MONTANA WESTERN RANKED IN THE TOP TEN NATIONALLY FOR STUDENTS WITH CHILDREN

The University of Montana Western has been ranked the seventh "best college for students with children" by the online site, BestColleges.com.

Best Colleges is an online college ranking guide that provides higher education information to students.

"Montana Western is an inclusive and welcoming place for every type of student," Chancellor Beth Weatherby said. "We are able to provide family campus housing options for our students with children to allow them a safe and affordable place to live while they're receiving their education."

According to the Best Colleges website,"This list ranks 50 colleges and universities that provide a specific set of amenities for students with children, while still managing to be relatively inexpensive in terms of tuition and administrative fees."

In addition, Montana Western's innovative Experience One allows students with children to take a single class at a time.

The ranking is in line with Montana Western's early childhood education (ECE) program, which provides a combination of online and traditional classes to deliver a high quality education, Professor of ECE Jen Gilliard explained.

"Many of our ECE students have children of their own, so we go out of our way to provide an environment that enables them to receive their degree and take care of their families," Gilliard said.

This comes on heels of Montana Western's ranking as "the best university in Montana" by Money Magazine.

For Bear Spray to be Effective, You Must be Prepared BEFORE YOU GO OUTDOORS IN BEAR COUNTRY… Join Us For

Bear Awareness Training

Join us Tuesday, August 9th at 6:30 pm
The Patagonia Outlet @ 16 S Idaho, Dillon (406) 683-2580
Light refreshments will be served

Southwest Montana Bear Education Working Group will conduct training that will last about two hours and include information on bear country safety, biology and bear encounters. After an indoor presentation, we will go outside to practice using (inert training) bear spray. We will have a "charging bear" simulation to test your bear spray skills under pressure. This training will fulfill Forest Service employee bear safety, bear spray training requirements and may also satisfy other agency training requirements.

EVENING OF ART AND FILM

The Elling House Arts & Humanities Center in Virginia City will host an evening of art and film on Saturday, August 12 at 404 E. Idaho in Virginia City. August's artist of the month is Rowan Nyman and they will have a reception to honor him that begins at 4:30 pm.

6:00 pm the center will screen "What's Wrong With That?," a film directed by Dan Shapiro, who explores the mystery behind Paul McCartney's decision to stop playing the song "Silly Love Songs" for 40 years.

"Silly Love Songs" was the biggest selling single of 1976 overall and the biggest hit of McCartney's career. the film stars Virginia City's own Dave Walker. Shapiro attended film school at Montana State University in the late 1980's and has worked in various capacities in film and video production. "What's Wrong With That?" marks his debut as a director.

Admission is by donations.

Council meeting 8/3/2016

By: MJ

Councilman Straugh, McIlsaac, Shafer, Nye, Hodge, Hand, Garry and Councilwoman Maass were present. Memo: A written memo from Councilwoman Maass was presented that discussed sexist nature remarks that may or may or may not have been intended to be offensive. In the audience were other professional women, none of whom spoke up against the remark at meeting. As humans we all hear & see things differently and form our own opinions.

Street Closure: Bliss Boutique & Tanning submitted application for a Car Show & street closure on 8/20/2106. The representative told the council that all proceeds from the show would be donated to a local organization.

Roberts Rules of Order: Literature explaining the procedure for "Motion to Reconsider," votes and other actions as per Roberts Rules of Order, was included in the council's packets and briefly discussed at the meeting.

City Bus: Beaverhead Headhunters asked if it would be possible to use the city bus on August 13, 2016 to transport people to Butte. The Headhunters would pay for gas and driver. The DUI Task force inquired about using the city bus during Labor Day to transport folks that might of party hardy and need to get home, motel… Council asked mayor to get more information on insurance before decision could be made. The old bus would be used if approved by council.

CDBG Grant: A member of the Downtown MainStreet committee explained the group was applying for a CDBG grant to do a feasibility study on whether the construction of a "Bike Camp" would be appropriate for Dillon. It was explained that the committee is considering the Chris Kraft Park & Depot Park for possible location sites. The council asked several question: **1)** does a bike camp hurt the existing commercial businesses that provide camping facilities; **2)** who will be able to use the building and who will monitor the use; **3)** who will be responsible for the basic amenities like garbage, security? The application for the CBDG grant was approved by council at no cost to the city at this time.

Director of Operations: **1)** *City is addressing safety issues by closing Cornell St. to angle parking and requiring parallel parking*

only on August 15, 2016. **2)** *The digging at Catholic Church is to repair a service line.* **3)** *City is painting the handicap lines on streets.* **4)** *Mr. Hazelbaker thanked the city crews for the long hours they put in to repair the break in a main service line several weeks ago. They city was unable to shut the water off as they could not locate a map showing where any shut off values were. Thus creating a difficult situation. GPS mapping of all underground lines might be a project the council will be considering.*

Judge Thompson: Reported that the Justice of Peace had inquired about working with the community service system. She had no other report.

Tree Board: Councilman McIsaac reported that the tree board is looking for three (3) new people to replace members that have left the board. If you are interested you can contact Councilman McIsaac at; ward4b@dillonmt.org. or Ph: 406-683-4013.

PARALLEL PARKING ONLY

The City of Dillon and the University of Montana Western would like to let the citizens of Dillon know that starting Monday, August 15th, 2016, Cornell Street from Atlantic Street running east (the street running parallel to the campus) will be parallel parking only. The change is to provide a safer street as well as better access for fire protection.

CHECKING THE ROOF OF THE LIBRARY

The City of Dillon and the Dillon Fire Department will be checking the roof of the library for possible leaks Wednesday, August 10th, 2016 at 8:00 A.M. They will be spraying the roof of the library to find any possible leaks that may exist. It will not affect the hours of the library.

FIRE SAFE LANDSCAPING

Due to the high level of fire danger Fire Chief Morast and the Dillon Volunteer Fire Department would like to remind homeowners that fire safe landscaping can reduce the hazards from fires and give an added margin of protection. Regular scheduled maintenance decreases the fire hazard. Remove all fallen branches, shreds of bark, and dead or dying foliage from the ground. Keep annual grasses and weeds mowed to reduce their fire carrying potential.

MUSEUM EXPANSION PUBLIC MEETING

The joint boards of the Museum and Museum Association will be hosting a public meeting Tuesday at 7:00 in the Depot Theater for the community to learn about the proposed climate controlled storage facility and to express your thoughts on how the building should look and be used.

Lead architect Paul Filicetti of A&E Architects will lead the discussion, explain his vision for the building, answer questions and ask for suggestions from the floor.

This is your chance to become involved in this exciting new addition to the Museum and to downtown Dillon.
