Death Notice

Judith Leona Millhon age 66 passed away on Tuesday July 26, 2016 at the Tobacco Root Mountain Care Center in Sheridan, Montana. Guest book is available online at brundagefuneralhome.com.

Civil War Soldier

The local Patriot Guard as been asked to participate in a mission with multiple states that will allow a Civil War Veteran to receive a long overdue internment at his final resting place in Togus, Maine. This mission will be on Tuesday, August 2, 2016.

The mission will transport Mr. Jewett Williams from the state of Oregon (where he died on July 17th of 1922) back to the state of Maine where he was born and recruited into the Maine 20th Volunteer Regiment. He fought in numerous battles during the Civil War.

More info and a complete Bio can be seen on Facebook at "Bringing Jewett Williams to Maine" at this link: <https://www.facebook.com/JWilliams20thMaine/posts/1093307274090378>. This site will also track his movement as he crosses the United States.

Our local Patriot Guard will receive him from the Patriot Guard of Idaho & carry him across Montana to deliver him to the Patriot Guard of Wyoming. Our schedule will be rather tight as other states are depending on a specified time frame. Our local Ride Captain and Point of Contact is Lewis Wendt, he can be reached at 684-5599.

We would like to invite the community to join us at the Veterans Memorial on Tuesday, August 2, 2106 for a flag line honoring this Civil War Soldier. Please meet up at the Veterans Memorial no later than 4:15 pm, estimated arrival of the Patriot Guard is 4:30 pm. They will be stopping for approximately 10 minutes. The local television stations have been invited to participate and the local newspapers have been notified.

For more information contact either Lewis Wendt at 684-5599 or Joan Grogan 925-1871

The Patriot Guard Riders will transport the remains of Jewett Williams from Oregon to Maine starting August 1, 2016. Mr. Williams will arrive in Maine on August 22, 2016, and will be Buried at Togus National Cemetery on September 17, 2016, with full Military Honors.

With thanks to the Oregon Health Authority, the Maine National Guard and Phyllis Zegers for providing and helping compile the following information:

Jewett/Jewett B. Williams was born in Maine in May 1844 to Jared Williams and Rosaline Jackins, who were natives of New Brunswick, Canada. He was the oldest of at least nine children. His siblings included Malvena, Melvin Roger, Susan Eurana, Eastman S., Mary, William Clarence, Frank H. and Ada. As a child, he lived in Hodgdon in Aroostook County,

Maine, where his parents were farmers.

On Oct. 12, 1864, Jewett enlisted in Company H of the 20th Maine Volunteer Infantry Regiment, led by Col. Joshua Chamberlain and Maj. Ellis Spear. One of his tentmates was his friend and cousin, Albert Hartford Williams, who became ill and died just a few months before the war ended. He was 21.

Jewett's regiment participated in several decisive actions that helped secure the Union victory during the later stages of the war, including the Battle of Boynton Plank Road, Battle of Hatcher's Run, Battle of White Oak Road and Battle of Five Forks. The 20th Maine was part of the Union force that accepted Gen. Robert E. Lee's surrender at Appomattox Court House on April 9, 1865. Following Lee's surrender, Jewett and his company marched to Washington, D.C., where they underwent a "grand review" and were mustered out on July 16.

On May 14, 1871, Jewett married Nora Carey in Minneapolis, Minn. Nora was born in Minnesota in January 1854 to Irish immigrants. Around April 1872, while living in Maine, the couple had their first child, Franklin, but he died of scarlet fever just 19 months later. They had at least five other children over the next 20 years: William, Clara, Ella Roseline and Warren Lyman, all born in Minnesota, and Walter Ira, who was born in Washington.

The Williams family made a home in Brainerd, Minn., where Jewett worked as a carpenter. By 1892, they had moved to Pierce County, Washington.

There is no record of divorce, but Jewett and Nora appear to have drifted apart over the years, with Nora remaining in central Washington with the children, and Jewett eventually making his way to Portland, OR where he was listed as a post office patron in a 1903 edition of The Oregonian.

In 1914, 1915 and 1919, Jewett was among the Civil

War veterans to speak at Portland-area public schools for Memorial Day events. At the time of the 1920 census, he was listed as a widower in Portland, OR living at 53 Seventh St. near Davis. He worked as a "common laborer" at the age of 75.

