Hahnkamp at Bookstore Friday

Jay Hahnkamp will be signing copies of his books at The Bookstore on Friday, December 16th from 5:00-7:00

His newest book, *My Name is Sara: I am a Racehorse!*, is a story based on one of the author's calves from his family's Montana ranch. They named the calf Sara after a girl they have known for years. Like the calf, Sara was different by many people's standards, but very loved and protected.

Sara, the fictitious character in the book based on the author's calf, is not "normal" by bovine standards, but like the girl Sara, she is the most loved and protected critter in the barnyard. You see, Sara doesn't know she's different. She believes she can be anything - even a racehorse!

Sara's adventures will inspire young and old alike. Accompanied by fifteen charming illustrations by Bonnie Shields and nine photos of the real calf Sara and her family, *My Name is Sara* is a touching story that will become a heart-warming favorite.

Hahnkamp, a Montana native was born in Butte and raised on the banks of the Big Hole River where he still lives with his wife and 2 sons. Jay graduated from Montana State University with a degree in agricultural education. He draws on his life experiences from his work and family when creating his stories. His first book, *"My Pony Bucks.....my Dad says so"* won a Will Rogers Gold Medallion Award for 2015 Illustrated Western Fiction for Young Readers.

If you have any questions or would like to reserve a copy please call Debbie at 683-6807

Sex Offenders Targeted in Multi-Agency Compliance Check Operations

*341 Checks Conducted in Beaverhead, Flathead, Lake,
and Roosevelt Counties*

With the goal of locating offenders who aren't in compliance with Montana's Sexual or Violent Offender Registry, Montana law enforcement agencies recently conducted intensive compliance checks in Beaverhead, Lake, Flathead, and Roosevelt Counties. There are a combined 350 registered sex offenders in the four jurisdictions. During the operations, 341 of the 350 registered were checked for registration compliance.

Offender compliance checks were initiated by Montana Attorney General Tim Fox in 2013. To date, law enforcement agencies have also conducted operations in Billings, Great Falls, Kalispell, and Missoula, as well as in Beaverhead, Glacier, Lake, Pondera, and Roosevelt Counties. "Ensuring the public's safety by conducting compliance checks to verify sex offenders are living at their registered address and are in compliance with any conditions they may have continues to be one of our priorities at the Montana Department of Justice," said Attorney General Tim Fox. "We are grateful to have the cooperation of multiple law enforcement agencies pooling

their resources, and we look forward to announcing the results of more compliance checks in the new year along with our local, state, federal, and tribal partners."

The United States Marshals Service, the United States Probation & Parole Office, the Montana Department of Justice, the Montana Department of Corrections,

Beaverhead County Sheriff's Office, the Kalispell Police Department, the Flathead County Sheriff's Office, the Lake County Sheriff's Office, the Polson Police Department, the Roosevelt County Sheriff's Office, and the Fort Peck Tribal Sex Offender Registration and Notification Act (SORNA) Team participated in the operation. Working together, they verified 272 sex offenders as compliant (residing at their registered address). Additionally:

- 63 offenders could not be contacted at their residence and residency was not verified. Those addresses where offenders could not be verified were left notices on their doors and the local registering agency is following up on the verifications.
- 13 offenders were found to be non-compliant and follow-up investigations will be conducted to determine if formal charges for failing to register will be filed;
- 2 offenders were arrested; one for Failure to Register and one was arrested on a federal warrant for sex assault.

Additionally, 17 violent offenders were checked on in Roosevelt County; all were found to be in compliance.

Under Montana law, convicted sexual or violent offenders must register their address of residence with local law enforcement. The information is provided to the Montana Department of Justice and input into the Sexual or Violent Offender Registry (SVOR). Depending on their tier level designation, sex offenders must verify their addresses with law enforcement on a regular basis (by law, violent offenders are not given a tier level). When an offender fails to verify his/her address, he/she falls out of compliance

Letter to the Editor

Why do Black Americans keep voting for Democrats?

Democrats have long exploited the Black American communities for their votes. Democrats with rhetoric like... "We need to help the black communities" - "Black Americans are being discriminated against in all walks of life" - "Blacks can't be successful in this country because the racist Republicans are holding them down" - "Vote Democrat and we'll fix it!" Majority of Black Americans have been voting Democrats for half a century and have received little in return. Welfare, public housing, and free colleges are some of the initiatives of a big Democratic government. Democrat's main objective is to keep as many people dependent on the government as possible. When this goal is achieved, the government becomes larger in both size and scope.... eventually becoming a socialist government.

As the current sitting President who is about to end his tenure in office, a president who is bi-racial (Black American/Caucasian), had the opportunity to rebuild, clean the mess in the inner-cities like Chicago, Detroit (just to name a few), to provide a safe environment, add real and substantive opportunities for Black American youths. Barack Obama had the chance to be one of the greatest American presidents - but it was not to be. The only legacy Obama's administration will be remembered for is an abysmal national health care program, a racially divided nation, illegals sapping our resources, terrorists/adversaries who do not fear us, allies who do trust us, a depleted military force and a 20 trillion dollar deficit from which future generations will never recover. We are disillusioned by your failed promises. Yes, there are presidents in the past that were flawed, but President Obama you have set the standard.

