Dillon Jaycee Auxiliary Plans "Past, Present, Future" Parade

This year's theme for the Labor Day parade is "Past, Present, Future". To enter, please pick up an entry form at Womack's Printing Place, Bank of Commerce, or online at dillonjaycees.com.

Entries to be judged are due by Friday, September 2, 2016, by closing business hours at Womack's Printing Place, Pita Pit, the Bank of Commerce, or Dillon City Hall. Mailed entries must be received by Friday, September 2, 2016, to be considered for judging. Day-of parade entries are welcome to participate, but not eligible for judging. There is no cost to enter. Divisions include: Youth Organization, Comic/Novelty, Adult Organization, Youth Horse, Adult Horse, Commercial, Advertising, Car, & Political. Entrants must be in position by 9:00 AM the day of the parade, with the parade beginning at 10:00 AM. Entry numbers must be picked up by 9:30 AM at the Northwestern Energy parking lot.

As in previous years, in order to protect our community's children, any group or individual who wishes to throw candy or promotional items must do so while walking, not riding in a vehicle or on horseback. This is intended to keep the candy away from vehicle tires and hooves, discouraging children from running out into the street to pick up candy. Dillon's Labor Day Parade is one of only a handful left in the state that allows candy-throwing. Thank you for your consideration while planning your parade entry.

Missoula County Attorney's Office in Full Compliance with 2014 Agreement on Sexual Assault Prosecutions

Today, Montana Attorney General Tim Fox announced that the Missoula County Attorney's Office has fully complied with the provisions of the 2014 agreement aimed at improving the office's handling of sexual assault cases. The agreement was signed after Attorney General Fox intervened in and settled the legal dispute between the Missoula County Attorney's Office and U.S. Department of Justice.

"Missoula County Attorney Kirsten Pabst and her team are to be commended for their diligent work," Fox said. "In the time since this agreement was signed, the Missoula County Attorney's Office has worked very hard alongside our prosecutors and a special technical advisor to evaluate and improve all aspects of how sexual assault cases are handled and how victims are treated. Members of the Missoula community should be proud of their county attorney team for the great work that's been done."

Kirsten Pabst said, "I am extremely proud of our Special Victims Unit program which we've built from the ground up to enhance community safety and utilize best-practices to better serve victims of crime. With the support of our local administration, we've overcome institutional barriers to unveil a truly innovative and comprehensive program that is the first of its kind."

Since the agreement, the Missoula County Attorney's Office has:

- Developed clear policies and guidelines for prosecuting sexual

assault cases. Using materials and best practices from around the country, comprehensive and condensed guides were created for use in Missoula and throughout the state.

- Participated in special training for sexual assault investigation, prosecution, and victim treatment. County Attorney Pabst and others in the office participated in special training opportunities locally and nationally, including training from the Montana Attorney General's Office.
- Hired a victim-witness coordinator, investigator and trauma counselor to assist with sexual assault cases and address the effects of secondary trauma on staff.
- Formed a Special Victims Unit. The Missoula County Attorney's Office has dedicated five attorneys and a paralegal to specializing exclusively in special victims cases.
- Improved communication and coordination with law enforcement agencies and community partners. The Missoula County Attorney's Office collaborates with community partners on local multi-disciplinary teams and has taken the lead in coordinating with law enforcement and other agencies in sexual assault investigations and prosecution.
- Engaged in community outreach. County Attorney Pabst and her staff often engage in public speaking aimed at education and prevention of sexual crimes. Additionally, prosecutors have teamed-up with the Attorney General's Office and others to help other communities address the unique challenges of sexual assault on campuses and advocate for legislative reform.

"I want to thank Assistant Attorneys General Brant Light and Ole Olson from my staff as well as Anne Munch, a private attorney who served as a special technical advisor throughout this process," Fox said. "They have invested a tremendous amount of time and energy into an endeavor that has furthered the cause of justice in Missoula and throughout Montana. The Missoula County Commissioners are also to be commended for ensuring funds were available to hire new staff and a contract technical advisor pursuant to this agreement."

