Trailers in Dillon Correction

By MJ

In an article I wrote titled "Trailer in Dillon" I referenced RMH as meaning "Recreational Mobile Homes."

The correction is; (RMH) stands for Residential Manufacture Home district. There is no area in Dillon identified as RMH. That only leaves R-3 zoned areas where trailer can be set up.

UMW's Health and Human Performance Department adds state-of-the-art equipment

University of Montana Western Professor Laura Young recently announced the addition of new cycle ergometers for the university's Health and Human Performance (HHP) Department.

A cycle ergometer (bike) is a stationary cycling machine used in fitness testing to estimate exercise intensity from the revolutions per minute and the resistance to pedaling.

"The new bikes will allow our HHP students the opportunity to perform clinical and performance testing of cardiovascular fitness and power output," Young said. "Students will use the bikes in exercise physiology lab activities as well as to gather information for student research projects."

Young recently conducted a "wingate test" with her exercise physiology class. A "wingate test" is a 30-second all out maximal anaerobic power test that is often used to test athletes' strength and power, Young explained.

"This test can give insight into the type of muscle fibers a person has, either slow twitch or fast twitch, which is particularly useful knowledge for athletes to have," Young said. "A high concentration of fast twitch fibers are typically seen in endurance athletes, which don't necessarily produce large amounts of immediate power but can maintain the power they do have for a long period of time."

In addition to being used for sports performance, the bikes are used to teach clinical exercise testing and prescription for populations such as those with a physical disability, the elderly, or those with health issues who might not be able to assess their cardiovascular/aerobic fitness level with traditional methods.

Young explained the importance of her HHP students learning to use equipment such as these bikes, which are common in hospitals, physical therapy clinics, cardiac/pulmonary rehabilitation centers, along with learning nationally recognized clinical testing methods.

"We believe this new equipment will enhance the quality of undergraduate research produced by our students, allowing them to gain valuable experience before pursuing graduate studies in the field," Young said.

In addition, Young explained that the department is working to develop partnerships across campus and in the community to use the new equipment to provide fitness assessments for interested individuals. "This information can be incredibly helpful for individuals pursuing health and fitness goals and provides our students with opportunities to put their skills to work in real-world settings," Young said.

A first-year professor at Montana Western, Young earned her Ph.D./RDe with an emphasis in exercise physiology and nutrition from the University of Utah.

Here's the Dillon Middle School news for the week of Nov. 21st through the 25th, 2016

The lunch menu for the week is as follows: On Monday we will enjoy sloppy joes on a bun with cabbage salad. On Tuesday a turkey dinner will be served with mashed potatoes, gravy, and a school made dinner roll. Wednesday, brunch will be served and will include sausage, pancakes, hash browns and oranges. The Middle School will release at 12:05 on Wednesday, and will be out Thursday, November 24th and Friday, November 25th in recognition of Thanksgiving. School will resume Monday, November 28th.

For girls' cross training, there will no scheduled practice this week, but we will start yoga when we return from Thanksgiving break.

Last week, boys' basketball hosted Anaconda. Boys' 8A won 53 to 29, while 8B came up short 23 to 25. In 7th grade, the A team won 64 to 22, and the B team narrowly lost 32 to 35. Great job players and coaches. This week, Tuesday, November 22nd, Dillon hosts Butte East. 7th

grade will play in the DMS gym, and 8th grade will play in the new gym. B teams will play at 4:30, followed by the A teams at 5:30.

This past week several students attended the 2016 Youth Days in Helena as a part of the Montana Behavioral Initiative. Students attending were: Ayanna Barnhart, Jace Fitzgerald, Daxon Graham, Rosa Hamby, Emily Hansen, Evelyn Hansen, Hunter Probst, Parker Puyear, Gracie Reiser, Madalen Shipman, and Haley Thomas.

The focus for this year was on "Belonging". The 2-day seminar focused on what we can do as leaders to help promote belonging. It focused on our responsibility as student school leaders to be able to step out of the box and do something for those who don't feel included. The participants went through situational scenarios and what they can do.

There was a focus on acceptance and tolerance and knowing what the difference was. There was a focus that as a leader we can choose to tolerate behavior, but we have a responsibility to accept every person as a human being and that every person deserves that.

During the two day event, over 300 students participated in service projects at over 26 locations. This promotes the aspect that as leaders we have the responsibility to provide for our community. There is a reward to those receiving that service and there is a reward for those providing it as well.

Several of the DMS students who attended mentioned that the service projects were their favorite part. MBI YOUTH DAYS provides our students with reinforcement in what we already offer our students at school. It promotes our leaders in our school. As an MBI team at DMS, we take great honor in being school representatives, community leaders, and school leaders.

We take great pride in representing our school at a top level. We came away from this conference rejuvenated and generating ideas to make our school even better. We also learned that we are important to our school, and school officials will listen and try to put our ideas into action. Our students ARE IMPORTANT to the success of DMS. Thank you Mr. and Mrs. Williams for facilitating this event.

