Becker's Hospital Review Names Barrett Hospital & HealthCare One of 50 Critical Access Hospitals to Know for 2016

Becker's Hospital Review is pleased to release the 2016 edition of its "50 Critical Access Hospitals to Know" list.

The hospitals included on this list serve a variety of regions across the United States. Due to their predominantly rural locations, these organizations play a crucial role in the health and well-being of their respective communities.

This is the second year Becker's has published a list recognizing 50 outstanding critical access hospitals in the nation.

Becker's selected critical access hospitals for inclusion based on rankings and awards from respected organizations, including iVantage Health Analytics, Healthgrades, the National Rural Health Association, Truven Health Analytics, Women's Choice Award and the Leapfrog Group. Included hospitals earned recognition from one or more of these organizations within the past two years.

Among those chosen was Barrett Hospital & HealthCare in Dillon, Montana. Since its founding in 1922, Barrett Hospital and HealthCare has grown into a modern, rural healthcare organization capable of providing care to 12,000 patients a year. Barrett's latest facility, completed in June 2012, received a Leadership in Energy and Environmental Design Gold certification for its environmentally friendly healing setting. Barrett has consistently ranked among the nation's Top 100 Critical Access Hospitals by iVantage Health Analytics, and it was placed among the Top 20 Critical Access Hospitals by the National Rural Health Association in 2015.

The full "50 Critical Access Hospitals to Know | 2016" online list includes individual profiles of all organizations.

The full list can be read here: *http://bit.ly/28PrqpA*

Dillon Veterans' Transportation System Needs You!

Thomas Straugh
Local Area Coordinator

All veterans who have VA approved medical appointments are eligible to have free rides. If your appointment is at Fort Harrison you will also receive a free lunch. And, if you have a caregiver who you would like to have there during your appointment to help listen to the instructions and help you follow up with your prescription medications and procedures, the caregiver is free to come along. You will both receive a free meal if your appointment is at Fort Harrison. No cost rides, meal at Fort Harrison, significant other can ride along, what is not to like? You earned these rides when you raised your right hand and took the oath to 'Support and defend' this nation, by the way!

So why am I writing? The problem is we have been given a new to us (2013) all-wheel drive van and it needs to be used more. We currently have two trips scheduled for July.

We drive veterans from Twin Bridges, Whitehall, Sheridan and Ennis so we reach out to vets beyond Dillon and Beaverhead County. Medical appointment not at Fort Harrison but VA approved? We have driven vets to Missoula, Anaconda, Butte, Bozeman, and Billings in the last four years in addition to trips to Fort Harrison. You call. We haul!

Please call at 660-1294 to arrange a ride and give the system your support. We need you to take a ride to keep the program going. You may also call 406-447-7760 to start your arrangements.

I am a veteran who is very fortunate in that I can drive myself and my wife can drive me as well. I hope you are, too. In fact, I hope you don't need VA medical appointments at all. But, if you do, please arrange to ride to an appointment once a year so the van will still be in Dillon when you need it!

I have been a driver and coordinator for Dillon's DAV van program since we revived the ride program in June 2012. We operate the van as volunteers. The DAV pays all fuel, oil changes, tires, and repair costs. All we need are riders to make the system work. Call 660-1294 to arrange a ride and show your support for the veteran who needs a ride now and yourself if you need a ride and can no longer drive. By the way, if you can still drive, are healthy, and have time to help, you could support the program by becoming a driver. Call 660-1294 to talk about becoming a volunteer driver. Veterans need your support!

Openings Available for Student Historic Preservation Program

A limited number of opening are available for Montana middle-school and high school students and teachers for the 2016 Montana Preserve America Youth Summit-Next Generation Stewards program July 20-21. The Preserve America Youth Summit is a national program that offers unique immersion in the saving and sharing of our nation's historic places and is centered in Deer Lodge this year. Participants are provided scholarships to cover costs and can also earn community service hours as they gather to directly address current preservation challenges.

Summits are not field trips or service projects or history lessons, but are immersive sensory-based multi-disciplinary experiences. Youth are treated as "consultants" providing ideas and producing recommendations on critical issues, as well as learning about history, culture, and preservation. Participants will help celebrate the National Park Service's upcoming centennial and the 50th anniversary of the National Historic Preservation Act. Activities will be centered at the Grant-Kohrs Ranch National Historic Site near Deer Lodge.

Students 13-18 years old and teachers interested in participating should contact Ann Alexander Pritzlaff at Conservation Legacy at 303-475-9403 or savingplaces@aol.com by 5pm on July 15th. More information is available at www.preservationyouthsummit.org.

The Preservation Summit is sponsored by the Preserve America Youth Summit, National Park Service, Conservation Legacy, Montana Historical Society, National Parks Conservation Association, Grant-Kohrs Ranch National Historic Site, Rialto Community Theatre, and other organizations.

Franklin Graham quote...

Mr. President, you're looking at the wrong place when it comes to the root cause of gun violence. Your executive actions will do nothing to change this horrific problem.

You can take all the guns in America and put them in a pile on the Mall in Washington DC and those guns will stay there and will eventually rust and decay. Not one gun will crawl out of that pile and shoot or harm anyone. It takes a human being and a human heart bent on evil, to pick up a gun, load it, and pall the trigger. The problem we have in this country is sin. We have a government that has taken God out of our society.

Submitted by your favorite Republican, Chuck Dishno

RIGHT TURN ONLY

The City of Dillon will be placing RIGHT TURN ONLY signs at the intersection of Tendoy and Atlantic streets (street located next to the courthouse) on July 15th, 2016. The purpose of the signage is to make entering Atlantic Street safer for the public. If you have any questions please contact Todd Hazelbaker, Director of Operations, at 406 683-4245 or stop and visit his office at 125 North Idaho Street.
