James R Harmsworth

James R Harmsworth, a man many people called their friend, has gone to his final home in heaven. Jim was born, March 1, 1930 in the living room of the family ranch house at Hastings, Colorado, the middle child of 3 boys.

He graduated from High school in 1947 at La Junta Colorado. He first came to Dillon in 1947 to ride bucking horses at the Labor Day Rodeo. As he tells it, he was bucked off and was broke. He called his dad for money and was promptly advised to get a job. He

met Adolf Pahnish, who was in town looking for a haying crew. He worked on the Pahnish ranch near Bannack running a horse drawn mower until all the hay was up. Driving a Studebaker and with \$130 in his pocket, he headed to Elko NV. He worked for Tom Marvel who had a huge ranch. He then went to work for the Circle L in Lovelock, NV and remembers eating good all winter. He then worked for E.L. Cord. He told his boss he wanted to go out with the wagon and brand cattle. He stayed until the wagon came in July.

In 1948, he joined the Marines in Klamath, OR and then went to boot camp in San Diego. He spent most of his time in Guam until his discharge in 1951. He was trained as a scout Sniper but said he never used it. He said he saw the commanding officer enough they were on a first name basis. He was proud of a certificate he received showing that out of 75 men, he was the most outstanding.

Jim was a self-trained Mechanical Engineer and Master Machinist and owned or ran several companies in northern California.

His friends, who were lucky enough to have Jim cook for them, will tell you that he was a gourmet cook, having trained nights at the Le Cordon Rouge Culinary School in Sausalito, California. When asked if he'd ever been married, Jim would answer "Oh 4 or 5 times, I can't remember". His greatest love was horses and training them in the Ed Connell ways, women and cooking. He jokingly said he wasn't any good at any of them. He trained in Hackamore and spade biting like the early Vaqueros.

Jim moved to Dillon in 1997 and has spent the last 20 years in La Junta, Colorado, Dillon, Dell and Lima, MT moving every couple of years always adding to his long list of friends.

Jim was preceded in death by his Dad and Mother, Clarence Ray & Mercy Ann Harmsworth, brothers Ray Jr and Daniel, his mentor Walter Fanning and numerous cousins and friends.

Jim kept his friends laughing with his great sense of humor and stories. He will be greatly missed by his special friends at Best of the West Properties, Schwartz Boots and the Yesterday's Calf-e and many others.

Please join his friends and loved ones at Brundage Funeral Home on Tuesday, November 8 at 2:30 p.m. for a memorial service and to share stories. Graveside services and burial will be the following week in Las Animas Colorado.

Christmas Tree Permits Available

If your Christmas spirit gets a boost from going to the woods to cut your own Christmas tree, then the Forest Service and Bureau of Land Management can help out.

With a permit, you can cut a Christmas tree in all the national forests in Montana and on public lands served by BLM's Missoula, Dillon, and Butte field offices.

Forest Service offices selling permits in Southwest Montana are located in Philipsburg, Butte, Dillon, Wisdom, Sheridan, and Ennis.

Christmas tree-cutting permits are \$5, and each family may purchase up to three permits. Cutting trees without a permit is subject to a citation and fine.

Free Permits for 4th Graders! As part of the 'Every Kid in a Park' (EKIP) national initiative which strives to connect youth with nature, the Beaverhead-Deerlodge NF and the BLM are offering one free Christmas tree permit to every fourth grader. To participate in the free holiday tree program visit www.everykidinapark.gov. Fourth graders must present a valid EKIP Pass or paper voucher at their local Forest Service or BLM office (not vendors) to receive their free permit.

Tree cutting is not allowed in wilderness areas or in BLM-administered wilderness study areas.

When you purchase a permit, you will also receive a helpful information sheet that gives advice on how to best cut and care for your Christmas tree.

Forest Service and BLM offices are open weekdays, from 8 a.m. to 4:30 p.m.

The following locations also sell permits:

- Lima: Ralph's Exxon
- Sheridan: McLeod Mercantile

You may also buy permits by mail. Send a check for \$5 to the nearest Forest Service office (make the check out to "USDA Forest Service") or to the nearest BLM office (make the check out to "USDI Bureau of Land Management"). Be sure to include your name and address.

