William Pomeroy Riley, Jr.,

William Pomeroy Riley, Jr., (CDR, USN Ret.) died at home on July 29, 2016. Born in Rochester, NY on November 20, 1920, he was the youngest child of William Pomeroy Riley, Sr. and Stella Francis Davis Riley with three sisters, Virginia (Edelman), Joanne (Kaiser), and Marie (Olson). The 46 year marriage of Bill and Les (Lesso) Corlett celebrated on January 20, 1945 in Grand Prairie, Texas ended with Les' death in Dillon, MT on June 22, 2001.

Bill is survived by their four children; Barbara Riley of Santa Fe, NM, William Pomeroy Riley, Jr., of Dillon, MT, Mark Christopher Riley and his wife Susan Chaney Riley of Nokesville, VA, Robert Richard Riley and his wife Constance Miller Riley of Dillon, MT. He was the loving grandfather of five children and great-grandfather of four children.

Bill and his father loved airplanes and flying. They took flight instruction together in the 1930's with Bill soloing and qualifying for his Pilot's License at 16. He attended Virginia Polytechnic Institute in Blacksburg, VA for their inclusion of flight instruction in their curriculum. He was commissioned into the US Navy in 1946 initially training pilots and then assigned to squadrons flying from aircraft carriers USS Roosevelt, USS Midway, USS Philippine Sea and the USS Randolph over his 25-year service as a Naval officer.

Retirement from the Navy was beginning of many explorations with Les that included 7 years in St. Croix USVI, opening a quilting shop, Liberty Station, in Culpepper VA, restoring a historic Greek Revival Inn, Hamilton House, in Hamilton, NC. Moving to Montana 20 years ago, they made their home in Dillon.

FIRE RESTRICTIONS IN EFFECT AT FWP PROPERTIES IN MADISON COUNTY

Due to the high level of fire danger, Montana Fish, Wildlife and Parks' properties in Madison County are under Stage 1 fire restrictions effective Monday, Aug. 1. The restrictions apply specifically to FWP Fishing Access Sites, Wildlife Management Areas, and State Parks.

In those areas mentioned above, the following acts are prohibited until further notice:

1. Building maintaining, attending, or using a fire or campfire. (Note exemptions below)
2. Smoking, except within an enclosed vehicle or building, a developed recreation site or while stopped in an area at least three feet in diameter that is barren or cleared of all flammable materials.

Exemptions:

1. Persons with a written permit that specifically authorizes the otherwise prohibited act.
2. Persons using a device fueled solely by liquid petroleum or LPG fuels that can be turned on and off.
3. Persons conducting activities in those designated areas where the activity is specifically authorized by written posted notice.
4. Any Federal, State, or local officer, or member of an organized rescue or firefighting force in the performance of an official duty.
5. All land within a city boundary is exempted.

Individuals may be fined up to \$5,000 or imprisoned up to 6 months for violating the noted fire restrictions.

For updates on restrictions and closures around the state, go to fwp.mt.gov and click on "Fire and Drought."

**DILLON MIDDLE SCHOOL 2016-2017
 BACK TO SCHOOL NEWS**

Dillon Middle School looks forward to another great school year in 2016-2017! This year school will start on Tuesday, September 6th. DMS welcomes back all returning 7th and 8th graders and welcomes the incoming 6th graders, as well as any new students to the Dillon community.

DMS will hold its annual student/parent orientation and "Taking Care of DMS Business" Night for incoming 6th graders and all new students on Monday, August 22nd at 7:00 p.m. in the DMS gym. For all returning 7th and 8th grade students, orientation night is scheduled for Tuesday, August 23rd also at 7:00 p.m. in the DMS gym. All parents/guardians are expected to attend with their sons/daughters and at this time you may pre-pay for lunches, yearbooks, planners and lock deposits as well as get many of your questions answered. Additionally, class schedules will be handed out.

