,000 to recommend for spending on projects this coming year; the funding is made available through the "Secure Rural Schools and Community Self-Determination Act". The RAC works closely with the Forest Service to recommend projects that will benefit Forest health, fish, wildlife, soils, watersheds and other resources; maintain roads, trails, and other infrastructure; or control noxious weeds.

Title II projects fund work such as restoring watersheds, decommissioning roads, removing noxious and invasive weeds, and maintaining roads and trails. The funds are made available by the counties which receive federal funds based on the percentage of land in federal ownership, timber receipt payments, and per capita income. In recent years, the Tri County RAC has recommended funding more than \$1.5 million in improvement projects; Southwest Montana RAC has recommended more than \$1.4 million in funding.

The Southwest Montana RAC meeting is scheduled for Fri., June 24 from 9:30 a.m. to 5 p.m. at the Beaverhead-Deerlodge Forest Supervisor's office, 420 Barrett Street, Dillon, MT 59725. The Tri County RAC meeting will occur Wed, June 28, from 5 p.m. to 9 p.m. at the USDA Service Center, 1002 Hollingback Road, Deer Lodge, MT. Both meetings are open to the public.

For more information, contact RAC Coordinator, at (406) 683-3935, or via email to bludson@fs.fed.us

BRENT LEWIS NAMED MONTANA WESTERN HEAD VOLLEYBALL COACH

Brent Lewis has been named University of Montana Western head volleyball coach Athletic Director Russ Richardson announced today.

"We are pleased to name Brent Lewis as the new head volleyball coach," Richardson said. "He was the top candidate for the position after conducting a national search. His demonstrated experience in being a part of championship programs will be important for our young team."

Lewis takes over the Bulldog volleyball program after spending the past season as the head coach at Ranger College in Ranger, Texas. During his only season at Ranger, Lewis led his team to a program-best 14 wins. He coached four players who were named to the North Texas Junior College Athletic Conference all-conference team.

"I am very excited to become the next head coach of Montana Western volleyball," Lewis said, "I see a lot of potential in this team and I am looking forward to meeting the players and getting things going this fall."

Prior to Ranger College Lewis spent two seasons as assistant coach at Iowa Western Community College. In his first season at Iowa Western, the team finished with a 44-5 record and earned a seventh-place finish at the National Junior College Athletic Association Division I National Tournament.

A native of Marshall, Texas, Lewis received a master's degree in kinesiology from Hardin-Simmons University, where he also worked as an adjunct instructor in the fitness and sports sciences department. He received his bachelor's degree in mass communication from East Texas Baptist University, where he played as a right side hitter on the men's club volleyball team.

"I loved everything I learned about Montana Western throughout my interview process including the campus, community and especially the Experience One program," Lewis said.

Lewis' appointment will be submitted to the Montana Board of Regents for final approval.

He will assume his duties August 2016.

To all voters in House District 72,

It has been brought to my attention that a letter from the Montana Agricultural Political Action Committee (MAPA PAC) bearing my signature and endorsing Tom Welch for House District 72 was published in two local publications this week. This letter was paid for by Welch for Legislature. I had no knowledge of this letter and have not personally endorsed Tom Welch. The ad that was placed by the Welch campaign earlier this week was misleading.

I hope this letter will provide the voters of House District 72 clarity on this issue.

in Appreciation...

Missing Pieces opened its eighth full season during April at the corner of South Atlantic and Orr. As the summer season begins we wish to thank the Dillon community for its support of our antique and collectible enterprise during the previous seven years, **Terry and Dan** have valued the conversations and laughter with the Dillon faithful and other visiting patrons as well as, if not more, their purchasing support. We hope our addiction to finding both substantial to unusual items and oddments for viewing and/or purchase has brought pleasure to our patrons whenever they visited our store. Through these many shared experiences we discovered that Dillon was a **found missing piece in our lifetime.**

Update... during the past three years we have been blessed greatly with three alluring granddaughters, bringing our grandchildren count to nine. This has caused more frequent visitations and rethinking, thus during this past off-season we searched for a geographical hub location that would place us with a day-time drive of our extended four families located in Arizona and California. A new property has now been purchased in Kanab Utah and we will begin moving personal property to this second home over the next twelve to eighteen months.

Missing Pieces during this moving period will move into a two-year business close-out period, beginning with the sale of the property at 505 S. Atlantic and/or the business/property if a qualified interested buyer(s) should step forward and wish to continue the business. Our realtor and good friend since we arrived in Dillon will be Mike Proust at Golden West Realty. Should the property only sell during mid-to-late 2016 our plan for 2017 will be to operate out of our residence at 606 S. Atlantic with a final close during late September/late October 2017.

It is with discernible regret that we will depart Dillon due to our forever gained affection for Dillon and Montana to establish our Kanab home as our primary residence however it is a **life decision** made by many of our peers in similar present-day situations. We are addressing openly our plans at this early date as we feel a strong obligation toward the Dillon community due to their vital support throughout the previous years. **Semper Fi...Terry and Dan send**
