Montana Western receives military friendly school designation

The University of Montana Western has earned the 2017 Military Friendly School designation from Military Friendly Schools.

First published in 2009, Military Friendly Schools is a comprehensive resource for veterans and service members to assist them in the selection of a college, trade school or additional training to pursue a civilian career.

"We're proud to receive the Military Friendly Schools recognition as Montana Western has a long tradition of supporting current service members and veterans," Chancellor Beth Weatherby said. "From our committed staff to our Veterans and Military Exchange (VMX), we provide a range of support services to assist those who have served their country."

Montana Western opened the doors of the VMX in the fall of 2013. The VMX provides support and resources for current and past service members, their families and their advocates.

The VMX offers access to computers, reintegration support and financial aid assistance along with other services. The center also brings together veterans and active duty military to create peer-to-peer support systems.

"The VMX has contributed greatly to my success at Montana Western," student and Army veteran Danilo Figueroa said. "The support I've received has eased my transition from enlisted to civilian and given me a place to meet with fellow veterans."

Military Friendly Schools cited Montana Western's military scholarships and credits for military service and training, online and distance learning opportunities and the university's VMX program for the designation.

The Military Friendly Schools list is created each year based on research using public data sources for more than 8,800 schools nationwide, input from student veterans and responses to the proprietary, data-driven Military Friendly Schools survey from participating institutions.

To view Montana Western's designation, visit Military Friendly Schools.

Zoning Nov 7th Meeting

By: MJ

Mayor Klakken: The mayor distributed information that was in the old zoning document and is related to some of the difficult issues the zoning board is dealing with today. **Example:** parking, signs, what is a "change of use," sight triangles, zoning for residential R-1, 2, 3 and central business C-3… The mayor's hand-out appeared to be unasked-for. **Question:** Would more information be of a benefit to the board when making decisions for the community?

Wireless Communication: (TABLED for more information) There has been an application permit submitted to rebuild the towers on the old Williams Feeds elevators. The zoning committee is researching where the best place for the wireless communication tower would be in Dillon. The want to extend the height to 200+/- feet. Matt Ulberg from DJ&A Engineering firm gave a report. He explained there are many issues to consider from size, optimizing the location for the best service for customers, what the city code allows, other locations available…

EMC Signs: There was no minutes from the open house meeting. One (1) letter has been received against all EMC signs. Committeeman Graham is seeking more information from other towns of similar size to Dillon.

Zoning Document Changes: Committeeman Mooney passed out ordinance changes providing clarification on several issues like; townhouses, mobile homes…

Letter to the Editor

This is a slightly changed from the original by Edgar Guest

It Couldn't Be Done
Somebody said that it couldn't be done
But Trump with a chuckle replied
That "maybe it couldn't," but he would be one
Who wouldn't say so till he'd tried.
So he buckled right in with the trace of a grin
On his face. If he worried he hid it.
He started to sing as he tackled the thing
That couldn't be done, and he did it!

Somebody scoffed: "Oh, you'll never do that;
At least no one ever has done it;"
But Trump took off his coat and he took off his hat
And the first thing we knew he'd begun it.
With a lift of his chin and a bit of a grin,
Without any doubting or quiddit,
He started to sing as he tackled the thing
That couldn't be done, and he did it.

There are thousands to tell you it cannot be done,
There are thousands to prophesy failure,
There are thousands to point out to you one by one,
The dangers that wait to assail you.
But just buckle in with a bit of a grin,
Just take off your coat and go to it;
Just start in to sing as you tackle the thing
That "cannot be done," and you'll do it.
Congratulations President-Elect Donald Trump!

Letter to the Editor

Dear Mike Mosolf,

I feel your pain Brother! After the Trump win, no victory, no beating, no SHELL-ACKING I took to the streets to protest the unfairness of the crushing, pounding, ANNILATION that the American people had witnessed. The complete SLAUGHTER would not have been soo bad had Barack Husseim Obama not brought his group into the mix. Michelle Obama, Bouence, Miley Virus, Share, and Pee Wee Herman to name a few. Had the American people just had to compare crooked Hillary with Trump, she may have stood a chance, but Barack Husseim Obama had to remind everyone how great a job he had done and, and WHAMMO, all of the PODUNK Americans as you called them got off their PODUNK posteriors and wiped the American Floor with both Lying Hillary and the worst President that ever was or will ever be! I am having a hard time finding anyone to protest or riot with, they are all working. I did call a friend who works for the Cat Rental Store in Billings, he couldn't riot either, the Cat Store had received so many orders for equipment for coal and other projects ($23,000,000) to be exact, that he wouldn't have time to riot ....for at least 8 years.

To All Ratepayers of Dillon,

It has come to my attention that several individuals have tried to make an online bill payment with the payment completed but it was not actually made to the City of Dillon but to another website not affiliated with the City at all. The incorrect website has the address of: https://www.doxo.com/info/city-dillon-water-dept-mt.

If you completed a Google search for "City of Dillon Water Department", the first search response would be this website which IS NOT AFFILIATED WITH DILLON AT ALL. We are trying to determine what we can do about this but until this is fixed, please be careful when searching. The correct website for City of Dillon Water/Sewer bills is: https://www.billingdoc.net/finalpayonline31/index.php?c=BMS058

You can type this directly in your web browser or go to the City of Dillon's webpage located at: www.dillonmt.org and near the top right corner there is a shortcut/link that you may click and be directed to the correct website (the billingdoc.net site). Sorry for any confusion that this has created and again the City of Dillon is investigating all possibilities to correct this confusion.

Jude,

Really is there any reason we should read the Bible? No one can understand it anyway.

First off, the Bible is God's "manual" for humans; His creation, on how to live & what's best for us in 'every' avenue of our lives.

Secondly He wrote it in a simple manor, using many illustrations that we can identify with to help us get the sense of what we're reading. How else would He expect us to understand & follow it?

The Bible answers questions that only God can answer, such as, *why human governments can't bring lasting peace, *how to find the deepest satisfaction in life, & *what the future holds for mankind & the earth. There are countless reasons to read the Bible, (how to raise children, how to have a happy marriage, how to get along with others, dealing with peer pressure, financial woes, remaining single, why not to think too much of yourself, dealing with workmates, how to treat your employer, etc etc) But if you can't understand your copy, get a translation written in dialogue that you can understand. We no longer speak as they did in the days of King James. (Thee, thou, whilst, etc) The Bible is the "all time best seller, " the most widely circulated book in history. Our 16th president Abe Lincoln, called the Bible, 'the best gift God has ever given to man....if not for it we could not know right from wrong.'
