VETERANS DAY!

A special memory from us to all of those who have served.
A thank you to those of you who would have but couldn't
because of health conditions - thank you also.

And Papa, General, Mr. Womack we miss you 11/11/11.

The America I Believe In

Jeremy Smith, 8th grade

The America I believe in is "the land of the free." That means people should be treated the way they want to be treated. Francis Scott Key wrote the phrase "land of the free" in our national anthem the "Star Spangled Banner". In 1814, England and the United States were at war. The British were powerful, and they wanted to take down our capitol. Francis Scott Key was inspired by the U.S flag still standing Fort McHenry after the British attacked. When the British struck the United States, the U.S flag was still whole but damaged. I relate to this historic event to when bullies attacked me.

My experience as a young boy in Mississippi was terrible. Half of my life, I was bullied at every school I attended. The effect bullying had on me was a buildup of anger. I felt like no one cared about me except my dad. I was not alone, since the most recent statistic on bullying shows that 1 out of 4 people in every school year are bullied (CDC2015). I did not feel free since I was not treated right; I was treated like a nobody. However, just like our flag was still standing, so am I. Bullies took pieces from me like the flag was shredded. However, I'm still intact. The America I believe in is freedom from stress, or not being worried about being bullied.

My freedom came when I moved to Montana, and got a fresh start in a new state. When I moved here to Montana, I got involved in sports. Where I feel most free is on top of Maverick Mountain preparing to ski down. The flag is still standing tall, and strong like it was before and after the attack. I am glad that I am in Montana since I don't get bullied here. I am glad for my freedom since the five branches of the military helped keep our nation's freedom, like my family keeps my freedom.

VETERANS' DAY APPRECIATION

On behalf of the Legionnaires in American Legion Post No. 20 at Dillon, I would like to wish U.S. veterans everywhere a happy Veterans Day and thank them for their service and sacrifice they made to our country.

I'd like to paraphrase President Ronald Reagan on the importance of Veterans' Day when he said, "... some people live an entire lifetime and wonder if they have ever made a difference in the world, but veterans don't have that problem." As veterans, we know that we've made a significant difference in the history of America and continue doing so each day.

U.S. veterans have earned the respect, not only of presidents, but of a grateful nation. As a U.S. Marine Corps Veteran, I know service men and women appreciate the respect shown to them by this great country and the American people.

Take for example, the high esteem people in Dillon have for their Legionnaires and the good work we endeavor to do for America. Recently, Post No. 20 has completed several major construction projects on its meeting hall grounds. Several community businesses and groups stepped forward to provide funding or do much of the work. as a charitable, patriotic donation. For their generosity. Legionnaires say a "heartfelt thank you" for helping us make these improvements and bring our property up to required standards.

Legionnaires know your generosity was based on altruism and an appreciation for our service to country and the American people. In return, the American Legion would like to reciprocate and say "Thank you" for your generous show of support.

So, at this special time of the year, "Veterans Day," Legionnaires would like to recognize the following businesses, civic groups, and people for helping us complete our capital projects:

1. Tom Miller Construction & Excavation,
2. LS Ready Mix Concrete Company,
3. Mayor, Dr. Mike Klakken and Todd Hazelbaker,
4. Jim Hicks, Tree Removal Service, Silver Star, MT,
5. Vigilante Electric Co-op,
6. Northwestern Electric Company,
7. Beaverhead Foundation Grant,
8. Dillon Zoning Committee,

It would have been impossible for the Post to have completed its construction projects without the cooperation and donations of goods and services made by these conscientious and civic minded people.

• It should also be noted that (Wally) Dhane Construction of Helena and Brian Phillips Concrete did exemplary work installing our new flagpole and sidewalks.

So, as we approach Veterans' Day, we veterans say "thank you America" for recognizing our service to this great country. We appreciate all the good things the American people have done for us. On this Veterans Day, we pray for peace and ask that God continues to bless America and its people.

Jim Keef, Commander

Beaverhead Search and Rescue News

-Submitted by Mel Rice

Commander Tommy Goins called the Beaverhead Search and Rescue's monthly meeting to order at 7:30 November 2, 2016. There were 35 members and 3 guests in attendance. There were no searches or rescues during the past month. Items discussed included the fish derby, committee sign up for equipment inventory and identifications, and preparation for disbursement of the moneys the unit will be receiving from the voter passed mills from the county.

It was announced again the Annual Stan Shafer Memorial Fish Derby will be held Saturday, January 28, 2017. Tickets are available from S&R members and will soon be available at various merchants around town. The Unit wants to thank you for your continued support of this event.

It was recommended by Larry Skiles, equipment manager, to have committees set up for the purpose of not only inventorying equipment but to clean out unnecessary items, update materials, and maintain all of the group's equipment. Each group would initially work specifically with the equipment they have knowledge of. Doctors, EMTs, First Responders would be responsible for the inventory list and necessary items for the rescue sleds and any other medical equipment. Search managers would be responsible for developing the inventory list for the command centers. Cooks would be responsible for the cook shack inventory list, and the hands on type guys like myself would develop inventory list and maintenance list to make sure everything about

the trailers, trucks, 4 wheelers, sleds, etc., are always in working condition and have the necessary equipment in them; i.e. chains, shovels, propane, oil, etc... The inventory sheets will not only help the unit know what there is, keep it organized and what should go on a search/rescue event, but will also help all members learn what kinds of equipment there is and hopefully learn how to use it by asking questions and attending trainings.

