### Local Women Pen Cookbook

Recipes, History and Trivia are presented in this new local flavors cookbook that will be featured at The Bookstore on Saturday, July 9th from 1:00-3:00. There will be samples of the recipes served during the book signing.

The Montana Territory Pioneer Recipes & Trivia cookbook is an effort of the Jolly Jill's Women's Club of Dillon, Montana. Over the years many local women have been involved in this club. The remaining and current members of the club are Carolyn Adams, Aileen Warrick, Betty Hanson and Louise Shafer. (With a little help from Myrna Carpita)

The ladies of the Jolly Jill's club learned the ways of their mothers, grandmothers, and great grandmothers as young girls. These ways had been passed from generation to generation and with this book they will give future generations a glimpse of times past with many old recipes and how things were done in the "good old days".

What did the early pioneer woman do on a day to day basis? How did they live without electricity or refrigeration? How did they make bread without yeast? How was food preserved? No lemons – but, how do you make a "lemon" pie? Yes, they had running water – they ran and got it. How was clothes washing done and, oh, by the way, you made your own soap too. Gardening was an art unto itself as was the storage of vegetables in a "root" cellar to keep them for the winter use. There were many things that the pioneer woman did to provide for her family and they are touched upon in this book.

The Montana Territory Pioneer Recipes & Trivia cookbook tells a little of what life was like for the early day woman and a little "of the way of today!" For more information or to reserve your copy please call 683-6807

and engaging talks about the wonders of Yellowstone and emphasize the importance of experiencing the subject matter."

As an intern at the park, Mitchell has many responsibilities including supporting rangers in the educational program by teaching kids and the general public about wildlife safety, acting as a volunteer coordinator, assisting on field trips and engaging with people from afar through distance learning over FaceTime, Google Hangout and Skype.

Mitchell grew up in Yellowstone as both her parents were park rangers stationed in the Mammoth Hot Springs complex. She studied business while at Montana Western, but soon after graduation felt the urge to pursue the family business instead.

"I am having a blast in Yellowstone," Mitchell said. "It has been a great experience to learn more about where I grew up and be able to teach others about the beauty and wildlife in this amazing area."

Mitchell said that she was attracted to Montana Western because of its small class sizes and the Experience One (X1) program.

"Montana Western's X1 was a great fit for my preferred hands-on style of learning," Mitchell said, "It was a home away from home where I gained a lot of valuable knowledge about the world and myself."

Mitchell explained that the internship has taught her she enjoys educating children about the natural world and plans to pursue a career as a park ranger.

"The University of Montana Western paved the way for what I hope is a long and exciting career where I can facilitate experiential learning within our national parks," Mitchell said.

Located within the Greater Yellowstone Ecosystem, the Montana Western campus is just over two hours away from the national park that regularly plays host to geological excursions for UMW students.

## ALERT: FISHING RESTRICTIONS ON LOWER EAST GALLATIN RIVER

Montana Fish, Wildlife & Parks is alerting the public to fishing  
restrictions on the East Gallatin River effective Friday, July 8 as a  
result of high water temperatures.

The restrictions beginning Friday will close the East Gallatin  
River to fishing daily from 2 p.m. to midnight from Spring Hill  
Road (Hwy 211) to the confluence with the Gallatin River until  
conditions improve.

Regional Fisheries Manager Travis Horton says flows are  
continuing to decline, but recent cooler weather has provided  
some relief.

Horton added that typically as days grow shorter, the ability  
of streams to reach critical levels is more difficult. However, that  
typically doesn't occur until mid August.

As restrictions are implemented, FWP recommends anglers  
seek out opportunities for fishing on waters more resistant to  
drought conditions (i.e. high mountain lakes and reservoirs).

For up-to-date information on restrictions related to drought,  
visit <http://fwp.mt.gov/news/restrictions/>.

## City of Dillon

The City of Dillon is hoping that everyone is having a great  
summer. They would like to remind everyone to help keep Dillon  
beautiful by mowing, watering and taking care of the weeds on  
their property. Our city vegetation ordinance asks that we keep all  
weeds, grass and uncared for vegetation from growing to a height  
in excess of eight inches. If you have any questions please contact  
Todd Hazelbaker, Director of Operations, at 406 683-4245 or stop  
and visit his office at 125 North Idaho Street.

