## Miriam Morse Ausmus, 88

Miriam Morse Ausmus passed peacefully at the Legacy Assisted Living on August 22, 2016 of natural causes. Miriam was born August 11, 1928 in Dillon to area ranchers, Howard E. and Hazel (Maurer) Morse. Her grandparents, J.E. and Florence (Thorpe) Morse, were early pioneers who arrived in Montana during the 1880's and were among the founders of the city of Dillon.

After attending Dillon schools and graduating from BCHS in 1946, Miriam earned a B.S. degree from Oregon State University and was a member of the Chi Omega sorority there. She later earned a B.S. degree in Elementary Education from Western Montana College.

Miriam married W.R. (Bill) Ausmus and was co-owner of Guy's Men's Wear in Redondo Beach, CA. Their children, Guy and Sally, were born in California. Miriam and Bill later divorced, and she and her children returned to Dillon.

Miriam was a member of Chapter AD P.E.O., former treasurer and board member of Dillon Community Concert Association, served as an election judge, worked as a volunteer at Barrett Hospital, was a member of the Republican Club, former Pan Hellenic Club member, and attended St. James Episcopal Church. She loved playing bridge and belonged to several bridge clubs.

In addition, Miriam enjoyed traveling; she toured 15 foreign countries and over 40 U.S. states. Upon returning home, she always said Montana was the best place.

Miriam was preceded in death by her parents and brother, Howard E. Morse. She is survived by her son Guy Ausmus (Jacquie) of Dyer, IN, and her daughter Sally Munday (Brent) of Dillon. Miriam will be sadly missed by her grandchildren Belinda Munday Nash (Steve) of Bozeman, Lynn Munday (Katie) of Albuquerque, Bryant Munday (Rachael) of Kalispell, Brittany Ausmus Steer (Adam) of Brooklyn, NY, Lauren Ausmus of Seattle, and nine great grandchildren.

A memorial service is scheduled for 2 PM Friday, August 26 at Brundage Funeral Home. The family is very thankful for the wonderful care provided to their mom through these last few weeks by Rachel and the Legacy staff as well as the Hospice team. In lieu of flowers, memorial contributions may be made to Barrett Home Health and Hospice.

In 2014 he married Virginia Rose Neff, and together they had a son, William James. Vance and Rose are expecting a second son, to be named Abraham Odin V., who is due in a few weeks.

Vance's interests included football, gaming and the outdoors. An avid Green Bay Packers fan, he was described by those who knew him as epic, happy and full of life. His prized experiences were with his family – walks, yardwork and projects with his father-in-law, Bill Neff, who encouraged his career as an electrician.

Sadly, with reluctance, we say goodbye for now to a gentle giant who touched our lives. Vance is survived by his wife Rose; son William; unborn son Abraham; mother, Sandy Okken; stepfather Todd Okken; brother Trevor Dicky; grandmother Marilyn Shehorn of Dillon; father Ben Pauley; aunt Debbie Bellis of Dillon; and uncles Will Pauley of Deer Lodge and Joe Pauley of Dillon.

Vance was an organ donor and was able to help six recipients. A celebration of his life will be held at a future date. Donations to Vance's children can be made through [gofundme.com](http://gofundme.com) (search for Vance Pauley). Condolences for the family may be left at Garden City Funeral Home ([gardencityfh.com](http://gardencityfh.com)).

High-five Jesus for us, bud.

This program gives participants more in depth programming while giving parents flexibility to fit work schedules. Children will ride bus 9 to the Y, have a snack, and then be involved in the camp offered for that week. You may sign up for a week or the month, it's up to you. Children in K-5th grade are eligible to join. Camp will end at 5:30pm each day. Camps will be offered all school year long with the exception of school holidays. Full and half day programs will be offered on school's out days for an additional charge. A separate registration is required. Sign up the entire month at one time and save!