DILLON MIDDLE SCHOOL FALL SPORTS BEGIN. 7th/8th Football will begin practice on Thursday, August 25th at 9:00 a.m. 7th/8th Volleyball will begin practice on Thursday, August 25th at 3:45 p.m. Cross Country will begin practice on Monday, August 29th at 4:00 p.m. Volleyball and Cross Country are open to any middle school student while football is open only to 7th and 8th graders. All students involved in activities at DMS must be in good academic and behavioral standing to be able to participate. Additionally, all participants must have a completed sport physical, a signed parent permission form, a concussion statement acknowledge form, and an acknowledgement of risk form on file in the office before they may participate in practices. The entire packet is available in the DMS office or you can download it from our website by going to www.dillonschools.org.

Please feel free to stop by and visit with our new and returning staff members. We welcome you to DMS anytime and only ask that you check in at the office and get a visitors pass. A big thank you is extended in advance to all staff members, parents and community members for working as partners in making Dillon Middle School a great place to be and to learn. We look forward to your continued support and a great school year. If you have any questions, please contact the DMS office at 683-2368.

Sincerely, Randy Shipman
 Principal, Dillon Middle School

Dillon Area Fall 2016 Hunter Education Course

The fall Hunter Education course will be held at the Dillon Middle School on August 22, 23, 24, 25 and 26 from 9am-12pm. The Field Day will be held on Saturday, August 27 from 9am-12pm at the Dillon Rifle and Pistol Club Range. In order to successfully complete the Hunter Education course students must attend ALL 5 classroom sessions, pass a written test and attend the field day.

To register for the Hunter Education course students must be registered on the Montana Fish, Wildlife and Parks website (fwp.mt.gov) for the Dillon class. Hunter Education courses are found under the "Education" tab. A parental Acknowledgment of Risk form and a "Student Code of Conduct" form must be downloaded, completed and handed in on August 22. Students will not be admitted to class if these forms are not completed and handed in at the first class.

Students are required to read the first three chapters and answer the quiz questions of the Montana Hunter Education Manual prior to class August 22. The manual can be obtained from the Dillon Public Library or Montana Fish, Wildlife and Parks office, 730 North Montana St. Students will not be admitted to the class if the assignment is not completed.

Parents are welcome to attend the classes and Field Day. For parents attending the Field Day, they are reminded that they must furnish their own eye and ear protection. This is a normal safety precaution for the shooting range and must be complied with.

We hope this course will be successful for all students and they enjoy a safe and rich hunting experience this fall.

For further information on Hunter Education please call Kerry Wahl at 490-0956; Craig Fager at 683-9305 or Dr. Don Darling at 683-5088.

Beaverhead Search and Rescue News

Submitted by Mel Rice-Public Relations Officer

This past weekend the Beaverhead Search and Rescue had its annual summer camp out training exercises. Training officer Dr. Mike Clarke put together a full weekend of activities. Friday evening, July 29, started the weekend exercises with a camp fire discussion on what members view as things the unit needs, from training to equipment. The Incident Command System, which is used on all Search and Rescue operations, was also discussed. On Saturday, July 30, training started with three stations that member groups rotated through.

- The first station was packaging an injured person. Dr. Greg Moore and Larry Skiles set up a scenario where an individual had multiple injuries from an accident while recreating on the forest. Each group had to evaluate the patient's injuries, determine what needed to be done to stabilize, and then package for transport.

- The second station had to do with a low angle rope rescue. Instructors were Dr. Mike Clarke and Brad Wagner. This scenario had to do with an individual that had fallen down a very steep embankment and incurred injuries. The main emphasis of this activity was learning the correct procedures with ropes and knots to insure the safety of the rescuers as well as the safety of the injured individual. It also taught proper procedures for bringing the injured person back up the mountain or lowering the individual down the mountain.

- The third station had to do with compasses and GPSs. Russ Sigman was the instructor. Team members had to find a specific point on a map, program their own GPS with coordinates of that point and then do a "Go To" and actually locate the point traveling with vehicles and walking. It also had to do with identifying specific features on a topo map using map orientation.

After lunch, Physician Assistant, Jana Barnes, discussed different types of fractures and wounds that might be encountered in the field. She then had members do practical exercises on methods of splinting fractures and managing various types of wounds.

