Adjustment Board Nov. 21, 2016

By: MJ

Present:

There seemed to be a question whether the agenda text gave the committee the right to take a vote. Chairman Straugh did not think that the wording on the agenda was acceptable in informing the public that there would be a vote taken at the meeting. After continued discussion on unresolved issues no vote was taken.

In September 2016 the Zoning Board started reviewing the Bull Pens permits and denied them. Upon that denial Mr Johnasson was able to apply to the Board of Adjustments for a "Hardship".

NOTE: According to state law #76-15-725 the Board of Adjustment is to determine that there are great practical difficulties or unnecessary hardship in the way of applying the strict letter of any of the land use regulations upon the lands of petitioner, it shall make and record that determination and shall make and record findings of fact as to the specific conditions which establish the great practical difficulties or unnecessary hardship.

Question: According to the above law 76-15-725, quoted above, is it up to the Board of Adjustments to take the information provided by the zoning committee and determine if there is a hardship involved with the findings of zoning committee? The Zoning Committee reviewed the permits and made the decision to deny as it was out of compliance with zoning document.

The Bull Pen issues have been on the Zoning Board or the Board of Adjustment's agenda since September 2016.

**KBZK News airs in-depth story on
Montana Western's Main Hall renovation**

KBZK television news of Bozeman, Mont. began airing a comprehensive story about the 10-year renovation of the University of Montana Western's Main Hall on Tuesday, Nov. 22, 2016.

KBZK's Chet Layman of Montana This Morning recently met with historical architect Ken Sievert to tour Main Hall. Sievert worked on the multi-year project and was able to provide Layman with comprehensive detail about the 120-year old building.

The story includes details about Main Hall's renovations over the years, including the most recent renovation of the old library, which is now a state-of-the-art model classroom. The library's original ceiling and medallions were restored, and the mezzanine area was returned to its original configuration, which will serve as a student-teacher viewing area.

The model classroom was built to serve Montana Western's Rural Fridays program, which brings elementary students from area rural schoolhouses to be taught by pre-service (student) teachers. The space also serves as a facility for university and community meetings, university courses, practice-teaching sessions and event receptions.

Originally named the Montana State Normal School, Montana Western began as the state's teacher training institution in 1893, with the first class beginning in 1897.

The two-part story can be viewed here: <http://tinyurl.com/MainHall-Part-One> and here tinyurl.com/MainHall-Part-Two.

122 N. Montana St Dillon, MT 59725**Here's the Dillon Middle School news for the
week of November 28th through December 2nd, 2016**

It is worded for publication on Monday. We hope everybody had a nice Thanksgiving break.

The lunch menu for the week is as follows: On Monday we will enjoy spaghetti with meat sauce and French bread. On Tuesday stromboli will be served with rotini and white sauce, and on Wednesday, we will have a local beef hamburger on a school made bun with trimmings. Thursday, we will enjoy beef ravioli served with French bread. And on Friday we will have vegetable beef soup with school made bread, peanut butter, honey, applesauce and fresh veggies.

We have our perfect attendance results for the first quarter. The students achieving this award, attended each class every day from September 6th through November 4th. Thirteen sixth graders, fifteen seventh graders, and seventeen eighth graders had perfect attendance for the first quarter. Great job students!!!

Last week, boys' basketball hosted Butte East. 8A won 68 to 45, 8B played hard but couldn't quite keep up, losing 46 to 16, 7A lost 56 to 49 but 7B got some revenge, winning 46 to 29.

This week, in boys' basketball the A teams will host Deer Lodge on Thursday, December 1st. Both teams will be in the new gym. Seventh grade will play at 4:00 pm, followed by 8th grade at 5:00 pm.

And on Saturday, the A teams will travel to Anaconda for a tournament. Times are to be determined, and notes should be sent home with players Thursday or Friday.

Second quarter midterm report cards will be sent home with students, next Thursday, December 8th. If you don't receive one, please feel free to contact the middle school office.

We have the results of Mrs. Gibson's 8th grade Reading Strategies Cupcake Wars. For the 5th period class: in third place was Ayanna Eney-Fadness, 2nd place was Tyronn Burnett, and first place was Tanden Phillips with her crushed peppermint and buttercream filled vanilla cupcakes. In Mrs. Gibson's 7th period class: 3rd place was achieved by Cole Truman, 2nd place was Acadia Lisle, and in first place Rian Kimerly took home the prize with his coffee cream frosted chocolate cupcakes. Great job 8th graders.

