Beaverhead-Deerlodge NF Officials Concerned About Abandoned Campfires

Beaverhead-Deerlodge NF officials have discovered a number of abandoned campfires throughout the Beaverhead-Deerlodge National Forest and in particular in south of Butte. "In the last week, fire crews have responded to abandoned campfires in the Limekiln, Toll Mt. and Thompson Park areas," said Butte-Jefferson District Ranger Dave Sabo. "We been lucky so far with adjacent fuels that are still green to limit the spread of fire, however, temperatures are expected to be in the 80's this week. Those high temperatures combined with gusty winds cause fuels to dry quickly. We want folks to have a great outdoor experience on the Forest, but make sure your fire is completely out before you leave."

Forest Service officials offered these tips for anyone outdoors:

Never leave a campfire unattended.

Always make sure your fire is completely out before you leave. Mix water, earth, and embers and stir until they're cool to the touch. Remember to bring along a shovel and bucket to help put your campfire out. Be careful where you park, catalytic converters can start fires is dry grass under vehicles.

Fireworks are prohibited in National Forests. If visitors are in possession of or discharge fireworks on the National Forest they may be fined up to \$300. Fire officials recommend that if visitors want to enjoy fireworks to check with their local community to see how they celebrate July 4. Many communities celebrate with beautiful fireworks displays that many can enjoy.

Human caused fires are one of the factors fire officials use to determine if fire restrictions are necessary. Currently, there are no fire restrictions in effect in SW Montana. However, weather and fuel conditions can change quickly. To stay up to date with fire restrictions go on-line to <http://firerestrictions.us>.

For more information contact your local Beaverhead-Deerlodge NF office, or go online to www.fs.usda.gov/bdnf.

CORRECTION to Article Wrote

BY: MJ

I wrote an article titled "City dollars distributed how." In that article I was talking about intersections that the city is rebuilding. **NOTE:** Following is the correction.

When the streets were built there was only one (1±) inches of asphalt laid down and should have been at least three (3±) inches of asphalt. The asphalt was put on over only a foot or so of gravel. I wrote in the article that under the gravel is 8± inches of clay. (Wrong).

CORRECTION: The clay layer is one (1±) feet. The clay layer freezing and thawing is a large part of the street and intersection problems the people deal with year after year. The city crews are removing the clay, replacing with gravel and will lay asphalt down later this year when hot mix plant is operating

DINNER IN THE PARK STARTS

The Southwest Montana Arts Council is excited to present award-winning Irish musician John Williams for its first Dinner in the Park event on Thursday, July 7, at Jaycee Park at 6 p.m. United Way of Beaverhead County will be serving the dinner and there will also be a free art workshop for kids of all ages.

John Williams is internationally regarded as one of the foremost players of Irish music today. With five All-Ireland titles to his credit, John is the only American-born competitor ever to win first place in the Senior Concertina category. He shares his talents on flute, button accordion, bodhran and piano.

Born and raised on the Southwest Side of Chicago, Williams spent his summers on the Southwest coast of Ireland in his father's village of Doolin, Co. Clare.

The Irish national broadcasting network RTE has featured Williams as the subject of the radio program The Long Note, the television series The Pure Drop and the Gaelic language and music programs Geantraí and Failte. He has also won two NAIRDS and been nominated for two Grammys. U.S. audiences recognize Williams from numerous appearances on Mountain Stage, A Prairie Home Companion and The Grand Ol' Opry as well as guest performances with The Chieftains, Nickel Creek, and Riverdance. Williams also won acclaim for composing the soundtrack of Road to Perdition, starring Paul Newman and Tom Hanks.

Williams will also be playing at the Montana Folk Festival in Butte July 8-10.

United Way's menu includes: steak sandwich, pasta salad, chips and a cookie. The meal will be \$6 for adults and \$3 for kids.

Advertising for Dillon

By: MJ

When the north interchange was directing traffic down Selway Drive and onto Bannack St. hence connecting to Montana St. The businesses on those streets seen an influx of customers during that period. Gracies antique store with the unique rock wall was a business that may have reaped the rewards with people stopping. There is nothing better than the smell of leather that Frecker's Saddle shop offers just across from Gracies. Both of these businesses offer a flash from the past that people enjoy and often will stop for. Often when people stop they spend a dollar or two.