First in the After School Series (Sept. 6th-9th) is "Welcome Back". We will spend the week getting to know each other and playing, crafting, and having a great time. No camp on Monday September 5th.

### Annual Maintenance and Cleaning Week

Pools will be closed (Aug. 29th-Sept. 6th). Entire building will be closed (Aug. 30th-Sept. 6th).

### Dillon YMCA Adaptive Trike Clinic

On Friday August 19th the Trike Clinic was a huge success, we loaned out all our trikes but one on that afternoon. The demand was so great for a particular adaptive trike that we have ordered more and should see them in a couple of weeks. These trikes will accommodate people with disabilities and improve physical activity and health. Thank you Wheel Across Montana and Barrett Hospital Physical Therapy Department!

### Enhanced Fitness

The YMCA is now offering a proven community-based program. The program is nationally recognized by the Centers for Disease Control and Prevention and US Department of Health and Human Services. Class is geared toward older adults, and those with a chronic condition, such as arthritis. Join us today and get moving!

### Strong Family Campaign

The purpose of this campaign is to generate funds to support programs, activities, scholarships and services for all members of our community regardless of age or ability to pay. Our 2016 campaign goal is \$113,000. Thanks for your continued support of the YMCA!

The Southwestern Montana Family YMCA is a non-profit, tax-exempt organization; therefore your donation may qualify as a tax-deductible in-kind donation.

Zoning Compliance Certificate:

#2334 – **TABLED** because no plat that showed the required parking space was submitted. The owner High; submitted an application for a change of use in the building located at 114 So Pacific St. The owner wants to replace the old doctor's offices with apartments.

#2348—**TABLED** due to no plat submitted with application showing the parking spaces and where the front door would be located. Cervantes applied for permission to put a single residential dwelling on the back of their property.

#2350—**TABLED** for lack of floor plan submitted for both floors, clarification of porch and where parking will be. Brown would like to build a multiple family unit located at 727 Thomsen.

#2356—**TABLED** because of (2) commercial signs out of compliance and change of use. One of the signs was a pre-existing sign that was modified. Committeeman Mooney said that Mr. Johansson needed two (2) permits. One permit for signs and 1 permit for change of use. This is the restaurant on Atlantic St. that at one time was the "Bull Pen."

**Question:** How has the use changed? It is still a restaurant, however it has changed how it serves the people by adding a drive-up window for the public's convenience. There was a discussion of parking not being adequate along with the public egress and ingress issues. This is one of those businesses built many years before the zoning document was created.

*If businesses downtown were to make changes to their business they would have to buy extra property to provide parking or close their doors and go out of business to comply with the zoning document as it exists today. Downtown businesses are built right up to the sidewalks with maybe a space or two in the back of buildings for parking.*

#2374 – **APPROVED:** Barret Hospital Addition. The building was partially completed before permit was applied for.

#2375 – **DENIED** because it did not meet "height" and "sight triangle" requirements in the Zoning Document. Walker built a fence around her property on Nevada and Sebree Streets. There was an existing fence that was added onto. Once again the committee told her to pay for another permit and go to the Board of Adjustments to see if her reasons for building the fence would be allowed.

#2379 – **APPROVED** Dillon Development was approved to build Town Houses on Bozeman Street.

## Nez Perce Fire Becomes More Active

The Nez Perce Fire became more active yesterday, August 22, due to the passing of a cold front with sustained winds of 25 m.p.h. The Nez Perce Fire located one mile north of Nez Perce Creek, is approximately 11 miles northeast of Butte. The fire is currently estimated to be 13 acres and is burning in steep, rocky terrain with a mixed stand of mostly dead lodgepole pine and subalpine fir. The fire was caused by a holdover lightning strike from August 7th.

Current priorities for this fire are to limit fire growth to the south and west. Firefighters are unable to do direct attack due difficult terrain and an abundance of dead-standing trees that pose a direct threat to firefighter safety.

