Marjorie Anne Bennett (Elias)

On July 21, 2016 Marge went to be with the Lord and her very loving family members. She was born February 13, 1932 in Bannack, MT to Al & Margaret Ward.

She attended schools in Dillon where she met the love of her life, Gene Bennett. They had five children; Bob, Janice, JoAnne, John & Paul.

Marge was proceeded in death by her father Al, mother Margaret, brother John, sister Pat, husband Gene, daughters Janice & JoAnne.

She is survived by her sons Bob, John & Paul; 14 grandchildren and 16 great grandchildren.

In lieu of flowers the family would prefer donations be sent to Collister United Methodist Church, 4400 Taft St., Boise, ID 83703 or the charity of your choice.

A graveside service will be held at the Dillon Cemetery at 11:30 on Saturday, July 30th. There will be a reception following the service.

TRIBUTE TO A PATRIOT AND FRIEND

On Friday, July 22, at the Dillon Cemetery, we laid to rest Leonard Lashlee, a loyal patriotic American.

Leonard was a quiet, unassuming man who didn't have much to say at our American Legion Post No. 20 meetings. However, Leonard was always there for any project the Legion undertook. That was the way Leonard lived his life. He was there when our country needed him for military service and served as a personal body guard for General Westmoreland in Vietnam. He participated in every veterans' funeral.

Leonard was a creative, generous, and empathetic man. When Post No. 20 needed a trailer for veterans to sit on for the Labor Day Parade, Leonard built it. Also, he encased spent cartridge shells in beautiful boxes that were given to grieving families at funerals in recognition of their loved one's service to this country. Moreover, this patriot made plaques recognizing the branches of the U.S. Military. These plaques were auctioned off as fund raisers for Post No. 20. Leonard was always the first Legionnaire to bid on items being raffled off as fund raisers for the Post. After buying an item, he would donate it back to be raffled off again.

As the final volleys were fired and "Taps" was played, I remembered and appreciated the many sacrifices and contributions this patriotic giant of a man made for all Americans.

Thank you Leonard for your service to this great country. Post No. 20 will never forget you. "Rest in Peace".

James L. Keef, Commander
American Legion, Post No. 20

GOOD WILL GAMES

John, Clay & Montana Education Innovators,
As you may know, some (but not all) of Russia's athletes have been banned because of doping from the Rio Olympics that begin in 2 weeks.

In response... there is a proposal for a new Goodwill Sports Games advanced by lawmakers in St. Petersburg. You can find it (<https://www.rt.com/politics/352651-lawmaker-proposes-russia-launches-goodwill/>).

Better yet are the Montana Russia Goodwill Education Games (the portfolio) of which the Montana-Russia High School Book Clubs (Dillon Chapter) are one education program that will be discussed in detail at my Wed. July 27 Rotary presentation on Reimagining the Russian Reset as Education Cultural Diplomacy.

Let the Goodwill (Education) Games Begin!!

BLUE LAKE FIRE

The fire remains at 30% contained as of yesterday evening. The spot fire to the south as well as the southeast flank of the fire have been the focus for containment and mop up because of their proximity to Haypress and Shining Mountains. The remaining fuel pockets that were safely accessible by foot were hand ignited yesterday. A reconnaissance flight was conducted today to assess the condition of the timber stringers and the potential hazardous fuels remaining.

Reading Matters Big Time! With Marie Habener's leadership, Dillon is blessed with a truly value-added Summer Reading Program. Few communities of Dillon's size have this high quality learning opportunity.

I make this assessment as a university professor who is teaching Business and Information Technology Ph.D. students. Reading is the key core competency that makes the acquisition of all other knowledge and skills possible.

According to the School Library Journal (November 2010), "Based on the findings of a recent three-year study by Dominican University's Graduate School of Library and Information Studies, we can confirm what many librarians have long suspected: students who take part in their local library's summer reading program significantly improve their reading skills. In fact, we found that kids who participate in these programs are 52 Lexile points ahead of their peers who do not. Summer reading programs are also an antidote for learning loss. So instead of losing knowledge and skills during the summer months, kids who attend reading programs actually show gains."

Marie and her reading team have created an innovative learning program. First, students engage interactively in diverse book sources to improve their reading skills. Second, students learn about incentives and rewards. They earn Dash Dollars that are spent at the end of the program. Third, students learn about the importance of recognizing success. Just as Dillon's winning sports, dance, drama, and speech teams deserve a parade, so too do the readers deserve a parade.

Last Thursday, I attended the parade and clapped and cheered Congratulations!!! to the kids from the street corner at the Library. One woman who stopped next to me asked what was going on (given the police escort) and I told her that these kids won the million dollar lottery because they had participated in the Summer Reading Program.

Reading, Rewards, and Recognition! These are the 3 Rs of Marie Habener's Summer Reading Program. Recently, Marie stated that "reading is to the mind what exercise is to the body."

I congratulate Marie and her team for creating this value-added (actually value-multiplied) Summer Reading Program!

Community Blood Drive

A Dillon community blood drive will be held on Tuesday, August 2, 2016 from 1:00 PM to 6:00 PM at the Elks Lodge (27 East Center Street). The drive is coordinated by United Blood Services and sponsored by the Presbyterian Church. Appointments can be made by calling 683-3696, or log on to www.bloodhero.com and use the sponsor code "Dillon". Walk-ins are welcome.

A critical number of voluntary donations are required every day to meet the need for blood. Blood can only be stored for 42 days, so it is essential that collection is ongoing. Donors are especially needed during the summer months when many regular donors are on vacation. Giving blood takes less than one hour, is virtually painless and safe. Most of all, it saves lives!

During the month of August, as an extra incentive when you donate blood, your name will be entered to win one of 4 \$100 gift cards from United Blood Services.

To donate blood, volunteers must be at least 17 years old (16 with signed parental approval), weigh at least 110 pounds and be in good health. A donor must not have donated within the last eight weeks. Please bring your United Blood Services Donor card or a photo ID.

Letter to the Editor

In response to the letter from LaVon D. Brillhart; You say that for the past 8 years the Republicans in Congress have done little to help us. I hope you will understand that; since 1950 the control of Congress by the Republicans has been held to a total of four years! only four...and two of those four the majority in the Senate was 51-49, a razor thin and actually Democrat controlled since at least four Republican senators were liberal in voting.

Democrats continue to blame the Republicans for all their woes but you need to look at history a bit closer. Also, the last 8 years have been a disaster for American both at home and abroad, thank you Mr. Obama.

There is a new move, just released, titled "Hillary". I would strongly suggest you find out where it is showing near you and go see it. It is very educational and eye opening. Thank you.

Cheri Pulley

It's official...

Debbie Wasserman Shultz has been fired by the Democratic National Convention.

I wonder what took them so long. Anyone with the middle name of Wasserman has to raise some eyebrows.
