Toys for Tots drive at the University of Montana Western

Sponsored by the Veteran's Club on campus, the mission of the U. S. Marine Corps Reserve Toys for Tots Program is to collect new, unwrapped toys during October, November and December each year, and distribute those toys as Christmas gifts to less fortunate children in the community in which the campaign is conducted.

Please bring your toys to one of the Toys for Tots boxes on campus, located in the Dining Hall, the Carson Library, and the Veterans and Military Exchange in the Student Union Building. If you have any questions, please contact UMW at 406-683-7331.

RICK NORDAHL COACH OF THE YEAR

As reported in the Montana Standard

To say that Terry Thomas left the Beaverhead County High School football program in good hands would be a bit of an understatement.

Rick Nordahl was handed the keys to the program and has driven the Beavers to three state championships in the four years that he's been head coach. Nordahl was rewarded on Monday when the Montana Coaches Associated picked him as its Class A Football Coach of the Year.

"How do you sum that up, right?" Dillon athletic director Megan Conrow exclaimed shortly after the announcement. "I feel very lucky to have coach Nordahl leading our Beaver football team and program. I know that he and his assistant coaches go above and beyond every day. I think the community is lucky to have him leading these boys."

Nordahl was one of four finalists for the award but likely moved to the head of the class when Dillon beat Columbia Falls in last month's Class A State Championship game.

The Wildcats were coached by Jaxson Schweikert and turned in one of the best football seasons in that school's history. That included a win over the Beavers during the regular season.

Dillon accepted the loss, vowed to bounce back and worked its way back into position to play for its fourth state championship in six years. The Beavers beat the Wildcats, 34-17.

"It means we're doing something right," Nordahl said of winning the award. Nordahl would be the first to admit that a Coach of the Year award has very little to do with the head coach, and a lot more to do with the assistant coaches, the players and the community.

The Dillon community has had the luxury of watching several of its high school sports teams rise to the level that those from other schools only dream about. The Beaver boys' basketball team won the state championship last season, while the girls' team placed fourth. The boys' track and field team even capped off its season as the best in the state at the Class A level.

Beaverhead Search and Rescue News for December

On December 7th, the Beaverhead Search and Rescue held its monthly meeting under the direction of Commander Tommy Goins. Without much business to attend to the meeting was relatively short. Two call outs were discussed along with up and coming training opportunities and the fish derby.

The unit experienced two call outs within the last 24 hours of the hunting season. The first came early Sunday morning when the Sheriff's office received a call about a missing person from Billings. A young lady had left Billings to hunt with her husband around Dillon. After pinging cell phones of both parties, it was best determined they were hunting in the general vicinity of the Horse Prairie. After almost 12 hours of searching, the young lady responded to the Sheriff's Department plea to call in. She indicated she was fine and they were heading to Idaho. The search was suspended at that time. The unit also received a call from a concerned mom/wife after her son and husband had not reported in since the day before. There was an S&R member in the area. He began a search in the drainage where they were supposed to be camped. He found nothing and searched another drainage where the two individuals were located in good health.

Training officer Dr. Mike Clarke discussed up and coming training opportunities. The first will be offered December 14 at the S&R building and will discuss Hazardous Material Awareness. On January 10th, 2017 there will be a classroom course on avalanches. A third training, also on avalanches, will be provided on the 10th and 11th of February. This training will have a day of classroom study and then a full day in the field looking at real conditions and applications. Use of beacons, probes, and other avalanche equipment will be demonstrated and used by the participants.

Financial Assistance

Notification

If you have active insurance coverage & your household earns 200% or less of the published federal poverty level you are eligible to apply for assistance with your Barrett Hospital & HealthCare bills. For details see below and contact Barrett Hospital & HealthCare.

Barrett Hospital & HealthCare (BHH) offers financial assistance to those who apply, qualify, and submit all required documentation timely for the program. The financial assistance program is a payer of last resort and applicants should check with Insurance Market Place the local Office of Public Assistance (OPA) to determine if they qualify for programs or coverage prior to applying.

BHH's financial assistance program is administered in conjunction with the Federal Poverty Guidelines that are used nationwide and that pertain to medical services provided at Barrett Hospital and Healthcare only. These guidelines incorporate rationale for age, number and ages of dependents and provide definitions of family and net income. The United States Department of Health and Human Services sets the Federal Poverty Income Guidelines and applies annual revisions to account for increases in the Consumer Price Index. BHH increases the federal poverty income levels from 100% to 200% for eligibility purposes.

To apply for assistance and/or to obtain free copies of the policy and application interested parties should contact a financial counselor by:

Phone: 406-683-3034

Extraordinary Collection Actions (ECA):

Patients that do not contact the financial counselors or respond to statements will ultimately be transitioned to an outside agency that may or may not affect credit.

Barrett Hospital & HealthCare will not take any ECA actions without making a reasonable effort to determine at patient's financial assistance eligibility in accordance with limitations outlined in the Credit, Collection and Uncompensated Care Policies and the Financial Assistance Policy (FAP). It will be the responsibility of the Financial Assistance Committee to determine if reasonable efforts were made to access the eligibility of a patient/guarantor for financial assistance.
