Montana's Shakespeare in the Parks

The Southwest Montana Arts Council is excited to present Montana's Shakespeare in the Parks on Monday, July 25, at 6 p.m. in Jaycee Park. ***The Soroptimists will serve a dinner of taco salads with desert.***

Montana Shakespeare in the Parks (MSIP) opened its first season in the summer of 1973. The goal was to bring Shakespeare directly to the people of Montana who would not otherwise have the opportunity, with an emphasis on underserved rural communities. Since that time, MSIP has performed over 2,250 times to nearly three quarter of a million people becoming a mainstay of Montana culture.

This year, MSIP will be performing Richard III in Dillon. It depicts the Machiavellian rise to power and subsequent short reign of King Richard III of England.

The Southwest Montana Arts Council has been advocating, celebrating and nurturing the arts in Southwest Montana since 1994.

For more information, contact 683-6208 or SMACarts@gmail.com.

Wanda Terry

On June 24, 2016, a beautiful summer's day, Wanda Terry passed away at her home.

She was born on a cold winter's day in Lamar, Colorado, to Walter Worthan and Margaret Worthan (later Jones). Her family moved to Salida, Colorado, where Wanda attended school and met her husband of 56 years, John. A family of her own was all she ever wanted so together John and Wanda had four children, 11 grandchildren, and 14 great-grandchildren.

After John passed in 2007, Wanda found another joy in life, being a foster grandma for Whitehall Elementary. There she was nurtured by the students and teachers as much if not

DILLON CUBS

The Dillon Cubs were the #1 seed going to the Southern A District Tournament for the 2nd year. They were playing on their new home field but it didn't seem to give them the advantage. For the 2nd year they lost out in 3 games with the last one being a tough loss to Helena 6-5.

The Cubs had trouble Friday night against Gallatin Valley when they struggled committing seven errors and loosing 15-10. The Cubs had beat Gallatin Valley twice in the regular season but could not come up with the win this weekend.

The defense improved against Helena but the offense couldn't get the runs across the plate. The Cubs came with in one to tie and had Colby Minert on third base with two outs in the bottom of the ninth inning. Minert's double had sent home Gabe Hupp to close the gap in the score. The Cubs got on base in all innings but could not come up with the plays to advance. They fell victim to a couple double plays one in the fourth and the final in the ninth.

This was the last Cubs game for a couple of familiar names, seniors Nate Simkins and Logan Wilson who can not return next season.

Livingston gets a spot at the State Tournament in Great Falls and the winner of Belgrade - Gallatin Valley game will also advance.

Intensive Rotational Grazing Pasture Walk

The Beaverhead Conservation District and La Cense Montana Ranch will be hosting a pasture walk centered on intensive rotational grazing Tuesday, July 26, 2016 at 7:00 pm. This event is an informal pasture walk discussing intensive rotational grazing on pivots with Race King, La Cense Montana Ranch manager. Participants will take an up close look at rotational grazing and discuss the process and inputs required for this type of feed management. A pasture walk provides an in-field, on the ground experience to discuss various land management techniques. This experience allows producers and others with interest to discuss true inputs and results, challenges, and successes with the producer engaging in the practice. Intensive rotational grazing offers an alternative to traditional irrigation pivot crop production harvest. Join us to learn more! For more information contact Jamie Cottom at the Beaverhead Conservation District 683-3802 or beaverheaded@gmail.com.

FISHING RESTRICTIONS ON UPPER & LOWER BIGHOLE EFFECTIVE SATURDAY

IRRIGATORS, OUTFITTERS, ANGLERS ASKED
TO REDUCE IMPACT ON RESOURCE

Montana Fish, Wildlife & Parks is alerting the public to fishing restrictions on the Big Hole River effective Saturday, July 23 as a result of high water temperatures. Restrictions on other southwest Montana rivers are likely in the near future.

The restrictions beginning Saturday will close the sections of river to fishing daily from 2 p.m. to midnight until conditions improve.

• The Big Hole from Saginaw Bridge on Skinner Meadows Road to the confluence with the North Fork Big Hole River

• The Big Hole River from Notch Bottom Fishing Access Site to the confluence with the Beaverhead River

Regional Fisheries Manager Travis Horton says biologists are continuing to see flows decline as summer progresses and the return of hot weather has resulted in the need for further restrictions.

"Water temperatures have once again begun to reach critical levels while flows have continued to decline. Big Hole River flows have reached thresholds where the drought plan is beginning to be implemented."

The Big Hole Watershed committee has started to inform irrigators that flow levels are declining, and will likely soon ask irrigators to reduce their water use. Area fishing outfitters are also being asked from their leadership to reduce activities on the river. And in the spirit of shared sacrifice, FWP is asking general anglers to likewise reduce fishing pressure on this river during these critical times. Instead, FWP recommends anglers seek out opportunities for fishing waters less susceptible to fish kills (i.e. high mountain lakes and reservoirs).

For up-to-date information on restrictions related to drought, visit <http://fwp.mt.gov/news/restrictions/>.

NOTICE OF HEARING TO ABANDON CONTIGUOUS GOVERNMENT LAND

The City Council of the City of Dillon would like public input regarding the possible decision to abandon two properties.

The two properties for this consideration are as follows:
The property on Normal Street between Pacific and the Dillon Canal Easement.

The property on Granite Street between Bozeman and Bannack Street.

A public hearing will be held before the City Council at the City Council Chambers at City Hall, 125 North Idaho Street, Dillon, Montana 59725, on August 3, 2016 at 6:30 p.m. Any person may appear at the meeting and be heard for or against any part of the proposed abandonment. The action proposed to be taken is to start the process to abandon these properties of the government land for sale to adjacent land owners.

Jani Olsen, City Clerk, may be contacted at City Hall, 125 North Idaho Street, Dillon, Montana 59725, or by telephone at (406) 683-4245 for further information on the action to be taken.

TUESDAY 7/26

"Purple In & Out Day"...eat, drink, wear purple day. Purple is the color of the Survivor t-shirts every year at Relay. Relay supports ALL Survivors of ALL cancers and a person becomes a Survivor the minute they hear the words "you have cancer". 47¢ of every dollar raised goes to programs that help support Survivors in Montana.

WEDNESDAY 7/27

"Tie a Purple Ribbon Day"...tie a ribbon around your antenna, mailbox, a pole downtown etc. Show your support to everyone whose lives have been affected by cancer one way or another.

THURSDAY 7/28

"All Out Purple Day"...wear purple clothes, hair, fingernails, hats etc. Show your support in wearing purple today for the families and friends left behind because cancer stole a loved one from them all too soon. Wear something silly to show cancer it can't steal the fun everyday.

FRIDAY 7/29
