Judith Leone Millhon "Ole Jude," 66

Judith Leone Millhon "Ole Jude," 66, Dillon and formerly of Kalispell, and Tempe, Az., passed away peacefully on July 26th.

"Ole Jude" was born on January 21, 1950, the youngest of six children, in Minot ND to Lynn and Leona Hambek. She was raised on the family farm seven miles north of Minot. She attended a one room country school through grade eight, and was graduated in 1968 from Minot High School. She resided in the country, near the family farm, until moving to Dillon in the early 1980's. She left Dillon in 1988 for Kalispell, returning to Dillon in 1989. In 1995 she moved to Tempe, AZ, where she was employed for 2 yrs. in the manufacturing business. She returned to Dillon by 1998 and remained until her passing. While in AZ she spent many weekends with her grown nephew and niece, Tony and Penny, both living in Phoenix. Wonderful stories and adventures were shared with even ND family visiting frequently. In Dillon she worked at Dillon Livestock, Cotton Seed and Potatoe, and at Jim's Smokeshop prior to retiring.

Judy was once married to Larry Ronnie in Minot, ND and was blessed with one son, Michael Allen. In Dillon, she was briefly married to Gary Millhon in the early 1990's.

Ole Jude, made one of her rare doctor visits in April of 2016 and found to have cancer with metastasis. She let her Dr. know how she wanted to spend her remaining time and her wonderful Dr. was agreeable. Thanks to Dr., terrific friends, Kari Hopkins and Jerry Buell of Dillon, and special, only living sibling, Jacquelyn Smith of Minot, ND, all of her dying wishes were able to be honored. She accepted her diagnosis with amazing acceptance, strength and grace. She kept her one of a kind wit, humor and sass, insuring she was in charge, throughout these last three and a half months.

Survivors include her bird "Kako" now residing with Kari in Dillon. Son; Michael Allen of Bismarck, ND. Sister; Jacquelyn. Sister-in-laws; Ann Hambek and Sally Hambek, both of Minot, ND. 19 Nieces and Nephews, including Perry, Penny, Kelly and Tony that she referred to as "The Kids," right up until her final days. Also, included are; Rhonda, Val, Jodi, Eric and Shari; Carol, Bob, Cathy, Kevin, Twins Troy and Tracy, and Teresa; Pat, Joe and Jill. Aunt; Ellen White, Fargo, ND. Many great nieces and nephews and numerous great-great nieces and nephews.

She was preceded in death by her parents Lynn and Leona Hambek. Sisters; Laverne Borud and Mary Ann Hambek. Brothers; Donnie and Johnny Hambek.

Since her diagnosis, "Ole Jude" shared tremendous moments with Kari, and wonderful frequent phone conversations with family. Every phone conversation included, "how is Sunshine?" and how is "Josh's son "Anthony" born 2-13-16 in Portland, Oregon. Sunshine (a 10 yr. old small rescue dog from Az. visited Dillon many many times in the

last ten years), and Judy loved Sunshine from their first get together. Her beloved bird "Kako" now resides with Kari in Dillon and continues to talk and squak! Sunshine and Kako loved to tease one another during their times together. You could just see Jude smiling, grinning and hear her few chuckles when talking about Kako, Sunshine or Anthony.

MONTANA WESTERN PROFESSOR

VISITS

AFGHANISTAN

Fred Chilson, professor of business and technology at the University of Montana Western, recently returned from a trip to Kabul, Afghanistan.

Chilson traveled to Afghanistan to visit Dunya University in his capacity as vice chair of the

International Assembly for Collegiate Business Education (IACBE) and accreditation site team advisor. As part of his IACBE duties, Chilson visits colleges throughout the country and world to study their business programs for accreditation.

"I've visited a lot of schools in various parts of the world during my time with IACBE, but none have been quite as exciting and adventurous as my visit to Kabul," Chilson said.

Chilson explained that while visiting Afghanistan, his group traveled everywhere in armored vehicles with armed guards in tow due to ongoing security threats in the country's capital city.

"Despite the risks involved, the visit with Dunya University was

rewarding and worthwhile," Chilson said. "Dunya focuses on training young entrepreneurs and business professionals who want to stay in Afghanistan and help rebuild their country. It is fulfilling to work with a university that is forward thinking in the face of conflict."

During his 10-day stay in Afghanistan, Chilson also met with the country's minister of education, members of parliament and military leaders.

"We often hear about the problems in Afghanistan, but we aren't hearing enough about the hard-working and dedicated faculty and government leaders who are trying to better their country," Chilson said.

In addition to their regular faculty members, Dunya hosts faculty from around the world who come to Kabul for monthlong teaching stints. Dunya students are on a block scheduling system where they take one or two classes at a time.

