LOCAL FFA MEMBER TO PERFORM WITH NATIONAL FFA BAND

James Kramer, a member of the Beaverhead FFA chapter will be on stage and in the spotlight Oct. 19-22 during the 2016 National FFA Convention and Expo in Indianapolis, IN.

Kramer, a senior at BCHS and the son of Karsten and Barb Kramer, has been selected to play tuba in the National FFA Band.

Kramer submitted an audition tape and was selected from a pool of applicants from across the nation to help bring full instrumental balance to the band.

The National FFA Band will perform during the national convention supersessions and expo, march in a parade through downtown Indianapolis, and perform a full concert in the Circle Centre Mall. Kramer will join fellow band members in Indianapolis for rehearsals three days before the convention begins.

The National FFA Band is sponsored by Dow Agrosciences as a special project of the National FFA Foundation. The National FFA Organization provides leadership, personal growth and career success training through agricultural education to 629,367 student members who belong to one of 7,757 local FFA chapters throughout the U.S., Puerto Rico and the Virgin Islands.

James began playing trombone in 6th grade while attending Reichle School. When he was a sophomore his band instructor Mr. Kloker convinced him to try the tuba. He now plays tuba for BCHS symphonic band and pep band and continues to play the trombone in the jazz band. He has received a superior rating on his solo performances at District Music Festival for the last three years and an excellent rating at State Music Festival.

When not busy with band, James is an active member of the Beaverhead FFA chapter. He has held the offices of Sentinel and Treasurer and is currently 1st Vice-President. He participates in several contests including Livestock Judging, Agronomy, Parliamentary Procedure, and Range. James maintains a herd of 6 sheep for his Supervised Agricultural Experience.

Beaverhead County Animal Shelter News

The Animal Shelter is overrun with kittens. These little guys need to have soft kitten food before moving onto dry kibble. Think of the Shelter as you do your grocery shopping this week and pick some up for them. The kittens say THANK YOU. If you have been thinking about adopting a cat or kitten, stop by the Shelter to see the wide variety they have. They have been spayed/neutered and are up to date on shots. Adoption fee is \$50.

The Animal Shelter Thrift Store is decorated for Halloween. Stop by to see what they have in the way of new and gently used decorating items. Need some new spider web? Saw some in there. Need a new mask? There is a whole table full to choose from. Open Tuesday - Friday, 10-4. Located in downtown Dillon, on Center, across the street from the Elk's.

Burning Begins in the Gravelly and Tobacco Root Mountains

Fire officials from the Madison Ranger District will soon begin prescribed fire activity which may result in visible smoke through November.

Firefighters will be burning piles and jackpots throughout the Gravelly Mountain Range in southern Madison County, and in the Tobacco Root Mountains in the North and South Meadow areas.

Fire crews will burn under prescribed conditions and monitor these burns after ignition to ensure they stay with prescribed boundaries.

Travelers and residents in the McAllister area and along US 287 may see smoke from these burns, however little impact from the smoke is expected. For more information regarding these prescribed burns, contact the Madison Ranger District at 406-682-4253

REPEAL OF OPEN CONTAINER

Lynn Westad

The Open Container law was repealed and will go into effect Oct. 21st.

As requested by Marge Jappe lets review the facts: Council members Dan Nye, Kevin Hodge, John Gerry, Don Hand Bill Shafer voted YES Jim McIsaac, Tom Straugh, & Mandy Maas voted NO. You should know how your elected officials voted.

There are no time restrictions so you can drink alcohol publicly 24 hours a day on the Sidewalks, Streets, and Parks and at Public Events.

There are many reasons people can think of as to why this is not a positive step forward and discourages efforts to improve downtown and encourage growth.

With alcohol being available anywhere and many time unsupervised it will provide one more resource that is easier for the underage to obtain alcohol. Does this give our children a mixed message?

The Mayor stated to me that he thought it was a public right to drink alcohol anywhere anytime. He also stated people wanted to get a beer at any place and take it to Depot Park. Currently there are people from the bars on the sidewalk in the afternoon and early evening so it is not just a late night activity. Visitors will not return if they have walk though this atmosphere to enter a shop or restaurant.

The repeal can still be put back on the books if the business people and community tell their elected officials that this is not what we want. Tell you're elected MAYOR who led the council to this change that this is not what we want in our community.

The Dillon Rotarians

The Dillon Rotarians will conduct their business meeting on Wednesday, October 5, 2016. Visitors are welcome. Anyone interested in learning more about Rotary should come at noon to be a guest for lunch. The Club meets in the Guild Hall of St. James Episcopal Church, 203 East Glendale St. For more information, email Craig Rehm at crehm@dadco.com or Roxanne Engellant at engellant@gmail.com.

Wood Bank Ministry PSA

With the autumn in the air, our thoughts turn to the problem of keeping warm. Many people in our community struggle with limited means to keep their homes warm. Keeping warm can become a crisis as the temperatures drop to freezing and below. The Beaverhead Community Wood Bank Ministry exists to minister to the heating needs of these house-holds.

Our mission is to help keep others warm. We achieve this mission by providing firewood to those who are otherwise unable to gather the wood themselves.

There is an old saying that firewood warms twice. Firewood warms you physically, as you work to cut, split, load, and deliver it. It also warms physically when it is burned to warm a home or heat a cook stove to pre-prepare a meal. However, there is a third kind of warmth produced by firewood at the wood bank, and that is spiritual. This kind of warmth comes from giving and receiving, from sharing and connecting with, and caring for others. It is this spirit that makes the wood bank a ministry.

The Beaverhead Community Wood Bank Ministry Inc. is a new, independent charity formed to continue the ministry of retired priest Father Harry Neeley and Saint James Episcopal Church. The Beaverhead Community Wood Bank Ministry Inc. can now accept your tax deductible donations. Like our Facebook Page to learn more about our work. If you are in need of heating or cooking wood please call 406-596-3690 to make your request.

Children in K-5th grade are eligible to join. Camp will end at 5:30pm each day. Camps will be offered all school year long with the exception of school holidays. Full and half day programs will be offered on school's out days for an additional charge. A separate registration is required. Sign up the entire month at one time and save!

Next in the After School Series (Oct. 10th-14th) is "Balancing Act". This will be a week of experiments that revolve around balance. Patience and skill will be tested while having fun.
