MONTANA WESTERN STUDENTS ASSIST IN DILLON HILLSIDE LETTER RESTORATION

University of Montana Western students will begin moving rocks for the hillside letter restoration effort on Thursday, Aug. 18 at 8 a.m., UMW Foundation Director Roxanne Engellant announced today.

"After nearly a decade as a 'W,' the hillside letter will be restored to the original 'M,' keeping in line with a tradition that dates back to 1920," Engellant explained. "The 'M' also signifies our state pride and place within the Montana University System."

The process to restore the "M" is a collaborative effort involving various stakeholders including Montana Western leadership, faculty, students and alumni, the Beaverhead Trails Coalition, U.S. Forest Service and community members. The project will also require the expertise of Bureau of Land Management rangeland management specialists and USDA botanists.

The UMW biology and environmental sciences departments plan to create opportunities for their classes to assist with this project on an ongoing basis to help with the replanting efforts of the vegetation and provide hands-on experiences for their classes in the fall.

The restoration project will be ongoing through summer 2016 and into 2017.

Water Sewer Committee Aug 9, 2016

By: MJ

Demolition or purchase Square Tank Building/Land: on the dump road. Director of Operations reported that Corrine Welborn was working with the owners of the property and he had not received a report from her.

Manhole & Water Sewer line replacements: The manhole replacements will be completed by September 2nd±. There will be some streets tore up for a short time.

Blower Circuits of WWTP & Fence: The blowers have been ordered. The time of installation is unknown. The fence to block tumble and other weeds from blowing into the ponds was ok'ed by the council. Hazebaker is working with contractor to get a time line on when it will be done.

Fair Grounds water usage: The sprinklers at the fair grounds are supported by the city water works. The city has a problem. The city water records indicate there is more water being pumped from the wells then is being recorded by the city as being distributed to citizens. City placed a meter on the outlets at the fair grounds that metered 840 thousand gallons pumped in one month. Commissioner Rice stated that Gilman Construction had been filling water trucks at the fairgrounds. Mayor Klakken said the city had no knowledge of Gilman's filling trucks. Commissioner Rice spoke of a water agreement the county had with the city. Mayor Klakken said that the agreement was signed by the county however it was never signed by the city. This issue will continued to be discussed as information is available.

Weed Removal Contract: City has a contract for \$2,000 with a firm to spray weeds at the lagoon.

Motor Vehicle Exam Stations
Now Accept Credit, Debit Cards
 Provides More Flexible Service Options for MVD Customers
 Statewide
 The Motor Vehicle Services Division (MVD) at the Montana Department of Justice announced today customers at its exam stations will now be able to use credit and debit cards to pay for their in-person transactions.
 The roll-out of the new payment option began a few weeks ago in Helena's exam station as well as MVD's Records and Driver Control Unit, which administers all driver license records and actions. According to Motor Vehicle Division Administrator Sarah Garcia, credit/debit card payment availability should be offered statewide soon. "We anticipate the public will be able to walk in to any of our exam stations and pay with their credit or debit cards by the end of August," Garcia said. "We're excited to be able to provide more flexible payment options for Montanans, as we continue to strive for excellence in customer service."
 Attorney General Tim Fox said, "This is one more way our department is improving the way we do business with an eye toward efficient and convenient service delivery for today's customers. I'm pleased with the initiative our Motor Vehicle Division has shown once again by focusing on improved functionality and productivity throughout its operations."
 MVD exam stations will continue to accept payment in the form of cash or check, in addition to debit cards and Master Card and Visa credit cards. In 2015, MVD staff processed over 200,000 new and renewal driver licenses and ID cards for over one million Montanans at 49 offices across the state.
 Last fall, MVD announced the availability of on-line appointment scheduling in an effort to enhance convenience for its customers. Visit www.dojmt.gov/driving for details about required documentation, fees, and other important information needed before scheduling appointments, including written and road tests, converting an out-of-state license to Montana, license renewals, and completion of some types of driver education programs. Once an appointment has been made, an email or text message will be sent to confirm. People who do not have computer or smart phone access can call the MVD Customer Service Center toll free at 1-866-450-8034.

FIRE SAFE LANDSCAPING

Due to the high level of fire danger Fire Chief Morast and
 the Dillon Volunteer Fire Department would like to remind
 homeowners that fire safe landscaping can reduce the hazards
 from fires and give an added margin of protection. Regular
 scheduled maintenance decreases the fire hazard. Remove all
 fallen branches, shreds of bark, and dead or dying foliage
 from the ground. Keep annual grasses and weeds mowed to
 reduce their fire carrying potential.

Tales and Tunes to Virginia City Opera House

Following a full house at the Dillon opening of their latest show, Tales and Tunes, The Dillon Junior Fiddlers will be bringing their latest show, Tales and Tunes, to the Virginia City Opera House on Sunday, August 21st at 7:00 pm. This program showcases the acting and singing talents of the fiddle players along with a liberal sample of their traditional music. When the "Big Book of Family Tales" is opened, the audience will be given a chance to meet a cast of characters, some real and some imaginary. The music will feature a variety of music styles and ethnic origins.

Tickets are on sale at the door the night of the show. The price of admission is \$8 for adults and \$5 for children under 12 years old. All proceeds from the show go to the Virginia City Preservation Alliance and Dillon Junior Fiddlers scholarship fund. This summer, 18 fiddlers from the group were sent to the Montana Fiddle Camp in Monarch, MT on half scholarships. Both the VCPA and the Dillon Junior Fiddlers support preservation of history. Old and young alike will enjoy this show that celebrates connections that are made between generations through stories and music.

Dear "JudeYou are an Idiot"

"HeyJude" is for people seeking help with questions an problems in their lives & in this troubled chaotic world.

To the individual who wrote to call names, I'm sorry that you didn't care for the scriptural information quoted. You included a copy of the article Re: "married couples divorcing." I realize no 2 incidents are the same.

I do "not" try to offer personal advice, but try to stand only on what the Bible says to address certain issues.

However scriptures and principles still apply, no matter if we conclude "in our minds" that, 'times have changed,' or 'that the Bible is archaic, an does not apply to us today. 2 Tim 3:16 tells us that "all scripture is given for correction, reproof, instruction." KJV. In Genesis, we learn that God has given us the "gift of free will", or the freedom to say or do what we want. We can choose whether we will follow God's moral guidance or not. God gave "YOU" the choice to express your thoughts, whether they be positive or negative.
