Nancy Peterson Bailey, 85

Nancy Bailey died peacefully on Sunday, July 10, 2016. She was born on November 6, 1930 in Salt Lake City, Utah to Jessie (Stewart) and William C. McConahay. She graduated from East High School in Salt Lake in 1947. In 1951, she earned a bachelor's degree in earth science from the University of Utah, where she met Robert C. "Bob" Peterson. They married in 1952 and went on to have four

children. Bob's work took them to Grass Valley, California and Danbury, Connecticut, where Nancy taught earth science in a local junior high school. In 1964, the family moved to Anaconda. Bob died in 1970, and then Nancy attended Western Montana College, earning a master's degree in education. She taught for a number of years at Washington Elementary School. She married Jerald "Jed" Bailey in 1974 and concluded her teaching career when Jed retired from the Anaconda Company in 1980. Jed and Nancy spent many joyful years traveling around the country, visiting their children and grandchildren, and pursuing their goal to take a photograph of every capitol building in the 50 states. They purchased property in Beaver Dam, Arizona, where they spent their winters golfing and exploring the region's pictographs and casinos. Summers were spent outside of Anaconda in a beautiful setting on Warm Springs Creek they called their "camp," where she loved to entertain family and friends.

Nancy's life was filled with caring for others. She was a devoted wife, mother, stepmother, and grandmother. She and her brother, Bill McConahay, dedicated many years to caring for their aging parents. She also supported Jed during a long battle with cancer. She was full of grace; whenever a family member was in need, she gave freely of herself in any way she could.

Nancy had a thirst for learning, and a great curiosity about the world and the people in it. She loved to read and she hated to cook. She was warm, she was present, she knew how to listen, and she never judged. When Nancy told a story,

she provided foreground, background, and footnotes—all before the tale was told—because she cared so much about doing justice to the characters of the story, who were always people she loved.

Nancy was preceded in death by her parents, her brothers Roy and Larry McConahay, her husbands, and her daughter Jessie (Bob) Jacobson. She is survived by her brother, William McConahay of San Antonio, Texas, her daughters Laura (Neal) Straus of Dillon, and Polly Peterson (Gary Shelton) of Anaconda, and her son William "Bill" Peterson, also of Anaconda. Additional survivors include numerous stepchildren, grandchildren, great-grandchildren, nieces, and nephews.

Nancy spent her final years at Renaissance South Assisted Living, and later at Kindred Parkview Nursing Home, both in Dillon, Montana. The family is deeply grateful for the loving support she received from all of the caregivers in these facilities, including Drs. Karen Weed and Sandra McIntyre.

A private graveside service will be held in early August in Salt Lake City. Services are direction of Brundage Funeral Home. Guest book available at Brundagefuneralhome.com

MONTANA SHAKESPEARE IN THE PARKS PERFORMS "RICHARD III" IN DILLON

Montana Shakespeare in the Parks will perform "Richard III" in Dillon's Jaycee Park on Monday, July 25, 2016 at 6:30 p.m.

The performance is part of the theater troupe's 61 community tour through Montana, northern Wyoming, eastern Idaho, western North Dakota and eastern Washington.

"Richard III" will fit right into what is already an active political year, reminding us how Shakespeare stays relevant even 400 years after his death," Executive Artistic Director Kevin Asselin said.

The company features 10 professional actors selected from national auditions who tour without technical assistance to bring live theatre to mostly rural communities. This summer, 66 percent of the communities reached by the troupe have populations of 5,000 or fewer.

Montana Shakespeare in the Parks is an outreach program of Montana State University's College of Arts and Architecture. Performances this summer are supported by grants and corporate sponsorships as well as hundreds of individual donors.

Audiences are encouraged to bring chairs, blankets and a picnic dinner to the evening performance.

In the chance of inclement weather, the show will take place in the Keltz Arena on the University of Montana Western campus.

HARRISON LAKE BOAT DOCK OUT OF SERVICE AFTER WIND DAMAGE

Montana Fish, Wildlife and Parks is alerting the public that recent windy conditions at Harrison Lake (aka Willow Creek Reservoir) have severely damaged the boat dock at the Harrison Fishing Access Site.

The access site is located four miles east of Harrison. Recent high winds have resulted in damage and structural failure of the boat dock, which has been removed from service. FWP owns and operates the site, and is in the process of evaluating the extent of the damage to the dock in order to initiate the appropriate repairs.

Although FWP does not know when the dock will be back into service, FWP is actively evaluating the docks condition and will expedite repairs. For further information or updates, please contact Ray Heagney, Region 3 Fishing Access Site Manager.

The Medicine Lodge/Cabin Creek Road detour improvement project has begun as of Monday, July 10, 2016.

