Kim Baker, 60

Kim Erwin Baker, 60, of Dillon, died July 19, surrounded by many people who loved him. He fought a valiant fight against cancer for almost 10 years.

Kim was born in Miles City on August 12, 1955 to Joyce Weiss Baker and Ray Baker. He lived in Missoula, Ingomar, and Colstrip before he moved to Dillon in 1967. He attended the Dillon schools, graduating in 1974

as the class president. He attended Montana Tech, while wrestling and playing football collegiately. After college, Kim began his construction career in 1979. Some of his jobs include Stockman Bank, Beaverhead Brewing Company, Orme Family Dentistry, Precision Eye Care, Chamber of Commerce Building, and Montana High Country Guest Lodge in Polaris, along with many beautiful homes in Dillon.

Kim married Tammy Vinger on July 24, 1982. This Sunday would have been their 34th wedding anniversary. They were blessed with three children: Elizabeth, Kale and Alyse. Kim was a proud member of the Dillon Jaycees where he was instrumental in many improvement projects. He brought George Strait to Dillon for the very first Labor Day Concert. Many who knew Kim knew of his can-do attitude and his will to "get the job done." Even through his years of suffering he met people with a smile and an optimistic outlook, always putting others first. The last selfless act Kim did was to donate his corneas so that someone else could receive the gift of sight. We all were better people from knowing this wonderful man.

Kim will be remembered for his amazing work ethic, courage in the face of adversity, and his attitude which determined his outlook on life. Also his tall tales, which you had to cut in half to reach the reality!

Kim is survived by his wife Tammy, his children Elizabeth (Seth) Thomas, Kale Baker, Alyse Baker, his two grandchildren, Adeline and Rylan Thomas, and his parents Ray Baker of Miles City and Joyce Baker of Dillon, along with his sisters Stacia Baker, Dawn Jensen, Daneen Weaver, and numerous nieces and nephews.

Please join us for a celebration of Kim's life on Saturday, July 23 at 1 pm at the Beaverhead County Fairgrounds in Dillon, MT. Following the ceremony there will be a reception and lunch for all. In lieu of flowers we ask that you make a donation to Barrett Hospital Foundation at 600 Hwy 91 South, Dillon, MT 59725 or Relay for Life of Dillon at 3550 Mullan Rd, Ste. 105, Missoula, MT 59808. Friends & Family -- We'd love to hear your memories of Kim... Please share any favorite stories, jobs he has done for you, pictures, ANYTHING!! We'd love to see and hear all about all of the wonderful things!! If he has done a special job for you, please include the date. Please email them directly to Libby at oreanathomas@gmail.com. Thank you so much!

Caroline R. Dreyer

Caroline was born in Beach, North Dakota on June 28, 1923 to Enok and Karen Espeland along with her twin sister Evelyn. Although she spoke primarily Norwegian until the age of 12, she was inducted into the National Honor Society her junior year of high school. After graduating from high school in Sidney, Montana, Caroline worked in the high school office until her marriage. Because her father, Enok Espeland worked with Lauritz Dreyer as a young man in eastern Montana, Caroline grew up knowing Lauritz's son, Leif Dreyer. When Leif returned from WW II, Caroline and Leif were married in Sidney on October 22, 1944.

Caroline enjoyed traveling, especially the trips she and Leif took to Norway, Hawaii and Paris. She was a charter member of the Lutheran Church of the Good Shepherd in Billings and the Sons of Norway. She and Leif loved to play cards, especially Bridge. She enjoyed knitting but her special talent was hardanger. Her hardanger work has graced more than one Lutheran Church altar.

In addition to raising six children, she worked as the registrar at Billings Senior H.S. for many years to financially help all six of her children finish college. Caroline was a devoted wife, mother, grandmother, and great-grandmother. She was especially excited by the birth of her namesake great-granddaughter, Caroline, last year. She will be forever loved and missed by many.

