Cemetery Walk

The sixth annual Cemetery Walk will be this Friday, July 15. We will meet in the cemetery at 6:00 pm and hear the stories of three different people: Rachel Orr, Frank Foote, and Isabel White Brenner. We will start at the yellow balloons. There will be refreshments afterwards. If the weather is bad, it will be moved to the Depot Theater.

Republican or Democrat

By: MJ

November brings another election year. I hear people saying that they are not voting. Maybe those people have been listening to much media spin and letting someone else tell them what to think. People's liberties are being seized by elected official responding to their **own greed**. When did it become the way for the land to work hard and give you're hard earned dollars away for someone else's wealth?

Republican or Democrat: Did you know that the Republican and Democrat parties are private organizations that have taken over the over the government. **QUESTION:** Why do hard working people pledge their loyalty and money to one of these private organizations? All people should have the right to file for a public office without having a label. This right has been taken away by the monopoly of two private organizations.

President Washington warned against a two party system taking the government over for their own advantage in several of his speeches. They have positioned themselves in an elitist position and make getting re-elected their job. They hire the best of the best speech writers and promise the stars via campaign speeches. Once they are elected they will join ranks with all in Congress in controlling the people with fear, intimidation and pitting people against people. It's an art elected officials have mastered.

QUESTION: Is it time we ask ourselves why we the people still support Democrats and Republicans that stand up and make prepared speeches that make promises they have no intentions of keeping. As long as the two parties maintain control at the ballot box they will maintain control of government and the people.

Dinner in the Park July 14

The Southwest Montana Arts Council is excited to present New Relm, a bluegrass band from Maine, for Dinner in the Park on Thursday, July 14, at Jaycee Park at 6 p.m. The Lions will be serving the dinner and there will also be a free art workshop for kids of all ages.

Throughout the performance, expect humorous and animated antics and a few dance moves mixed in.

The Lions' dinner menu includes: pulled pork sandwich, coleslaw, watermelon slices, chips and a cookie.

MEDICATION DISPOSAL IN BEAVERHEAD COUNTY

In the United States, prescription drug abuse is considered the Nation's fastest-growing drug problem. Data from the national Survey on Drug Use found that roughly 1/3 of drug users began abusing prescription drugs. Not only do improperly used medications lead to problems with abuse, but medications that are disposed of improperly can cause environmental harm. Medications that are flushed down the toilet or disposed of incorrectly can enter our streams, lakes, and water supply. Along with this growing problem, there is often a lack of information on resources for how to store and dispose of unused, unwanted, and expired medications properly. Over the last several years, the Beaverhead Sheriff's Office has established a drug disposal program. There is a 24-hour drop-box located at their office, and they have also hosted "take-back" days in partnership with the Montana Department of Justice and U.S. Drug Enforcement Agency.

What our community can do:

Inventory our homes for medications that are expired or unwanted and dispose of them at the Sheriff's Office drop-box or take-back events.

Keep our regularly used medications properly stored and out of reach of children and visitors.

For more information on our local resources or for the date of the next "take-back" event, contact the Sheriff's Office (2 S. Pacific Dr., #16 Dillon, MT 59725; 406-683-3700)

Montana Honda and Acura Owners Urged to Check Air Bag Safety

Attorney General Tim Fox and his Office of Consumer Protection at the Montana Department of Justice want to alert Montanans to an urgent safety issue reported by the National Highway Traffic Safety Administration (NHTSA) and Honda concerning an air bag defect in some vehicles.

According to new test data, some Takata air bag inflators in certain 2001-2003 Hondas and Acuras show as high as a 50 percent chance of ruptures during air bag deployment in a crash. These models join a long list of vehicles that have previously been identified as having dangerously defective Takata air bag inflators. NHTSA cautioned people not to drive these vehicles unless they are going straight to a dealer to have them repaired immediately, free of charge.