In her June 27 letter to Fox concluding the process, Munch said she has "found that MCAO [Missoula County Attorney's Office] has a cadre of very talented trial attorneys who have dedicated

themselves to sexual assault cases," and that "the responses that victims receive has dramatically improved."

Settling the Missoula County dispute is only part of Attorney General Fox's efforts to improve responses to and prevent sexual assault crimes in Montana. Fox's administration has:

- Formed a special task force to examine sexual assault evidence kits that local law enforcement agencies haven't submitted for testing;
- Created a sexual assault prosecution unit within the Attorney General's Office;
- Increased sexual assault prosecution training opportunities for Montana's county attorneys;
- Worked with Sen. Diane Sands (D-Missoula) to launch a comprehensive legislative review of Montana's sexual assault laws;
- Initiated regional compliance check operations to locate sex offenders who aren't in compliance with Montana's sex offender registration laws;
- Significantly reduced the number of undesignated registered sex offenders;
- Improved the user-friendliness and accessibility of the Sexual or Violent Offender Registry (SVOR) website.

"Through these initiatives, including the successful conclusion of the Missoula agreement, we have made great strides, but our work on sexual assault is not over," Fox added. "Throughout Montana we must continue to be vigilant in our efforts to prevent sex crimes, bring perpetrators of sex assault to justice, and ensure victims are treated with the respect and dignity they deserve."

Beaverhead Search and Rescue News

Submitted By Mel Rice: Public Relations Officer

The Beaverhead Search and Rescue has been very busy the last Month. There have been four callouts with the first one being in late July. A call was received by the Beaverhead Sheriff's Department from an individual who was reporting an injury to a friend. The reporting party had no idea on which part of the Continental Divide Trail the hiker was located on other than near the head of the Centennial Valley. No members were deployed to the field because of uncertainty of the location. The individual was eventually rescued by member out of West Yellowstone.

The next manager page came on August 2. Two 50+ year old individuals walking the Continental Divide Trail in the Centennial Valley activated their Spot. The unit received the page from the Sheriff's department after they had received a continuous 911 distress from a spot. The male and female hikers had become extremely exhausted and dehydrated from the heat of the day. Their location

was pin pointed from the spot signal which was toward the head of Hell Roaring Creek. Access to their location would be very long and tedious. The S&R would have to walk from the main Centennial South side road into a very remote area or access the area by driving to Spencer, Idaho and then head east toward Island Park. Eventually they would pick up a road that would drop them back into Montana and close to the hiker's location. However, there was a helicopter stationed in Ennis which was contacted and they flew to the location. The two hikers were consequently airlifted to Ennis for medical attention. They recovered nicely.

On August 3, the unit received a page to search for an 11 year old boy. The boy disappeared while hiking with the UM Western Football team in the Black Mountain area. Before the search teams could get out of town, the lost young man was located by members of the team. He was in good health.

The Sheriff's office pushed the button for search managers again on August 16th at 11:30 pm. A ranch manager north of Dillon had reported to a S&R member that one of his employees had called him and reported he had rolled his 4 wheeler and was badly hurt. It was determined from the phone call he was in the Sweetwater area. Before an exact location could be determined his phone went dead. Nineteen Search and Rescue members and Beaverhead Undersheriff were sent to the Sweetwater to begin a needle in a haystack search at 12:30 am. Three search managers remained at the building along with a Sheriff Deputy to run the search. Deployment occurred around 12:30 am. The injured individual was finally located about 7:30 am on the 17th. The Two Bear Search Helicopter, out of Kalispell, was assisting with the search and again was used to airlift the injured individual to Barrett Hospital. His injuries were determined to be quite extensive with a badly broken back. He was then transported by Life Flight to Missoula for treatment. Reports have it that he will be stationary in bed for 12 weeks.

Members involved in the search were: Chuck Clark, Doctor Mike Clarke, Trent Cottom, Lee Diedrich, Jason Erickson, Lindsey Erickson, Tommy Goins, John Helle, Alan Holt, Donnie Keltz, Chuck Moddox, Jennifer McKay, Lawrence Morrisroe, JD Mulkey, Collin PLancich, Shane Puyear, Clint Rouse, Parke Scott, Steve Scott, Larry Skiles, Mick Stanasich, and Brad Wagner. Undersheriff, David Chase and Deputy Dan Mulkey were also involved with the entire search.

