FAIRGROUNDS ARENA

"The 4H Horse Committee invites you to come see what our county Horsemanship and Working Ranch participants have been up to at the Fairgrounds Arena on Tuesday, August 23rd from 9-5."

NEW SESSION of STRONG PEOPLE

WILL START ON September 8, 2016
FREE TRIAL August 22 – September 1

In January, 2016, the Dillon Strong Women™ Program became STRONG PEOPLE and welcomed men as well as women into the program. STRONG PEOPLE uses the same exercises that the Dillon Strong Women™ Program used.

The Strong People program is a research based fitness program. The program will help participants look and feel better while increasing strength, bone density, and balance. Since 2010, when the program began locally as Strong Women™, participants have reported improvement in all of these areas. It is a good program for people of all ages and activity levels.

Participants use ankle weights and dumbbells (all provided) in exercises done slowly, beginning with minimal weight and increasing the weight very gradually as the exercise repetitions seem easily completed.

The program is not for profit and leaders volunteer their time. A minimal fee of \$20 per month is charged so equipment can be purchased and rent paid to the Elks Lodge. New participants are encouraged to try the program free for the two weeks prior to the beginning of the new session (August 22 – September 1). If they choose to continue the program, the fees will be charged at the beginning of the September/October/November session.

Currently the program is being run two days per week (Monday and Thursday) in sessions eight to 12 weeks long, after which participants have the opportunity to continue a maintenance session (no fee charged) until the next session begins. A new session begins Thursday, September 8, 2016, from 10:00 until 11:15 at the Dillon Elks Lodge, 27 E. Center St. All former and new participants (including men) are encouraged to attend the free sessions August 22, 25, 29, and September 1. Wear comfortable clothing and closed toe shoes.

For further information contact Jeannette Pittman at 660-2777 or Lois Volkening at 925-3774.

YELLOWSTONE RIVER CLOSED IN RESPONSE TO ONGOING FISH KILL

Montana Fish, Wildlife and Parks is implementing an immediate closure of all water-based recreation (fishing, wading, floating, tubing, boating, etc.) on the Yellowstone River and its tributaries from Yellowstone National Park's northern boundary at Gardiner to the Highway 212 bridge in Laurel. This significant action on the part of the Department is in response to the ongoing and unprecedented fish kill on the Yellowstone. This action is necessary to protect the fishery and the economy it sustains. The closure will also help limit the spread of the parasite to adjacent rivers through boats, tubes, waders and other human contact and minimize further mortality in all fish species.

In the past week, FWP has documented over 2,000 dead Mountain Whitefish on some affected stretches of the Yellowstone. With that, FWP estimates the total impact to Mountain Whitefish in the Yellowstone to be in the tens of thousands. FWP has also recently received reports of the kill beginning to affect some Rainbow and Yellowstone Cutthroat Trout.

Test results from samples sent to the U.S. and Wildlife Service Fish Health Center in Bozeman show the catalyst for this fish kill to be Proliferative Kidney Disease - one of the most serious diseases to impact whitefish and trout. The disease, caused by a microscopic parasite, is known to occur in Canada, the U.S. and Europe. It has been documented previously in only two isolated locations in Montana over the past 20 years. Recent outbreaks have occurred in Washington, Oregon and Idaho. In trout,

research has shown this disease to have the potential to cause 20 to 100 percent mortality. The parasite does not pose a risk to humans.

The effect of the disease on Yellowstone's fish populations is exacerbated by other stressors like near record low flows, consistent high temperatures, and the disturbance caused by recreational activities.

FWP Director Jeff Hagener says in coming to the decision, the Department had to weigh the totality of the circumstances and risk to the fishery.

"We recognize that this decision will have a significant impact on many people. However, we must act to protect this public resource for present and future generations," said Hagener.

"A threat to the health of Montana's fish populations is a threat to Montana's entire outdoor economy and the tens of thousands of jobs it sustains," said Gov. Steve Bullock, noting that Montana's outdoor recreation economy is responsible for more than 64,000 Montana jobs and nearly \$6 billion in yearly economic activity. "We must be guided by science. Our state cannot afford this infectious disease to spread to other streams and rivers and it's my responsibility to do everything we can to stop this threat in its tracks and protect Montana jobs and livelihoods."