Firefighters will continue assessment work of adjacent values and work with homeowners to develop mitigation strategies, as needed. Helicopter support will use water today to cool hot spots, focusing on the nearly one acre spot fire detected during a reconnaissance flight during yesterday's winds.

The fire is currently active on all sides, burning primarily in pockets of heavy ground fuels with occasional group tree torching. Smoke will be visible in the future to anyone in the Interstate 15 - Elk Park corridor. At this time there are no area closures associated with this fire. Visitors to the Nez Perce Creek should expect to encounter fire related traffic.

## Letter to the Editor

### Is Jesus God?

In its August 11 edition, the Dillonite Daily published a brief commentary under this title. In that piece, the unnamed author sought to demonstrate that Jesus of Nazareth, the One who was crucified and raised roughly 2000 years ago, claimed to be less than God. However, the unnamed author selected single verses which, when taken in the greater context of scripture, actually present the Trinity—the mystery of God the Father, God the Son, and God the Holy Spirit acting with authority and submission to each other in one complete and inseparable God. Thus, Jesus did, in fact, claim to be God.

Humanity cannot completely understand the mystery of the Trinity of God. As Isaiah 59:8-9 informs, God's thoughts and ways are beyond our complete comprehension. But in spite of the mystery, the Trinity is unmistakably presented in the passages from which the unnamed author selected verses. For example, reading all of Matthew chapter 3 shows Jesus's position as God, and the three members (or persons) of the Trinity interacting in Jesus's baptism.

Other readily accessible passages explaining Jesus's Godhood include the first 18 verses of John's gospel and the first 20 verses of Paul's letter to the Colossians. Perhaps one of the most explicit passages demonstrating Jesus's deity and place in the Godhead is in the 10th chapter of John's gospel from verses 22 through 39. In verse 30 of that passage, Jesus states, "I and the Father are One." In response to that proclamation, the Jews who were contending with Jesus threatened to stone Him. They clearly understood Jesus's claim to be God.

All Christians who affirm the Bible's authority in matters of faith and practice will agree that the complete historical record of Jesus's life, crucifixion, and resurrection affirm His claim to be God. The assertions put forth by the unnamed author present a unique opportunity for many of Dillon's pastors to unite in drafting, and publishing in this newsletter, a more comprehensive joint explanation of Jesus as God and Sovereign over all His creation. I encourage Dillon's pastors to join together and embrace this opportunity.

Respectfully,  
Brad De Groot

FOR IMMEDIATE RELEASE

DILLON JAYCEE AUXILIARY  
P.O. Box 467 -- Dillon, MT 59725

### Dillon Jaycee Auxiliary Plans "Past, Present, Future" Parade

DILLON, MT – This year's theme for the Labor Day parade is "Past, Present, Future". To enter, please pick up an entry form at Wornack's Printing Place, Bank of Commerce, or online at [dillonjaycees.com](http://dillonjaycees.com).

Entries to be judged are due by Friday, September 2, 2016, by closing business hours at Wornack's Printing Place, Pita Pit, the Bank of Commerce, or Dillon City Hall. Mailed entries must be received by Friday, September 2, 2016, to be considered for judging. Day-of parade entries are welcome to participate, but not eligible for judging. There is no cost to enter. Divisions include: Youth Organization, Comic/Novelty, Adult Organization, Youth Horse, Adult Horse, Commercial, Advertising, Car, & Political. Entrants must be in position by 9:00 AM the day of the parade, with the parade beginning at 10:00 AM. Entry numbers must be picked up by 9:30 AM at the Northwestern Energy parking lot.

As in previous years, in order to protect our community's children, any group or individual who wishes to throw candy or promotional items must do so while walking, not riding in a vehicle or on horseback. This is intended to keep the candy away from vehicle tires and hooves, discouraging children from running out into the street to pick up candy. Dillon's Labor Day Parade is one of only a handful left in the state that allows candy-throwing. Thank you for your consideration while planning your parade entry.
