Put immunizations on back-to-school list

The Department of Public Health and Human Services (DPHHS) reminds parents to be aware of the Montana school immunization requirements, as the 2016-2017 school year is beginning. Parents are encouraged to review their children's immunization record to ensure they are up-to-date for the upcoming school year.

"Back to school vaccinations help protect children, families and school staff from vaccine preventable diseases", said Bekki Wehner, DPHHS Immunization Program Manager. "If you haven't done so already, now is the time to check with your healthcare provider to find out what vaccines your child needs."

Children entering or attending kindergarten through grade 12 are required to have two doses of measles, mumps rubella (MMR) vaccine, two doses of varicella (chickenpox) vaccine, three doses of polio vaccine and four doses of diphtheria, tetanus, pertussis (DTaP) vaccine. Students in 7th - 12th grades are also required to have one dose of tetanus, diphtheria, pertussis (Tdap) vaccine.

Wehner said as long as a student has received at least one vaccine in the required series, that student may qualify for a conditional attendance as allowed by current regulations. A conditional attendance provision allows the student to stay in school while they finish the required shots.

In 2015, Montana added varicella and Tdap to the list of shots required for school. Since then, Montana has shown improvement on adolescent immunization rates. Tdap coverage has increased from 84.7% in 2014 to 89.5% in 2015. Varicella coverage rates in adolescents also increased from 62.4% to 73.3%, according to 2015 National Immunization Survey data.

In addition to vaccines required for school, Human Papillomavirus (HPV) and Meningococcal (MCV) vaccines are recommended for all teens and the annual influenza vaccine is recommended for everyone 6 months and older. DPHHS encourages parents to talk to their family physician or local health department should they have questions if their child is up-to-date on all recommended vaccines.

All children in Montana are eligible to receive low or no cost vaccines through their health plan or the Vaccines for Children Program. More information visit www.dphhs.mt.gov.

assisted by initial attack crews from the Dillon, Wisdom, and Wise River Ranger Districts as well as air support including two helicopters. Air resources successfully dropped water on the fire while ground crews installed hoses and pumps to deliver water to the lower reaches of the fire. Despite these efforts, the fire increased in size to 12 acres due to sustained winds and dry fuels. Spot fires were observed outside the main fire perimeter across Agnes lake.

Weather Forecast: Weather is always a crucial factor in the behavior of a fire. Weather forecast for this afternoon includes warm temperatures, sustained moderate winds, and a chance for afternoon thunderstorms. Gusty winds of 20-30 miles per hour can be expected with any thunderstorm passage. This weather forecast is expected to increase fire behavior.

Planned Actions: Firefighters will be working today to create and secure fireline around the East and South flanks of the fire as well as locating and extinguishing spot fires.

Safety Concerns: Safety of the public and firefighters is always a primary concern. Many standing dead trees (snags) exist within the Agnes Lake area.

Closures: There are trail and road closures in effect at this time. These include Trails 1122, 1120 and Roads 8210 from Forest Boundary, Forest Road 190 from Junction of frontage Road, Forest Road 7473 from its Junction with Road 190. Please see the attached map of trails and roads closed to protect the public and firefighters.

COOL BOTTLE OF WATER

The Beaverhead Republicans will again be hosting their booth at the Fair. Stop in for a visit, relax, and have a cool bottle of water.

On Labor Day, State wide candidates, Ryan Zinke, Steve Daines, Greg Gianforte, Lesley Robinson, Elsie Arntzen, Tim Fox and Roger Koopman will be in the Parade and at the GOP BBQ at Jaycee Park at 11:30 AM. Local Candidates, Tom Welch and Jeff Welborn will also be in attendance. The public is invited to come and meet these people running for office. There will be family friendly rates at the BBQ catered by Gary Lorenzen.

FWP opens two stretches of Yellowstone River

Montana Fish, Wildlife and Parks opened two sections of the Yellowstone River Thursday, due to the improvement of environmental conditions that led the FWP to close the river and all of its associated tributaries on Aug. 19.

On Thursday, after going over current testing results and river conditions, FWP opened an upper section of the Yellowstone to non-angling recreation only; the other section below Livingston will open completely to recreation. The mainstem of the Yellowstone River through much of Paradise Valley south of Livingston will remain closed at this time.

Gov. Steve Bullock supported opening parts of the Yellowstone River and acknowledged the implications of the decision to the local economy.