Heaven gained another angel when Cecilia Hull, 73, beloved wife, mother and grandmother succumbed to liver disease in Spring Creek, Nevada, on Wednesday, July 13, 2016, surrounded by family members. Cecilia was born in Sidney on Feb. 11, 1943, to Jesus and Joaquina Rodriguez. When she was 2, the family moved to Anaconda. She attended the public schools there and graduated from Anaconda High School in 1961. She worked as a lab tech for a year before entering Western Montana College in Dillon. It was here that she met her life's mate, Larry. The couple were married in St. Peter's Church on Aug. 24, 1963. In 1970 they moved to Rosebud, where Larry began his teaching career. Daughters Keri, Keren and Kristina were born in Miles City. In July of 1977, the family moved to Brady. A fourth daughter, KayCee, was born in Conrad. The family would move once more this time to Drummond. Cecilia worked at several restaurants in Drummond and retired from the Wagon Wheel Café in 2009. She was a member of the Triple Creek Quilt Guild and was known as the lead singer at nearly every birthday party at the Wagon Wheel. While visiting family in Spring Creek she became seriously ill and died in her daughter Keri's home.

She was preceded in death by her parents; brothers, Caltono Cabello, Tony, Jess, and Raphael Rodriguez; sisters, Consuela Cabello, Mary Rodriguez and Dolores Smith. She leaves behind, her husband of 52+ years; daughters, Keri Hull, Keren Saxton, Kristina (Andy) Bicandi all in Spring Creek and KayCee Hull in Reno; grandchildren, Jordan Ahlin, Chase, Jace and Justine Saxton, Adree and Livee Bicandi; brother Ruben (Lovell) of Seattle; sisters, Adela Cimbal of Bothell, Washington, Andrea Lundberg of Hamilton, Anita (James) Allison of Baker, Oregon; brother-in-law Frank (Yvonne) Hull of Dillon and sister-in-law Mary Rodriguez of Corvallis, as well as numerous nieces and nephews.

Her greatest joy was her family. She doted over her grandchildren. A celebration of Cecilia's life will be Aug. 12 (TBA) at the Drummond Community Hall.

UMW GEOLOGY STUDENT OBTAINS COMPETITIVE INTERNSHIP AND SCHOLARSHIP

University of Montana Western junior Sharon Williams has been spending her summer interning with the National Ecological Observatory Network (NEON) in Boulder, Colo.

NEON serves to advance the ability of scientists to examine and understand the interactions between life and the environment at the scale of an entire continent.

The organization's competitive internship program is designed to provide qualified undergraduates with real-world summer work experience in their chosen field.

"It's been a remarkable opportunity to work side-by-side with geographic information specialists (GIS) and scientists," Williams said. "The internship has allowed me to gain real-world experience working in the field of GIS and environmental science."

Williams has been creating digital, interactive GIS maps that are being used by NEON scientists and field technicians to share, edit, update and manage sampling information for their field sites. While these maps are currently being used internally within NEON, it is likely that in the future they will be accessible to the public, Williams explained.

"Montana Western's Experience One (X1) program prepared me well for the intensive, hands-on work I'm doing for NEON," Williams said. "The field and travel opportunities with X1 are unmatched. Last semester I spent five days in Moab, Utah learning about sedimentation and stratigraphy with

a geology class, which was great experience going into this internship."

At the end of the internship, Williams will present an 18-page technical report at a conference of fellow interns from NEON and other scientific organizations.

In addition to her internship, Williams was recently awarded the On To the Future (OTF) scholarship to attend the Geological Society of America's (GSA) annual meeting from Sept. 25 to 28, 2016 in Denver, Colo. Williams is the second Montana Western student to receive this competitive award.

The OTF program is an initiative of the GSA that addresses the organization's overall strategic commitment to building a diverse geoscience community by engaging groups traditionally underrepresented in the geosciences.

"I'm very excited to attend the GSA annual meeting in September," Williams said. "The conference is a great opportunity to explore graduate school programs, get a behind-the-scenes look at the industry and meet interesting people working in geology and GIS."