The affected vehicles are:

2001-2002 Honda Civic
2001-2002 Honda Accord
2002-2003 Acura TL
2002 Honda CR-V
2002 Honda Odyssey
2003 Acura CL
2003 Honda Pilot

Attorney General Tim Fox said, "The Takata air bag inflator recall has been one of the largest auto safety recalls in American history. Even if Montana motorists have not received a notice of recall, or have not seen their vehicle listed in a media report, I encourage them to visit the Recalls page on NHTSA's SaferCar.gov website and verify that their vehicle has not been identified as having this issue."

The vehicles in question were recalled between 2008 and 2011. Honda has reported that more than 70 percent of this higher-risk population of vehicles has already been repaired, but approximately 313,000 vehicles with this very dangerous defect remain unrepaired. The risk posed by the airbag inflators in these vehicles is grave, and it is critical they be repaired now to avoid more deaths and serious injuries.

NEXT STEPS:

Drivers should visit SaferCar.gov and enter their VIN number to check whether their vehicle is affected, or contact their local dealer. If it is affected, they should have the vehicle repaired immediately for free at an authorized dealer.

Montana consumers who have questions may call NHTSA at 1-(888)-327-4236 or Honda's recall number at 1-(888) 234-2138. They may also call the Office of Consumer Protection at the Montana Department of Justice at 1-(800)-481-6896 toll-free within the state, or send an email to contactocp@mt.gov.

"Hey Jude"

A weekly forum, for your life an everyday questions answered from the Bible.

P.O Box 895, Dillon, MT 59725

Hello, I go to church, I believe in Jesus an Im a Christian. But i feel something is missing. I dont know the Bible real well, but i do read it. Is there a way that I can feel closer to him?

Dear "Hello"

Thank you for your question. At James 4: 7, 8, the Bible says, "to subject yourselves to God...(rely on, be dependent on Him) "resist the devil & he will flee from you. Draw nigh (close) to God, an He will draw nigh (close) to you."

So the question would be, how do we do this?

First, we would need a correct view of what God's word, the Bible has to say to us. Wouldn't you agree?

Secondly try everyday to practice what it tells us. This is pleasing to God, & His son Jesus, when we listen & apply to ourselves, what we learn. Colossians 3: 7-17, tells us some things that we may do now, that are displeasing to our Father in heaven; & when we can discontinue them, we draw closer to Him. We can become his friend. These are things we would want to strive to stop doing. Plz look these up in your Bible. We must put on a new man or new personality to be pleasing to God, renewed in knowledge of Him. I hope this helps answer your question. If you have further questions I can answer them privately.

Southwest Montana Land Purchase Protects History and Enhances Wildlife Habitat

Beaverhead-Deerlodge National Forest Supervisor Melany Glossa announces the acquisition of 320 acres of land in the Selway Creek drainage of Beaverhead County. These lands provide protection of a segment of the Nez Perce (Nee-Me-Poo) National Historic Trail, conserve critical fish and wildlife habitat connectivity, and enhance recreational opportunities for the public.

The U.S. Forest Service partnered with Rocky Mountain Elk Foundation (RMEF), Montana Fish and Wildlife Conservation Trust and the Holland Ranch Company to secure the private inholding which includes the confluence of Selway Creek, Camp Creek, and Bloody Dick Creeks. "We are extremely thankful to Todd Holland and his family for their conservation ethic and for their continued dedication and patience through the purchase process," said Dillon District Ranger Scot Shuler.

This acquisition secures legal public access to lands that previously were not available to the public, offering recreational opportunities, including hunting and fishing. Public acquisition will help conserve open landscapes, cultural and historical features, and traditional land uses including livestock grazing.

The landscape serves as an important corridor for wildlife, including elk, mule deer, moose, and black bears movement

between the Continental Divide and Big Hole and Horse Prairie valleys. Pronghorn antelope travel seasonally between this area and Henrys Lake. The Holland Ranch purchase includes 2.5 miles of steams with wetland and riparian habitat. It complements the 2007 Selway Valley Preserve purchase which was made in cooperation with the Land and Water Conservation Fund (LWCF), Montana Fish and Wildlife Conservation Trust.