Traffic in town: This is the type of traffic that brought many outside dollars into Dillon before the freeway allowed them to bypass the town. Dillon now needs to do what many small towns affected by freeways have done. They have structured and created events that give people a reason to come to their town and bring outside dollars with them. All things begin with many ideas put into a melting pot, short and long term planning done and the end results will be successes that will build off from each plan all year long. No different than building a business and making plans to keep it flowing and profitable.

EXAMPLE: SELFIE: How about something like Helena and Butte have done. Create "Selfie" picture circles, painted on sidewalks and placed statically around town? **BINGO** – You have a picture advertisement of a person standing in front of your store and posting it on Facebook.

Dillon has many places people would like to take a "Selfie" in front of. Remember it's not the old people that are readily taking pictures of themselves and often are on a set incomes. It is the young working crowd looking for excitement, things to do and spending money. A "Selfie" provides a way for an area to reap advertisement benefits, (extra dollars in cash register) and give people a quick and easy way to say "look where I am."

QUESTION: Would this be a way to establish an advertising movement that would promote the area? Let's put our heads together, draw a plan up and then implement it.

City Fathers: Is this something the city fathers could work with the community to promote?

RED HAT SOCIETY NEWS

The June meeting of the Red Hat Belles was held on Tuesday) June 21st at the Gateway Canyon Travel Plaza. 11 ladies were able to attend. Meeting first at the Bicentennial Apartments) we then carpoled to the restaurant.

Donations for the Dillon Backpack were again collected by Alyce Wassall. Door prizes of Gift Cards were given to Lydia Towery) Diana Carroll and Maggie Benson.

Alyce gave out name tags to new members Maxine Molenda and Louise Volkening. Lola Ouellette is also a new member but could not attend this time. She will also receive a name tag. Everyone agrees the new name tags are really clever and attractive. In other words just plain cute!

A big thank you to the staff of the Gateway Canyon Travel Plaza. You couldn't have been nicer and your food was delicious; in fact many of us were seen to bring a "Go Box" home for another meal. A special thank you to our waitress) Renne. She was awesome!

Alyce and Barb Schrader were co-hostesses for this event and promised an "awesome) wonderful) never-done-before surprise after the lunch". They did not disappoint! We ended up at Barb Schrader's home for ice cream sundaes with all the fixings and a good bit of "Girl Talk" about everything. What a fun afternoon! Thank you so much Alyce and Barb!

It was the consensus of the ladies to resume our meetings in September. Lydia Towery and Darlene Rose have offered to co-host at that time. Thank you Lydia and Darlene.

4th of JULY FACTS

The Declaration of Independence

We celebrate American Independence Day on the Fourth of
July every year. We think of July 4, 1776, as a day that represents
the Declaration of Independence and the birth of the United States
of America as an independent nation.

But July 4, 1776 wasn't the day that the Continental Congress
decided to declare independence (they did that on July 2, 1776).

It wasn't the day we started the American Revolution either
(that had happened back in April 1775).

And it wasn't the day Thomas Jefferson wrote the first draft of
the Declaration of Independence (that was in June 1776). Or the
date on which the Declaration was delivered to Great Britain (that
didn't happen until November 1776). Or the date it was signed
(that was August 2, 1776).

Barrett Hospital Housekeeping & Laundry Prevent Infections

The Housekeeping staff members at Barrett Hospital & HealthCare work hard every day to maintain the cleanest environment possible. During the 2015/2016 flu season, many patients presented with serious infections and were treated in the Hospital. Not once during this time was there an instance of cross-contamination in the Hospital. Germs and viruses were not spread and shared from one patient's room to another.

Isolation precautions were put into place when appropriate, and every staff member donned the correct precautionary equipment, such as masks and gloves, when entering a patient room where a serious infection was being treated.

In instances of certain infections, including C. Difficile, housekeepers clean entire rooms from top to bottom, and then bring in a UV device to further disinfect the areas by destroying germs and viruses with UV rays.

The Laundry Team also does their part by using special washable bags to contain gowns and bedding that have been exposed to germs and viruses that cause serious infections. These materials are sent through a special wash cycle, which kills the germs that cause infection.

*Great job,
Housekeeping and
Laundry Team, for
doing your part to
keep our patients safe!*

For more information about the Infection Prevention Program at Barrett Hospital & HealthCare, please contact Sheryl Woods, Infection Preventionist, at 683-3008.