The last item of discussion had to do with developing a means of dispersing the funds the unit will be receiving from the 2 mills. The voters graciously awarded the S&R these funds during last spring's election. First of all the unit wants to thank the voters/property owners for passing this much needed AWARD. As we have stated many times the cost of equipment, training, and search expenses continue to escalate each year. You can rest assured the moneys you voted the unit will be used wisely. In order to keep that promise the Beaverhead Search and Rescue will appoint a committee of five Beaverhead County residents to serve as overseers of the expenditures of these funds. There will be guide lines and procedures for dispersing these moneys. Not all the details have been worked out. A committee of ten members was appointed at the meeting to work on all the particulars. The committee is made up of Mel Rice, Chuck Maddox, Lee Diedrich, Tommy Goins, Brad Wagner, Cody Schnee, Trent Cottom, Lindsey Erickson, and Steve Scott. The first disbursement of funds to the Search and Rescue won't happen until December, 2017.

Take care on all your outdoor adventures. Make sure you are prepared. So far we have been spoiled this hunting season. The weather has been outstanding but surely won't last-- don't get complacent.

Once again we invite all individuals interested in becoming members to contact an S&R member and submit an application or just show up to one of our regular monthly meetings. We meet the first Wednesday of every month

BEAVERHEAD CHAMBER BOARD MEETING

The Beaverhead Chamber of Commerce will meet on Tuesday, November 15th at 12:00 p.m., Noon at the Dillon City Council Chamber. The agenda will include preparations for the Turkey Bowl, Parade of Lights, and 2017 Membership Drive.

Members and the public are welcome and encouraged to attend and participate.

I think this is especially important since VA facilities are removing the bible from the displays at some of the VA locations.

MAN WALKS INTO CHICK-FIL-A: Is Completely Blown Away When He Saw This for Vets. *By Bill Callen:*

Chick-fil-A, the same fast-food outlet has once again proved a positive to the world. This time it did so by unveiling an amazing Veterans Day tribute that left Georgia resident Eric Comfort in complete shock.

According to a Facebook post he published on Mon, when he walked into a local Chick-fil-A, Comfort discovered a "Missing Man Table" that contained a single rose, a Bible & a folded American flag, as well as a plaque w/in which was the following explanation:

"This table is reserved to honor our missing comrades in arms. The tablecloth is white — symbolizing the purity of their motives when answering the call of duty.

The single red rose, displayed in a vase, reminds us of the life of each of the missing and their loved ones and friends of these Americans who keep the faith, awaiting answers. The vase is tied with a red ribbon, symbol of our continued determination to account for our missing. A pinch of salt symbolizes the tears endured by those missing and their families who seek answers.

The Bible represents the strength gained through faith to sustain those lost from our country, founded as one nation under God. The glass is inverted — to symbolize their inability to share this evening's toast. The chair is empty — they are missing."

After the story went viral, the store manager, Alex Korchan, explained to WSB that his team members had set up the table because they "wanted to honor veterans." Furthermore, he offered free meals to all veterans and their family members on Veterans Day. Korchan also put up a poster so that customers could write in the names of loved ones who they have lost.

"We've had a lot of people who have come in and seen it and been touched by it," Korchan continued. "It's been special to see."

Do You Know the Truth... What are the Biblical qualification for Baptism?

(We believe the following: (1) the Bible was given by the inspiration of God as stated in 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is a reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with Biblical teachings are false.)

In a previous article about baptism we read noted that there is only one method of baptism that is accepted in the Bible. The following scriptures give specifics regarding various aspects of this very important doctrine.

1. In Matthew 3:2-8 John the Baptist was preaching and baptizing. In vs. 2 he was demanding that people repent. In vs. 6 people came "And were baptized by him in Jordan, *confessing their sins*." In vs. 7-8 some of the religious leaders came asking John to baptize them, but were told in vs. 8 to "Bring forth therefore fruits meet for repentance," in other words, show me some evidence that you have repented.

Notice the following aspects of baptism in this reference: (a) Baptism must be administered by one who has been given authority to do so; (b) The individual being baptized must have repented of his sin; (c) Confession of sin must be heard before one can be baptized. Repentance and confession are closely knit, as one who has truly repented will willingly confess his repentance and faith.

2. Jesus authorized the disciples of His church to baptize people only after they were saved in John 4:1-2, "...Jesus made and baptized...(though Jesus himself baptized not, but his disciples."

3. The record reveals that the church in Jerusalem only baptized people after they believed in the Lord Jesus Christ. Following Peter's sermon directing people to repent and believe in the risen Christ it states in Acts 2:41, "Then they that gladly received his word were baptized: and the same day were added to them (the church) about three thousand soul."

Conclusion: There is no biblical evidence of even one occasion when an individual was baptized without repentance of sin and confession of faith in Jesus Christ.
