Ethel Stathem, 91

Ethel Stathem, 91, passed away peacefully at Barrett Hospital on Monday, September 5, 2016 after a brief illness. Ethel was born Millie Ethel Leap on May 17, 1925 in Imperial, Ca. Many of you knew Ethel as the lady "that was always sweeping or chopping ice in front of Wells Fargo Bank" over the past 26+ years.

Ethel Stathem is survived by her daughter, Micki Martin of Pahrump, NV and Faron and Laura Stathem of Dillon, 9 grandchildren, 14 great grandchildren and 6 great great grandchildren, numerous nieces and nephews as well as extended family . Ethel was the last of "that" generation on the Stathem side and was preceded in death by Bill, her husband of 68 years, who passed away in December, 2011 and sons, Dennis and Verlen and daughter Sherry Clyne.

Ethel was a hard worker who loved her garden, flowers, yard saleing and her grandchildren, she was born during the depression into a farming family in the hot, dry desert of the Imperial Valley. Bill and Ethel were married in Fresno, California in 1943 and lived "on the home place", where the family raised alfalfa, corn, cotton and cattle.

Ethel and the family originally moved to Dillon in the fall of 1957. We were recently told that "your mother was a woman of faith and integrity and that's not found in this world today, and she never wavered in her religious beliefs. You can be proud of that."

The Stathem family would like to thank Dr Weed for her dedicated service to the family over the past 25 years. We would also like to thank Dr McIntyre, Dr Murray and the entire staff of doctors, nurses, home health providers, the emergency department and the support staff of Barrett Memorial Hospital.

A memorial service for Ethel Stathem will be on Saturday, Oct 1, 2016 at 2 pm at Brundage Funeral home.

1959 Yellowstone Earthquake Author coming to Dillon

A devastating earthquake that struck the Hebgen Lake area near Yellowstone National Park in 1959 left a powerful mark on a 7-year-old boy who was asleep in his Idaho Falls home. Historian and author Larry E. Morris said he didn't wake up. "My mom certainly did. I think a jar fell and broke," he said.

Morris is an independent writer and historian. He was born and raised in Idaho Falls, Idaho, and received a master's degree in American literature from Brigham Young University. He has completed extensive research on the members of the Lewis and Clark Expedition and is the author of "The Fate of the Corps: What Became of the Lewis and Clark Explorers After the Expedition." He also the coauthored "The Mystery of John Colter: The Man Who Discovered Yellowstone" He wrote "The Perilous West: Seven Amazing Explorers and the Founding of the Oregon Trail" as well as numerous articles on the early American Fur Trade.

The earthquake book focuses on the human drama of the quake, and virtually all of the narrative takes place in Montana, especially the Madison River Canyon, Hebgen Lake, West Yellowstone, Bozeman, Helena, Missoula, Ennis, and Virginia City. Larry Morris will be signing copies of his book along with a short presentation allowing time for questions and discussion at The Bookstore on Friday, September 23rd from 5:00-7:00. Please call 683-6807 if you would like to reserve a copy today.

Nez Perce Fire Update

The lightning caused Nez Perce Fire located approximately 11 miles northeast of Butte is currently holding steady at 699 acres. The updated acreage is due to more accurate mapping done by an infrared flight. The fire continues to burn in very steep and rocky terrain and remains upslope from adjacent private property. The fire which was detected on August 13 has been monitored daily by firefighters since it began.

Isolated smoke from areas within the interior of the fire will continue to be visible along the Interstate 15, Elk Park corridor, over the coming days/weeks and will continue until we get significant rain or snow to extinguish them.

For more information call the Butte-Jefferson Ranger District at (406) 494-2147 (M-F) or the Dillon Interagency Dispatch Center on weekends at (406) 683-3975. As conditions change, information will also posted on Inciweb at http://inciweb.nwcg.gov/.

Rodeo Teams Place Third at Big Sky Regional Rodeo

The University of Montana Western Rodeo team was back in action this past weekend at the Big Sky Regional Rodeo. The men's and women's teams' combined to win four individual events, while keeping their places relatively secure in the overall standings.

On the men's side, the team finished the rodeo third overall with 510 points, only ten points behind second place Montana State. Northwest College won the team portion with a staggering 715 points. The men's team is now third in the season standings with 1,379.50 points, less than 200 points behind first place Montana State. Northwest College sits in-between the two squads after two rodeos.

The women's team also finished the rodeo in third place. They accumulated 155 total points, while Miles Community College collected 275 points for second, and Montana State ran away from the competition with 680 points. The Lady Bulldogs still hold a firm grasp on second place in the season standings with a total of 1,061 points. Montana State University sits in first, with 1,835.50 points.

