## Montana Western inducts Athletic Hall of Fame members for 2016

The University of Montana Western kicks off its Hall of Fame and Alumni weekend Friday, Oct. 14, 2016 with a social at the Beaverhead Golf Course from 5 p.m. to 8 p.m. New members will be inducted into the Athletic Hall of Fame Saturday, Oct. 15, 2016.

Montana Western will induct Frank "Frog" Hull, Alison Burlingame, Josh Frunz, Shane Frey and the 1998 volleyball team during a ceremony on Saturday, Oct. 15 at 9:30 a.m. in the Lewis and Clark Room of Mathews Hall. Inductees will also be introduced during halftime of that day's Bulldog football game versus College of Idaho.

Frank "Frog" Hull graduated from Western Montana College (now known as the University of Montana Western) in 1958 with a Bachelor of Science in education. He later earned his master's in education from Western Montana College in 1960. While at WMC, Hull participated in football, basketball and baseball. Frank has spent time as a teacher, juvenile probation officer, motivational speaker, performer and city judge, but he has never been far from the sidelines as a Bulldog supporter. Frank received the Big Sky Service Award in 1982 and was inducted into the Officials Hall of Fame. He received the Jaycees Distinguished Service Award in 1971 and the UMW Distinguished Alumni Service Award in 1992. He and his wife, Yvonne, have been married for 60 years and they are the proud parents of six children.

Alison Burlingame earned a Bachelor of Science in secondary education with a major in art and a minor in math from Montana Western in 2002. Burlingame was a member of the 1999-2000 women's basketball team that qualified for the NAIA National Tournament for the first time in the school's history. Alison hit a half-court shot at the buzzer in the Frontier Conference Championship to give UMW an 82-80 win against undefeated and number one-ranked Lewis-Clark State College. This win put Montana Western on the map at the NAIA national level and propelled the Lady Bulldogs to seven consecutive NAIA National Tournament appearances. In addition to hitting the buzzer beating shot at the Frontier Conference Tournament in her sophomore season, she received 1st Team All-Conference honors. In her senior season, Alison helped lead her team to an undefeated Frontier Conference regular season, Frontier Conference Tournament Championship and an Elite 8 showing at the NAIA National Tournament. She received 1st Team All-Conference and Academic All-Conference honors. Burlingame has worked road construction for the past eight years and is currently employed by Missouri River Contractors.

Josh Frunz earned a Bachelor of Science in secondary education from Montana Western in 2002 with majors in biology and health and human performance. He went on to earn a Master of Arts in teaching from Grand Canyon University in 2006. As a student-athlete at Montana Western, Frunz played basketball from 1999-2001 and football from 2001-2002. Josh was selected 1st Team All-Conference in both of his seasons with the Bulldog men's basketball program and Honorable Mention All-American honors in the 2000-2001 season. Josh is entering his 15th year as a biology and physical education teacher. He has been a high school track coach for 11 years and a high school basketball coach for 10 years. In 2006, Josh was inducted into the Centralia Community

College Sports Hall of Fame and in 2008 he was selected the Evergreen 1A Basketball Coach of the year. Frunz lives with his wife, Jennifer, and son, JT, in Tenino, Wash.

Shane Frey attended Montana Western from 1993-1995. As a football player at Montana Western, Frey was a member of the 1994 and 1995 Bulldog teams that won Frontier Conference Championships. Shane was selected 2nd Team All-Conference Defensive Back in 1993. In 1994 he earned 1st Team All-Conference Defensive Back and 1st Team All-American Safety. His teams qualified for the NAIA National semi-final games in 1994 and 1995. Shane was a pre-season All-American Selection in 1995, unfortunately he had to miss the majority of the season due to an injury. After leaving Montana Western, Shane moved into a career in the oil and gas industry. He and his wife Denise have been married 16 years. His daughter, Kiara, is a sophomore in high school and his son, Tryston, is a junior in college.

The 1998 Volleyball team was the first women's sports team at Montana Western to win a Frontier Conference Championship, as well as the first women's team to continue on to post-season play. They qualified for the Pacific Northwest Regional Tournament. They went 8-0 in conference play, only losing one game in eight matches. They finished the season with a 24-9 record. Coach Jenny Peterson directed the squad to a perfect conference record in her sixth year as the head coach. She was assisted by Cindy Bennett and Shawn Robertson Schweyen.

The team consisted of Dawn Callaghan Costa, Jennifer Gordon Tash, Angie Saxton, Jeni Hope, Erin Dunn Carton, Emily Carroll Stenson, Kelly Carras Krank, Melissa Burdick Grandy, Katie Darragh Gustafson, Katie Ryan Howells, Kelly Coombs Grossman, Heather Smith Ranalli, Lindsey Archer Johnson, Julie Shoen and Jami Hope Humphrey.

Call the UMW Alumni Office at 406-683-7306 to reserve your tickets for the ceremony brunch. Tickets for the brunch are available for \$15 for adults, \$7 for ages 6-17 and free admission for ages 5 and under.