On April 14, 1922, he was admitted to the Oregon State Hospital. He was in poor health and suffering from "progressive senile dementia," according to his intake records. He died three months later, on July 17, of arterial sclerosis. He was 78 years old.

It is not known what became of Jewett's wife and family, but his remains were never claimed and he has no known relatives still living.

Now, after nearly a hundred years in the custody of the Oregon State Hospital, Jewett Williams is going home!

Hey Jude

Why do people get married, and promise to stay together, except "death unto them part," & leave? What's God think about them splitting? What about the kids?

Marriage: 1. God "does not like a divorce, (Malachi 2:16), especially one on false pretenses, an yes it is meant to be for life, until the death of one mate. Only for sexual immorality does he give provisions for a divorce. (Matthew 19:9) 2. Children are precious in Gods eyes, an He gives parents the "duty of loving an caring for them in a married family setting." Children should NEVER feel that they are the blame in a divorce. They, an other family members are the ones who suffer. Sadly, today, marriage means little to the majority of people. They don't view it as a "life long commitment". If something doesn't go their way, or they fall out of love, they selfishly divorce, rather then "work" on themselves an make a happy family for the children! And sadly laws don't enforce marriage as a contract to be penalized by offending parties. Because of imperfection, people tend to use every excuse for a divorce, but that still is inexcusable in God's eyes. If in the event of abuse, God recognizes leaving to protect a mate & their children from harm of violence (Ephesians 4:31)I'm sorry if u have been hurt by divorce, do not be bitter. Learn from your parents mistakes an make better choices for your future.

AirGrids

AirGrids (AirGrids.com) is a rapidly growing rural internet provider, computer/communications networking consulting, and communications solutions provider for business and the home in and around Beaverhead and Madison Counties.

Our people drive our success and provide exceptional customer experiences and services needed and wanted without all the extra upsells like the competition. Currently, we are going to the next level of services and are adding new resources and personnel to keep our high level of customer satisfaction.

Our founder, Scott Wade, started this company over six years ago to solve his own (and a few neighbors) rural internet needs. After completing an entire technology overhaul at the University of Montana Western as Director of Information Technology, he transitioned to building up AirGrids full time in 2015. Last November, AirGrids acquired all internet operations in Beaverhead County from MTWEB (aka Beaverhead Networks). AirGrids has been upgrading and expanding services to all existing and new customers, and partnering with other local businesses to provide simple solutions to complex rural challenges. Scott has over 20 years of Industry experience working for many regional Fortune 100 companies before settling in Dillon. He has a Master of Science in Engineering from San Jose State University California. He is excited to bring his vast knowledge and skills to give our community a better way to use technology and keep the rural lifestyle.

Follow us on FaceBook and or our website, and keep an eye out for some innovations leveraging the Internet in the not too distant future.

AirGrids' office location is at 610 N Montana Street, Suite 20, Dillon MT 59725. Office (406) 660-3101 | Text (406) 924-9247 | info@AirGrids.com | https://www.facebook.com/AirGrids

Feel free to contact us with any internet; networking; or business process re-engineering needs you may have.

Sweet Wednesday

The Southwest Montana Arts Council is excited to present Sweet Wednesday on Thursday, July 28, at 6 p.m. at Jaycee Park, for it's final Dinner in the Park event. The Chamber of Commerce will serve dinner and there will be an art project for all ages.

Award-winning folk/roots rock band Sweet Wednesday performs original songs about topics as diverse as a disaster ridden day in New York City, long distance friendships, and ghosts along the historic old Route 66. With beauty, humor, and passion, this folk/americana outfit gets audiences laughing, dancing, and singing along to their unique story-songs.

Singer/songwriters Lisa Housman and Dave Falk share lead vocal duties and harmonies, with Lisa on guitar and multi-instrumentalist Dave lending his own brilliant style to guitar, mandolin, harmonica, and banjo.

Amazing drummer Pepe Hidalgo Ramos and excellent bass player Jose Downes, both of whom have performed in major festivals and stadium concerts, make up the perfect rhythm section to deliver audiences an unforgettable experience.

The Southwest Montana Arts Council has been advocating, celebrating and nurturing the arts in Southwest Montana since 1994.

BLUE LAKE Fire Update

What: Wildland Fire
Detected: July 21, 2016, 2:45 p.m.
Cause: Lightning
Current Size: 629 acres
Containment: 45%

Resources on Fire: 8 Engines, 1 medium and 1 light helicopters, 3 Type II Hand Crews and 4 Type I Hot Shot Crews. 3 of the engines will be conducting night operations.

