CHALLENGE CADET HOME

Montana Youth Challenge Academy cadet Jon Tyrrel appeared in a field by Polaris after leaving the camp Wednesday night at Birch Creek. A rancher spotted him and took him in. He fed him and took him to the Town Pump in Rocker. Tyrrel told the rancher he was head to Helena to his family. The rancher later reported to the authorities the event.

Tyrrel was in tennis shoes, sweatpants and a sweatshirt when he left the camp. Beaverhead County Sheriff's deputies and Beaverhead Search and Rescue were called Thursday to help look for him. Tyrrel hiked up over the ridge of the Pioneer Mountains coming down in Polaris on Thursday. He was not prepared and dressed for the temperatures that dropped into the 30's and low 40's over night. He, however, luckily survived the weather and animals and is now in Helena with his family.

FIRE CALL

DVFD was called at 4:34 am Sunday morning to a garbage pit fire at R.E. Miller & Sons on Highway 91 South.

DILLON BEAVERS WIN ON THE ROAD

The Dillon Beavers finished with 100 yards more on the ground then Billings Central winning 20-16 on the road Friday Night.

Quarterback Troy Andersen led his team to the win with a pack house in Billings. He had 142 yards on 19 carries with a 22 yard loss on a bad snap right at the end of the first half. He had a 53-yard run set up Coby King recovering a fumble from a pass in a play before that.

Central had taken an early 7-0 lead with Ben Voss scoring on a 23-yard touchdown run

R.J. Fitzgerald had a great game as well with a fumble recovery, quarterback sack and blocked a PAT attempt for the Beavers. The Beavers (2-0) hosts Polson on Friday.

Get out to the games and support the Beaver teams.

THANK YOU

To the Grasshopper Valley Fire Dept Ambulance, and EMTS Shelly and Tom Boyd and George Bradley for quickly getting Joanie to Barrett Hospital and a special thanks to Dr. Mike Clark and Dr. Anna Loge and the nurses at Barrett Hospital ER, Life Flight Personnel, Home Health, Physical Therapy and Montana Roadmap RN's. Also, the help and support of family and friends, along with all the wonderful meals from the Grasshopper Valley Ladies Club.

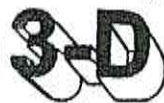

We cannot thank all of you enough.

Letter to the Editor

Napoleon once said "China is a sleeping giant, let her sleep,". Could some brilliant person tell me why America is in bed with China? We are in debt to China trillions of dollars, everything you buy is "made in china". China definable plans on being number one in the world militarily and also number one in the world financially. Recently the top political leaders gave a speech in which he warned the citizens of China about getting to far away from the Marxist Leninist Doctrine. Why would we want to do business with a communist country?

Vendors on Montana St.

By: MJ

When time is getting close to Labor Day week-end as you drive down street you see vendors setting up their booths displaying their wares or cooking up a delectable treat. The city charges a vender \$100.00 for the area they set up in. **Question: Did you ever wonder what is involved for the city to have them in your town?**

Originally the Chamber of Commerce was organization that overseen the vendors. The Chamber abandoned the project and city took it over. Stacy Roundy, a city employee took on the challenge by becoming the ambassador for Dillon and person that would be accountable.

It's a long demanding process to locate, contact and communicate with vendors. Vendors don't just show up. They must be pursued. She has to advertise the week-end in a way that is appealing to the vendors. She does a meet and greet with them to enticing them to come and set up shop and sell their wares. Stacy sent out letters, used web sites and took advantage of Facebook to locate vendors. Like any new process she had withstood a learning curve.

With the help of Nick Gutcheck they measure and mark off the individual spots for vendors to set up their displays at the park and on Montana St.

Day of Vender Arrival: Ms. Roundy meets the vendors, helps locate stakes, answers their questions and provides directions. She continues to stay in touch with them during their stay.

At the end of the week-end she gathers pertinent information such as, were they satisfied, did they cover their expense and make a profit, what was their views on the number of people shopping and milling around, how they felt about the reception they received in Dillon, was there enough space provided for their set up, whether they will back...

Vendors bring new money to the area giving a boost to the economy. New money is circulated several times throughout the community. Vendors circulate in their own circle and the world of mouth discussions Dillon gets in that circle is powerful advertisement.

Thank you Stacy for your hard work. Thank you to all the city employees and city for making this program possible to continue.

FWP REOPENS ANOTHER REACH OF YELLOWSTONE

Montana Fish, Wildlife and Parks reopened the reach of the Yellowstone River from Carbella Fishing Access Site to Point of Rocks Fishing Access Site to all recreational use Friday. Earlier this week, the section just upstream to the border of Yellowstone National Park was also reopened to all uses.

FWP staff has noted no new fish mortalities in these upper reopened reaches.

The large section of river downstream from Point of Rocks FAS to Highway 89 Bridge FAS remains closed to all use.

In the section of the river downstream of Highway 89 Bridge FAS (and east of Livingston) and eastward, crews have not documented any new mortality. The Yellowstone downstream of Highway 89 Bridge is open to all use.

Additional testing results on healthy fish collected in several Yellowstone tributaries are expected next week.

Here's the Dillon Middle School news for the week of September 12th through the 16th, 2016.

The lunch menu for the week is as follows: on Monday, we will enjoy pizza with a cheesy pinwheel and marinara sauce. Tuesday, a bean and cheese burrito will be served with refried beans, and on Wednesday, we will have a chicken patty on a school made bun with trimmings. Thursday, we will enjoy a turkey and cheese sub with trimmings, and on Friday, tomato soup will be served with a toasted cheese sandwich, applesauce, and fresh veggies.

The Cougar Garden Club is proud to announce that the Cougar Garden is in the midst of harvest time. We had a big turnout last week in the garden patch as students came to help dig up the plants and win prizes for biggest carrot, weirdest carrot, largest onion, and the smallest potato.

Today, Monday, September 12th, is picture day for the fall sports' teams. Volleyball will have their pictures taken at 4 and 4:30, followed by cross country at 4:30. Then football will have their pictures taken at 5 and 5:30. Students should bring their forms and payments to practice along with their game jerseys. Payment will go directly to the photographer.

Also, today, 6th grade volleyball begins. Students, please get your sports physicals, signed concussion packets, and permission slips into the office in order to be able to participate.

Tomorrow, Tuesday, September 13th, cross country will travel to East Valley Middle School. The bus leaves at 1:30, and the meet will begin at 4:00 p.m. Also, the volleyball B team travels to Butte Central on Tuesday. The bus leaves at 2:30, and the 7B game begins at 4:00 pm.

Additionally, the volleyball A team will travel to East Valley and Montana City for a tournament on Saturday, September 17th. The bus will leave at 6:30 and play will begin around 8:30.

Football travels to Butte East on Thursday, September 15th. The bus leaves at 2:00 p.m. and games are at 3:30 for 7th and 5:00 for 8th grade.

Students, listen up, it's that time of year again. Student council elections are just around the corner. If you are interested in running for student council... or... if you are interested in running for President if you are in 8th grade.... Or..... for vice president if you are in 7th grade, keep listening to the morning announcements so you don't miss out on this great opportunity.