MARKING PARKING SPACES

The City of Dillon is hoping that everyone is having a great summer. On August 26th, the City will be marking parking spaces on Montana Street from Helena Street to Reeder Street. Please do not park on the east side of Montana Street that day. On August 29th, the City will be marking parking spots on Idaho Street from Helena Street to Sebree Street. Please do not park on Idaho Street that day. The project will start in the early morning of each day so that interruption to our businesses will be minimal.

Nez Perce Fire Detected

The Nez Perce Fire located approximately 10 miles NE of Butte was detected on Saturday August 13 by a motorist passing through Elk Park. The small one-half acre fire was a holdover from lightning that came through the area on August 7. The fire can be seen from Interstate 15 on the ridge north of Nez Perce Creek east of Elk Park. Firefighters responded to the fire on Saturday and used a helicopter to drop water on the fire. No firefighters were placed on the fire because it was an unsafe situation. "The fire is burning on an extremely rocky slope in a mixed stand of dead standing lodgepole pine, Douglas-fir and Subalpine fir. "The risk of injury or worse to our firefighters isn't worth putting them on that hillside so I've decided we will monitor the fire every day instead. We have a plan in place to take more aggressive action if necessary" said Butte-Jefferson District Ranger Dave Sabo.

For more information, call the Butte-Jefferson Ranger District office in Butte at (406) 494-2147.

A few notes from Coy & Mary's family...

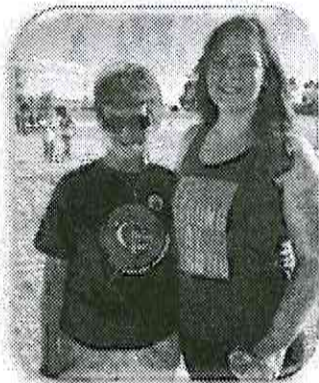

To the Dillon community:

We share in some way with the Dillon Relay for Life every year; sometimes driving to be there for the weekend and other times following through pictures and news coverage you share. There are no words to express what a blessing the Dillon community is to me – knowing the love and support for mom and dad from all of you Relayers ☺! To all involved, thank you for all you do! Truly, no one fights alone. Prayers for health and many more relays! To mom and dad – you inspire us every day with the love you have for each other and your determination to make each day count. Love you both! *Dora McKean*

I have had so many questions about my purple hair since I got back home and I smile because it was done in solidarity. Cancer does unimaginable things to a person's body and spirit and it is merciless in its abuse of both. So on the occasion of the opportunity to stand together with those who fight and with those who have won the battle and to hold up those left behind we celebrate. Thank you for Dillon Relay for Life and this time we can come together with people from each community who have sometimes nothing else in common except this fight. Thank you to our survivors amazing team of care givers, doctors, nurses, hospital and doctors staff who stand in the battle front and arm her with all that she needs to continue to fight and fight she does with the spirit, soul and grit of an overcomer. And of course, my amazing dad. He is there when none of us can be there and he stands in the gap and takes up the slack and gives the love and support that she needs. Thank you for all you do, we love and appreciate all you do!! Mostly though we thank Our Lord and Savior for His never ending love, mercy and encouragement!! Love to our survivor – our mom!! *Tami Creel*

To grandma... Words cannot describe what an inspiration this woman is! Yesterday (at the 2016 Relay) I met multiple nurses, doctors, friends, and fellow survivors at her local RELAY that have been encouraged and loved by my grandma. She has such a beautiful heart for the Lord and gives all her praise to him. She has survived 16 years after her diagnosis and continues her fight every day with a smile on her face and a hug for anyone in her path. She has taught me to live in the moment, count my blessings, to cherish others, and most of all not let your health limit or define you. I'm so blessed to be your granddaughter, your friend and your personal hairstylist. I love you! *Courtney*

My grandma: She's an incredible inspiration to all people fighting for just extra time with the people they love most. She's truly an example of take what life gives you and make the most of it. Love her more than words can say. *Jeff*

2016 Dillon Relay for Life

July was a wonderful month of relay activities in memory of those who lost their battle and to honor all cancer survivors, whether cancer free, new to the battle or long time champions.

