The Montana Senior Olympics

The Montana Senior Olympics (MSO) were held in Helena June 16, 17, & 18. 309 seniors 50 years of age and up competed. MSO athletes compete in 14 different sports including track and field, basketball, racquetball, swimming, tennis, cycling, archery, golf, horseshoes, bowling, and others.

Athletes compete with others close to their ownage by 5 year increments; 50-54, 55-59, etc. There have been some senior athletes in their 90's compete.

While many athletes train all year and are very competitive, there is an atmosphere of friendliness and goodwill. Seniors of all abilities and commitment are welcome and can have fun and be in better physical and mental health by training for and competing in MSO.

In the age group of 6569, Wade Hansen of Dillon competed in the shot put and the 5000 meter race walk, with a goal of being close to the 2015 MSO winning time of39 minutes, 37 seconds. He accomplished this with a time of 39 minutes, 30 seconds, which was 2nd place, a personal best. The gold medal was won by the 2015 National Champion Steve Harper.

Anyone with an interest in MSO may contact www.montanaseniorolympics.org or call Kay Newman@ 406-586-5543.

E-Waste recycling

E-Waste recycling will be an ongoing event in Beaverhead County beginning this week at the County landfill, 3801 Ten Mile Road, about 5 miles west of Dillon. The e-waste container will be located next to the large appliance and metal recycling container in the active pit operation for now and will have signs labeling it. Computers, laptops, televisions, monitors, power cords and more are being accepted.

Check out Beaverhead Recycling on Facebook or call 683-1249 (Beaverhead Recycling) or 683-3750 (County Commissioners) for more information. Van's IGA is supporting the collection by saving large shipping containers for the effort. Help out the e-waste program by buying watermelons and produce at Van's.

MONTANA WESTERN WILL CLOSE CURIOUS MINDS AT THE END OF AUGUST

University of Montana Western administrators have announced that Curious Minds, the school's early childhood education lab school and childcare center, will close Aug. 31, 2016.

Jen Gilliard, Montana Western's early childhood education director, said the university will now work with area childcare and education partners to provide a wider range of field experiences for students.

"We are looking forward to building a strong relationship with childcare and education programs throughout the community," Gilliard said. "Beginning this fall we will work with area partners to provide quality field experiences for our students and at the same time offer added resources to our community partners.

"We very much appreciate the community support Curious Minds has received over the years and regret any inconvenience the closure may cause," Gilliard said.

She said the university wanted to give parents as much notice as possible to make alternative arrangements.

University personnel are available to answer questions and assist parents with the transition by calling 406-683-7177 or e-mailing jen.gilliard@umwestern.edu.

New Council Member Selected

By MJ

Applications were submitted to fill the vacated council seat in Ward 4 by Ms. Mandy Maass and Mr. Gregory Ballard.

The applicants made a presentation of their qualifications and why they were applying. The council then interviewed each applicant, voted and chose Ms. Maass to fill the position as the second Ward 4 representative.

Beaverhead County Animal Shelter News

Because of the generosity of the residents of Beaverhead County, the Animal Shelter Thrift Store on Center in downtown Dillon is overflowing with new and slightly used household items. In order to make room for the items in storage, they are having a buy one/get one sale this week. Buy one item and get another of equal or lower price for free. The Store will be open Tuesday through Friday from 10-4. Come by this week to get some better than average bargains and then next week to check out the new items. All the proceeds from the sale of these items goes to support the Animal Shelter. They are still looking for volunteers to help keep the Store open longer hours. Contact Judy Carlson at 660-0683 if you can help.

If you know Claudia Karchut of Dillon, you know she is one of many local ladies who make beautiful homemade quilts. She has generously donated a queen size (100 x 100) quilt to the Beaverhead Animal Shelter to be raffled off. The quilt is called Log Cabin and is done in various shades of blue, bright yellow, and white. You need to see it to appreciate it, and you can do that. It is on display at Wildwood Floral in downtown Dillon. It will also be on display at the Animal Shelter booth at the Saturday Farmer's Market in Dillon. Raffle tickets are $3 each or two for $5. The drawing will be held on Saturday, September 3, during the Farmer's Market. You can purchase tickets at: Wildwood Floral, Simply Shabby (across of the Museum), the Shelter Thrift Store, the Shelter Office, and at the Shelter's booth at the Farmer's Market. All proceeds from the sale of raffle tickets will go to the Beaverhead Animal Shelter.

