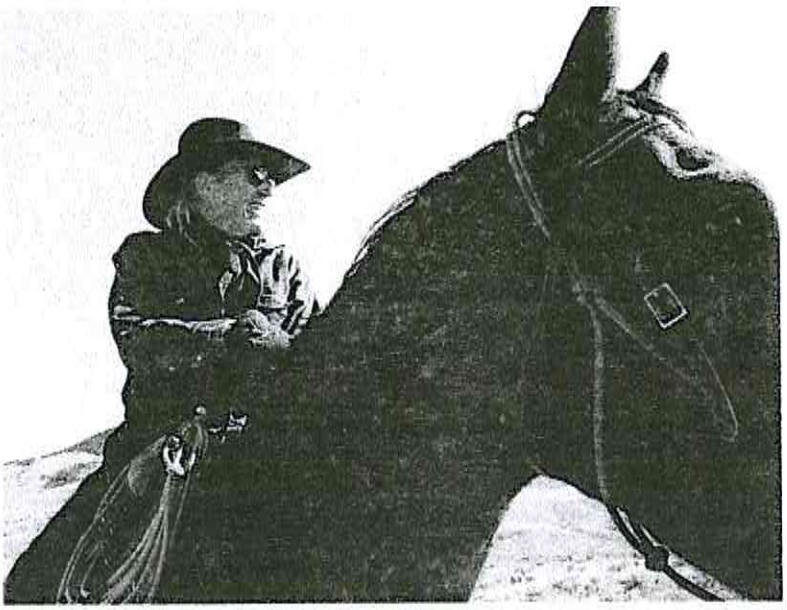
Art Robinson Death Notice

Art Robinson rode into heaven 10-12-16.
Memorial plans to follow.



Patricia Van Deren, 80

Patricia Van Deren was born on January 26, 1936, in Billings, MT to John and Ida (Gierke) Danils. She passed away after a short illness surrounded by her family at the Renaissance Southside in Dillon, MT on October 10, 2016. At Patricia's request, she was cremated and her ashes spread in a private ceremony on the ranch north of Dillon.

As a young girl, Patricia lived with her parents in Billings, MT. Her parents ran the Danils' Café in Roundup until her father John's death in 1941. Charles Krause married Ida in 1947 and raised Patricia as his daughter. Charles owned the Cream of the West business in Billings. She attended North Park Elementary School and graduated in 1953 from Billings Senior High School.

After high school, Patricia worked as a telephone operator for the AT&T Company in Billings. With her first paycheck, she purchased a pair of television sets for her mother, Ida, and Patricia's "second mother," Selma Pfeiffer Eiden. She later worked at the family's Cream of the West factory in Billings.

In November 1961, she married Walter Van Deren in Billings, MT. They had two sons, Robert, in 1963 and John in 1965. Patricia loved riding horses and enjoyed working cattle with "the men". She was a helpmate to Walter, cooking for hay crews,

helping with lambing, working cattle and driving tractors brushing meadows. Some of Patricia's happiest memories were of days filled with boys, puppies & bum lambs and calves filling the air with sounds of activity and joy.

After her son Rob married, Patricia enjoyed visiting and organizing family dinners with his wife Linda. She also cherished watching her grandson, Theodore, growing up on the ranch with her. She used a firm hand with the hunters eyeing up "her" pheasants that sought sanctuary outside her window.

Patricia was never prouder than when her son John graduated from the General Motors Institute and gave Pat her first grandson, Gunnar and granddaughter, Faith. She also enjoyed Gunnar and Faith's trips to Montana and enjoyed hearing about all the new vehicles her son John helped develop as an automotive engineer for Chrysler, Daimler, Navistar and Ford.

Patricia was an active member of the Glen Unit and Beaverhead County Farm Bureaus and in earlier years, the First Baptist Church in Dillon. Patricia was known by the ranch hands as the best cook in the valley. Her cakes, cobblers and pies were especially delightful. She also enjoyed knitting, crocheting and her trips to Arizona's red rock country and the Pacific coast.

She was preceded in death by her parents, Ida (1966) and John (1941) Danils, her step-father, Charles Krause (1962) and her in-laws, Leah (1973) and Earl (1993) Van Deren.

Besides her former husband, Walter, Patricia is survived by her sons, John Van Deren of Canton, MI and his children, Gunnar and Faith; Robert (Linda) Van Deren of Dillon and their son, Theodore.

