Dr. Daniel Garth Block November 21, 1919- June 20th, 2016

Daniel Garth Hodgson Block was born in Wisconsin Rapids on November 21, 1919. He attended Milwaukee State Teachers College for four years. When WW II began he enlisted in the Eighth Air Force on January 7, 1942. Upon discharge in the fall of 1945 he married Gerane Johnson, moved to Montana and enrolled at the University of Montana. He earned two degrees in Wildlife Technology, and then returned in 1970 to earn his

doctorate. He first taught high school for six years on the Flathead Indian Reservation and then was a professor of biological science from 1961 until 1985 at the University of Montana-Western when he retired.

At the July 1994 Board of Regents meeting the regents authorized the University of Montana-Western to name the Office Classroom building the "Daniel G. Block Hall." "He was brilliant, diligent, and absolutely consistent, and his students received his very best every day," said the official proclamation. "Only occasionally does one find a professor at the university level who is willing to counsel students and provide leadership beyond the conveyance of basic subject matter to the degree that Dan Block did."

He was a pioneer in outdoor classroom teaching and was an integral part of the growth of programs at the Birch Creek Outdoor Education Center. During the 1970s he secured a grant to establish an Emergency Medical Technician program at Western. He also started the first Drug Education class at the college and was instrumental in establishing a four-year Natural Heritage degree program.

In addition to other accomplishments he was the first emeritus chosen by the Western Faculty Association to deliver the Commencement Address in 1987 and was named "Emeritus Professor of the Year" for his work as senior editor of the Western Montana College Centennial History Book in 1994.

He is survived by his wife Gerane, son Garth, wife Paula grandson Daniel (wife Tara) and Bryan, wife Terri and grandson Zachary, (wife Melissa great grandson Caden), and grandson Machi and a sister Ione Powell.

There will be a memorial service in Dillon at UM Western Block Hall 3rd floor, Room 311 on Thursday, July 7th at 1pm. Park at the gymnasium. A reception will follow at the Block Hall, first floor.

Beaverhead County Animal Shelter News

If you know Claudia Karchut of Dillon, you know she is one of many local ladies who make beautiful homemade quilts. She has generously donated a queen size (100 x 100) quilt to the Beaverhead Animal Shelter to be raffled off. The quilt is called Log Cabin and is done in various shades of blue, bright yellow, and white. You need to see it to appreciate it, and you can do that. It is on display at Wildwood Floral in downtown Dillon. It will also be on display at the Animal Shelter booth at the Saturday Farmer's Market in Dillon. Raffle tickets are \$3 each or two for \$5. The drawing will be held on Saturday, September 3, during the Farmer's Market. You can purchase tickets at: Wildwood Floral, Simply Shabby (across of the Museum), the Shelter Thrift Store, the Shelter Office, and at the Shelter's booth at the Farmer's Market. All proceeds from the sale of raffle tickets will go to the Beaverhead Animal Shelter.

Council Meeting June 15, 2016

By: MJ

Police Bond. Originally the city of Dillon funded their own police retirement fund. There came a time when the city could not keep up with the monetary demands of the retirement fund. At that time the city worked with the State of Mt. to place the local police retirement fund under the Montana Municipal Police Retirement System. It was voted on by the people to transfer the police retirement fund to state.

City Treasure Straus and Mayor Klakkan researched the possibility of applying for an INTERCAP loan from the State of MT. The city paid off the original bond of 1.6± million dollars making it possible to transfer bond to INTERCAP with state. Mr. Straus explained that the city may be able to make additional payments on the principle thus reducing the debt faster.

INTERCAP Fund: Brief exclamation of what the INTERCAP fund is; 1) The INTERCAP program only loans funds to eligible government units as defined under 17-5-1604, MCA. 2) Interest rates are adjusted on February 16th of each year. 3) Interest and principal payments are due semi-annually on February 15th and August 15th. 4) Current interest rate through February 15, 2017 is 1.55%

The state has accepted the city's loan in form of a bond via INTERCAP. With this transaction the city has lowered the interest rate from 6.3± percent to 1.55± percent.

If you see City Treasure Straus or Mayor Klakkan be sure to give them a "thank you" for the savings. A team working for the betterment of the community.
