Chuck Lumley

Chuck Lumley has past away on November 21st, 2016. Full obituary to follow.

Darline Barbara Arnold Hutfles

Darline Barbara Arnold Hutfles passed away peacefully at the age of 84 on Nov. 16, 2016, from Multiple Myeloma in the Colby Citizens Medical Center. The eldest of nine children, she was born in the family home on May 19, 1932 in Seguin, KS to Simon and Aldea Plante Arnold.

During the Great Depression years, she attended grade schools in Damar, Portis, and the Old Sheridan County School located between Hoxie, Seldon and Leoville. In 1950,

she graduated from Leoville High School, which was at a time when many girls did not graduate from high school and were married at age 16. She received a four-year college scholarship to Marymount College in Salina to become a teacher, but she was unable to attend because her family needed her help at home. Later in life, Darline would continue her education through classes at Colby Community College. She loved to read, and was a life-long learner and teacher to her children and others.

On September 8, 1953 she married Gerald (Jerry) Hutfles of Herndon, KS. They were married for 63 years and had nine children. Darline was a devoted wife and mother, who took great joy in sewing and cooking for her large family. She always had a large vegetable and flower garden, and spent long hours baking and canning the produce. In 1980, when her last child was in school, she became a

cook at the Sacred Heart School cafeteria.

She loved to sing and played the piano, organ, and guitar. At her insistence, all of her children learned at least one musical instrument. As they grew older, she would take them to local nursing homes to play for the residents while she directed and sang along.

Darline was an active volunteer in her Catholic parish of Sacred Heart Church until she became too ill. She was a song leader, Religious Education Instructor, Eucharistic Minister, member and past Regent of the Daughters of Isabella, Queen Mary Altar Society, and co-founding member of the Handmaiden Prayer Group. She was a community volunteer with League of Women Voters and the Retired Senior Volunteer Program (RSVP) in Colby. Her pro-life efforts included manning the Birthright and later the Emergency Pregnancy Services (EPS) office where she answered phones and trained counselors, stored baby clothes, and gave callers information on alternatives to abortion. She was instrumental in bringing Hospice to Thomas County after she learned of the organization. She hosted bake sales and Hospice information booths at the Thomas County Fair to earn funds to begin offering area services. She was a Hospice area coordinator and later when asked to serve on the Hospice Board of Directors she humbly declined, knowing her skills were best used to serve others behind the scenes.

She is survived by her husband and their nine children: Mary (Rick) Bell, Helena, MT; Bob (Patty) Hutfles, Dillon, MT; Ron (Dena) Hutfles, Salina, KS; Tim (Amy) Hutfles, Colby, KS; Gerrienne (Alan) Bray, Calgary, Canada; Annette (Rob) Boardman, Fremont, CA; Jackie (Roger) Mcasey, Holton, KS; Richard (Amy) Hutfles, Kechi, KS; and Larry (Cindy) Hutfles, Park City, KS; 30 grandchildren; and 25 great-grandchildren. She is also survived by her eight siblings: Chuck Arnold, Plainville, KS; Jim (Adeline) Arnold, Colby, KS; Donna (Ron) Sis, McCook, NE; Pat (Jim) Prochazka, Atwood, KS; Bertha (Kenny) Brungardt, Victoria, KS; Pauline (Kenny) Micek, Atwood, KS; Pauletta (Ray) Gerver, McCook, NE; and Geralda (Jim) Keith, Hill City, KS; and a large group of beloved godchildren, nieces and nephews.

Bookstore Features Al Kajin

Al Kajin's photography will be featured at The Bookstore on Saturday, November 26th during the Shop Small Saturday celebration.

Al received his first camera as a gift from his Mom at the age of 8. Photography is in his blood, his Grandmother was a photographer back in the early 1900's. He owns many of her negatives and through them he has a clear view of her early life. Al was born in 1953 and raised on a cattle ranch in Southwestern Montana. He

attended a two room country school with about 23 students in all 8 grades. He got a wonderful education in that little school out on the prairie. It was here that he fell in love with history, which has remained a lifelong passion. A self taught genealogist his research found family members in Americana since about 1580, as well as some relatives "hanging" from the family tree.

His high school years were spent in Dillon from there he went on to Montana State University in Bozeman. Here he was majoring in Film and Television with a Still Photography minor. He found himself feeling like he knew more than most of the instructors and left after only a year of study. In his own words "my mistake!" Returning to Dillon he went to work in a lumber mill and then for a small dirt work construction company as a heavy equipment operator.

Realizing that there was more to life than spending his hard earned money in a bar every week he reacquainted with an old girlfriend. He married Claudia Brown in June of 1973. Forty plus years later she still claims him. They left Dillon a couple days after the wedding in a borrowed pickup with a camp trailer for the summer to attend the Winona School of Professional Photography in Winona Lake Indiana. This is where his true education in the art of photography happened. They found their way back to Dillon and opened a photography business specializing in weddings, portraiture, senior portraits and commercial photography. They had to work other jobs to make ends meet. This venture didn't work out and a new doctor approached them wanting to rent their studio- the town needed a doctor more than another photographer.