In typical Relay for Life fashion, this year's relay was kicked off by a wonderful meal. Then we enjoyed the opening events which included a tribute to all survivors - a choreographed dance to the song *Stand by You* by Rachel Platten - where each survivor was covered with a pair of angel wings. Thank you to the group led by Diana Brown. In the Survivor's lap, survivors with 3 months to 30 years were represented. We stopped midway, each turning toward the person next to them who is further along in the fight, "facing our hope" of one more month, year, or few years. At this point caregivers joined to complete the lap. The Luminary lap was done after dark. I was a beautiful tribute in memory and in honor of friends and family. Great job and thanks to our DJ Troy from Mach 1 Music out of Bozeman for being there all night!

Thank you to Russ and Judy for our awesome survivor's birthday party. To survivors who missed this year – I'd love to see you there next year!

Thank you to all those responsible for our survivor dinner. Survivors and caregivers were truly honored.

Thank you to all businesses who help with their time and all other donations.

Thank you to all who had a part in the planning and all work that goes on all year long to make these events a success.

Thank you to Jim and Sarah Kennedy who again came forward to match the total funds raised for 2016. At this point, the Dillon Relay raised over \$20,000! Thank you to Barrett Hospital for the wonderful place to hold the relay. Thank you to all teams and volunteers. Thank you to everyone who sent me donations for this year's Relay – funding for programs and work toward cures! Believe me, I have witnessed much of this in the last 18 years. If you would like to track the relay for Dillon, go to http://main.acsevents.org/site/TR/RelayForLife/RFLCY16GW?pg=entry&fr_id=75289.

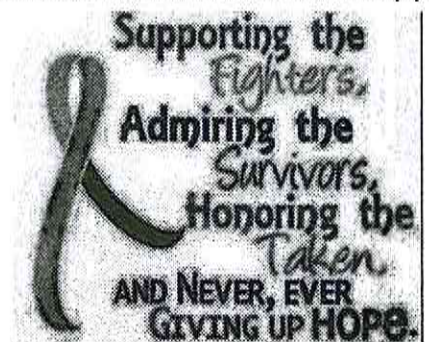

You can also look at a 2015 video posted by Harvey Lake:

<https://www.youtube.com/watch?v=mivrrBecFYM>

For those of us who are and have been effected by cancer, the emotional and financial support inspires hope and offers encouragement for what lies ahead. I hope you will join me next year – to celebrate the gift of another year!

Thank you and God Bless,

Mary Bearden

Do You Know the Truth... "Is there really a place called hell?"

(We believe the following: (1) the Bible was given by the inspiration of God as stated in 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is a reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with Biblical teachings are false.)

Some religious organizations deny the existence hell, as do many individuals. While denying this Biblical truth they firmly believe that there *is* a heaven. Since all we know about either one is written in the same book, the Bible, it is hypocritical to believe in one and not the other.

Heaven is only for those who have believed in Christ and hell is for those who have not. The following scriptures are undebatable statements regarding those who reject the message of the gospel of Christ. "The wicked (those hostile toward God) shall be turned into hell, and all the nations (people) that forget (are oblivious of) God," Psalms 9:17. Hell refers to "the underworld where the wicked are sent for punishment." Luke 16:22-31 gives a very vivid description of hell. This reference tells of the death of a very wealthy man and a beggar. The Biblical record states following the deaths of these men that the rich man, who had received good things, was "tormented in this flame", but the beggar who had received evil things was now in a place of comfort.

For those who think they want to be in hell so they can be with family or friends that may be there, it is interesting to note that the man in hell did not want his family to go to that place of torment and begged for someone to be sent someone back to earth to warn them," Luke 16:28.

Conclusion: Heaven and hell are both realities taught in the scriptures. (More on this subject in our next article)
