Board of Adjustment Committee

By: MJ

Meeting called to order by Chairman Straugh. On the agenda was Brian Johansson variance request for his business on Atlantic Street. Parking was an issue for the zoning committee as well as signs being out of compliance. The zoning board denied Mr. Johansson's permit. He then applied to the Board of Adjustments for a hardship permit.

Representatives from residents in the immediate area and a business representative also in the area were in attendance. They had some questions however did not have any major objections or negative concerns. Several other public members in attendance had concerns with a possible hardship being passed onto a commercial business by the city and pointed out several revenue producing commercial businesses have moved out of town. One person wanted an engineer's study done on traffic flow. Chairman Straugh indicated he felt parking was a problem and ask the Director of Operations to check with the State of Montana on any regulations they might have on state highways.

The board indicated that the footprint of the business had been changed so therefore Mr. Johansson must comply with the zoning document. *QUESTION: How was footprint changed? The foundation was not changed, it was a restaurant serving food and is still today a restaurant serving food with a drive through window. In today's world it is permissive to interpret things the way it fits into what one personally believes or in a way that benefits someone.* The chairman asked when was the business built and what were the original parking requirements. No one had this information.

Other significant questions: Egress & ingress, a possible back-up of traffic due to a line created via the drive through window and pedestrian safety.

Mayor Klakken expressed concerns over the decisions made on parking for businesses. Many buildings that accommodate businesses in Dillon are built right up to the sidewalks. **Example:** Wells Fargo's drive through exits onto Montana Street, several businesses on Atlantic Street have contracted personnel that park their vehicles with equipment making it near impossible to see small cars when entering Atlantic St. and there are many more examples throughout the

town. **QUESTION:** *If there is no working flexibility with the city fathers, will it become a problem and discourage businesses from locating in Dillon?* Yes, it would depend on the type of business, what the requirements are and many other factors. When an area starts to grow often it will have a large percentage of small fledgling type business that don't have extra capital.

Mr. Johansson stated he did not think parking was a problem. He felt the drive-thru was an advantage to parking issue. He expressed he would be more than happy to work with the city on sign issue.

The board did not make a decision however there was a great deal of open discussion for the board to contemplate when making their decision. *It was refreshing to see people attending the meetings that resided in immediate area, have a business nearby and others that were concerned citizens of the community.*

Volunteers Sought to Host at Popular Gordon Reese Cabin

The Forest Service is looking for winter recreation enthusiasts to volunteer at the Gordon Reese Cabin located at the Chief Joseph Cross Country Ski area this winter.

Volunteers are welcome to assist in maintaining this popular facility throughout the winter season. Each Tuesday and Friday during the ski season is set aside for volunteers to serve as Forest Service cabin hosts, helping maintain the cabin and trailhead facilities during the day and staying overnight for free. It is not necessary for volunteers to stay in the cabin through the entire day. Volunteers and their guests are encouraged to enjoy and explore the trails and surrounding winterscape. The Forest Service asks that volunteers occasionally return to the cabin to tend the woodstove fire, ensure snow is melting for hot water, and making the cabin clean and comfortable for visitors to use as a warming shelter during the day.

As with all Forest Service rental cabins, visitors, volunteers and overnight guests must bring their own drinking water. MT Department of Environmental Quality and Forest Service public water system regulations do not allow water storage for public use. A large ceramic water filter is provide for visitor convenience and cabin visitors are encouraged to share the large snow-melting pot for boiling water.

General volunteer host duties include: meeting and greeting the public; answering visitor questions; shoveling paths leading to both outhouses at the cabin and the trailhead; clearing snow from the deck and doors; stocking and cleaning the cabin and both outhouses; restocking firewood from the basement to the main floor and tending the woodstove fire.

To volunteer at the Gordon Reese Cabin, call the Wisdom Ranger District office at (406) 689-3371 beginning October 3, 2016 at 8:00 AM, MST. Due to the popularity of the cabin volunteer program, this will be the only number used for volunteer sign-up; the main District Office phone number will be kept open for regular business calls.