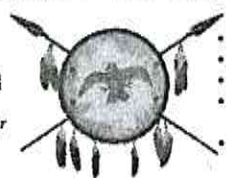

Food Drive, Food Drive, Food Drive. Today begins the Middle School food drive to benefit the local food pantry. Please bring your non-perishable food to your 8th period class. We will gather food until the morning of Friday, December 16th. The food pantry especially needs canned fruit, canned vegetables, canned soup, peanut butter, cereal, individual oatmeal cereal, macaroni and cheese, crackers, jelly or jam. The 8th period that brings the most food by weight will win a pizza party with drinks. Prizes will also be awarded to the 2nd and 3rd place finishers. Please get involved with this very worthy cause.

MANUFACTURED HOMES & MOBILE HOME & ZONING

By: Lynn Westad

There have been several articles lately talking about the Zoning Regulations and the Zoning Commission. I was involved in the development of the document and want to clarify some points before people are concerned unnecessarily.

I will address the statements made regarding manufactured homes, mobile, homes, and recreational homes. You have to clearly understand the definitions of each before you can determine what parts of the document apply. The correct term is Manufactured Home if built after 1976. The term Mobile Home is used for ones built before 1976. If you currently own any manufactured home or mobile home of any age that was there prior to the adoption of the current regulations you may continue without being required to do anything. Your investment is protected by the zoning regulations as well. If the home is removed or major changes made review by the Commission is necessary. No additional Pre 1976 mobile homes are allowed within the city because they can be unsafe unless upgraded. At one time the city was investigating money available to help people upgrade these homes but it is no longer available from the State.

Yes the Commission is well aware of the economics of Dillon and has provided for all economic levels to have affordable housing and will protect everyone's property investment.

Manufactured homes on permanent foundations are ALLOWED in all FOUR residential districts after review by the Commission. The RMH district stands for Residential Manufactured Home not Recreational Homes causing the writer to reach incorrect conclusions and incorrect information reported.

If a new Residential Manufactured Home Community was developed it would be zoned RMH and have to meet the guidelines currently in place. In addition there is also currently two Recreational Vehicle Parks in Dillon.

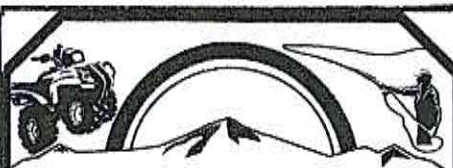

The members of the Zoning Commission are all residents of Dillon and are volunteers who are devoting large amounts of their personal time and resources because they care about Dillon. I am sure all of us would agree that we want the quiet enjoyment and investment value of property protected and this is what zoning provides and is the goal.

Ed Mooney's term on the Commission has expired and Mayor Klakken refused to reappoint him even after 3 council members requested he be reappointed. So in closing I will say thank you Ed for your hard work.

WESTERN BASKETBALL

Montana Western (5-1) struggled from the field and fell to the hot
shooting Mountaineers of Eastern Oregon (6-2) 100-84.

Eastern Oregon shot 52 percent from the field including 15 three
pointes to easily beat the Bulldogs. The Mountaineers hot shooting
combined with poor shooting, turnovers, and a porous Bulldog defense
allowed Eastern to coast to an easy victory.

The Bulldogs went on a 13-2 run in the opening 2 minutes of the
second half to cut the Mountaineer lead to seven, but couldn't get any
closer as Eastern pulled away and kept the lead to 20 the rest of the half.

Senior Chase Haack led all scorers with 24 points and pulled down
seven rebounds. Junior Marcus Payne added 20 points on 7-7 shooting
and had eight rebounds including seven on the offensive glass. Junior
Brian Neal had 18 points.

Womens game:

The Montana Western Bulldogs (8-0) beat the Mountaineers of
Eastern Oregon (5-2) 60-47 in the first game of the Best Western Caldwell
Inn and Suites Lady Yote Classic on the campus of the College of Idaho.

The Montana Western Bulldogs came out flying and jumped out to
an 11-0 lead just four minutes into the first quarter. Eastern Oregon called
a timeout and that seem to wake Mountaineers out of their Tryptophan
hangover. As the Mountaineers then started running the court and forcing
bad shots from the Bulldogs, going on an 11-4 run themselves.

The Bulldogs regrouped and started the second quarter on a 12-0 run
claiming a 16 point lead while playing a stifling defense the mountaineers
couldn't figure out. It took eastern Oregon 6:33 to score in the second
quarter. The bulldogs took a 31-21 lead into halftime.

Bulldogs were in a battle in the second half fighting their way to a
13 point win. The Bulldogs got clutch three point shooting from Seniors
Aniese Palmore and Jill Jacobs to keep the Mountaineers at bay.

Sophomore Britt Cooper led all scorers with 18 points. Senior Kaye
Bignell added 15 points and Palmore finished with 10 points and Jacobs
with nine, all from beyond the arc.