FWP will continue to monitor the river and will lift the closure when stream conditions such as flow and temperature improve and fish mortality ceases.

FWP staff will be available to the media Friday, Aug. 19 at 11 a.m. at Region 3 Headquarters in Bozeman (1400 S. 19th Ave.) to help answer questions related to the fish kill and this management action.

In addition to the closure on the Yellowstone, FWP is asking for the public's assistance in preventing the spread of this parasite by properly cleaning (CLEAN.DRAIN.DRY) all equipment prior to moving between waterbodies (i.e., boats, waders, trailers). FWP has also set up two Aquatic Invasive Species decontamination stations set up along I-90 near the affected area in an effort to help reduce the chance of this parasite moving to other rivers.

Two New Fires Detected

Two New Fires Detected on Pioneer Mountains National Scenic Byway
The Grouse and Sheep Fires were detected on the Pioneer Mountains National Scenic Byway on August 19, 2016. Both small fires were hoidovers from previous lightning storms that came through the area last week.

The Grouse Fire located approximately 1.5 miles west of the Pettengill Campground involved a single tree and firefighters have contained this fire.

The Sheep Fire located approximately 3 miles east of the 4th of July Campground is one-half acre and burning in grass, sage and open timber on an extremely steep, rocky slope. A helicopter dropped water on the fire Friday afternoon and will continue to work the fire today. Firefighters will work to contain this fire with the help of water drops from the helicopter.

For more information, call the Wise River Ranger District office at (406) 832-3178.

ZONING COMPLIANCE CERTIFICATE

The City of Dillon Zoning Commission and Todd Hazelbaker, Director of Operations would like to remind everyone that they must obtain from the City a zoning compliance certificate before any construction or remodeling can be done on the exterior of any building. This includes the erection or placement of any additional buildings on the property, such as garages, sheds, and other outbuildings. A certificate is also needed for the construction of decks, fences, permanent signs and home businesses. The intent of the zoning ordinance is to protect the public health, safety and general welfare of the residents of the City; to implement the Growth Policy; and to recognize and balance the various rights and responsibilities relating to land ownership, use and development. If you have any questions please contact Todd Hazelbaker, Director of Operations, at 406 683-4245 or stop and visit his office at 125 North Idaho Street.

Refinancing of Dillon Elementary School District's 2010 General Obligation Bonds Results in Significant Savings for District Property Taxpayers

REFINANCING OF 2010 BONDS COMPLETE. On Thursday, August 11, the Board of Trustees adopted the final Bond Resolution in the process of refinancing the District's 2010 General Obligation Bonds outstanding in the amount of \$7,675,000 to limit the impacts of lower federal subsidy payments due to sequestration and further take advantage of currently low interest rates. The Bonds were officially closed on Thursday, August 18. District officials were pleased to provide significant savings to local taxpayers.

SAVINGS FOR DISTRICT TAXPAYERS. The overall reduction in debt service from the refinancing totals \$931,490 over the remaining term until the Bonds are paid on June 15, 2031. When combined with the remaining subsidy payment due to the District on September 23, the overall savings are expected to be just over \$980,000. Property taxpayers will experience lower annual debt service levies commencing in the 2016/17 fiscal year.

The true interest cost rate of the new refunding Bond issue is 2.03%. The Bonds that were refinanced had a net rate (after the federal subsidy and factoring in sequestration) of 3.70% and so in all the District's rates were cut by almost half.

Yields to investors ranged from 0.68% in 2017 to 1.95% in the final maturity in 2031. The Bonds were offered locally to individual and institutional investors through D.A. Davidson & Co. Closing of the new Bond issue occurred August 18.

