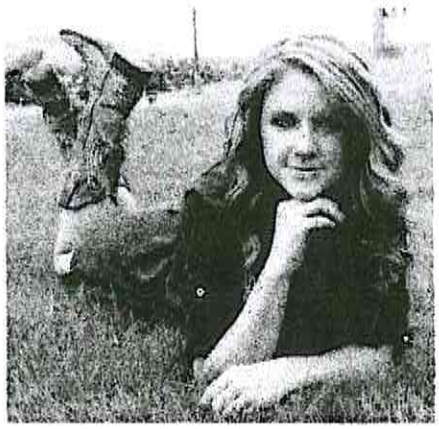
The United Way of Beaverhead County has awarded Jennifer Womack the 2016 United Way Community Service Scholarship. Jennifer is the daughter of Brenda Womack, Stepfather James Smith, and the late Joe E. Womack.

She has spent numerous hours volunteering in the community through organizations such as FCCLA, HOSA, CYI, Relay for Life, Honor Society, Rocky Mountain Elk Foundation, 4-H, Presbyterian Church youth group, United Way, Dillon Soroptimist, and many other organizations and areas. Some of the things she has done include raking leaves, and shoveling snow, food and book drives, Soup for the soul for the backpack program, yard sales, car washes, dug potatoes, shoe drive, organized a dinner and auction benefit and worked with a group at Vacation Bible School.

Jennifer has received a multitude of awards in school in the areas of speech and drama, volleyball, tennis, cheer, etc. as well as outside of school in dance. Jennifer is enrolled at Montana State University and plans to major in nursing with a Bachelors of Science degree. She plans to continue further in the medical field after exploring the options and determining what she wants to specialize in and where her passion takes her. She has started her nursing career with taking CNA classes at Parkview Acres where she will work for the summer.



We would like to wish Jennifer all the best in her future endeavors and thank her for her selfless generosity towards helping Beaverhead County.

Estate Planning

On June 8th at 6:30 Beaverhead County MSU Extension in conjunction with the St. James Episcopal Church will be sponsoring an Estate Planning Workshop with MSU Extension Family Economics Specialist Marsha Goetting. Estate Planning is often an overwhelming topic that people prefer to put in the "do tomorrow" pile. It can be a scary process to initiate and a daunting task to complete. Marsha Goetting is known for her lively, friendly presentations that make Estate Planning fun while emphasizing its importance.

Goetting's presentation combines her love of wildflowers with her knowledge and understanding of estate planning. She will discuss where property goes without a will, how to avoid probate and whether a will or trust is a more appropriate option for your situation. So if long term financial planning has been circling in your "to do" list, join us for "Wildflower Reflections: Families, Legacies, and Estate Planning", June 8th at 6:30 at the St. James Episcopal Parish Hall.

Convictions verses Preferences

By: MJ

CONVICTION: Is a firm held belief, a thought, an idea, a position, an article of faith or an opinion. **Example**: a sister goes to law school to represent her brother whom she has a firm belief, or conviction of his innocence. Maybe you want to lose weight, go to college, travel and let the true you shine… A conviction means that whatever it takes to complete the task at hand you must commit the time, the strength and faithfulness needed.

?? Why do humans sacrifice and compromise their convictions by excessive use of alcohol, drugs, food, exercise and so much more. **Reasons**: Insecurity in one's self, fear of failing, fear of criticism, fear of looking foolish to others, fear of losing, fear of not living up to someone else's standards, procrastination, laziness, pain, stiffness… All things that take away the joy in lives.

Do your convictions reflect who you are? Do the choices and decisions you make make truly reveal the real person you are?

PREFERENCE: Preferences come and go with the wind. Preference is an inclination, a fondness, a liking or an in the moment feeling. Preference means giving into temptations, doing whatever we want when an occasion arises and just living in the moment. Preferences allow tendencies to bloom and the old comfortable/ feel good habits to prevail. **Example**: eating the peas on a plate and leaving the carrots because you like peas better.

Funeral Service will be Saturday June 4, 2016 at the St. Rose of Lima Catholic Church in Dillon Montana at 12:10 pm. Followed by a committal at Mountain View Cemetery at 1:30 pm and reception following at the St. Rose of Lima Catholic Church.

Letter to the Editor

It seems that the news media is always trying to tell people, by innuendo, what they should understand about the news. They continually believe that individuals have no common sense, they may be right.

Just this morning I heard a news report about the governors race in Montana. Speaking of the challenger, "He is just trying to BUY the election." Anyone with common sense-in my opinion-that is exactly what incumbents, professional politicians, try to do whether in federal or state elections. What has this country come to? It is all about money. You can even pay someone to get you out of paying the income taxes you owe or the balance you owe on your credit card.