**MEDICARE HELP**

State Health Insurance Assistance Program counselors will be available in Dillon on October 18, 2016 to help beneficiaries review current Medicare Prescription Drug Coverage, Medicare Advantage Plans or to assist with any other Medicare related questions. The event is by appointment only and will be held at the Dillon City Hall. Those interested in meeting with a counselor are asked to call Southwest Montana Aging and Disability Services at 782-5555 or 800-551-3191 (toll free). We encourage all seniors to take advantage of the Medicare Open Enrollment Period, (Oct. 15 -Dec. 7), and review their coverage to make sure that their current Prescription Drug or Medicare Advantage Plan is still the best one for them.

The State Health Insurance Assistance Program trains counselors to provide unbiased information to seniors regarding their Medicare coverage. This service is provided at no cost to the beneficiary, although donations to the program are appreciated.

**Letter to the Editor - LaVon D. Brillhart**

The election will be here soon! But not soon enough. The United States is a large and complex nation. After we iron out a few problems we will get on the right track facing in the right diction. Here are just a few of the problems facing America.

Legal drugs, non legal drugs, alcohol, being politically correct, not being politically correct, women's rights, the middle class.

Environmentalists, no taxes on corporations, paid holidays, Republicans, Democrats, all minorities, fringe groups, people who swear, people who don't swear, lawyers school teachers.

People over 65, people under 65, ranchers, people on welfare, free speech. farmers, people who own cats, dogs or zebras.

Professors, atheists, classical music, obscene art, vegetarians, unions, churches, people who write to the pages of opinion. People who work for the government, people who say they work for the government but don't.

Immigrants to this country since the year 1620, bird watchers, chocolate, coupons to save money.

This is just a small portion of the problems in America. These problems can be resolved. If you belong to any of these groups or support any of these you are part of the problem. No, not a part but the sum total of the entirety. The good old days will be here soon, promptly, full tilt, directly! So don't fret!

## Feral Barn Cats

The Beaverhead Animal Shelter has twelve (12) feral barn cats that are looking for homes. They have been spayed/neutered and are up to date on shots. And, they are FREE. Yes, FREE, but the Shelter would appreciate a donation to help with those expenses if possible. A quote from Susie, the Shelter Manager, says they range from "ok nice to not nice at all". Winter is coming and all those mice will be looking for a protected place to live. Let one of these cats help you eliminate them. Shelter hours are Monday, Tuesday, Thursday and Friday 10-4 and Saturday 10-3.

## Montana Western

University of Montana Western students will take the Birch Creek Center back in time to when it was used as a Civilian Conservation Corps (CCC) Camp by donning period clothing and relaying Great Depression-era stories through a living history interpretive event.

The free public event will take place Saturday, Oct. 15, 2016 from 1 to 3 p.m. at the site of the original Birch Creek Camp located 22 miles northwest of Dillon in the east Pioneer Mountains.

In 1933, President Franklin D. Roosevelt created the CCC which was designed to provide people with jobs during the Great Depression while working on projects related to natural resources such as forestry, soil erosion and flood control.

"Living history interpretive events provide great hands-on experience for the students and help connect the public with the past," Professor of Environmental Sciences Linda Lyon said.

The CCC crew remained at Camp Birch Creek until 1941 and in 1942 the national Corps was dissolved. The Birch Creek site is presently on the National Register of Historic Places and is operated by the University of Montana Western.

Guests should dress appropriately as the event will take place rain or shine, Lyon said. Dogs are not allowed at the event. Warm drinks and snacks will be served.

For more information, contact Lyon at 406-683-7075.

***Do You Know the Truth...*** "What happens to people after the resurrection of the dead?"

*(We believe the following: (1) the Bible was given by the inspiration of God as stated in 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is a reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with Biblical teachings are false.)*

In Acts 24:15 it states, "...that there shall be a resurrection of the dead, both the just and the unjust."

Hebrews 9:27 also speaks of judgment, stating that "It is appointed unto men to die once, but after this the judgment."

The terms "just" and "unjust" refer to the righteous and unrighteous. To understand who is righteous and unrighteous note 2 Corinthians 5:21, "For He (God) has made Him (Jesus Christ) to be sin for us, (Jesus) who knew no sin; that we might be made the righteousness of God in Him." This makes it clear that there is nothing we can do before God that would be considered righteous if we have not accepted Jesus Christ as our personal Savior.

There are separate judgments for the just and the unjust. The judgment for the just is for the purpose of giving rewards to those who believed in the Lord Jesus Christ. Paul speaks of this judgment in 2 Corinthians 5:10, "For we must all appear before the judgment seat of Christ; that every one may receive the things done in his body, according to that he has done, whether it be good or bad." (Read also 1 Corinthians 3:12-15) These references are both addressed to a church....people who had believed in the risen Christ.

The judgment of the unjust is recorded in Revelation 20:11-15. Here it states that all the spiritually dead (Christ rejecters) will be judged from the books (of the Bible) and if their names are not in the book of life they will be cast into the lake of fire.

*Conclusion: Other references harmonize with these, but these verify both the resurrection & ensuing judgment.*