## RIGHT TURN ONLY

The City of Dillon will be placing RIGHT TURN ONLY signs  
at the intersection of Tendoy and Atlantic streets (street located  
next to the courthouse) on July 15th, 2016. The purpose of the  
signage is to make entering Atlantic Street safer for the public. If  
you have any questions please contact Todd Hazelbaker, Director  
of Operations, at 406 683-4245 or stop and visit his office at 125  
North Idaho Street.

**Saturday Education and Entertainment Series**  
 All programs are free – Out of state vehicles pay \$6 park admission

- June 4 2pm **"Home, Home on the Ranch"** A Musical Program with Bill Rossiter  
 Carving out a home on the high plains wilderness was tough enough, but their songs and stories - some serious, some funny, some seriously funny - show that staying the long haul added flint to the soul. Humanities Montana Program
- 11 7pm **"HometownClassics"** – Talented local musicians Jerry Burttts, Buddy Hughes, Sandy Jennings, Lois Johnson, Russell King & Kim Hoffman will captivate listeners with music from yester-year performing their favorite county, western, gospel and bluegrass tunes.
- 18 7pm **"Prairie Rose"** – Direct from Helena join us for the Prairie Rose Band with Tammie Jones & Candace & Dave Payne for a memorable night of musical entertainment. Their sound is a great mix of Montana style Americana.
- 25 2pm **"Chinese in Montana"** Join Ellen Baumler, award winning author and Interpretive Historian with the Montana Historical Society, as she explores Chinese settlement in Montana recalling the contributions they made and the cultural footprints they left behind. Humanities Montana Program
- July 2 2pm **"Learn the Art of Gold Panning"** There's gold in them thar hills! Fun for all ages, join the Bannack staff and learn the art of gold panning. You will be panning for gold like an experienced prospector!
- 9 2pm **"Montana of Bust: The Northern Overland Trail 1862-1867"** Between 1862-1867 some 1400 immigrants traveled the road from Minnesota to Montana in search of opportunity. Join staff member John Phillips as he discusses this almost forgotten road the impact several of these immigrants had on Montana.
- 16-17 **"Bannack Days!"** Celebrate 154 years of Bannack history. Enjoy traditional music, skill and craft demonstrations, gold panning, gunfights, food and much, much more.
- 23 2pm **"Raptors of the Rockies"** - Meet some incredible Montana raptors. Kate Davis will be on hand with her birds to present an inside look into the fascinating lives of these winged wonders.
- 30 2pm **"Wild About Bats"** - Often feared and misunderstood bats play an important role in our environment. Join us as we welcome Karen Schulz from Lewis & Clark Caverns State Park to learn the real story about these winged creatures of the night that have inspired so many scary stories.
- Aug 6 7pm **"The Best of Bannack"** – Old Fashioned Barn Dance  
 Join us for a fun-filled evening of music and dancing. The group "The Best of Bannack" includes many musicians that have been performing at Bannack Days for 25 years. Sponsored by the Bannack Association
- 13 2pm **"Eric the Magnificent"** of Butte Magic will astound the young and old with magic, fire eating and sword swallowing. Eric started in the world of magic at a young age and he and members of the team at Butte Magic have performed at parties, Evel Knievel Days and all over the U.S.
- 20 7pm **"Singing the Westward Legacy"** Neal Lewing shares America's musical legacy from Lewis & Clark to Custer, with traditional and original folks songs, history, and a few laughs. Humanities Montana Program
- 27 2pm **"Gloria Clark & Friends"** Gloria Clark, musician and teacher from Butte, along with 2 friends from the Butte Symphony and a number of her students will be here to perform a review of nostalgic tunes which might have been heard in Bannack 100 years ago. Join us as we welcome Gloria and her friends for an entertaining afternoon of old time music.
- Sept 3 @ dark **"Star Gazing the Bannack Skies"** – Tom Satterly, Shella Roberts & Craig Zaspell will be here to help guide us to the stars. Telescopes for viewing distant planets and galaxies will be provided. Bring your lawn-chairs and viewing optics. This is a fitting end to our summer programs, the awe of space in a wondrous place like Bannack. \*Special program begins at dusk in the main parking lot and is dependent on the weather.

The Saturday Education and Entertainment Series is made possible by the generous support of The Bank of Commerce, Pioneer Federal, Murdochs, Sundowner Inn, Comfort Inn, Humanities Montana & the Bannack Association.