Congratulations to Mr. Zier, one of our math teachers, for being awarded the "one class at a time" sponsored by KXL TV and Montana Tech. This award was also matched by Barrett Minerals. Funds will be used to purchase a classroom set of headphones. A big thank you to KXL, Montana Tech and Barrett Minerals.

CLOSEST GAME OF THE SEASON

The Bulldogs played their closest game of the season going up against the Centurions of Yellowstone Christian College. The first half saw 10 lead changes as the two teams went into the break with the Bulldogs leading 40-34. The Centurions came out with a strong 2-3 zone defense causing problems for the Bulldogs, holding them to 38 percent shooting from the floor. Junior guard Brian Neal (Tacoma, Wash.) scored 16 points in the first half, most of which came in the final minutes as he was able to get a couple of contested lay-ups to fall through the cylinder.

Dom Robinson (Tacoma, Wash.) sparked the second half for the Bulldogs as he stole the opening inbound pass and laid in the right-handed lay-up. The Bulldogs shooting woes from behind the arc continued in the second half. Senior Shyke Smalls (Great Falls, Mont.) showcased his abilities midway through the second half, capitalizing on back to back strong drives to the hoop and shortly thereafter connected on a rare three for the Bulldogs. Plagued by foul trouble, Smalls ended with 10 points on the night.

The Bulldogs out scored their opponent by 12 points in the second half of play on their way to a 91-73 victory and fourth win of the season. Brian Neal followed his impressive first half with a equally impressive second half totaling a team high 24 points along with six rebounds.

Montana Western and Yellowstone Christian College will face off again Nov. 18 at 3 P.M in Straugh Gymnasium

GET YOUR GRISWOLD ON!

The 2016 Parade of Lights and Christmas Stroll will be held on
Friday, December 2nd beginning at 6:00 p.m. All businesses, churches
and community organizations are welcome to participate in events across
Dillon and in the Downtown area.

The Chamber asks that businesses who want to participate plan an
activity or theme that is complimentary to their business that will be
available during the Parade of Lights and Christmas Stroll. Ideally, the
Chamber asks that businesses participating stay open until 8:00 p.m. on
the night of the festivities.

Parade entries are welcome! The parade will begin at the Courthouse
at 6:00 after Santa and Mrs. Claus light the Courthouse Christmas tree.
For parade entry forms and more information about the parade, call
Claudia at 406-660-1973 or stop by Best of the West Properties. This
year's Parade theme is "Get your Griswold On!" There will be prizes for
top parade entries.

The Chamber is planning on publishing a list of activities going on
in each participating business to make sure strollers know what to look
forward to. First drafts will be published Nov. 28th, but final copies will
be made to distribute to strollers the night of the event. Final deadline to
be included on the Parade & Stroll Night list of events is Thursday, Dec.
1 by 5:00 p.m.

Please, send your plans to Mitch at mitch.thomas.staley@gmail.com
so you can be included on the list of Parade & Stroll Night activities.

Museum Association annual meeting and special program

The Dillon community is invited to attend the annual meeting of
the Beaverhead County Museum Association on Tuesday, November
22 at 7:00 P.M. in the Depot Theatre. Following a brief business
meeting, A&E architect Paul Filicetti will unveil drawings and a floor
plan for the new storage building and will present the anticipated
cost to build. Paul will answer any questions. Refreshments in the
Bird Room will follow. Please join us for this exciting event.

21 Unanswered points brings trophy home for the Dillon Beavers

21 unanswered points at the end of the first half and the Dillon Beavers win the Class A Championship game 34 - 17. There was no scoring in the second half for either team.

Columbia Falls had 4 turnover in the first half that helped the Beavers. The Beavers had 128 yards on the ground and 7 passes for 124 yards in the air. Passing was about all the Wildcats could get done in the first half. The Beavers held them to only 6 positive yards on the ground in the first half. Columbia Falls did seem to control the first quarter, the Beavers come back and ran over them in the second quarter.

Snow, cold, mud and desperation may have been a factor that contributed to Columbia Falls throwing four interceptions.

Columbia Falls came out to start the game and scored on their first possession. Dillon couldn't get going and had to give the ball back on their first two attempts. When they did get in the swing of things, they couldn't be stopped. The Beavers dominated the offense and defense for all but that first quarter.

Some of the highlights from the game came from Koby King with a great run back to put Dillon in good field position. Then with an amazing stretched out, diving catch from Gabe Hupp they were down where quarter back Troy Andersen could run in for 7 yards after a couple plays. Dillon got the ball back after a Wildcats fumble and that ended with Brent Tezak pulling in the pass for another touchdown. R.J. Fitzgerald put the Beavers in good position again with a 30 yard run bringing his total to 74 yards for the day. Gabe Hupp and Eric James each had a fantastic afternoon on the field for the Beavers as well. It was a great team effort by all.

The Beavers have won 8 of the last 11 State Class A Championship games and that shows the teams, coaches, staffs and fans dedication to the sport.