When it came to the individual performances, the Bulldogs were on fire, winning four of nine separate events. Tanner Butner started things off by winning saddle bronc riding with a score of 143. The Dawgs came away with the victory in bull riding as well, thanks to Ruger Jarvis-Piva's score of 160. The men's final individual competition success came when Michael Vines teamed up with MSU's Dalton Carr to take the honors in team roping with a time of 21.4 seconds.

Other standout performances from the men included Talon Schneiter and Tristian Hansen playing 3rd and 4th respectively in bareback ridings. Jacob Worthen also placed 4th, this time in steer wrestling. Alonzo Skunk Cap finished 5th in the men's all-around.

Amber Chevallier made sure that the women came home with an event win as well, edging out MSU's Sydney Browning to by two tenths of a second in barrel racing. Hannah and Callie Wollenburg placed in the event as well, finishing 4th and 6th respectively.

In breakaway roping, Charleyne Yeager finished third with a performance of 7.7 seconds. The Lady Dawgs also had to place in goat roping with Tess Turk finishing third with 17.5 seconds and Darby Yeager securing the goat in 20.3 seconds.

There are just now two events left in the fall season. Next up will be the Dawson Community College Rodeo this Friday thru Sunday. A full recap of the events can be found on umwbulldogs.com. Complete results from all rodeos can be found at collegerodeo.com.

ENTIRE YELLOWSTONE RIVER TO REOPEN FRIDAY

Montana Fish, Wildlife and Parks will reopen the last closed segment of the Yellowstone River south of Livingston to all uses Friday.

The segment set to reopen – a 17.2 mile reach from Emigrant Fishing Access Site to Pine Creek Fishing Access Site – was hardest hit by the fish kill primarily affecting the river's Mountain Whitefish population. FWP crews have been closely monitoring the river and have not seen new mortality in this or other reaches of the Yellowstone.

With this reopening, FWP wants to the public to be aware that should new cases of dead or dying fish in the Yellowstone be observed in upcoming surveys, the possibility to close the Yellowstone again remains. The Fisheries team is concerned especially about the potential impact on Yellowstone Cutthroat Trout, a species of concern in Montana.

FWP appreciates the patience and understanding of the affected communities, businesses, and recreationists during the closure and into the future.

With the reopening, Gov. Steve Bullock also extended his appreciation to the public Thursday.

"I want to thank all Montanans and visitors for their ongoing support as we protect Montana jobs and the health of the Yellowstone River, one of the last, great, free-flowing rivers in the United States."

Earlier this week, the U.S. Small Business Administration (SBA) announced it is offering low-interest federal loans to help businesses affected by the closure of the Yellowstone. The SBA declared the Yellowstone event a disaster following a request from Gov. Bullock.

More information on the Yellowstone fish kill can be found at http://fwp.mt.gov/news/newsReleases/headlines/nr_4278.html.

FWP also reminds recreationists to Clean. Drain. Dry as this mantra is the key to preventing the introduction and spread of aquatic invasive species and other harmful organisms.

Do You Know the Truth…"Jesus Christ died, was buried, and arose from the Grave!"

(We believe the following: (1) the Bible was given by the inspiration of God as stated in 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is a reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with Biblical teachings are false.)

Jesus foretold His coming death and resurrection. In John 2:19 He told the Jews, "Destroy this temple, and in three days I will raise it up." The Jews mistakenly thought He was referring to their temple of worship, but John 2:21 says, "…He spoke of the temple of His body."

On the night He was betrayed Jesus said to His disciples in Matthew 26:31-32, "It is written, I will smite the shepherd, and the sheep of the flock shall be scattered abroad. But after I am *risen again*, I will go before them into Galilee." Matthew 28:10-20 records His keeping of that appointment.

The Biblical record reveals that Christ was seen by hundreds after He arose. I challenge anyone who does not believe this to read the historical accounts in the following scriptures: Matthew 28:7-10; Luke 24:13-52; John 20:1-29; Acts 1:4-9; 1 Corinthians 15:3-8.

The theme of the great Apostle Peter's message in Acts 2 was the resurrection of the crucified Christ. He states in Acts 2:32, "This same Jesus has God raised up, whereof we are all witnesses." He then makes it clear in Acts 2:36 that "…God has made that same Jesus, whom you crucified, both Lord and Christ."

The primary message of the apostles was of the resurrection of the Lord Jesus Christ. Acts 4:33 states, "And with great power the apostles gave witness *of the resurrection of the Lord Jesus*: and great grace was upon them all."

Conclusion: The resurrection of Jesus Christ from the dead is proven to be an irrefutable fact. To deny this amazing event one must deny the inspiration and truth of the Bible, which is God's holy word.