I have often wanted to ask the 'talking heads' who speak and write the news, "Were our founding fathers liberal or conservative?" According to history 50 of the 52 signers of our Constitution and Declaration of Independence were Christians.

There is a favorite quote of mine for the past four years, "The righteous one perishes, and no one takes it to heart; faithful men are swept away, with no one realizing that the righteous one is swept away from the presence of evil. He will enter into peace - they will rest on their beds - everyone who lives uprightly." So many of my friends have entered eternity lately.

professional politicians -About thirty years ago there was a movie called, "The Seduction of Joe Tynan" (I named it, "The Rape of Joe Tynan") about an idealist person who ran for Congress, won, and in two years was exactly the same as the incumbent he replaced.

Dominic Robinson signs with Montana Western hoops

Montana Western men's basketball coach Steve Keller is excited to announce the signing of Dominic Robinson to an NAIA Letter of Intent. Robinson will join the Bulldog basketball program in the fall of 2016.

Robinson, a 5-foot-9 point guard from Tacoma, Wash. spent two seasons at Northeastern Junior College in Sterling, Colo. where he was a member of the Plainsmen basketball squad. During his freshman season at Northeastern, Robinson played in 32 games and averaged 2.3 points and 2.1 assists per game as his team lost in the second round at the National Junior College Athletic Association National Championships and finished with a 31-4 overall record.

In his sophomore year, the Plainsmen finished with a 23-10 record and Robinson played in all 33 games and started the last 17. He averaged 7.1 points, a team-high 3.2 assists and brought down two rebounds per game.

As a prep, Robinson helped lead Curtis High School to the 2013 4A Washington State Championship his senior year of high school. He was named the tournament's MVP and was a first team all-state selection after averaging eight points, four assists, three rebounds and two steals per game.

"We are excited that Dominic Robinson has decided to join the Bulldog basketball program. Dom is a true left-handed point guard and he is capable of going both ways," stated Coach Keller, "Dom controls the game on both ends of the floor and has the total package; he can get to the rim, shoot the mid-range shot and hit the three."

Keller finished, "We look for him to make a huge impact on our program for the next two years."

Dominic is the son Carine DeLeon and Dominic Robinson Sr. and plans to major in Health and Human Performance while at Montana Western.

We write this letter in support of Brooke Erb, candidate for House District 72.

Brooke is from an Ag family that has always supported Ag issues in Montana. Sh is a member of the MT Environmental Quality Council, and is a strong supporter of Private Property Rights, and Agricultural issues.

With the declining number of Ag representatives in Helena, we need a candidate like Brooke Erb.

We urge you to vote for Brooke Erb. She is a strong candidate for HD 72.

IN THE BUSINESS OF SAVING LIVES

The Beaverhead County Search and Rescue is asking for your support of Resolution Number 2016-04. Please continue to support us in our professional calling to assist all the people in need within the boundaries of Beaverhead County.

ABOUT BEAVERHEAD SEARCH AND RESCUE

- All members are volunteers.
- Members use their own vehicles/equipment with only mileage reimbursed.
- Must be able to provide a safe environment for all members when sent to the field.
- Must provide quality communication for individuals in the field.
- Must provide proper and quality training in order for members to perform professionally and skillfully in their call to assist when needed.
- Provide many services for other community organizations.
- Will continue to raise money through fundraisers, grants, donations, etc….

ABOUT RESOLUTION 2016-04

June 2, 2016

To: All Voters in House District 72

I write in response to the letter from Joe Goggins in yesterday's Dillonite Daily concerning my May 20, 2016 endorsement by the Montana Agricultural Political Action Committee (MAPAC) and related ads to such. The letter contained within my recent ads is a copy of the letter I received last month from MAPAC minus the MAPAC address in one case. A $150.00 check accompanied this letter!

I have today verified via phone with staff members at the Montana Agricultural Political Action Committee that my letter and endorsement from their Selection Committee is indeed valid as I advertised and remains so today. However, now apparently outside forces have intervened, and some members are looking to reshuffle the deck.

Despite what might be alleged, my ads related to this matter are accurate and my dealings in this matter and throughout the campaign have been honest. In this particular case, my MAPAC endorsement still stands and I remain proud to continue to stand with and support agriculture.

Should you need further clarification, I would encourage you to contact me at 660-2988 or the MAPAC staff at 406-442-3420.

Thank you and please remember to vote on Tuesday, June 7th!

Tom Welch
Republican Candidate for House District 72