The Big Sheep Creek bridge replacement work is scheduled to begin on Monday, August 8th, 2016, on Bridge #1, which is 2.4 miles up from the paved Frontage Road. The Big Sheep Creek Road will be closed. All motorized traffic above the #1 bridge will be detoured using the Cabin Creek Road to the Medicine Lodge Road.

Conditions permitting, the Beaverhead County Road Department will be working ten (10) hour days seven (7) days a week on each bridge to speed up completion and to minimize inconvenience to the public.

Emergency Responders and the Fire Department are being notified accordingly. The Beaverhead County Road Department will provide a 4x4 pickup on the upstream side to help in assisting Emergency Responders.

Upon completion of Bridge #1, the Beaverhead County Road Department will move to Bridge #2, which is 9.2 miles up the road below the Muddy Creek Road turnoff.

All private landowners, public land agencies, law enforcement, fire departments and Fish, Wildlife and Parks will be notified by this letter. There will also be notices in the newspaper and on the radio to help notify residents and recreationists.

ALERT: ANGLING RESTRICTIONS LIFTED ON SOME SOUTHWEST MONTANA RIVERS

Montana Fish, Wildlife & Parks is alerting the public that angling restrictions are being lifted on sections of the Big Hole, Ruby and Beaverhead Rivers effective Tuesday, July 12 as a result cooler weather and precipitation. Restrictions remain in place on other southwest Montana rivers for the near future.

The restrictions being lifted Tuesday will open sections of the following rivers to all-day fishing:

- The Big Hole from Saginaw Bridge on Skinner Meadows Road to the confluence of the North Fork Big Hole River
- The Big Hole from the confluence of the North Fork Big Hole River to Dickie Bridge
- The Ruby River from Duncan District Road to the confluence with the Beaverhead River
- The Beaverhead River from Anderson Lane to the confluence with the Big Hole River

Regional Fisheries Manager Travis Horton says the recent weather pattern has eased conditions that are stressful to fish.

"Recent cool and wet weather has eased conditions for fish in sections of some Southwest Montana Rivers. The long-term forecasts suggest a return to warm and dry conditions. FWP asks anglers to stay tuned as other changes to fishing restrictions may occur within the next week."

For up-to-date information on restrictions related to drought, visit <http://fwp.mt.gov/news/restrictions/>.

"Kennel Club"

There is a group of Ladies here in Dillon known as the "Kennel Club". They are multi-talented at the sewing machine. Each Saturday they have a booth at the Farmer's Market where they sell lovely stitched items ... table runners, tote bags, wall hangings, baby bibs and burp clothes, just to name a few of the items you will find there. All of the fabric and their time is donated and the proceeds go to the Beaverhead Animal Shelter.

They have one very special quilt that is being raffled off. It is done by Claudia Karchut of Dillon. The quilt is queen size and the pattern is called Log Cabin; it is done in various shades of blue, bright yellow, and white. You need to see it to appreciate it, and you can do that. It is on display at Wildwood Floral in downtown Dillon. It will also be on display at the Animal Shelter booth at the Saturday Farmer's Market in Dillon. Raffle tickets are \$3 each or two for \$5. The drawing will be held on Saturday, September 3, during the Farmer's Market. You can purchase tickets at: Wildwood Floral, Simply Shabby (across of the Museum), the Shelter Thrift Store, the Shelter Office, and at the Shelter's booth at the Farmer's Market. All proceeds from the sale of raffle tickets will go to the Beaverhead Animal Shelter.

RILEY KING SIGNS WITH MONTANA WESTERN BASKETBALL

Montana Western men's basketball coach Steve Keller recently announced the signing of Riley King to an NAIA letter of intent.

King will join the Bulldog basketball program in the fall of 2016.

King comes to Montana Western from the Kansas City Royals organization where he played three years of professional baseball.

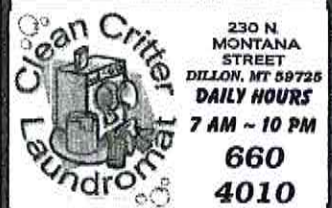

The Missoula native played one year of college basketball at Carroll College in Helena, Mont. before joining the Royals organization. King averaged 6.7 points, 2.9 rebounds, 2.8 assists and had a team-high 30 steals for Carroll during the 2012-13 season.

"I'm excited to join a premier Frontier Conference basketball program," King said. "I've known Coach Keller my entire life and I'm comfortable with his style of coaching and feel I can contribute a great deal to the Bulldogs."

The 6-foot-4, 210-pound sophomore will have three years of eligibility with the Bulldogs.

"Riley King is an all-around great athlete, with the ability to play multiple positions," Keller said. "A player of his size and athleticism is a strong addition to our program."

King will major in business while at Montana Western.