For more information contact the Forest Service at (406) 683-3900, or the BLM at (406) 533-7600.

Bulldogs Win Big, 91-19

Montana Western jumped out to a quick lead over Yellowstone
Christian College and poured it on winning 91-19.

The Bulldogs had the hot hand early on early as Aniese
Palmore, Taylor Howlett, Jill Jacobs, and Cierra Lamey all cashed
in threes in the first quarter. The Bulldogs built a commanding lead
in the first half with the help of Kaye Bignell's 10 points and went
into the break leading 53-9.

In the second half Sophomore Britt Cooper blocked a YCC
guard out on the wing and set the tempo defensively for the rest
of the half. The Bulldog defense forced 34 total turnovers, holding
Yellowstone to just 15 percent shooting on the night. Kaye Bignell
had a game high of 16 points (7-10 FG) along with five boards. In
the lopsided victory the Bulldogs got scoring from all 13 players.

Do You Know the Truth... Can one lose the salvation he received upon becoming a believer in Christ? (Part 2)

(We believe the following: (1) the Bible was given by the inspiration of God as stated in 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is a reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with Biblical teachings are false.)

Salvation is from God, not from man, Psalm 68:20. Acts 16:31 states that God saves (grants that salvation) to the individual who believes on the Lord Jesus Christ.

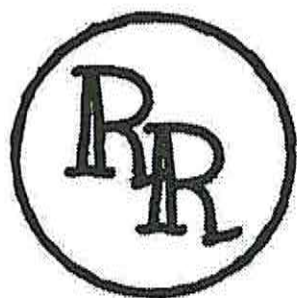

In Romans 8:35-39 the Apostle Paul makes a list of things that cannot remove children of God from the love of God. Many had been killed because they had become followers of Christ and His teachings, so Paul wrote these words of encouragement. "Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? As it is written, For thy sake we are killed all the day long; we are accounted as sheep for the slaughter. No, in all these things we are more than conquerors through him that loved us. For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord."

Ephesians 1:13-14 states that after we heard the truth and trusted in Christ we are, "...were sealed with that Holy Spirit of promise, which is the earnest (security) of our inheritance until the redemption of the purchased possession, to the praise of his glory." This statement reveals that the Holy Spirit keeps us secure all the way to the perfecting of mind, spirit, and body of the children of God in the resurrection (see 1 Corinthians 15:51-53).

Conclusion: These and many other scriptures clearly teach that once you have been 'born-again' through believing in Jesus Christ you cannot lose the eternal life you were given at the point of faith.

To: Citizens of Dillon

It is property tax time again and most of you have just received your notice. I just wanted to take a few minutes to help answer some possible questions on the City section, mainly on the Street Maintenance section.

This year some of you might have noticed an increase in your Street Maintenance assessment. This increase could be due to several factors. The first large factor is that the City needed to increase the total amount assessed to allow more work to be accomplished on your streets. Last year the total amount was approximately \$280,000 and this year it was increased to approximately \$350,000. Please remember that approximately \$190,000 of this amount is required to make semi-annual payments of the \$1.8M bond taken to repair Glendale Street by the past administration. After the payments this year, the City will now have approximately \$160,000 to repair and maintain the streets. This includes snow removal, pothole repair, and numerous projects such as widening streets, cleaning storm drains, and repairing sections of broken or malformed asphalt around the City. I hope that people have noticed that last year we have started repairing sections of the streets that seemed to be the worst with more to be accomplished this year. Remember that the Glendale project cost the City approximately \$250,000 PER BLOCK so we are trying to do a lot with limited funds.

The City Council also changed the method of allocating the assessments. In the past front linear footage was used but the City, trying to be fair to every tax payer, started to use the size of the lot instead. This was to take into account property that has very small front footage but large lot size along with property that has no front footage. It was also decided to take into account what is defined as "number of trips" to weight the amount of assessments. Numerous studies around the country have been completed that showed commercial property generated heavier traffic on the streets so commercial property was weighted slightly heavier than say vacant lots which would not generate as much traffic.

I did not like increasing the total amount but it was needed if the streets are to be repaired. It has been too long since repair work aside from pothole filling has been completed on many of the streets and many of those are in bad shape so we are trying to make the City of Dillon more presentable. Thanks.

Michael L. Klakken, Mayor