In conclusion, Democrats have had a "subversive racism" policy, where they brainwash minorities into thinking they're somehow substandard and less capable than whites, and then groom them to become reliant on the state for welfare. Bottom line: The situation of blacks in America has not improved under the Democrats since President Johnson passed the 1964 Civil Rights Bill...shameful!

NEW SESSION of STRONG PEOPLE WILL START ON January 5, 2017

FREE TRIAL December 15, 19, 22, & 29

In January, 2016, the Dillon Strong Women™ Program
became STRONG PEOPLE and welcomed men as well as women
into the program. STRONG PEOPLE uses the same exercises that
the Dillon Strong Women™ Program used.

The Strong People program is a research based fitness program.
The program will help participants look and feel better while
increasing strength, bone density, and balance. Since 2010, when
the program began locally as Strong Women™, participants have
reported improvement in all of these areas. It is a good program
for people of all ages and activity levels.

Participants use ankle weights and dumbbells (all provided)
in exercises done slowly, beginning with minimal weight and
increasing the weight very gradually as the exercise repetitions
seem easily completed.

The program is not for profit and leaders volunteer their time.
A minimal fee of \$20 per month is charged so equipment can be
purchased and rent paid to the Elks Lodge. New participants are
encouraged to try the program free during the two weeks prior to
the beginning of the new session (December 15, 19, 22, & 29). If
they choose to continue the program, the fees will be charged at
the beginning of the January/February/March session.

Currently the program is being run two days per week
(Monday and Thursday) in sessions eight to 12 weeks long, after
which participants have the opportunity to continue a maintenance
program (no fee charged) until the next session begins. A new
session begins Thursday, January 5, 2017, from 10:00 until 11:15
at the Dillon Elks Lodge, 27 E. Center St. All former and new
participants (including men) are encouraged to attend the free
sessions December 15, 19, 22, and 29. Wear comfortable clothing
and closed toe shoes.

For further information contact Jeannette Pittman at 660-2777
or Lois Volkening at 925-3774.

DECEMBER & CHRISTMAS:

By: MJ

Christmas may be a challenge time for you. It might be a time we need to rethink how we participate. It can be a time of joy, a time for laughter, sharing, or a time to feel sorry for ourselves, a time for anger, depression, tears & sadness.

December can be an onerous (difficult) month, a month that can represent a great burden. Christmas time has over the year's evolved into heaping the Christmas trees with gifts. Parents beware of costly advertisements. Remember the merchant is trying to increase their income level by you spending dollars that decrease your income. They are counting on you feeling that you need to give a noticeable, often costly gift. It's a prime time for the stores to play on human's guilt feelings.

Often a card with beautiful words saying exactly what you are thinking is all that is needed and may be a blessing. To find that special card that is meaningful, can take more time than it takes to buy a gift. A gift that is received with a fake smile and put on a shelf to never be seen again. Make a phone call or stop in for a quick visit to an elderly person. It will be a joy for them and make your day richer.

Fill your day with relaxation by sharing love, laughter, delicious food, games, outdoor sports... This type of celebration cannot be bought in a stores -- it comes from your heart. Giving & sharing togetherness is the greatest gift you can give for everyone involved.

I take a moment to thank my readers. If it were not fore you I would have to find another sideline. I can hear some of you saying that I should find something else to do and quit writing□□. It takes all of us and our individual behaviors to make the world go around. Different opinion, ideas interests is what keeps our life interesting and keeps me writing. Thank you

Do You Know the Truth... The purpose of the birth of Jesus Christ (Part 1)

---We believe the following: (1) the Bible was given by the inspiration of God as stated in 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with Biblical teachings are false.---

December 25 is a holiday celebrated by millions. Many of that number celebrate the birth of Christ on that day as a holy religious holiday.

Just for the record, let's consider the following facts: (1) Neither the Old nor New Testaments give a date of the birth of Christ; (2) There is no biblical record of churches nor Christians annually celebrating His birth; (3) Almost all of the symbols and celebrations connected with this celebration originate in paganism.

The following is a quote from USA TODAY (12-23-83) regarding the history of Christmas: "A broad element of English Christianity still considered Christmas celebration a pagan blasphemy. The Puritans, Baptists, Quakers, Presbyterians, Calvinists and other denominations brought this opposition to early New England and strong opposition to the holiday lasted in America until the middle of the 18th century. Henry Ward Beecher wrote in 1874 of his New England boyhood: "To me Christmas was a foreign day, and I shall die so. When I was a boy I wondered what Christmas was."

Regarding the Christmas the well-known Baptist preacher, Charles Hadden Spurgeon, stated on Dec. 24, 1871: "We venture to assert that if there be any day in the year of which we may be pretty sure that it was *not* the day on which the Savior was born it is the twenty-fifth of December...regarding not the day, let us, nevertheless, give God thanks for the gift of His Dear Son."

Conclusion: "Christ's birth is certainly cause for celebration, but let us give Him due honor and glory which He deserves after all that He has done for us. Christ's birth had a purpose much more than that of celebration!" (Christmas: A Celebration of Pagan & Religious Customs, January 5, 1981, by Trina Wagner, former member of Big Sky MBC)