Every time Search and Rescue participates in a search/rescue there is the outside chance that there has been criminal activity related to the incident. The next presentation by Sheriff Frank Kluesner and Undersheriff David Chase, discussed these possibilities and what to do if such activities are suspected. They

1030 Selway Dr. • 683-6100

talked about methods of collecting evidence and scene preservation. Most times there is nothing foul about what happened to the lost or injured individual but the outside chance is always present.

Next, Dr. Clarke had a competition set up for four different teams. It was a race to complete a series of tasks which had been taught throughout the day's activities. Each team used compasses/GPSs to locate various points in the field, perform various tasks at each location and make it to the finish line which rewarded the winners with a cool beverage. Winners were Russ Sigman, Cody Schnee, and Tommy Goins. It was a great way to finish the day's field training and have some fun at the same time. A steak dinner with the trimmings was very well deserved after all of the day's activities.

While sitting around the camp fire that night Dr. Clarke had "Camp Fire Trivia" competition. Each member was asked multiple questions related to any and all aspects of Beaverhead Search and Rescue. If the member answered the question they were rewarded with a token for a free drink and if not they received a booby prizes. What a great way to share and enjoy a relaxing time around the fire.

On Sunday, July 31, Mr. Harold Bramstad, Aeronautics Division Safety and Education Bureau Chief, did a presentation on Emergency Locator Transmitters, ELTs, used in aircraft. If an aircraft goes down, the ELT is supposed to be activated by the crash and aid searchers in finding it. In order to find the activated ELT, a hand held locator is used to intercept the signal and take searchers to the crash site. Harold explained how to use the ELT locators and types of obstructions that may cause interference with the transmitter signal. After lengthy discussion, numerous locators were distributed among members and a field exercise commenced. Each group took their locator to various locations to determine whether the signal being received was reliable. After checking the signals at several places, the teams returned to camp and discussed further with Mr. Bramstad what their findings were and what they meant.

After the training, lunch was served. Members of the unit did all the cooking for the entire outing... Members who participated in the weekend training exercises were: Dr. Mike Clarke, Dr. Greg Moore, Brad Wagner, Cody Schnee, Lawrence Morrisroe, Trent Cottom, Steve Scott, Parke Scott,

Brian Vinson, Tara Remely, Kate Kajin, Donald Smith, Shane Puyear, Larry Skiles, Marc Sanders, Alan Holt, Mick Stanisich, Russ Sigman, Mel Rice, Tommy Goins, Chuck Clark, and Rob Brasher.

Many thanks to the following instructors: Jana Barnes, Dr. Greg Moore, Brad Wagner, Dr. Mike Clarke, Larry Skiles, Russ Sigman, Frank Kluesner, David Chase, and Harold Dramstad. Without your expertise and willingness to help out, the training would not have been possible.

Prayers for Military Peace Keepers at St. James Episcopal Church:

There will be a service honoring military personnel who have provided a peaceful nation for all of us. They may be active or veterans, at home or abroad. The service will be held at 12 noon on the first Wednesday of every month at St James Episcopal Church (203 E. Glendale, Dillon, MT). All are welcome; families, friends, military personnel and anyone who would like to thank and pray for all of the Armed Forces of the United States. The next service will be held on August 3, 2016 at 12 noon. Any questions, call 683-2735. Please join us.

URGENT: CONDITIONS FORCE FULL CLOSURES ON TWO SW MONTANA RIVERS

Consistent high water temperatures and low stream flows have prompted Montana Fish, Wildlife & Parks to close two sections of the Big Hole River and the entire Jefferson River to all fishing. FWP is also implementing hoot owl restrictions on the Yellowstone River and reinstituting hoot owl restrictions on the Lower Beaverhead River as well as a section of the Big Hole.

Specifically, the following sections of rivers are closed to all fishing effectively immediately:

- Big Hole River from Saginaw Bridge on Skinner Meadows Road to the confluence of the North Fork Big Hole River and Big Hole River
- Big Hole River from Notch Bottom FAS to confluence with the Beaverhead River
- The entire length of the Jefferson River
