Carolyn's Sparrow Song

The lone sparrow sits high in her tree
Pondering of what song to sing
Patiently waiting for the day to be
Stretching out her tired wings

And as the sun starts to rise
She begins with a simple song
With chirps of lows and highs
Following how the day will go

Her song reminds us of better days
Memories old but not to be forgotten
To be remembered for her ways
And the time that she has given

And as the sun is in the sky
It's warmth begins to fall
She will open her wings and fly
To a place beyond us all

Goodbye my little sparrow
Fly high into the great open sky
Though we may never see you again
For us your song will never end.

Carolyn S. Gibson, 74

Carolyn S. Gibson, 74, of Dillon, MT, died peacefully on
Dec. 6, 2016 at Barrett Hospital.

Daughter of late John and Jean Betley, she was born Feb.
10, 1942 in Conrath, WI. Carolyn attended Park County
High School in Livingston, MT. During her high school
years, she worked at the Strand Movie Theater. At this
time, she met the love of her life and husband of 57 years,
Grant Gibson. Carolyn and Grant started their married life
together at the family ranch on Duck Creek. Through their
years together, they ranched, and raised a family in Paradise
Valley, Big Timber, and Dillon. In her lifetime, she owned
and operated two Screen Printing and Embroidery shops.
She also worked as a book keeper, and helped manage the
family trucking business. Memories of our beloved mom,
sister, aunt include her love of birds, her clocks, bowling, The
Elks club, swimming in the river, her traveling adventures,
5-course family meals, her delicious pies, and her awesome
Texas Sheet Cake. She worked long hours and she worked
hard for what she had.

Carolyn was preceded in death by her parents,
grandparents, nephew Jay Betley, daughter in law Karen
Gibson, and a special little boy, Louie.

She is survived by her husband Grant, her children

Board of Adjustment Denies Citizens Hardship

By: MJ

Committee present: Councilwomen Maass, Chairman Straugh, Mr. Schwandt and Ms. Sandra Berry, Mr. Thorpe. The committee took the next step in requiring people to follow the zoning document by denying Mr. Johnasson's hardship application for a drive thru.

NOTE The law this board is required to adhere to is: "Law #76-15-725 states the Board of Adjustment is to determine that there are great practical difficulties or unnecessary hardship in the way of applying the strict letter of any of the land use regulations upon the lands of petitioner, it shall make and record that determination and shall make and record findings of fact as to the specific conditions which establish the great practical difficulties or unnecessary hardship."

After reading the law you might asked yourself if the decision was capricious (an abuse of discretion or otherwise not in accordance with law or if it was taken without observance of procedure required by law. Was the decision made in a fair and equitable way and is the decision defensible and justifiable.

The committee asked Mr. Johnasson to provide the committee with financial figures showing that if application is denied it would truly be a hardship on his business. **NOTE: He did not give actual figures but used percentages to show the hardship that would be imposed upon him if denied.**

QUESTION: Would you or any one of those board members provided their actual financials to someone who was not a professional such as an accountant, lawyer and had no accountability for their actions ...? I asked that question at the meeting -- it was not answered.

NOTE: Following are the (4) four statements made by the committee members when I asked them to explain the exact reasons why they were denying Mr. Johnasson's application. Their replies; 1) To prohibit a corrupt government the law needs to be followed, 2) The parking issues at the establishment do not comply with city zoning or state regulations, 3) there is no handicap ramp, 4) The actual financial data (real numbers) were not submitted -- instead percentage figures were given. All of the above statements hold some truth.

NOTE: The proof of income loss showing a hardship was not one of the reasons given for the board's refusal of the application. (See 1 thru 4 reasons listed above.)

QUESTION: Did the dice roll the wrong way for Mr. Johnasson? Was his application submitted at a time when the board was going to show the community that the laws will be followed? It appears at this time there may be other businesses that are not complying with the law by not filing for a Compliance Certificate. Fair and Equitable one might ask?

QUESTION: Did this board take into consideration; 1) the hardship due to loss of income for this business, 2) denying the public a right to patronize the business, 3) use this application to make a statement to the businesses wanting to establish in Dillon that there will be no give and take by the city, 4) businesses hoping to improve and update, 5) business making changes to accommodate the market today, 6) did they try to work with owner to make possible changes, 7) did they consider the economic loss to Dillon if a business goes out of business...?

The real question is; did the committee follow the law? (See law listed in 3rd paragraph above.)

December 8, 1941... The day my life changed forever...

By Chuck Dishno
December 8, 2016

Seventy Five years ago, my young life took a drastic turn. This is the day that Franklin Roosevelt made his famous speech to the people of America that because of the attack on Pearl Harbor he asked, that the Congress declare that since the unprovoked and dastardly attack by Japan on Sunday, December 7, 1941 a state of War has existed between the United States and the Japanese empire. Three days later on December 11th Germany declared war on the U.S. The United States was now at war in two theaters.

I was 6 years old, in the first grade and living an idyllic life in my new house with indoor plumbing for the first time in my young life.

Suddenly there was talk of war and I was scared. My two brothers Shad and Bud were 12 and 10 years older than me and would soon be as soon as they graduated. I was in mortal fear that they would go off to war and I would never see them again.

As it turned out they both enlisted in the Army Air Force within the next two years. A good friend, Jack Patzke, joined along with Brother Bud. Bud and Jack hoped to stay together but were separated when Jack became a gunner on a B-17 and Bud went into radio.

All went well until close to the end of the war with Germany, Jack's B-17 was shot down and he was killed trying to escape from a German POW camp. Neither Bud nor Shad ever left the states and returned home safely after the war ended.

On May 5, 1945, disaster struck my hometown of Bly, Oregon. Five of my best friends were killed by a Japanese Balloon Bomb along with the preacher's wife while on a Sunday school picnic. Two of the children were a brother and sister of Jack Patzke.

This was devastating for a young boy, having lost 7 of his friends to the war.

Letter to the Editor

Dear Members of the University Community,

The UMW administration and I thank our ASUMW leaders for
their clear, well-informed, and unequivocal "Resolution Regarding
Fair Treatment of all Students, Faculty and Staff at the University of
Montana Western." We are in complete agreement with this timely
statement rejecting intolerance regarding "race, disability, sexual
orientation, ethnicity, gender, or gender identity" and can assure
you that reports of discriminatory behavior will be thoroughly
investigated and addressed. We are guided by university, Board of
Regents, state and federal policies and procedures.

I request that the ASUMW leadership work with our Dean of
Students and her staff to educate all of us regarding appropriate
and positive methods of intervention.

We are fortunate to have such intelligent, inspirational, and
effective student leadership at Montana Western. Again, thank
you. We look forward to working with you to continue to ensure a
safe and welcoming teaching and learning environment for all.

Sincerely,

Chancellor Beth Weatherby
and the UMW Administration

The best advice before downloading an app includes reading multiple reviews about the app, and remembering