BOND CREDIT RATING AFFIRMED AT "A". As a part of the refinancing process, the District received an "A" credit rating with a stable outlook from Standard & Poor's Global Ratings (S&P). The credit rating helps secure low interest rates due to the District's strong credit quality as evaluated by S&P. The S&P rating report specifically indicates the favorable rating is due to the District's:

- ☐ Stable average number belonging (ANB), the primary revenue driver for State funding;
- ☐ Maintenance of strong available fund balance; and
- ☐ Low debt burden.

The report indicated the preceding credit strengths are partly offset by the District's limited local economy, which is anchored in agriculture.

Labor Day DUI Patrols to Increase Across Montana Drive Sober or Get Pulled Over August 19 through September 5

As part of the national Labor Day "Drive Sober or Get Pulled Over" crackdown, law enforcement agencies across Montana will deploy extra patrols to prevent impaired driving during the final weeks of the summer season. Saturation patrols for DUI enforcement are set for August 19 through Labor Day, September 5.

"More than half of roadway fatalities in Montana each year involve an impaired driver, and this is unacceptable," said Colonel Tom Butler of the Montana Highway Patrol. "We are on the lookout every day for impaired drivers, but as the summer winds down, more people participate in activities involving alcohol. That's why we have more officers on duty to encourage every driver to be sober."

According to the National Highway Traffic Safety Administration high-visibility enforcement can reduce alcohol related driving fatalities by as much as 20 percent.

"Arrange for a sober ride before the drinking begins," encouraged Butler "Because the fun will end abruptly if you're driving drunk and we stop and arrest you, or worse yet, you get into a crash and injure or kill someone."

The public is encouraged to report suspected impaired drivers by calling 911, and by ensuring their friends and family have a driver who hasn't been drinking. The best defense against a drunk driver is a wearing a seatbelt, so also be sure everyone in the vehicle is buckled up.

Extra traffic safety patrols are funded by the Montana Department of Transportation. This and other enforcement and education campaigns are combined under Vision Zero, the shared vision for zero deaths and zero serious injuries on Montana roadways. JOB OPPORTUNITY

MANAGER

Dillon Elks Lodge #1554 is seeking a highly motivated, proactive individual to oversee the day-to-day operations of its Lodge and Lounge. Requires excellent communication and organizational skills for interacting with the public and Lodge members. Must have good clean appearance and pass a background check.

Reporting to the Exalted Ruler and House Committee of the Elks Club and accountable to the Lodge, the successful candidate will be responsible for the following typical duties:

- managing daily operations of the building, including the Lounge
- booking facilities
- ordering supplies
- supervising staff and volunteers
- working with various committees
- carrying out direction and policy from the House Committee
- using sound business practices
- managing financial systems with appropriate accountability and controls
- advancing aims and objectives of the Elks organization

This is a salaried position involving approximately 40+ hours per week. Salary is commensurate with experience.

Please return your resume and completed application (available at the Elks Lodge) to:

Jesus is God!

This is in response to the question asked in the Dillonite Daily on Thursday August 11th: Is Jesus God? I believe Jesus *is* God, and to prove it, I will use the King James Bible just like the other nameless guy . Here are the verses:

Mathew 1:23 "Behold, a virgin shall be with child, and shall bring forth a son, and they shall call his name Emmanuel, which being interpreted is, God with us.

John 1:1 In the beginning was the Word, and the Word was with God, and the Word was God.

Jn. 1:14 And the Word was made flesh, and dwelt among us.

Jesus said in John 8:58 "...Before Abraham was, I am." Abraham lived 2,000 years before Christ.

Isaiah prophesied almost 800 years before Christ was born (Isa. 9:6) "For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace."

Jn. 10:30 Jesus says, "I and my Father are one."

Hebrews 1:8 "But unto the Son he (God the Father) saith, Thy throne, O God, is for ever and ever...."

Finally, John 14:9 Jesus Christ tells Philip "he that hath seen me hath seen the Father."

I'm a sinner saved by grace through faith in that Jesus Christ died for my sins, was buried, and arose from the dead. My name is Bill Louis, and I'm not alone in believing that Jesus is God. Both Billy Graham and his son Franklin believe it also.