"I join Montanans in being encouraged by this first step, but we're not out of the woods yet and we must ensure that we are safeguarding Montana jobs while keeping this threat at bay," Bullock said. "A threat to the health of Montana's fish populations is a threat to Montana's entire outdoor economy and the tens of thousands of jobs it sustains, and I want to thank all Montanans and visitors for their ongoing support as we work to protect and preserve the health and economic benefit of the Yellowstone River."

60th Anniversary

**BULLDOG BASKETBALL
 GAINS TWO PLAYERS**

University of Montana Western women's basketball coach Lindsay Woolley announced today that Cierra Lamey and Taylor Howlett would be joining the Bulldogs program as transfer student-athletes.

Lamey, a former Beaverhead County High School standout, played one year at Montana State University Billings prior to committing to Montana Western. During her freshman season at MSUB, Lamey played in 24 games, tallying 79 minutes. During her appearances she accumulated 17 points, seven rebounds, and season steals. During her high school career as a Beaver, Lamey was a three-sport standout, lettering in basketball, track and field, and volleyball.

Coach Woolley was clearly excited when hearing of the news that the local standout was considering coming home. "I was thrilled when Cierra contacted me about transferring from MSUB. She is a local player who we recruited out of high school. Cierra is a brilliant student and has a burning desire to improve."

Howlett, who will be entering UMW as a senior, spent last season with Warner Pacific. While with the Knights, she played in 27 contests, totaling 9.7 points, 2.3 assists, and four rebounds per game. Prior to her time at Warner Pacific, she also played at Clark College for two season, recording 14.78 ppg, 4.7 apg, and 4.56 rpg.

Once again Woolley was excited about another talented player joining his roster. "We are excited that Taylor has decided to join our program. She is an excellent defender and very versatile as an offensive player who we can put at multiple positions. Taylor also brings a ton of experience to the table that she will be able to use while competing in our league."

"We can't wait to see what these girls do on the floor during their bulldog career," finished Woolley.

Both ladies will be eligible to play in the upcoming season, hitting the court with the rest of the team for their season opener on Oct. 28.

Do You Know the Truth... "Did Jesus Christ die for our sin?"

(We believe the following: (1) the Bible was given by the inspiration of God as stated in 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is a reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with Biblical teachings are false.)

The answer to this question is found in the following quotes:

John the Baptist in John 1:29, "...Behold, the Lamb of God, which take away the sins of the world."

The apostle Peter makes it clear that the blood of Jesus is what redeems mankind. 1 Peter 1:18-19 states, "Forasmuch (since) you know that you were not redeemed with corruptible things, as silver and gold, from your vain conversation (life-style) received by the tradition from your fathers; But with the precious blood of Christ, as of a lamb without blemish and without spot."

The gospel of John says in 3:14-15, "And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up: That whosoever believes in him should not perish, but have eternal life."

Quoting Paul the apostle we read in 1 Corinthians 15:3-4, "For I delivered to you first of all that which I also received, how that Christ died for our sins according to the scriptures; And that he was buried, and that he rose again the third day according to the scriptures."

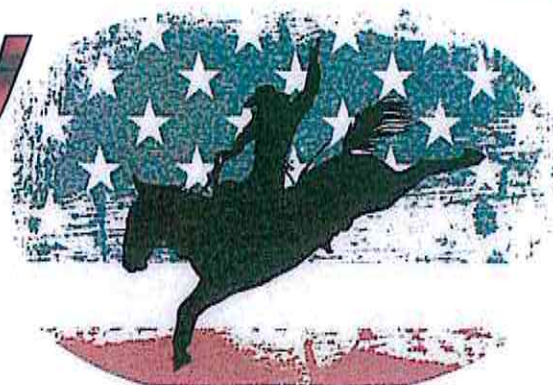

Paul also states in Romans 5:8-9, "But God commended (demonstrated) his love toward us, in that, while we were yet sinners, Christ died for us. Much more then, being now justified by his blood, we shall be saved from wrath through him."

Though many religious organizations have added to or even changed what the Bible teaches regarding this matter, a multitude of scriptures clearly reveal the fact that Christ offered His life as payment for the sins of mankind.

Conclusion: The Biblical requirement for entrance to heaven is to "...believe on the Lord Jesus Christ, and you shall be saved..." Acts 16:31.