Opportunity for Public Comment

Montana Fish, Wildlife & Parks is requesting public review and comment on the following items. Supporting information on these items can be found on our website under Opportunity for Public Comment, Hunting, and/or Fish and Wildlife.

All proposed items will be accepting public comments until Friday, June 24th at 5:00 p.m. with final adoption at the July Commission meeting.

Annual Wildflower Tour of Gravelly Range Set for July 6

The Forest Service will sponsor its 19th annual wildflower tour of the Gravelly Range on Wednesday, July 6, starting at 9 a.m.

The free tour winds through the Gravelly Range in Madison County which is noted for a spectacular, high-elevation display of wildflowers. Forest Service employees on the tour will help identify plants seen along the way. Officials note that each year brings its own set of growing conditions, producing an always plentiful and varied show of wildflowers.

The tour will begin at the Forest Service office in Ennis and proceed toward the Gravelly Range. Participants generally drive their own high-clearance vehicles, but can catch a ride with others if they don't want to take their own vehicle. Attendees are advised to dress for inclement weather and bring their lunch and water.

For more information, contact the Forest Service in Ennis at (406) 682-4253, or check out the Beaverhead Deerlodge National Forest Facebook page.

Friends of the Dillon Cubs

Friends of the Dillon Cubs will be hosting a Free picnic with BBQ Beef and Hotdogs, chips and drink on Friday June 24, at the Depot Park across from Beaverhead Brewing. Friends of the Dillon Cubs and current Cubs players will start serving at 5:30. Beaverhead Brewing is sponsoring a Pint Night to support the Cubs organization. Come down and meet with the current team and purchase a Field of Dreams T-shirt.

Bulldog rodeo continues to battle in Casper

All but two athletes have completed their preliminary rounds at the CNFR leaving Coach Olie Else and the University of Montana Western rodeo team to wait as the remaining contestants determine who will advance to the short go.

Thursday action saw sophomore Jacob Worthen end his final steer wrestling run with a no time, while junior Connie Gray tipped the final barrel to post a 21.26 second run, and Junior Tess Turk posted a 9.1 second goat tying run, leaving all three out of contention for the short go.

Turk is still in good position to advance in the breakaway roping as is sophomore Tristian Hansen in the bareback competition.

During Friday's final preliminary events, freshman Ruger Piva will try to post a score in the bullriding and senior Dakota Munns will make his final collegiate saddle bronc ride

TURK FINISHES FOURTH IN NATION

Tess Turk posted a 3.2 second breakaway run in the final round of the College National Finals Rodeo to earn fourth place in the nation.

Turk completed her four CNFR runs in a total of 12.6 seconds, with her fastest time coming in the third round, securing her entry to the short go. The junior from Elko, Nev. was competing in her first short round of her three consecutive trips to the CNFR. The Montana Western women's team finished the national finals in the number 16 position, one spot behind Big Sky Region champions Montana State.

Tristan Hansen represented the University of Montana Western in bareback during the championship round. Hansen, a sophomore from Victor, Idaho, posted a 73.0 point ride, his highest of the week, to end the CNFR with 282.0 points on four trips out of the gate. The total earned Hansen an eight place finish and the Montana Western men's team a total of 65 points at the finals.

BEAVERHEAD & BIG HOLE RULES AMENDED

Montana's Fish and Wildlife Commission has amended the rules pertaining to outfitters' use of the Beaverhead and Big Hole Rivers, specifically involving temporary client days.

The amendments now in effect prohibit outfitters who have surrendered or transferred their client days, or who have had their permit revoked, from applying for temporary client days (one-boat outfitters may apply on an annual basis for up to 60 temporary client days on the Beaverhead or Big Hole Rivers).

The Commission proposed the amendments to support the original intent of the rules – giving small, river outfitting businesses a chance to obtain a temporary client day permit on the Big Hole River or Beaverhead River. The change will not increase or decrease the number of permits and will have no affect on the use of the rivers.

In the past it was possible for experienced outfitters to surrender or sell their Big Hole River and Beaverhead River permits and then apply for temporary client days, limiting the ability of less experienced outfitters to do business on the rivers.

The public can read the Notice of Amendment on FWP's website here:

http://fwp.mt.gov/news/publicNotices/rules/pn_0211.html.

The next review of the Beaverhead and Big Hole administrative rules will occur in 2020.