Location: Approximately 10 miles SW of Ennis, MT; 1 1/2 miles south of the Axolotl Lake.

Narrative: The fire has been upgraded to 45% containment as of yesterday evening. There have been no smokes in the 30 acre spot fire on the south end. Crews gridding the urban interface to the south of the fire have found no activity in the last two operational periods. Trace rainfall in the fire area will reduce fire behavior during morning hours, but solar input will quickly return fire behavior to moderate. Air resources remain available to assist with water drops as needed.

Safety Concerns: Safety of the public and firefighters is always

the primary concern. There are numerous structures in close proximity to the fire. We are in grizzly bear country and firefighters also have to be concerned with high snag concentrations in timbered areas. The fire will continue to generate smoke until a season ending weather event. Please plan outdoor activities with that in mind. People with respiratory conditions could be affected. Traffic speed on the Varney Road is an additional safety concern for both the public and fire fighters. Please obey the speed limit.

Closures: The road and area closures in place for the Blue Lake Fire have been lifted as of 7/27/2016. Please keep in mind that crews are still conducting operations in and around the Blue Lake Fire. Also, areas that experience wildfire carry inherent risks to those who recreate. Please keep in mind the innumerable hazard trees, unstable soils, and smoke.

For more information about this fire and other fires across the country, go online to <http://inciweb.nwcg.gov/>.

Fire officials are asking everyone to be careful with fire. Make sure your campfires are completely out.

Community Blood Drive

A Dillon community blood drive will be held on Tuesday, August 2, 2016 from 1:00 PM to 6:00 PM at the Elks Lodge (27 East Center Street). The drive is coordinated by United Blood Services and sponsored by the Presbyterian Church. Appointments can be made by calling 683-3696, or log on to www.bloodhero.com and use the sponsor code "Dillon". Walk-ins are welcome.

A critical number of voluntary donations are required every day to meet the need for blood. Blood can only be stored for 42 days, so it is essential that collection is ongoing. Donors are especially needed during the summer months when many regular donors are on vacation. Giving blood takes less than one hour, is virtually painless and safe. Most of all, it saves lives!

During the month of August, as an extra incentive when you donate blood, your name will be entered to win one of 4 \$100 gift cards from United Blood Services.

To donate blood, volunteers must be at least 17 years old (16 with signed parental approval), weigh at least 110 pounds and be in good health. A donor must not have donated within the last eight weeks. Please bring your United Blood Services Donor card or a photo ID.

SENIOR COMMODITY FOOD BOXES

The Senior Commodity Supplemental Food Box's will be delivered on Saturday July 30th. Anyone picking theirs up can do so at 9 AM at 759 Kentucky Ave., at the rear of the house. Any questions please call 865-0747.

RELAY FOR LIFE

THURSDAY 7/28

"All Out Purple Day"...wear purple clothes, hair, fingernails, hats etc. Show your support in wearing purple today for the families and friends left behind because cancer stole a loved one from them all too soon. Wear something silly to show cancer it can't steal the fun everyday.

FRIDAY 7/29

RELAY DAY - "Wear a Relay T-shirt Day"...wear a t-shirt from past years, if you don't have one just wear some more purple or pin a purple ribbon on. Today is the day where all of the fundraising and planning pay off. Today is the day we FIGHT BACK. If interested in having a great time come to Relay for Life tonight at Barrett Hospital Kennedy Trail. The fun starts @ 6:00 pm.

Did you ever wonder why relay is an overnight event? There is a strong symbolism in this. Cancer does not sleep, so neither do we. Relay for Life starts at dusk and ends at the next day's morning. The light and darkness of the day and night parallel the physical effects, emotions, and mental state of a cancer patient while undergoing treatment. At the darkest part of night, cancer patients can become exhausted, sometimes sick, possibly wanting to give up. Just as the cancer patient cannot give up on his or her treatment, Relay participants push through this phase, showing unity with cancer patients around the world. The sun rising represents the end of treatment for the cancer patient. They see the light at the end of the tunnel and know that life will go on. As a participant, you will feel the brightness of the morning and know that the end of the RELAY is close at hand. You will feel triumphant in the knowledge that you have made an impact in the fight against cancer.

Please remember no dogs, alcohol, or tobacco are allowed at Relay for Life

Please leave the first row of parking across from the hospital main entrance and the emergency room door open