The acquisition protects a quarter mile High Potential Route Segment of the Nez Perce (Nee-Me-Poo) National Historic Trail, an important cultural and historical feature. The Trail stretches more than 1170 miles from Wallowa Lake in Oregon to the Bear Paw Battlefield near Chinook, Montana. The preservation and commemoration of the route of the Nez Perce flight ensures the history and heritage marked by this Trail is preserved.

"Following the bloody battle at Big Hole the Niimiipuu (Nez Perce) families hastily buried their dead and, led by Chief Hotóoto or Lean Elk (also known as PokerJoe), hurried south from the Big Hole Valley. The wounded suffered and several died along this section of this sacred trail," said Nez Perce Cultural Director Nakia Williamson. "Protecting this section of the Trail is very important to The People."

Through a partnership with the High Divide Collaborative Landscape Project (CLP), the U.S. Forest Service received LWCF appropriations as well as wide support to help complete this project. The High Divide Collaborative is a partnership of public land management agencies, state wildlife agencies, landowners, local community leaders, scientists, and conservation groups working together to protect landscape integrity, protect wildlife habitat and increase recreational opportunities. The High Divide CLP encompasses the Continental Divide along the Idaho-Montana state line and provides habitat and landscape connectivity between Greater Yellowstone west to the Sawtooth National Recreation Area in Idaho. Through the partnership, successful projects such as the Holland Ranch purchase receive continued support and recognition. "We are pleased that this property, which holds the footsteps of the Niimiipuu people, is now in the public trust for future generations to visit and reflect on the history and culture of all Americans," said Regional Forester Leanne Marten.

Forest Service to Spray Beetles

The Forest Service has scheduled the application of insecticide for July 26 at Crystal Park along the Pioneer Mountains National Scenic Byway. The site will be closed to public use from 6 a.m. on Mon., July 25, till 6 a.m. on Wed., July 27. The need for this is driven by the current mountain pine beetle epidemic, which has heavily affected many areas throughout southwest Montana. Depending on weather, the period of closure may be extended. A Forest Service contract crew will be spraying Carbaryl to protect individual pine trees from mountain pine beetles.

Application of insecticide began in late June with individual tree treatments in campgrounds, day-use areas and trailheads. In order to be effective the green trees must be treated late summer before the beetles fly again next summer. In addition, users may notice packets stapled to trees. These 2"x 2" packets are Verbenone and/or MCH and are used to ward off bark beetles in areas that cannot be sprayed with the Carbaryl pesticide because of being too close to water. Please leave these packets in place to protect the trees.

For more information, contact the Forest Service in Dillon at (406) 683-3900.

Beaver Head Hunters

BeaverHead Hunters Genealogical Society presents the sixth annual Cemetery Walk. If inclement weather, in the Depot Theater - Otherwise at Mountain View Cemetery Dillon, Montana. Friday, July 15th at 6 pm. Hear from Ana Orr Francis E Foote Isabel White Brenner. You may wish to bring a folding chair.

RIGHT TURN ONLY

The City of Dillon will be placing RIGHT TURN ONLY signs at the intersection of Tendoy and Atlantic streets (street located next to the courthouse) on July 15th, 2016. The purpose of the signage is to make entering Atlantic Street safer for the public. If you have any questions please contact Todd Hazelbaker, Director of Operations, at 406 683-4245 or stop and visit his office at 125 North Idaho Street.

Meet Dr. Spencer Hughes and his family!

Dr. Hughes completed his undergraduate studies at Brigham Young University and his dental degree at the University of Louisville School of Dentistry. He enjoys serving the community by helping patients improve their quality of life through exceptional dental care and through staying current with the latest dental techniques. Dr. Hughes cares about developing strong doctor/patient relationships and tries to enhance the patient experience by taking a personal interest in each person. Dr. Hughes and his wife, Erin, have two boys, Mark and Scott. Erin also attended Brigham Young University and has a Bachelor of Fine Arts in Dance Education. Together they enjoy fishing, hiking, biking, gardening and cooking. Both Dr. Hughes and Erin have deep roots in the West and are looking forward to making Dillon their new home. Please join us in welcoming Dr. Hughes and his family to Birch Creek Dental!
