The Beaverhead Trails Coalition

The Beaverhead Trails Coalition would like to invite the public to help us celebrate the closing of our next phase of land on the high trails. This next piece of land will connect the trails from the "M" to the "B". Our celebration will begin on Saturday, October 1 at 3 pm. We will meet for a hike at the trailhead. Then we will go to the Beaverhead Brewing Company at 5:30 for the celebration with music by Bill Dwyer and Dave Walker, food and fun. All are welcome."

"Bird's-Eye View Trail"

Please join us at Bannack State Park on September 24th at 10:00 AM for the Grand Opening of the "Bird's-Eye View Trail". This brand new hiking trail rolls through sagebrush prairie and ascends through patches of conifers, providing a magnificent view of Grasshopper Creek and the autumn colors of its willow and cottonwood trees. The trail is 2.7 miles long, and takes about 1 ½ hours to complete. The hike will be followed by an optional tour of Grasshopper Creek, which houses a variety of wetland plant and bird species. The event will begin at the Visitor Center.

BANNACK ASSOCIATION OFFICER TO SPEAK TO DILLON KIWANIS

Letter to the Editor

Disrespecting the American Flag during the National Anthem is Despicable!

Are these spoiled overpaid NFL ingrates (some but not all) protesting "America's treatment of minorities"? Specifically, the treatment from bad cops. No one likes bad cops, and thankfully their numbers are very low. Folks like Michael Brown, Eric Gardner and Freddie Gray involved culpable bad behavior. I would respect the athletes if they protested for the safety of our police officers, who are being stalked, setup and shot by the more violent sociopaths. Protesting because of the treatment of minorities - Really? How about the Black Lives Matters debacle? Do these uninformed protesters know or care what's going on in the neighborhoods of Chicago? As of now, the death toll has reached over 500 dead, and counting. Chicago has one of the most strict gun laws in the country. So, for all the anti-Second Amendment folks, do you really think that strict gun laws work? I don't think so! Furthermore, while black-on-black crimes continue with no end in sight, the likes of Jesse Jackson, Al Sharpton and other civil rights leaders are nowhere to be found as usual. A message for the NFL players, don't Blue Lives Matter? The ones who are protesting and disrespecting our American flag are even sadder and more despicable! It's even trickled down to the high school level. You should be so lucky living in this country. Our country has lost its moral compass. There are other means of protesting without treading on our beloved Red, White and Blue colors. A lot of blood was spilled so that the "uninformed" can have the right to act like an @\$%^! For the rest of us patriots, I've got a great idea - ignore the NFL games and do something worthwhile, like shaking hands with our police officers. Better yet, stand up and sing the National Anthem with your right hand over your heart.

**Montana Highway Patrol Recruiting
 for Ten New Troopers**

The Montana Highway Patrol (MHP) announces it is currently accepting applications for ten new Troopers to begin training in April 2017. MHP is the traffic law enforcement division of the Montana Department of Justice and is responsible for the enforcement of motor vehicle and highway safety laws according to state and federal statutes, as well as for the investigation of traffic crashes.

"Montana's law enforcement professionals are her true heroes, and that most certainly is true of our Montana Highway Patrol Troopers," Attorney General Fox said. "Last fall, 364 applicants answered the Patrol's call for ten new recruits; the reputation of this agency and our Montana way of life makes Trooper recruitment a highly competitive process as men and women from all across the country seek to carry on the Patrol's legacy of service and honor."

MHP is recruiting for both entry and lateral applicants. An entry-level applicant has not graduated from the Montana Law Enforcement Academy (MLEA) Law Enforcement Officer Basic Course in Helena and does not have any previous law enforcement experience. A lateral applicant has graduated from the MLEA Law Enforcement Officer Basic Course within the last five years, or has a current Basic Law Enforcement POST Certificate from Montana or another state and has been employed in a full-time sworn peace officer position within the last five years.

MHP Academy training for entry-level applicants is 23 weeks; training for lateral applicants is 11 weeks. Successful out-of-state lateral applicants must also complete the two-week Montana Law Enforcement Legal Equivalency Course, preferably prior to the MHP Advanced Academy, or within the first year of employment. After successful completion of the Academy, new Troopers may be sworn in as a Trooper and stationed in vacant traffic stations as they become available throughout Montana. If there are not sufficient vacant stations available, graduates will be placed on a reserve list until vacancies occur.

MHP Colonel Tom Butler said, "For 81 years, the Patrol has worked to reduce the amount of criminal activity on all Montana highways and roads by apprehending fugitives, recovering stolen vehicles, confiscating illegal drugs and weapons, cooperating with all enforcement task forces, and sharing intelligence with partner law enforcement agencies. We're looking for individuals who are interested in helping us in these efforts as we work to make Montana safer for all."

Interested individuals are encouraged to visit MHP's website for further details and application instructions: <https://dojmt.gov/highwaypatrol/>. For more information about the Trooper selection process and requirements, contact MHP at 1-(877) 8-PATROL toll-free or (406) 444-3259. The deadline to apply is October 14, 2016.