In lieu of flowers, donations to the Arthritis Foundation, PO Box 8113, Missoula, Montana 59807 or a charity of the donor's choice is preferred. A guestbook is available online at www.BrundageFuneralHome.com

Judgment

By: MJ

A blind person asked St. Anthony: "Can there be anything worse than losing eye sight?" He replied: "Yes, losing your vision." When we become judgmental do we lose clear vision? You decide.

YES, judgement can clearly be defined by looking at the election cycle that is happening all over the U S. Candidates from all positions, in all states are filling the garbage cans to capacity.

During the time humans get together in a conversation at some point they get around to making statements that are judgmental. *Judgmental is being inclined to make a moral judgment about others and their conduct.* **Question**: Do we allow our judgments about others to become harsh, hurtful condescending and demeaning statements? Humans tend to laugh off condescending statements, (why)? Why is it when we defend ourselves against condescending statements we are judged bitterly?

NOTE: *"When you judge others, you do not define them, you define yourself" Earl Nightingale. There is a well-known statement that explains judgement clearly: "Do not judge, or you too will be judged, for in the same way you judge others, you will be judged, and with the measure you use, it will be measured to you."*

Why is it we are so afraid of what people think? Is it because we don't want anyone to know that we are humans with many faults as well as many gifts? *We all put our pants on the same way, (one leg at a time), we all have the same body functions, we cry, we laugh, we hurt...*

Today is the youngest you will be for the rest of your life. Today is a gift to you. Get up and enjoy the gift of opening your eyes to see the beauty all around you; your loved one, the big eyes of your dog, the beauty of the ever changing sky, the faucet that provides water to fill the coffee pot and then the switch you press to complete a cup. Continue with your list of gifts. Today is your day to enjoy without judgement in any form. **NOTE:** Gratitude is the Attitude that determines life's Altitude.

CONGRATULATIONS ON RETIREMENT

Lieutenant Colonel Randal Oehling enlisted 20 years ago and promptly shipped to basic training at Lackland AFB, TX. After just missing distinguished graduate at basic training, due to a poorly folded pair of underwear, he attended technical school at Keesler AFB as a Wideband Satellite Telecommunications Technician. Excelling at partying every change he got, Airman First Class Oehling graduated without any honors and was assigned to the 750th Communication Squadron, Onizuka AFS, CA from 1997 to 1999. Airmen Oehling shined at washing large satellite antennas, he was step-promoted to Staff Sergeant, awarded his first Air Force Achievement Medal, and accepted into Officer Training School at Maxwell AFB, AL.

Lt Oehling graduated from Officer Training School and was dragged kicking and screaming to Vandenberg AFB, CA for Undergraduate Space and Missile Training (USMT). Unwillingly graduating USMT as an Intercontinental Ballistic Missile officer, Lt Oehling was assigned to the 400th Missile Squadron, F.E. Warren AFB, WY from 1999-2001. Here he scheduled hundreds of disgruntled missileers to sit underground, watch cable tv, and complete their masters degree. Lt Oehling was fortunate enough to be picked to cross train to Space Operations at the 3rd Space Operations Squadron, Schriever AFB, CO from 2001 to 2004. Here he flew - that is right - "flew" NATO/SKYNET satellites. With more than 1000 sorties and no crashes, he was chosen to be an exceptionally mediocre instructor within the 50th Space Operations Group, awarded the Air Force Space and Air Medal, and the Air Force Commendation Medal.

Due to his stellar instructorship and satellite communications knowledge, Capt Oehling was "voluntold" to be the Wideband Gapfiller Satellite course developer at the at the 533rd Training Squadron, Vandenberg AFB, CA from 2004 - 2007. He took a huge separation bonus in 2007 and joined the 251st Combat Communications Group, Air National Guard, Springfield, OH, from 2007-2010. As a Combat Communications Officer, Major Oehling was mistakenly awarded the Distinguished Graduate of his class at the USAF Communications Officer School and experience his first and only overseas deployment to Hawaii.

After hearing of the 199th CACS mission in Knoxville, TN, he begged and pleaded leadership to join this exceptional squadron. In 2010, because of his position at the Pentagon, Major Oehling was accepted into the 199th CACS as a new Cyber Officer. Lt Col Oehling concluded his career excelling at correcting phenomenal officer performance reports.