The Gordon Reese Cabin is available to the general public to rent from December 1 through April 15. Reservations are \$9 per day and can be made on-line beginning on October 3, 2016 at www.recreation.gov or call (877) 444-6777. Cancellations are also handled through www.recreation.gov. However, due to the popularity of renting the cabin, last minute reservations and cancellations may be filled by contacting the Wisdom Ranger District office at (406) 689-3243.

As with other rental cabins, renters are responsible cleaning the cabin, and packing out everything you pack in. During the day, the cabin is available as a warming hut to cross-country skiers, so renters do not have exclusive use of the facilities and are expected to act in a welcoming manner. The upstairs sleeping area can be closed off to provide limited privacy during the day. Pets are not allowed at the cabin or on the trails.

The cabin is located approximately ½ mile from the Chief Joseph Pass parking area/trailhead on Montana State Highway 43, 10 miles south of Sula, MT and 25 miles west of Wisdom, MT. Access to the cabin is an easy ½ mile snowshoe, or ski on well groomed trails. The Chief Joseph Cross-country Ski Trail system encompasses over 30 miles (48 kilometers) of groomed trails of various difficulty. The trails are groomed and maintained throughout the ski season by volunteer members of the Bitterroot Cross Country Ski Club. Contact the Wisdom Ranger District for more information at (406)-689-3243.

Volleyball Ends Tournament Season with an Up-and-Down Weekend in Hastings

Hastings, Neb.- Kyra Palmer (Kimberly, Idaho/Kimberly) and Tessa Miller (Manhattan, Mont./Manhattan) set single game career highs, but their performances were unable to help salvage a .500 weekend, as the University of Montana Western Volleyball (5-7, 0-0) squad dropped three of four matches at the Five Points Bank Invite in Hastings, Neb.

No. 4 Hastings College was first on the slate for the Dawgs on Friday afternoon. The Broncos used a total team performance to take the match in three straight sets (22-25, 13-25, 12-25). Callie Hanson (Spokane, Wash./Easy Valley) racked up 19 assists in the losing effort, along with Dylan Fowler (Belgrade, Mont./Belgrade) who has 9 digs.

Northwestern College (IA.) was next up on the docket on Friday afternoon, and while the Bulldogs got into the win column, unforced errors doomed the match as they fell in four sets (19-25, 10-25, 25-18, 17-25). Hanson provided 24 more assists, Fowler with 11 more digs, and Bailey Wilson (Burley, Idaho/Declo) had five blocks.

Saturday morning brought two more games, with the first being against Concordia (Neb.). This proved to be the closest loss of the weekend, with Montana Western dropping the match again in four sets (26-24, 22-25, 20-25, 22-25). Hanson has 48 assists, second most among both teams. Fowler led the Bulldogs in digs with 20, and Palmer and Miller had 17 and 13 kills respectively.

The last match of the weekend was the first victory for the Dawgs, dropping the first set but finishing by winning three straight against Kansas Wesleyan University (22-25, 25-15, 25-21, 25-21). Hanson led all players with 49 assists on the game, finishing with 140 on the weekend. Fowler finished with 62 digs, putting in 22 in the final match. Brittney Chilcott (Stevensville, Mont./Stevensville) and Miller each had four blocks in the victory.

The Bulldogs will now start Frontier Conference play this week when they head to the University of Great Falls for a Friday night matchup. Montana Western will then open their home slate on Saturday, when they take on MSU-Northern. First serve is scheduled for 7:00

Beaver Head Hunters

The September meeting of the Beaver Head Hunters Genealogical Society will be Tuesday, September 20 at 7:00 pm in the museum research room. We hope everyone enjoyed their summer and were able to do some type of genealogy related activity. It's always a great time to ramble through cemeteries, attend reunions, and travel to areas with family roots. This month, after the short business meeting, we will each have the opportunity to briefly share what we did this summer. As always, the public is invited to attend.