"Coming from Montana Western and the success of Experience One, it was exciting to review another university's block system," Chilson explained. "I felt like I had a lot to offer in our conversations and was able to provide insights into being successful with block scheduling."

Montana Western is the only public four-year institution offering block scheduling where students take a single class at a time, three hours each day, then move on to the next.

Chilson serves as chair of Montana Western's business and technology department, the first in Montana to receive IACBE accreditation.

DILLON MIDDLE SCHOOL PRINCIPAL TO SPEAK TO DILLON KIWANIS

Randy Shipman, principal of the Dillon Middle School, will be the featured speaker at the Wednesday, Aug. 10 meeting of the Dillon Kiwanis.

Childhood experiences, both positive and negative, have a tremendous impact on future violence victimization and perpetration, and lifelong health and opportunity. Early experiences are an important public health issue and are referred to by the Center for Disease Control as ACES (Adverse Childhood Experiences). Shipman will speak about the steps to prevent ACES in the middle school and in the Dillon community.

The Kiwanis meets the first three Wednesdays of each month at 12 p.m. at the Beaverhead Brewery, 218 South Montana Street in downtown Dillon. Visitors are welcome. Our speaker gifts are provided by Sportswear and Design.

BULLDOG FOOTBALL SCHEDULES SUMMER SCRIMMAGE

The University of Montana Western Bulldog summer football scrimmage is scheduled for Saturday, Aug. 13, 2016 at 11 a.m. at Vigilante Field in Dillon, Mont.

"The first summer scrimmage of the season is a great opportunity to see how our players have progressed since spring and throughout the summer," Head Football Coach Ryan Nourse said. "We lost some outstanding seniors to graduation last spring, so there are jobs to be won based on the performance in this scrimmage."

With nearly 40 incoming freshmen players, the scrimmage will be a chance to see the future of the program, Nourse explained.

Politics, Politics, Politics, day after day, week after week! Don't you get tired of the lies, the bullying, the mud slinging, the promises? Where are the hero's to help us out of this political mess?

We need the Lone Ranger to ride up on his white horse Silver to save us. But wait the Lone Ranger had his horse repossessed by the bank. What about his gun? He had to sell his gun to pay the back pay wages he owed Tonto. Sorry.

Superman could help. He can leap big buildings, fly faster than a bullet. But the trouble is he couldn't find a phone booth to change his clothes. And if he did find a phone booth he would get arrested for indecent exposure in a phone booth. Sorry!

How about the Hulk? He transforms into the exceedingly strong and large Hulk whenever he gets angry. Oh no, we don't need another angry person. We have that now. Sorry.

Batman!! An American Billionaire, industrialists who puts on his suit and mask and fights crime, Oh, that sounds very familiar now. Just won't work. Sorry.

Wonder Woman. A fictional character who is a member of the "Justice League, a warrior princess of the Amazon. No! That won't work either. Sorry.

How about Goofy? A tall anthropomorphic dog that wears a turtleneck and a vest. Sounds like a winner for all of us. No thanks, we have enough "Goofy" now! Sorry.

How about Donald Duck? He was contacted but said he was busy and one Donald is enough. He said he quacked up when he watched the conventions. Sorry.

How about "Sponge Bob"? An animal of the phylum Porifera. Maybe he could soak up all this mess? But wait, maybe we are already getting "Sponged". Sorry

I guess we will just have to suffer until election day, which is a million days from today. Oh, not a million, just a zillion. Sorry.

Help Prevent Vehicle-caused Wildfires

As you cruise down the highway enjoying the beautiful Montana scenery, be mindful of the potential wildfire ignitions due to vehicles. Your local firefighters are asking for your help in reducing vehicle-caused wildfires.

Pulling off to the side of the road into tall, dry grass can ignite the vegetation. The exterior of your exhaust system can reach temperatures up to 2,800 degrees Fahrenheit. With the right fuel and weather conditions, all forms of motorized vehicles including cars, pickups, motorcycles, and all-terrain vehicles (ATVs) can be fire starters.

Tips to Reduce Vehicle Wildfires

Ensure all parts of your vehicle are secure and not dragging. A loose safety chain or muffler striking a rock or pavement will send a shower of sparks into dry vegetation.

Check your tire pressure and look for indicators of wear and tear on tires. Driving on an exposed wheel rim can throw sparks. Poorly lubricated wheel bearings can overheat and ignite, and worn out brakes can drop hot material into the grass.

Maintain and clean exhaust systems and spark arrestors. Engine compartments can collect debris and ignite a spark. Worn-out catalytic converters can degrade and cast off extremely hot pieces of material. A faulty spark arrestor can shed hot metal.

Avoid driving through and parking on dry grass.

Report all fires immediately. Keep a cell phone, water, a shovel and a fire extinguisher with you in the event a fire starts.

We can all make a difference in reducing human-caused fires this season.