Punt Pass & Kick

The Dillon Jaycees would like to congratulate Kale Konen & Sawyer Tuckett on placing top of their age groups in the Western Montana Sectionals competition of the NFL Punt Pass & Kick. Tawni Schmauch, Tyler Lagunas both placed 3rd and Johnny Reiser placed 4th falling just short of qualifying but did a great job of representing Dillon. Thank you to all of the parents that supported these kids on a cold rainy day in Missoula.

78 boys and girls ages 6-15 participated at the Western Montana Sectional competition of the NFL Punt Pass & Kick program held October 9th in Missoula. For the second year in a row, youths from the Thompson Falls area garnered three first place titles at the event, with Dillon and Ronan youngsters each gathering two age group titles. Ronan also had the most age group top 3 placements with a total of six.

The event was hosted for the 12th year by the Kiwanis Club of Missoula, with assistance from area high school Key Clubs.

All age group 1st place finishers are now eligible to compete in the Seattle Seahawks regional competition, but must await the results of all other sectionals, approximately twelve, conducted this month throughout the Pacific Northwest. Only the top four sectional winners advance to the Seattle event, which is scheduled for Saturday, November 19th, prior to the Seahawks game on Sunday, November 20th vs. the Philadelphia Eagles.

Western Montana has traditionally qualified many of its age group champions for the Seattle event, with eight out of ten age group winners advancing in 2015. Also, at least one of the Montana sectional winners has gone on to claim the Seattle Seahawks Team Championship for an age group each year since the current program was re-established in 1995. In 2015, then-15-year-old Calla Haldorson of Corvalis competed and won her age group at the Seattle event, qualified for the national PPK championship where she competed and won her age group at that event, becoming the 4th Montana youngster to earn the title of PPK national champion.

Wear your white to show your support!

Friday night at the football game, our students are sponsoring a "White Out". At the end of the game, the student section will be throwing colored corn starch into the air, after the football players sing the school song. This colored corn starch should brush off of clothing and wash out easily, but we wanted to get the word out so that students, parents, and fans could move away from the student section quickly if they did not want to participate.

Our students did this last year as well, and they are excited about doing it again this year!

Our mission

"To provide the best experience you have ever received in an optometric practice"

"Time is the most precious gift you can give someone. Because it's like giving a portion of your life that you will never get back."

We believe in taking time for yourself- It's proven to improve mental health, increase mental power, give you a new perspective, and lowers your chance of burnout. It gives you time to spend with your family, or relaxing, or whatever may be important to you. That's why we give you **5 WEEKS OF PAID TIME OFF** a year. We offer many other great benefits as well like a **3% matching retirement plan**, **3 day weekends**, and of course exceptional **vision benefits** for you and your family.

This is a great opportunity if you are looking to change careers to something more meaningful and rewarding. Come join a team that is dedicated to providing exceptional care to its patients (and employees). Please drop off your resume and cover letter in person at Precision EyeCare & Optical, 25 Johnson Avenue, Dillon, MT.

Do You Know the Truth... "Are rituals or various actions by man required to gain entrance into heaven?"

(We believe the following: (1) the Bible was given by the inspiration of God as stated in 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is a reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with Biblical teachings are false.)

Jesus' words during His personal ministry give a very clear answer to this question. In John 3:3 He says, "Except a man be born again, he cannot see the kingdom of God." He explains what it means to be "born again" in John 3:5 where He teaches that one can't "...enter into the kingdom of God" unless he has been born of the Spirit. As He continues teaching in this chapter He reveals how to obtain this spiritual birth in Jn. 3:16, "For God so loved the world, that he gave his only begotten Son what whosoever believeth in him should not perish, but have everlasting life."

The great apostle Paul understood this and wrote to the church in Ephesus to be sure they (and we) understood this principle. In Ephesians 2:8-10 he wrote these words, "For by grace you are saved through faith; and that not of yourselves: it is the gift of God. *Not of works, lest any man should boast*. For we are HIS workmanship, created in Christ Jesus unto good works, which God has before ordained that we should walk in them."

Conclusion: From this information we understand that going to heaven isn't based on being a church member, being baptized, being confirmed, or by performing various other rituals that are a part of the traditions of many religious organizations. Again noting Paul's writings regarding this we read in 2 Timothy 1:12b, "...for I know whom I have believed, and am persuaded that *HE* is able to keep that which I have committed unto him against that day."