After that he worked again as a heavy equipment operator both for a local contractor and finally the United States Forest Service. Once he was laid off from the Forest Service he gave retail sales a try and discovered he had a knack for sales. Kajin started working for a farm cooperative in Dillon which led to him being store Manager in Kalispell then in a retail hardware store in Forsyth. Along the way he worked as a wild land firefighter and a Volunteer City fireman for over twenty years as well as law enforcement as a Deputy Sheriff and a City Policeman. He was even a brakeman on the Union Pacific Railroad for a few years. It was during this time that their family was started. They have three children; Nick, Christopher, and Leslie. Nick died at 17 in a car wreck. Chris spent 7 years in the Coast Guard and went to college after he got out of the Active CG and got into the CG Reserve. He lives in Chicago- a 2013 graduate (in history) of DePaul University. Leslie lives in Forsyth (across the street from her parents) and is married- she works in the lab at an area hospital.

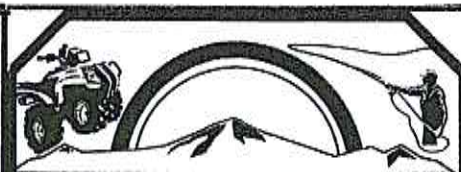

Unfortunately his years spent on horses, dozers, and other nasty things (skis and motorcycles) have taken a toll on his body. He is a two time cancer survivor suffering from degenerative arthritis and spinal disc disease. He tries to do he can but finds that he is slowly losing mobility and freedom. According to Al "Such is life!"

"My biggest pet peeve with many photographs is ... crooked horizons! Yes folks, crooked horizons! I can still recall my German photography instructor at MSU yelling in his heavy accent "A crooked horizon is the sign of an amateur photographer!" I agree! Now my philosophy- Photography is an Art. People should not get so hung up on the technical aspects of the trade and forget that we are artists. Enjoy yourselves, have fun! Never go anywhere without your camera, you don't have to have the newest and best and most expensive camera. Learn your avocation with an open mind. Make mistakes! ...and always- Look with your heart as well as your eyes"

There will be a reception in honor of Al at The Bookstore from 1:00-4:00 on Saturday.

Letter to the Editor

LaVon D. Brillhart

Mr. Jay Hahnkamp. I read you comments here, 11/1716. I am sure glad you mentioned the worst President this country has ever seen. I remember that President. He said he wanted to run this county like a corporation...and he did. he received the largest surplus of money of any administration. But in less than two years he had the largest deficit in the history of this country since the Great Depression. Where did the money go?

He cut money from education, money for the elderly, Medicare for the poor, cut, housing for the disabled, cut, programs for Native Americans cut, food stamps for children, cut, land restoration programs, cut, National Park services, cut, prescription drugs for veterans, cut, nursing home care for veterans, cut, farm and ranch subsidies, cut. This is just a very small list of the "cut" list.

This worst President started an illegal war, that cost thousands of lives, thousands of injuries, destroyed a country and the price tag was some three trillion dollars. But wait his friend and vice presidents former company made \$100 billion dollars in contracts because of the war.

This worst President caused this country into the worst recession since the Great Depression but the rich got richer and the middle class got fleeced.

This President said he was above the law and the Constitution of the Land and he disobeyed more than 750 laws enacted since he took office and said he had the power to set aside any laws passed by Congress.

This President declared he had the right to imprison any American without charges.

This worst President has to be George W. Bush. I am sure you agree. How can we forget?

Yellowstone Ecosystem Subcommittee

Completes Revision of Conservation Strategy

The Yellowstone Ecosystem Subcommittee (YES) of the Interagency Grizzly Bear Committee (IGBC) held its fall meeting in Cody, Wyoming on November 16 & 17, 2016 and the main focus was the completion and acceptance of the revised Conservation Strategy by the committee partners. According to YES Chair Mary Erickson, "The final version of the Conservation Strategy was the result of nine conference calls and five in-person meetings over the last year."

At the meeting in Cody, there was final discussion over the remaining parts of the strategy that had previously been unresolved. A vote was taken and the final revision passed with eighteen voting in support, one against, and one abstaining.

The final approved version of the Conservation Strategy can be found at <http://igbconline.org/news/>. The Conservation Strategy is not official until it is signed by the agency leaders whose staff worked and voted on the revision. It is hoped that this signing will take place at the IGBC annual winter meeting scheduled for December 13 & 14 at the Holiday Inn Downtown Missoula in Missoula, Montana.

The completion and signing of the Conservation Strategy does not trigger delisting of the Yellowstone Ecosystem Population. It is another required step in the process towards delisting. The public is encouraged to view the completed strategy, but public comment is not being solicited.