Professor of Geology Rob Thomas wrote the GSA a letter of recommendation on Williams' behalf, highlighting her achievements and work ethic at Montana Western.

"I was pleased to assist Sharon with the GSA scholarship," Thomas said. "She is an excellent student who is fully embracing the potential of X1 and using her summer to advance her education. She will have no problem obtaining employment after she completes her studies based on her hard work."

Williams is currently pursuing an environmental sciences degree with an emphasis in geology. She plans to later obtain a Master of Science in cartography and GIS and begin a career in GIS.

For more information on Montana Western's environmental sciences program visit, umwestern.edu/academics/envs.

NOT BUBBLIN' CRUDE

Chief of Police Paul Craft was making his rounds when he saw water coming up through cracks and seems in the street asphalt. The city crew responded with machinery but as with most water leaks the leak wasn't where the water was coming up and the hunt was on.

The leak was coming from a service line to the Sundowner. While digging a rock moved or fell on the main line. With the extreme pressure the pipe sheared in half.

The city brought in pumps to keep the water away while they worked to fix the main

line. Everyone was on the scene including long time water department head Bob Cottom. Even with Bob's help they couldn't turn off the main. They had to put a sleeve over the break to fix the pressured water line. Now with the sleeve on the main they are on their way to fixing the original problem of the service line.

The Mayor stated that he is working on a digital map that will link to a GPS that will let there know where all the lines and shut off valves are. That system is not in place yet, however.

Mayor Mike Klakken said he wants to thank everyone that brought food and water and helped the crew that worked yesterday in the heat.

The picture above shows how people love to be outside and in the water. Mikayla and son Connor are having a little fun cooling down in the city water leak that is now being fixed at the Franklin and Idaho intersection. This may show that the splash park would be a great asset to the community.

stuff. Lots of other stuff

DO YOU KNOW THE TRUTH ABOUT... men by nature being good or bad?

We believe the following: (1) the Bible was given by the inspiration of God as stated in 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is a reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with Biblical teachings are false; (4) truth does not come from any religious group, but from the Bible only. I have often heard statements indicating a belief that man is basically good by nature. "There's a little bit of good in the worst of us" is an example of this philosophy. This idea is designed to make everyone feel good about himself, even if he is a criminal deserving of life imprisonment for some heinous crime. Viewing ALL of mankind from God's perspective, "What does the Bible say?" Jeremiah 17:9 states, "The heart is deceitful above all things, and desperately wicked: who can know it?" Every human being has selfish, angry, greedy, lustful thoughts of the heart (intellect, passions) on a daily basis. Isaiah 53:6 says if mankind, "All we like sheep have gone astray; we have turned every one to his own way; and the Lord has laid on him (Christ) the iniquity of us all." This reveals man's natural tendency to stray from God, thus moving God to send His righteous Son to atone for that iniquity. Romans 3:22-23, "Even the righteousness of God which is by faith of Jesus Christ unto all and upon all them that believe: for there is no difference: For all have sinned and come short of the glory of God." From this record we see that man is actually an unrighteous sinner who is in need of righteousness from God. From the Bible record, then, we cannot consider ANY man to be naturally good.

Meet Dr. Spencer Hughes and his family!

Dr. Hughes completed his undergraduate studies at Brigham Young University and his dental degree at the University of Louisville School of Dentistry. He enjoys serving the community by helping patients improve their quality of life through exceptional dental care and through staying current with the latest dental techniques. Dr. Hughes cares about developing strong doctor/patient relationships and tries to enhance the patient experience by taking a personal interest in each person. Dr. Hughes and his wife, Erin, have two boys, Mark and Scott. Erin also attended Brigham Young University and has a Bachelor of Fine Arts in Dance Education. Together they enjoy fishing, hiking, biking, gardening and cooking. Both Dr. Hughes and Erin have deep roots in the West and are looking forward to making Dillon their new home. Please join us in welcoming Dr. Hughes and his family to Birch Creek Dental!

Call (406) 683-2550 or stop by our office at 35 Johnson Ave to make an appointment today! Accepting new patients of all ages.
